GRANITES' DOUBLE-HEADER.

C. C. Dalton Won the Trophy and J. Baird the Association—Kingston and R. C. Y. C. Runners Up.

Play at the Island in the Dominion lawn bowling tournament in the rink and association competitions was brought to an end yesterday afternoon, when the finals in both were played off. The trophy is now the rightful property of the Church-street club, for Dalton's rink defeated the quartet from the Limestone City in an easy manner by 24 to 11, leading from the first end. Dr. Watson's rink did not play their usual good game or the majority would not have been so large, but this does not detract from the winners in the least. The trophy has been played for for eight years, and was to become the property of the club winning it three times. This the Granites did. The following is the way it has been won from time to time: Granites three times, Victoria twice, Queen's once, Parkdale once, Mitchell once. The final in the association was a good contest between F. O. Cayley and Baird. The prizes were presented for the rink competitions after the matches by D. R. Read, Q.C., of the Caer Howell Club, he being one of the oldest bowlers in Canada.

The doubles, singles and point games will be finished off to-day. The results of yesterday's play:

All Good Amateurs.

New York, July 7.—C. Herbert, the secretary of the Amateur Athletic Association of Great Britain, through letters to James E. Sullivan, secretary of the Amateur Athletic Union, and William B. Curtis of the A.A.U., has been making searching inquiries into the standing of several of the Yale-Harvard contingent that have gone to England to contest against Oxford and Cambridge, with particular attention directed to Thomas E. Burke of Boston. Yesterday Secretary Sullivan addressed the following letter to Secretary Herbert: Thomas E. Burke's status as an amateur has never been questioned officially. The men who are to represent Harvard and Yale in England are all amateurs, according to the rules of the Amateur Athletic Union of the United States. Every man from Harvard and Yale who sailed from here to compete in England would have his entry accepted without protest at the Amateur Track and Field Championships of America.

The 28th Round.

London, July 7.—The 28th round of the International Chess Masters' Tournament adjourned to-day with these results: Maroczy and Steinitz in an even position, Janowski had gone down before Lasker, Showalter had the better position against Blackburne, Mason had beaten Schlechter, Cohn had worsted Tschigorin, and Bird had lost to Tinsley. The adjourned game between Mason and Cohn was also won by the former.

Rev. Jeffries Welcomes Champion.

San Francisco, July 7.—Jim Jeffries, champion pugilist of the world, arrived from the east last night. Among those who welcomed the returned pugilist was his father, who seemed extremely happy when clasped the champion's strong right hand in his and patted him on the shoulder in welcome. Later there was a gigantic reception to the pugilist at Woodward's Pavilion.

Cricket in England.

London, July 7.—In the cricket match today between the Players and Gentlemen elevens at Kennington Oval, the Players, in their first innings, made the remarkable total of 687 runs. At the close of play today the Gentlemen had scored 210 runs for five wickets down in their first innings.

There will be an open bluerock shoot on the Toronto Sporting Goods Company's grounds this afternoon, commencing at 3 o'clock.

THE PROVINCIAL L.J. LEAGUE.

Sixty Clubs Will Play in 16 Districts For Ontario Championship.

OFFICERS AND COMMITTEE CHOSEN.

Montreal Clubs Refused Admission—Ladies May Participate in Games.

A meeting to finally organize the Ontario Lawn Tennis League was held at Clancy's Hotel last evening under the presidency of Mr. W. H. McFadden of Brampton. Mr. C. T. Medd, on behalf of the sub-committee, presented their report of the different districts, as provisionally arranged. The temporary secretary, Mr. W. F. Summerhayes, stated he had been in frequent correspondence with the different clubs and that over sixty had intimated their intention of playing out the series. A few slight changes in the grouping were asked for, which will be at once dealt with by a sub-committee. Dundas, Marmora and district of the Ottawa Valley League were, at their own request, admitted to the league, the number of districts being now increased to 16. The suggestion to include the Montreal clubs was not entertained, the scheme of the league being limited to Ontario. A constitution and playing rules were settled and copies will be forwarded to all the clubs interested on Monday. The annual fee to cover stationery and postage and to provide a trophy for the winner was fixed at $1, which is to be remitted by each club to the secretary-treasurer.

The officers and executive were elected as follows: Hon. president, Dr. Goldwin Smith; president, W. A. Boys, Barrie; vice-president, J. A. Meldrum, Toronto; secretary-treasurer, W. F. Summerhayes, 28 East Wellington-street, Toronto; Executive Committee to consist of the officers and the following: Stanley C. Mason, Bothwell; W. Kilmaster, Brantford; W. L. Walsh, Orangeville; W. H. McFadden, Brampton; T. H. Branton, Newmarket; A. W. Marquis, St. Catharines; L. V. O'Connor, Lindsay; Rev. F. W. Armstrong, Trenton; Sydney Smith, Ottawa; Ewart Osborne, C. T. Medd, E. R. Patterson, W. A. Sadler, W. E. Pepall and A. C. Martens, all of Toronto.

The success of the league is assured. The first three rounds will be played locally. The penultimate and final rounds will be played during the first fortnight in September at a convenient place, to be settled by the executive.

The subject of lady players in the league matches gave rise to animated discussion and resulted in a unanimous agreement that where both clubs concerned are agreeable ladies' or mixed events should be allowed, or a separate series for ladies may be arranged, and the feeling was general that the greatest possible encouragement should be given to lady players.

ARGONAUTS WERE SPECTATORS.

Final Day at Henley—Leanders Beat London for Grand Challenge—Howell Wins.

Henley-on-Thames, July 7.—Contrary to all precedent, the Henley Royal Regatta promises to pass without rain.

The last day opened brilliantly. Enormous crowds were everywhere. All today's events are finals. The racing commenced at 12.30 p.m.

In the final heat for the Grand Challenge Cup the Leander Club beat the London Rowing Club. The Leander crew, with a stroke of 41 to the London crew's 40, were speedily in front and gradually forged ahead, winning by a length and a quarter in 7 min. 12 secs.

The Argonauts' oarsmen and scullers and many Canadian spectators watched the races from the shore.

In the final heat for the Thames Challenge Cup, First Trinity beat the Kingston Rowing Club. First Trinity was the quickest in getting away, was a length ahead at Fawley Court and won by two and three-quarter lengths. Time 7 mins. 25 secs.

In the final heat for the Visitors' Challenge Cup (fours), Balliol College, Oxford, beat New College, Oxford. Balliol and New College both started off with 37 strokes, but Balliol promptly went ahead. When half the distance had been covered the New College crew lessened the lead of their opponents, but their boat commenced to roll and Balliol won by a length. Time 8 mins. 1 sec.

In the final heat for the Wyfold Challenge Cup (fours), Trinity Hall beat the London Rowing Club. Trinity Hall was off first, rowing 38 strokes to the London crew's 39. The latter caught Trinity Hall at the top of the Island and a terrific struggle ensued. Trinity Hall, however, gradually forged ahead until, at the mile, they were clear of the opposing oarsmen, and they won by two and three-quarters lengths. Time 7 mins. 57 secs.

Howell, the American oarsman of Trinity Hall, Cambridge, beat Blackstaffe of the Vesta Rowing Club in the final heat for the Diamond Sculls, of which Howell is the holder.

Blackstaffe tried to slip off, but Howell responded splendidly and, cutting his opponent down, went right ahead. Blackstaffe hung on to Fawley Court, where he stopped, dead beat. Howell paddled in four lengths ahead in 7 mins. 26 secs.

In the final heat for the Ladies' Challenge Plate (eights), Eton beat Pembroke. Eton struck at 39 strokes to Pembroke's 40, but promptly went in front and was a length ahead at the rectory. At Fawley Court Eton was a length in front and Pembroke drew up, but Eton spurted and won by two lengths and a quarter in 7.20.

In the final heat for the Silver Goblets and Nickall's Challenge Cup (pairs) the Leander Club beat the St. George's Hospital Club.

In the final heats for the Stewards' Challenge Cup (fours), Magdalen College, Oxford, beat the favorite Hammonia crew of Hamburg.

Junior Game at Brampton.

Brampton, July 7.—The lacrosse match in the junior series of the C. L. A. played here this afternoon between the Galt Juniors and Brampton Athletes resulted in 9 straight games for the Athletes. From start to finish the Brampton team played rings around the visitors, the latter having but few opportunities to shoot, owing to the Athletes' strong defence.

Galt Juniors (0): Goal, Hilborn; point, Paisley; cover, Gibson; defence, Tyary, Hutton and Black; centre, Tyler; home, Getley, Saul and Johnson; outside, Adams; inside, Nelson; field captain, J. C. Cufford.

Brampton Athletes (9): Goal, Burrows; point, McHugh; cover, Fulton; defence, Widner, Pratley and Murdock; centre, Hughes; home, R. Barrett, Greenwood and Graydon; outside, Henry; inside, W. Barrett; field captain, R. Stewart.

Referee—Hugh Allan.

The Challenger Constance.

New York, July 7.—The one-raters Constance and Algonquin raced thrice yesterday off Centre Island in the Sound over a four-mile course. The Constance won, and this being her second victory in this series of races, she doubtless will be chosen to meet the Canadian defender of the Seawanhaka Cup.

Swimming Club Championship.

The championship of the Toronto Swimming Club will be decided this afternoon at Hanlan's Point. The distance is two hundred yards. There will also be a fifty yards handicap event. The races start at 3 o'clock. Members are requested to attend the life-saving drills, which have now been commenced.

Toronto Canoe Club.

The Toronto Canoe Club regatta takes place this afternoon in front of the club house, foot of York-street, the races being called at 2.30 o'clock. The racing men and those who wish to see the whole program should be on hand in good time, as there are a large number of events to be run off.

ANOTHER GAME WON BY A RUN

Toronto Easily Outplayed the Enemy Though Providence Only Lost by 2 to 3.

WORCESTER WON AT MONTREAL.

Rochester Captured Double-Header From Springfield—Syracuse May Play To-Day.

Montreal was the only first division club to lose yesterday, and the victory over Providence put Toronto practically level with the champions. The Islanders outplayed their rivals at every point, and should easily make it three straights this afternoon. Taylor's men are playing good ball, though they are not hitting together as the fans would like. Tibald has been released, as Wagner is ready to get back in the game. The Greys are great individual players, but seem to fight among themselves. Cassidy, the prize batsman of the league, seems to be troubled with a swelled head, a malady that will surely take him down to the .100 class.

Games to-day: Providence at Toronto, Worcester at Montreal, Springfield at Rochester.

Toronto 3, Providence 2.

Toronto and Providence engaged in another close struggle yesterday at the Island, and again the home team proved the better by a single run. The Greys started at Doescher off the reel, but a $5 fine inflicted on Murray stopped the riot. Chief Bill's weak spot is his pocket.

Williams and Braun were the opposing twirlers, and again the Toronto artist had enough the better of the argument to warrant a victory: 11 hits, including a double, two to first and Braun gave one pass and had a wild pitch. Each side had one stolen base, while Providence made two sacrifice hits.

After two were out in the sixth, Smith singled and went to third on Hannivan's safe hit. They did not try to stop a steal, expecting to make easy money out of Roat. They were mistaken, however, as here second baseman Fred worked in the most timely hit of the day for two runs. Bannon's wild throw of Nyce's grounder let the runner around to third in the seventh, and he scored on Murray's short fly to Grey. They pulled up even in the next on Hernon's single, a sacrifice and Cassidy's clean hit. Smith and Hannivan were again on third and second in the eighth, with two out, due to Cassidy's error, a single and a wild pitch, but it was too much to expect another timely crack, though Roat almost sent one past the pitcher. The Greys retired 1-2-3, except Cooney, who worked in a harmless hit.

Beaumont was first up in Toronto's half of the ninth and retired on a grounder to short. Then Rothfuss and Williams got together with a double and a single and won the game with only Big Ben out. It was one of the best ordinary crowds of the year, with the Chicago Cadets present, rooting mildly for the losers. Score:

At Montreal: A dropped thrown ball by Schiebeck in the twelfth inning was the disastrous for Montreal, for it gave the Worcester an opening, which they took advantage of. Outside of this mispLay, Montreal played fast ball, and so did Worcester, with the exception of McQuade. His errors, Lampe's wildness and good base running gave Montreal 3 in the first three innings. Felix was hit on the hand by a batted ball and compelled to retire in the ninth.

Last of the Greys To-Day.

To-day's game between Toronto and Providence should draw one of the largest crowds of the season. This is the final game of a series that has been contested with unusual keenness. To-day the teams will take the field at 3.30, with Umpire Doescher directing ceremonies. The batteries will be Alloway and Rothfuss and Dunkle and Leahy. At Providence Alloway shut the Greys out and on the previous trip here Dunkle blanked the Torontos, so to-day's contest will likely prove another pitchers' battle. Al Wagner has been out at practice every day this week and will likely be in the game to-day. His presence will be another great source of strength to the team. The Toronto Club management have given the Chicago Cadets permission to visit all ball games during their stay in the city. Worcester will begin a three-game series at the Point on Monday.

Canadian League Scores.

At Guelph: Hamilton won from Guelph to-day by beating them out in the twelfth innings. Damoth and Baker pitched good ball and had perfect control all through the game, and, only for two or three costly errors, neither team would have scored more than one run. Guelph's only runs were scored in the fourth when two men were out. An error by Flaherty and a couple of hits let in three runs. Hamilton got one in the third on Baker's hit, assisted by an error, and in the eighth they evened matters by scoring two on Guelph's error. Schrall and Elton have the credit of getting the winning run in the twelfth. Schrall made a hit, stole second and got home on Elton's two-bagger. Score:

After four years of peace and harmony, which existed between President Franklin of the Buffalo Baseball Club and George (Chummy) Gray, one of the Bisons' staunchest pitchers, war has at last been declared between them and a breach opened up that will not be easily healed. Magnate Franklin sent word to Manager Shannon yesterday afternoon to notify President Ban Johnson of the Western League that Gray had been suspended for the balance of the season. Gray had refused to accompany the team on the last trip, owing to the fact that he would be compelled to share a sleeping berth with another member of the team. This he refused to do very flatly, and Manager Shannon had no other alternative at the last moment but to leave Gray behind and have President Franklin send him on later. Instead of doing the latter, President Franklin has put Gray out of the game, which will mean his permanent retirement unless they come to some agreement before the season is over, as contracts in the Western League hold for three years.—Buffalo Express.
