THIRD FOR BALTIMORE.

Spiders' Hits Were Scattered and They Lost by 6 to 2 Next Game To-Morrow at Cleveland.

Baltimore, Oct. 5.—The chances of the Temple Cup resting in Baltimore this winter are very bright. To-day the third game of the series with the Cleveland team, and the last one to be played in Baltimore, went to the home team by the score of 6 to 2. The champions need but one more game to capture the cup. The teams will continue the series in Cleveland on Wednesday.

This afternoon's contest was remarkable for the number of brilliant catches in the outfield and the small number of assists. Hoffer was not as effective as on last Friday, and his loyal rooters were in a constant state of worriment for five innings. But he was a tower of strength in the last four, and only a single was tallied by the Clevelands. Cuppy pitched a brilliant game up to the eighth, when the champions fell on him for three singles and a double, scoring three runs. Attendance 4200. Score:

BASEBALL MAGNATES MEET.

New York, Oct. 5.—The meeting of the National Board of Professional Baseball Associations, which commenced this morning, was adjourned at 7.45 o'clock this evening until noon to-morrow. The board spent almost the whole day considering grievances of the Western League. It is understood that an effort was being made to force the Western League to resign from the protection of the National League at the instigation of the Minneapolis and Indianapolis clubs. President Young also said that the matter was one which required consideration as to how far the power of the National Board extended. A decision will probably be arrived at to-morrow and other minor league matters will be taken up.

RED STOCKINGS SHUT OUT DUKES.

The Dukes and the champion Red Stockings met on the Ball Grounds for the first time this season. It was a one-sided game, the Dukes not being in it at any stage. The game put up by the Red Stockings was gilt-edged. Armstrong pitched a magnificent game, only two hits being made off him. McKeown was knocked out of the box in the fifth, 15 hits being made off him, the Reds batting and fielding all round the Dukes. Score:

DIAMOND DUST.

The Dukes' management say that it was only a picked team that the Red Stockings defeated yesterday and not the regular team.

FRANK E. WALKER'S HALF RATER.

Hamilton, Oct. 5.—The half-rater Silthis, purchased by Frank E. Walker, vice-commodore of the Victoria Yacht Club, arrived this morning. The little craft is eligible to the 15-foot class. She is 12 feet 7 inches l.w.l., 23 feet l.b.a., 6 feet 3 inches beam, 6½ inches draft, and carries 289 square feet of canvas. The hull weighs 310 pounds. The Solthis was designed by G. H. Duggan. It was his intention to race her against Ethelwyn, but he decided to build a heavy boat and designed the Glencairn. Solthis won the international race at Ogdensburg.

Hal McGiverin is going to Ottawa, and will probably play with Jimmy Smellie's winning team.

BY AN INNINGS AND 60 RUNS

Australians Evidently Did Not Care to Make it Three Straights.

Philadelphia Bowlers Retired the Side in the Second for 101 Runs—Giffen Got 47 and the Others Were Only in the Procession—Antipodeans Open in Chicago To-Morrow.

Philadelphia, Oct. 5.—The cricketers of Philadelphia won a great and merited victory over the Australians by defeating them this afternoon by an innings and 60 runs in the concluding day's play of the third and last match of the series.

In their first innings the Australians made 121 runs. The Phillies then went in and scored 282 runs and the Australians were retired in their second innings for a total of but 101. The result of the last match reflects credit upon the pluck and skill of the home players, as in the first two matches they seemed badly outclassed by the Antipodeans.

The first two matches went to the credit of the visitors by a margin of 123 runs in the first game in two innings, and by an innings and 71 runs in the second. By those two defeats the Phillies learned a good lesson and by hard practice completely reversed their form in the match just closed. On the other hand the visitors played away below the form they showed in the first two matches and evidently they were not very hungry after the game. Thus the exhibition of batting given by the visitors this morning was not above the form any respectable second eleven would show. After the retirement of Giffen, it was simply a procession of batsmen to and from the wicket. The bowling of King and the two Clarks and the fielding of Wood, Noble and H. I. Brown were very good.

The weather was showery and cold, and but few spectators were present. The Australians leave here to-night for Chicago. The score:

THE CHICAGO ELEVEN.

Chicago, Oct. 5.—The Australian cricketers play here under the auspices of the Wanderers, and preference has been given to the members of that club in picking the team. Dr. E. R. Ogden's presence on the team should be of the greatest value as he is in brilliant form. In consenting to play against the Australians, A. C. Anson and Fred Pfeffer have aroused an interest in the game in baseball circles, the devotees of which will doubtless be anxious to see how the two heroes of the diamond will fare at England's game. Brilliant fielding should be shown by the home team with such men as Anson, Pfeffer, Fraser, Waller, Gilchrist and Edwards on the green. In batting the team is all right against ordinary opponents, but against the Australians funk may set in. The bowling would have been much strengthened by Long and Langham. With a continuance of the present brilliant weather the wicket should be in fine order when play begins on Thursday.

The team as selected is: R. W. Fraser, captain; A. C. Anson, F. Pfeffer, Dr. E. R. Ogden, O. Tolley, J. Cummings, W. Howell, C. W. Lennon, R. W. Gilchrist, H. P. Waller, J. G. Davis, J. Bradley, F. A. Kelley, Alex. Henderson, and R. A. Edwards.

The Australians will arrive on Wednesday and on Thursday the first ball in the great match will be bowled at 11 o'clock. On Friday evening a big smoking concert in honor of the visitors will be held in the clubhouse on the grounds. A magnificent program has been drawn up. The game will be continued on Friday and Saturday.

WHERE FARMER MULOCK SHINES.

Newmarket, Ont., Oct. 5.—Should the weather prove favorable there is every prospect that the fall exhibition of the North York Agricultural Society to-morrow and Wednesday will be more than usually successful. The events for to-morrow include a farmers' trot, for green horses; saddle horse, for speed; saddle horse, hunter; pony span, for speed; lady riding and driving, dog trot, etc.

The directors have also secured a comic company to give free entertainments during both days, part of the company that entertained at the Industrial, Toronto.

A NOVEL ENTERTAINMENT.

The female bicycle races and cycle carnival at Caledonian Rink last night were attended by a very large and appreciative crowd. Miss Lottie Dawson heads the bunch with 20 miles and 11 laps to her credit. Miss Ella Vine is next with 20 miles 8 laps. There was also trick riding by Turner Bros. and F. G. Ferguson, which was very interesting. W. S. Cooper established two Canadian indoor records, the first being five miles, which was made in 15 min. 22 sec., and the half-mile he made in 1 min. 23 1-5 sec. Considering the track, which is 14 laps to the mile, this is very fast time. The attraction will be continued every afternoon at 2 and evening at 8 during the week, with change of program daily.

RES-FLEX TIRES

ARE SAFE AND FAST

If you doubt this statement ask the Royal Canadian road team winners of the R. Q. T. and Dunlop Road Races. Leaman, Oakes, Capps, Simpson and Anderson of the above team rode them in the

over the roughest course it was ever contested on, without even a puncture. Riders, if you want a tire that will not fail you when you most need it

FOOTBALL KICKS.

Varsity plays the Toronto A. C. fifteen on the lawn to-morrow. Thus the Athletics will have plenty of practice this week prior to meeting the Tigers on Saturday.

The Imperial Football Club defeated the British-American Football Club by 3 goals to 0 at the Exhibition grounds Saturday afternoon. The Imperial team: Millar, goal; Russell, McCullough, backs; Pollock, Johnston, Wheeler, half-backs; Havill, Mitchell, Willard, Pollock, Turner, forwards. Mr. Mathers, referee.

The first game of the intermediate series took place between the Riversides II. and the Crawfords on the Ball grounds Saturday before a large number of spectators. The game was fast from the start, neither team having any great advantage. After about 25 minutes' play Wilson scored by a neat shot for the Riversides. Shortly after the ball was again dropped on the Crawfords' goal by A. Heys, and after a scrimmage the ball was put through again for the Riversides. After the ball had been run from one goal to another without avail, the Crawfords scored their first and only goal from a scrimmage. In the second half the ball seemed to be pretty much in the centre of the field, but after a pretty rush by the Riversides the ball was again passed under the bar, Wilson again scoring for the Riversides. Both teams played excellent ball.

John Robinson was the Toronto man to finish eighth in Saturday's trophy race, and he was also the one that was run into at the gate when leading the first bunch at the finish.

Shameful Business Methods.

They show themselves in different ways. Sometimes in imitation—the sincerest form of flattery.

Again in more blundering and discreditable ways.

Our position as the head and front of the Toronto Shoe Trade has stirred up the green-eyed monster to some of his worst forms of attack.

Puny would-be rivals have become desperate. You're watching their methods.

Knowing the hopelessness of competing with us in size or quality of stock or prices their efforts are directed to catch the unwary and hoodwink them into the belief that they are trading with us.
