SLAM THREE TWIRLERS

Make Barbecue of Sport — Smith and Loudell Occupy Box for Would-Be Detroit Players.

Hattiesburg, Miss., March 13.—Wild Bill Donovan's Tigerettes ran amuck here this afternoon, changing the scheduled sample of national pastime from a competitive sport into a barbecue, of which the local team formed the bill of fare. The score was 12 to 1. Score:

OTTAWA HOCKEY TEAM HAS SURPLUS OF $8,000

Average Attendance at N. H. A. Games 5,500—Prices Reduced This Season.

Ottawa, March 13.—Unofficial figures place the attendance at the Ottawa hockey club games here in the N. H. A. at 45,000. The average attendance was 5,500, and there were eight games. The receipts in all totalled about $25,000, the rink getting $7,500, and the club $17,500. The travelling expenses came to about $2,500, and the team cost exactly $5,000, nine men being carried. The expenses of a coach, trainer and assistant trainer were also high, but the club had the most prosperous season in its history, and will likely have a surplus of about $6,000.

Prices Reduced.

The receipts, owing to the general reduction in price, were not as large as last year, when the club took in just enough to pay all the salaries and have about $500 on the right side.

Last year, however, the players' salaries amounted to over $12,500. Prices were reduced all round this season or the club would have been at least $10,000 ahead. Capacity houses saw all but one or two of the games, but the season ticket sale was not as large as last year.

These figures are only roughly estimated, but when the official statement is issued they will be found to be pretty close to the correct marks.

DOUBLES SCORES ARE VERY GOOD

Several Duos Hit Above the 1,200 Mark in This Event at Buffalo.

Buffalo, March 14.—Knoll and Greeker, of Cleveland, scored 1,212 in the two-man event at the National Bowling Association tournament, which was continued here today. Their score gives them a tie with Polachek and Zelterman, of Chicago, for eighth place in the series. Greeker scored 253, 227 and 188; Knoll, 174, 160 and 208.

Mains and Eyrichs, of Newark, N. J., scored 1220 in doubles, tieing Tyser and Sutton, of Rochester, who have moved back to eighth position. Greeker and Knoll, who went into eighth position early in the morning, are now in eleventh place.

SEVEN BROTHERS ON A HOCKEY TEAM.

Quebec, March 13.—There was a unique hockey match at the Quebec Skating Rink on Saturday night, when the seven Morency brothers met a team from the St. George Club. In addition to the seven brothers on the ice, there was an eighth brother on the side in uniform as spare man. This probably is a record for Canada in regard to family hockey teams. The Morency brothers proved themselves good enough to make the St. George team travel at a rapid speed all through the game, and were only defeated by a score of 8 to 6.

PURIFIED HIS BLOOD

Dr. Morse's Indian Root Pills Healed Mr. Wilson's Sores

When the sewers of the body—bowels, kidneys and skin ducts—get clogged up, the blood quickly becomes impure and frequently sores break out over the body. The way to heal them, as Mr Richard Wilson, who lives near London, Ont., found, is to purify the blood. He writes:

"For some time I had been in a low, depressed condition. My appetite left me and I soon began to suffer from indigestion. Quite a number of small sores and blotches formed all over my skin. I tried medicine for the blood and used many kinds of ointments, but without satisfactory results. What was wanted was a thorough cleansing of the blood, and I looked about in vain for some medicine that would accomplish this.

At last Dr. Morse's Indian Root Pills were brought to my notice, and they are one of the most wonderful medicines I have ever known. My blood was purified in a very short time, sores healed up, my indigestion vanished. They always have a place in my home and are looked upon as the family remedy."

Dr. Morse's Indian Root Pills cleanse the system thoroughly. Sold by all dealers at 25c a box. 6

MORIARITY WILLING BUT NOT ANXIOUS TO CHANGE

Tiger Third Sacker Will Go Over to First Corner if Neither of Recruits Makes It.

Monroe, La., March 13.—If it should be deemed necessary or expedient to shift George Moriarty over to first base through the failure of both of the recruits who are trying for that position to make good, George himself will make no objections. The big fellow isn't crying for a change of job, but at the same time if one is considered wise he will accept the place vacated by Tom Jones and do the best he can over on that side of the diamond.

"Whatever Jennings considers for the best interests of the club I am willing to do," said George, in discussing the possibility of his being shunted to the other corner of the bot. "I will give Detroit the best I have in either position, first or third. I honestly believe that if I worked regularly on first, I could put up a better game there than I do on the third cushion."

TRAINING TIGERS TAKE TO DISTANCE RUNNING

Del Gainor Can Make Fast Time Around Half-Mile Track, But Hasn't the Stamina.

Monroe, La., March 13.—Because the bottom fell from the thermometer during the night, bringing Monroe's temperature to the level of that being endured in Detroit about this time, the Tigers' two workouts today had to be made short. In the morning it was so cold that the men contented themselves with a very little batting and fielding and a lot of running around the half-mile track. In the afternoon, as the temperature had risen several degrees, there was a fast infield workout and some hitting, while the pitchers, wrapped in numerous layers of clothing, took the kinks out of their arms.

Marathon Work.

Considerable rivalry has developed among the members of the party now here in respect to their relative ability to circle the half-mile track. So far, Del Gainor holds the record, completing the course this morning in 2:38, which considering the amount of wrapping he wore and the condition of the going, is good work. Moriarty is the long distance champion, making eleven laps without stopping in the forenoon workout. Nobody has shown any wild desire to go after the Marathon mark established by the tall third-sacker.

BEAUMONT MAY GO TO COLONELS

Cub Player Being Fitted Into Position at Louisville.

[Special to The Advertiser.]

Louisville, Ky., March 14.—If the Colonels get "Ginger" Beaumont from the Cubs he will play left field, and Manager Howard will go back to first base. Myron Grimshaw was expected to go to first base and the switch in plans indicates that the player and club have failed to come to an agreement.

HACK WINS AGAIN.

[Canadian Press.]

Battle Creek, Mich., March 13.—George Hackenschmidt, the "Russian Lion," defeated Charles Olson, of Indianapolis, in an exciting bout here this evening, winning by two straight falls. The first fall came in 20 minutes and 20 seconds on an like manner in 16 minutes and 30 seconds.

PACKEY AND MORAN BATTLE TONIGHT

Fairmont Athletic Club, of New York, Expects No Police Interference.

BOTH MEN ARE IN SHAPE

But McFarland Will Scale About Eight Pounds More Than Britisher.

[Special to The Advertiser.]

New York, March 14.—Officials of the Fairmont A. C. declared today they would go ahead with the Packey McFarland-Owen Moran bout at their clubhouse tonight, regardless of the attitude of the police department.

President William Gibson said:

"We have a legitimate athletic club, and we are protected from interference by a permanent injunction, issued a year ago by the supreme court, restraining the police department from entering our clubhouse under any circumstances. My attorneys have advised me that this injunction cannot be ignored without resulting in contempt proceedings. We have lived up to the requirements of the law in every respect."

Many boxing enthusiasts visited the training quarters of McFarland in Westchester today.

McFarland Favorite.

The Chicago boxer, who is a slight favorite over Moran, is in splendid condition. He took a run on the road yesterday morning and boxed several lively rounds in the afternoon. When he got on the scales he weighed a fraction more than 135 pounds, and said he would keep on edge, so that he can make that weight at 5 o'clock today.

Moran put in a strenuous day at Lakewood, and his manager, C. J. Harvey, sent word that the Englishman would be in rugged shape. Moran will weigh not more than 130 pounds when the scaling time arrives, and when he enters the ring it is believed that McFarland will have an advantage of at least eight pounds. Moran knew this when he made the match and isn't worrying about the result. He believes he will be much stronger physically than McFarland and will win because of that fact.

AMOS RUSIE FINDS A SOUTHERN "ANGEL"

The big pitcher writes that he will pitch and play first base. Many Chicago applications already have been received for places on Rusie's Giants.

Some Members of Hamilton City Council Avoid the Issue.

Hamilton, March 13.—After a prolonged and heated discussion the city council this evening passed a resolution petitioning the Government not to pass the reciprocity arrangement with the United States. The resolution was passed by a vote of ten to five, a number of the Conservative members leaving without voting.

Spalding Baseball Guide Published.

Spalding's Official Baseball Guide has made its appearance for 1911, and is up to all expectations of the fans. As usual, the pictorial part is a prominent feature, and the arrangement and display of the big leagues shows a vast amount of thought and work. It is safe to say that no such remarkable aggregation of baseball individual portraiture has ever before been compiled, in addition to which the world series scenes are shown, minor league teams and other subjects of interest. Spalding's Official Baseball Guide will be sent to any address in the United States or Canada upon receipts of 10 cents by the publishers, the American Sports Publishing Company, 21 Warren street, New York.

Jordan Will Lead Crackers in 1911 Pennant Contest

OTTO JORDAN.

Atlanta, Ga., March 13.—Deposed as manager after a disastrous season, Otto Jordan again heads the Atlanta team.

Jordan was the object of a bitter attack by Frank Brumby, an Atlanta newspaper writer, in 1905. When it was announced that Billy Smith would succeed Jordan as manager, Brumby asked: "Will Jordan play as faithfully under Smith as he did for himself, or should he be deposed?"

Brumby was to return to New England the day after this query appeared, but his departure was suddenly delayed two weeks. There was a reason.

The night the story was printed Jordan and Brumby met on Atlanta's famous thoroughfare, Peach-tree street. Jordan "made a face" at Brumby, and the latter swung on him. "Then it happened."

Two weeks later Brumby left the hospital on his delayed departure for New England.

Under Smith, Atlanta won the flag in 1907 and in 1909. Last year Smith, who had been released, played with Buffalo. Jordan had been playing second base meanwhile, and was made manager. He will head the team again this season, with Smith as his opponent at Chattanooga. Jordan has never headed a pennant winner.

KING BROCKETT RETURNS TO HIGHLANDERS' CAMP

Illinois Farmer Believes He Has Regained Oldtime Strength and Cunning.

Athens, Ga., March 13.—Louis ("King") Brockett, the off-and-on twirler of the Yankees, reported here today. Louis is referred to as an off-and-on pitcher because he has been with the Hilltop team off and on for the past five years. Clark Griffith tried him out a couple of times and shunted him back to the Eastern League. George Stallings picked him up two years ago, and came within an ace of making a sensational twirler out of the Illinois farmer. That was in the spring of 1909. But he had delayed spring practice, and he was worked so hard in the first few weeks of the campaign that he broke under the strain. An old ailment struck him one afternoon in the midst of a tough battle.

Brockett was always a good Eastern League pitcher, but he has had tough luck trying to break into the ranks of the elite. Three times sickness has thrown him into the discard. His trouble is one which a slight operation would remove, but Brockett fears the surgeon's knife more than death itself. He took the rest cure last year. His physicians have declared him once more sound in wind and limb.

Owners of Boston National League Team Deny Rumors.

[By Canadian Press.]

Boston, March 14.—Rumors which have been current here for some days of the impending sale of the Boston National League baseball club to H. H. Frazee, the theatrical manager, are emphatically denied by the club officials.

William Hepburn Russell, president of the club, who is in Augusta, Ga., with the team, telegraphed a denial to inquirers here last night, and Vice-President Page in this city characterized the story as "without any foundation."

CHASE IS PLEASED WITH THIS RECRUIT

Gene Elliott Takes Signals From Unusual Angles Like a Veteran.

New York American: Hal Chase was pleased with Gene Elliott's first appearance Saturday afternoon at Hot Springs, Va. It appears the regulars fixed up a set of signals for the afternoon, more for the new third baseman's benefit than anything else.

"With Elliott on third, we pulled a signal from second base," said Chase after the game. "I wanted to see what he would do. Not one 'busher' in a hundred will get a sign from that angle. But he caught it at once. Yes, third base was pretty well cared for today."

OTTAWAS TAKE JOKE STANLEY CUP CONTEST

Galt Defeated 7 to 4, Before Small Crowd —Heavy Ice Stopped Easterners.

[Canadian Press.]

Ottawa, March 13.—The Ottawa team easily disposed of Galt, champions of the Professional Ontario Hockey League, at the Arena tonight.

At the close the score was 7 to 4 for Ottawa. Notching two goals while Galt had a man on the fence in the first period, Ottawa held the visitors without a tally and opened the second session by making it 4 to 0. Then the defenders appeared to ease up, and Berlanquette bagged two for Galt, one while Darragh was off and another while Walsh was out. Ottawa led 4 to 2 when the last period begun. Walsh made it 5 to 2 on Darragh's pass and Dougherty in 10 seconds slammed one in for Galt. Ridpath dodged from end to end and made it 6 to 3, while Kerr was responsible for the tenth, the eleventh going to Smith, the Galt captain, on a lucky shot. Towards the finish the crowd shouted for Ottawa to double the score, but Hague's good work and the indifferent shooting of the home team prevented further tallying.

A Joke Exhibition.

It was the poorest exhibition of the season, and the crowd was by far the smallest. The ice was covered with water in spots, and the conditions in fact were absolutely adverse to the Ottawa style of play. Teams, officials and summary:

Ottawa—Lesueur, goal; Lake, point; Shore, cover; Darragh, rover; Walsh, centre; Ridpath, right; Kerr, left.

Galt—Hague, goal; Baird, point; Murphy, cover; Mallen, rover; Smith, centre; Berlanquette, right; Dougherty, left.

Referee—Russell Bowie, judge of play—Duncan Campbell; umpires—Andrews (Galt), and Kilte (Ottawa); penalty timers—Alf Smith and Robert Gamble; timers—M. Rosenthal (Ottawa), and W. Dennis (Galt).

Summary of goals: First period—1, Ottawa, Walsh, 14:00; 2, Ottawa, Walsh, 2:00. Second period—3, Ottawa, Lake, 4:30; 4, Ottawa, Ridpath, 4:30; 5, Galt, Berlanquette, 1:00; 6, Galt, Berlanquette, 6:00. Third period—7, Ottawa, Walsh, 5:00; 8, Galt, Dougherty, 10; 9, Ottawa, Ridpath, 50; 10, Ottawa, Kerr, 1:00; 11, Smith, Galt, 1:20.

Penalties: Baird, Smith, Smith, Darragh, Smith, Baird, Baird, Darragh, Walsh, Smith, Baird, Baird, 3 minutes each. Galt, 27; Ottawa, 7.

THE REACH 1911 GUIDE.

That one more ball season is upon us is convincingly demonstrated through the welcome appearance of Reach's Official American League Guide for 1911; being, as usual, first in the field and this spring earlier then ever. The 1911 Reach Guide, which has been edited for many years by Editor Richter, of Sporting Life, is always up to the high standard set by the Reach Guide ever since the incumbency of the present editor, but it can be justly stated that the 1911 Reach American League Guide is the best of the long Reach series, and superior to any similar publication in the world, alike in the matter of text, illustrations, quality of paper, binding and all the details that go to make up a handsome as well as readable book in short, the American League Official Guide for 1911 is in all respects a first-class hand book for the game, and a decided credit to the American League and to the publishers, the Reach Company, of Philadelphia. This is the tenth annual issue of the Reach Guide as the official handbook of the American League, and the 29th consecutive year of its publication as a book of record and reference for the entire baseball world. In short, everything of interest or value either for record or reference will be found within the covers of this great book. The Reach American League Guide for 1911 is for sale by all newsdealers at 10 cents the copy.

New York Police Looking for a Man Who Fired on Tel Nelson in a Cafe.

[By Canadian Press.]

New York March 14.—The police are searching today for a man who fired three shots at Fred Nelson, the Australian prize fighter, late last night.

Nelson, who came to this country about six months ago, was seated in an uptown restaurant when a man rushed into the place and said, "Now I've got you," thereupon firing three shots from a revolver. He got away. Nelson told the police that his assailant was a former candidate for a job as manager, with whom he had quarrelled over money matters.

AS USUAL.

[By Tom Akers.]

Brightly smiles the shinding sun,
Springtime practice has begun;
Now the frantic mogul tries
To develop batting eyes.

From the "bush" new "finds" are come,
Baseball bugs begin to hum;
Diamond dope now fills the air,
And the fans are nuts for fair.

New "phenoms" are on the job,
"Greater far than Chase or Cobb."
If we listen to the junk
Dealt by masters of "the bunk."

Pitching arms just now are strong
But as swift weeks move along,
We will see the big league vet,
Prove he tops the bushers yet.

A MILLION AT STAKE

Hearing in Pacific Pass Coal Case at Montreal.

[Canadian Press.]

Montreal, March 11.—Following the preliminary hearing in the Pacific Pass Coal Company case, in which counsel representing certain shareholders asked for a writ of quo warranto to annul the recent election of officers on the ground that a number of proxies were illegally refused, an adjournment until March 16 was agreed upon. Arguments in the quo warranto proceedings will then proceed. There are a number of other phases to the case, which involves an amount in the neighborhood of $1,000,000.

SOME BIG LEAGUE BASEBALL BRIEFS

St. Louis fans don't care if the Browns win the flag or not. They do insist upon beating out Washington, however, to show their love for Jim McAleer.

March war correspondence: This boy Smithers has a curve that breaks like a window and so much smoke they sprinkle the mound to cool him.

May 10: Smithers has gone to the bush. The mutt that imagined he was ripe for fast company couldn't pick a lemon out of a peck of walnuts.

About the happiest boy in the Highlander camp is Roy Hartzell, who was traded by St. Louis for Austin. He says the trade keeps him awake at nights smiling.

Vaniveille must agree with Mathewson. He reported only fifteen pounds over the weight he scaled last summer.

As the days go by the assiduity with which Bugs Raymond sticks to the white ribbon brigade attracts notice. On the wagon Raymond will win many games for the Jints.

Hal Chase has his men climbing the hills, playing golf, taking long walks and baths at Hot Springs, Va. Little attention will be paid to the game until the team goes to Athens, Ga.

Bob Wallace insists the way to catch Cobb is to throw the ball home when he hits it, have the catcher throw to third, and relay it around, in the hope of catching him coming.

Jack O'Connor has never claimed the $500 loving cup presented by the St. Louis fans. The cup remains in the jeweller's vault.

It's on the level with Kid Elberfeld. The scrappy one has applied to Ban Johnson for a job as umpire.

Outfielder Viola, a Cuban, who made good with the Augusta (Ga.) team, has been sold to Chattanooga. Viola is one of the best throwers in the game.

Addie Joss, he of the wounded wing, is at West Baden, Ind., following a routine prescribed by the Nap trainer to get the souper in condition to sign checks.

McIntyre, of the White Sox, plays left field, throws left-handed and bats the same way. Aside from this he appears to be all right.

Jack Murray, trying to perforate a wounded bird, almost blinded Christy Mathewson. Question: Was Matty's eye on the ground, or is Murray just naturally a bum shot?

Harry Steinfeldt, Cub third-sacker, demands a three-year contract. Steiny realizes he will be lucky to last this season, and wants to cinch something soft.

Mathewson and Meyers were offered $500 for a week's work by a Marlin, Tex., theatre.

Elmer Flick, famous as a Nap Slugger, has signed to play with Manager Armour, at Toledo. Armour brought Flick to the front.

Billy Hamilton, king of base runners, is managing the Haverhill, Mass., team this season. He will play centre field.

Jimmy Archer, the Cub backstop, is a bug on gloves. The more ragged and horrible they are, the more he is attached to them.

One correspondent, unafflicted with correspondent's eye, says of the Redondo Beach grounds, where Red Sox are: "It is too small for real practice; outfield too rough for real efforts, infield too rough for sliding, grounds uncared for." Doesn't read like the usual spring stuff, does it?

The Los Angeles club has signed Walter Johnson's uncle for a tryout. Not as bad as it looks, however, for the unk is only 18.

How soon they forget! Boston writer says the money paid for Cy Young by Cleveland, $12,000, would buy the veteran three times over now. And this from the Hub!

While waiting for his team, big Ed Reulbach, of the Cubs, has been playing with the Mobile club.

Bert Daniels, the Yankee sensation, will have to travel a fast clip this year if he expects to keep Roy Hartzel from crowding him out of the line-up.

The fellows who ask, "Can Cy Young come back?" should remember that Cy lost several games by 1 to 0 scores last summer, and had a rotten club behind him.

Dandy Claude Rossman is said to use a hypodermic needle to squirt perfume into the padding of his first baseman's mitt.

With Mathewson barred, Fred Merkle is champion checker player of Marlin, Texas.

Catcher Jacklitsch, sent to the minors by Philadelphia, was so lazy he used to sit in a chair to warm up pitchers.

Whether the unanimous walloping handed the Kentucky gamblers by sport writers did it or not, it is evident some influence put the jinx on the scheme.

Pitchers who groove the ball after the batter gets two balls cant' work for McGraw. "They may take one over the middle in the minors, but up here we murder the good ones," says the sage of the Polo grounds.

The Athletics never tried to get the catcher's signals when Walter Johnson was pitching. Johnson's great speed made it too dangerous. A batter expecting a curve ball and stepping in to meet it would be lucky to escape alive if one of Johnson's straight fast ones hit him. The Athletics took no chances. They feared no other pitcher.

"There is no player misunderstood or more maligned than Ty Cobb," remarks Manager McAleer, "and I learned that during the week he played for me on the All-Star team last fall. Cobb is an ideal ball player. No matter what the conditions are he always does his best, and while the impression is out that he has a swelled head, he is one of the meekest players, considering his ability, that I have seen.

WAITING FOR CONTRACT

Nelson Took Championship From Britt in Memorable Fight in 'Frisco "Fight Trusts" Arena.

Philadelphia, Pa., March 13.—Unless the well-laid plans of Jack O'Brien go awry old-time fight fans of Philadelphia and vicinity will be given a treat in the week of April 24, when Jimmy Britt, once lightweight champion of the world, and Bat Nelson, until recently holder of the same coveted title, will meet in the squared circle once more. It was Nelson who wrested the crown from Jimmy's forehead in the memorable Frisco bout, and now the two ex-champions will again endeavor to see who is the better man.

At present Britt is in London, but he has written O'Brien that just as soon as a contract can be drawn up he will sail for New York and be here to meet his one-time vanquisher. A mutual friend of O'Brien's and Britt is responsible for the arrangements, and O'Brien is in communication with Bat Nelson, who has given his consent to the meeting, and has said that he is ready to negotiate his half of the preliminaries and will be prepared to do battle on any night of the week named, probably Saturday night.

Nelson left Hot Springs, Ark., tonight for Lexington, Ky.
