TO THE PUBLIC.

BUTCHART'S RESTORATIVE BALSAM.

THIS invaluable Medicine has been sixteen years before the public, and has invariably been attended with unprecedented success, indeed it may be justly considered INFALLIBLE in the cure of Bloody Flux or Dysentery, and all Looseness of the Bowels, in old or young, as its effects are palpable. Within a few minutes after a full dose has been taken complete relief is obtained. This Medicine is the invention of the late Doctor Butchart, Dundee, who, from long experience and extensive practice, has brought it to its present state of perfection in the cure of the above diseases. The ingredients of which this medicine is composed are most salutary and beneficial to the human system. A single trial will satisfy any one as to the truth of this statement; and we can do so with the greatest confidence in recommending it to the public as a safe and sure remedy.

To be had wholesale of WM. LYMAN & Co., Montreal, and JOS. ROWLES, Quebec.

THRASHING MACHINES!

LETTERS PATENT.

TIME AND LABOR SAVED IS MONEY EARNED.

THE subscribers having secured to themselves the exclusive right of manufacturing and vending to others in our Province, the Counties of Upper and Lower Canada,

SEVERANCE'S CELEBRATED IMPROVED HORSE POWER & THRASHING MACHINE,

one of the most valuable time and labor saving Machines ever devised by human ingenuity, respectfully inform the public, that they have just completed a new and extensive Factory on Wellington Street, extending from Prince to George Street, which gives them more than double the accommodation they had in the old shop, which will enable them to keep a sufficient stock on hand to supply the whole farming community of the United Provinces with a machine that will thrash and clean more grain in a day, with less expense and with greater cleanliness, than any other known invention, requiring two horses.

We beg leave to say to our customers and friends, that we are now prepared to furnish them in want of Thrashing Machines with an article superior even to those heretofore manufactured by us.

Our long experience in making, and the very liberal patronage we have enjoyed in the sale of our Machines, has, together with a constant determination to produce an article that will never fail to stand all others, caused us to watch carefully all the improvements that could be made from time to time, until now we feel confident in saying, that for durability, quantity of work, and amount of it they can do, our Thrashing Machines are unequalled by any in use. And while the grain is threshed clean, and none of it broken or wasted, it is, at the same time, perfectly cleaned, fit for the Mill or any Market.

All orders addressed to us, or our Agent, Wm. Journey, will be promptly attended to.

Machines shipped to any port in Canada, and everyone warranted to be as good as represented.

Liberal terms of payment allowed.

B. F. PAIGE & CO.

Whereas, Letters Patent were obtained, bearing date March 5, 1850, on said Machine, the public are cautioned against purchasing, using, or manufacturing any machine or article, for all infringements will be dealt with according to the law of the land.

All genuine Machines will be accompanied by a Deed signed by B. F. Paige, the owner of the right, giving the purchaser the right to use or transfer the same. Without such a Deed, no person will be safe in purchasing or using said Machines.

TERMS OF BOARD FOR THE SEASON OF 1851:—FIVE SHILLINGS PER DAY, or FIVE POUNDS PER MONTH.

Caledonia Springs, 2nd June, 1851.

[Extract of a letter from P. J. Lamoin, Esq., of Montreal.]

I beg to state that in July, 1848, I came to the Springs for the purpose of trying their efficacy in a case of the most excruciating Rheumatism, under which I had been suffering for several years previous. After remaining at the Springs for about three weeks, and using from one of the Waters, my limbs were entirely relieved from all pain, and my health perfectly restored. Several of my friends, to whom I have recommended the Springs, have told me that they experienced immediate relief from their use. I consider the Waters of the Caledonia Springs to be most efficacious in cases of Rheumatism.

To the proprietor of the Caledonia Springs.

MONTREAL, 4th June, 1851.

DEAR SIR,—In compliance with your request, I have much pleasure in giving you my opinion of the Caledonia Springs, as to the efficacy of the Waters of the Caledonia Springs, so long and highly appreciated by the Public, based upon the observations of some twenty-five years' experience, and tested as they have been by a great variety of patients of every description, labouring under the most obstinate and the different forms of disease to which the human frame is liable, I consider them invaluable. For persons, except those who have suffered from the dreadful malady, can adequately appreciate their wonderful salutary effects. I have often been personally witness to the Waters, after in vain consulting the most eminent Medical men in Canada, restore to health persons literally walking on crutches, and others that could not walk at all, worn out by protracted suffering; and their gratitude, and their health, thus broken down by confinement and want of exercise, return to their homes free from pain, leaving behind them with Bloomwhite boy, their crutches, and with health, strength, appetite, and activity perfectly restored. Nothing in such results are the corrective effects of these Waters, the Sulphur, Chalybeate, and Saline Springs in particular, have been almost as efficient in other diseases, such as Lepra, generally called Salt Rheum, and other affections of the skin; in a variety of Dyspeptic Complaints, Chronic affections of the Liver and Kidneys; and I am sure that a great number of those cases that leave the Springs greatly benefitted, but not completely restored, would, if they could be induced to remain a little longer, be cured. That these Waters have acted so many diseases as a specific, seems to be generally admitted, and as much respecting the Medicinal Qualities of the Springs has been published to the Public, that to my mind, it would be superfluous.

Yours, &c.,
ST. MOVIT,
Member of Royal College of Surgeons, London.

To John L. Wilkinson, Esq.,
Proprietor of the Caledonia Springs.

MONTREAL, 12th December, 1849.

DEAR SIR,—I have to state that I consider the use of the Caledonia Waters a very valuable auxiliary agent in the treatment of many forms of chronic disease, and I would also add, that I have found the Waters of great efficacy, and derived great benefit from the use of the Waters. Of all diseases they have proved most beneficial in which I persevering use of the Waters was necessary, the most beneficial results; Chronic Rheumatism yields the first, and I can say, with a case in point, that I was perfectly unable to walk, or even to stand, without the use of my hands, and solid only had been suffering severely for many months, and had tried and expended a few days with great pain and difficulty. After a few days with great pain and difficulty. After a residence of six weeks at the Springs, I left perfectly free from pain, and strong enough to walk from place to place without fatigue; I have also found the Waters useful in Dyspepsia and Urinary Complaints, in Chronic Secondary Syphilis, and some of my friends of Chronic Diarrhœa.

In conclusion, there can be no doubt, from a personal visit to your Establishment, that the Waters, in the numerous diseased affections of the Women, the great comfort you have put in the improvements of the house, and the unremitting care and attention which you and family evince in ministering to the comfort and amusement of your guests, must contribute to a large share of public patronage and support.

I remain, dear Sir, yours very truly,

GEORGE W. CAMERON, M.D., M.R.C.S.,
Lecturer on Surgery, McGill College.

To the Proprietor of the Caledonia Springs.

MONTREAL, December 9th, 1848.

SIR,—I feel in duty that I owe to the Caledonia Waters allusion to cases of Rheumatism, Chronic Rheumatism, or where the disease has been imagined by the injudicious use of Mercury, and Blistering. I have no doubt, from the use of the Waters, I have been enabled to walk, and generally recommend their use in the above complaints, and witnessed their good effects. I hope that the Waters may be more generally tried, and I feel bound to say, that they deserve the public patronage, and should be recommended by the Medical Profession, and I have no doubt they will, if they have lately put up and fill the fate of many of our countrymen unfortunately resorted, fall into universal disrepute.

I have lately visited the Establishment, but I have other hand it most favorably spoken of.

I am, Sir, yours obediently,

JAMES CHRISTIE, M.D.

To the Proprietor of the Caledonia Springs.

☞ A FRESH SUPPLY of the above WATERS has been received at the Depot, which can be had at the Counter, or sent to order to any address in town or country. Price of the Water very moderate.

NOTICE TO HOLDERS OF DEEDS.

IN a case of Bankruptcy, the Bankrupt placed in the hands of the Assignee a Deed for a Lot of Land acquired by payment at the above-named Tirage—said Lot was duly advertised and sold, supposed for the benefit of the Creditors of said Bankrupt. On examination of the Records it was found that Mr. Berthelet had filed his claim as *Proprietor of the said Lot*, although paid for by the Bankrupt. On Homologation of the Division Sheets, the Court recognized the claim of Mr. Berthelet, and he accordingly received the nett proceeds resulting from the Sale of the Lot.

From the above, it appears that Title Deeds given to the Purchasers of Lots, and on which a considerable amount of money has been paid, are of no value!!

A MEETING of HOLDERS of DEEDS will be held at my OFFICE, on THURSDAY, the 31st day of July, at FOUR o'clock, P.M., for the purpose of taking the steps necessary for securing possession.
