A CANADIAN FOOTBALLER'S TEMPTATION.

Will Sullivan Face Frank Slavin?—Temporary Blacklisting by the Amateur Athletic Union—Garfield Park Will Close—Hanlan and That Alleged Fake Race—O'Connor's Walk.

That Canada possesses superior Association football talent may be gleaned from the fact that one of the first teams in England made strenuous endeavors to secure the services of one of the men who recently kicked the leather over there. Everton, the eleven that came out on top in the English League last year, made Watty Thomson a rich offer to play centre forward for four months before the Torontonian sailed for home. He would thus replace Geary, England's international man against Scotland. But of course the tempting British gold was refused.

Frank Slavin and Charles Mitchell left London Tuesday evening for Liverpool to sail on the Britannic for New York. Thus Slavin's anxiety to meet Sullivan is genuine, and John L. must begin to leave John Barleycorn severely alone or he'll be in a sorry condition to face the Australian champion even six months hence. The two are coming on a purely business trip. Mitchell carries with him letters of credit and a big sum, part of which is his own and some of which belongs to Pony Moore, but the bulk of it is furnished by an Australian syndicate, headed by George Plesse, who is prepared to back Slavin for $100,000.

The officials of the Amateur Athletic Union of the United States are determined to retain purity among its members. They warned intending competitors of the 7th Regiment games at New York last Saturday to avoid going in for the suspicious prizes which the union refused to recognize. However, several athletes did not heed the mandate, and consequently there was some wholesale temporary blacklisting.

An innovation in cycling is the Cook county, Chicago, Wheelmen's accident fund, which has just been started in that enterprising club. Any club member, who belongs to the C.C.W.A.F. who is injured in any way while participating in any athletic sports will have his doctor's bills paid. A large number have joined. The dues are 25 cents a month.

TO BEAT O'CONNOR'S RECORD.

An Agreement Could Not be Made for McDonald's Unknown.

Early yesterday forenoon William O'Connor called on William McDonald for the purpose of closing the agreement whereby the latter's unknown pedestrian was to endeavor to walk from Hamilton to Toronto on the proposed wager of $500 a side. O'Connor wanted the trial made to-day and was ready with his money, but McDonald said the roads were not in as good condition as on last Sunday when O'Connor walked. An agreement could not be reached as to the time for the walk and consequently no match was made. As to the desire of John Little of Hamilton to a 50-mile heel-and-toe walk with O'Connor on an 8 or 16-lap track for gate receipts, it is not likely that the American champion would care for any such race.

Hanlan's Race With McLean.

SAN FRANCISCO, Dec. 9.—Hanlan has requested an investigation of the charges that he purposely lost his race with McLean Sunday. President Sullivan of the Pacific Rowing Association has called a meeting of the association for to-morrow night to investigate the matter. Hanlan attributes his defeat to lack of condition.

Sunnyside's At Home.

A pleasant time was spent at the Sunnyside Boat Club last evening on the occasion of their regular monthly at home. About 300 members and their lady and gentleman friends enjoyed dancing on a splendid floor to appropriate music.

Canadians Win at Chicago.

At the Chicago tournament on Monday the Canadians drew the tie and afterwards pulled the Frenchmen, winners of the first bout. The Canucks won in 22 min. Of this team The Inter-Ocean says: The Canadian team, all stalwart, robust men, calloused by experience to the sport, are likely to pull down some of the money.

Toronto Lacrosse Club's Entertainment.

The Toronto Lacrosse Club will give an entertainment at the Academy of Music on Feb. 3, 4, 5 and 6. A committee will work up a program consisting of living chess, minstrel scenes, portions of Ben Hur and fencing bouts between amateur champions of the United States and Canada. The object is to raise funds to help to equip buildings on the new ground in Rosedale. The Wanderers' Bicycle Club have kindly granted the use of a room at the corner of Yonge and Alexander on Thursday night at 7.30 for the organization of a chorus under the management of Mr. Schuch, when the T. L. C. officers will welcome all volunteers.

The committee appointed for the management of the singing is composed of the following gentlemen: L. Boyd, R. J. Christie, C. J. Crawford, R. L. Cowan, H. C. Schofield, John Garvin, T. L. Morison, J. E. Suckling, J. M. Macdonald and President W. J. Surkling.

GARFIELD PARK WILL CLOSE.

Saturday Racing Will Stop by Order of the Police Commissioners.

CHICAGO, Dec. 9.—The West Side Park Commissioners, whose authority is derived direct from the State of Illinois, have decided to close up Garfield Park race track. The park police were instructed to prohibit, forbid, and abate all horse racing and gambling.

Saturday will be the last racing day.

There is no Snow Here.

GUTTENBURG, Dec. 9.—First, ¾ mile—Zambost, Emperor Otto, Lupa filly; 1.20¾. Second, ¾ mile—Volunteer II., St. James, Trestle; 1.05¾. Third, 6½ furlongs—Double Cross, Radiant, J. B.; 1.28¼. Fourth, 1 mile—Bohemian, Esquimau, Cynosure; 1.48¼. Fifth, ⅞ mile—Once Again, Chapman, Polydora; 1.06½. Sixth, ¾ mile—Sparling, McKeever, Repeater; 1.04 1-4.

Topics of the Race Track.

The horse referred to last Monday as coming to Canada was Grey Dawn and not O'Brien's Grey Gown, although this horse was formerly known as Grey Gown. Grey Dawn will likely go into the stud at Cobourg.

Miller & Sibley of Franklin, Pa., sold the 3-year-old trotting stallion Tempter to Charles Thompson of St. Paul for $10,000. Tempter is by St. Bel, dam Nora Temple, dam Bland Temple, the dam of Flora Temple.

Returns of the racing associations of New York under the terms of the Ives law are not all in, but five of the principal clubs have reported their gate receipts as follows: Coney Island Jockey Club, $158,820.40; Brooklyn Jockey Club, $156,500; New York Jockey Club, $118,432; Monmouth Park Association, $103,052; Saratoga Racing Association, $89,288.75. From this it does not appear that the Brooklyn Club suffered any material loss at the gate through its queerly conducted fight with the pool rooms.

A Great Line.

In Toronto there are a great many enthusiastic admirers of the games of chess, draughts, checkers, etc., and as a good player likes a handsome and substantial board and men, it is a pleasure to be able to announce the arrival at the store of Messrs. H. P. Davies & Co., 81 Yonge-street, of a shipment of this class of goods, including inlaid chessboards, complete sets for playing chess, dominoes, card games, table golf, etc. The goods are real works of art and worthy of inspection. 246

Sporting Miscellany.

Quarter-back King has been chosen captain of Princeton's Rugby Club.

A dishonest baseball manager, A. L. Lawson, agreed to take a team to Cuba this winter, but when the party got as far as New Orleans he deserted them, leaving many of them without money.

Joe Martin, the colored pugilist who has frequently boxed here, and an unknown who proved to be Jack Snider, a Hamilton rolling mill hand, appeared in the ring in the Auditorium City for a 10-round fight Tuesday night. Snider failed to respond at the end of the sixth round.

M'KINLEY'S SECRETARY.

Mr. James Boyle, a Well-known Canadian Newspaper Man, Appointed.

Mr. William Bell of the City Clerk's staff yesterday received a letter from his friend Mr. James Boyle, informing him of Mr. Boyle's appointment to the responsible position of private secretary to Governor-elect McKinley of Ohio. Mr. Boyle is a clever newspaper man and an able writer on political subjects. He started upon his journalistic career in Toronto many years ago and rapidly won for himself a high position in the profession. He was first a printer in the office of The Ontario Workman, a paper that was published by J. S. Williams in Bay-street. Then he joined the reportorial staff of The Toronto Mail and in that position displayed his capacity for newspaper work. He was one of the original members of The Hansard staff at Ottawa. He left Canada and engaged in newspaper work in St. Louis, where for some time he did good work as a member of The Globe-Democrat. He then came east to Cincinnati and joined the staff of The Commercial Gazette. It was here that he first began to take a personal interest in the politics of the country, allying himself with the Republican party. His efforts were largely instrumental in solidifying the different elements of the party in the State of Ohio, and when Foraker was elected governor he indicated his appreciation of his abilities and recognized his services to the party by appointing him chief commissioner of the police of Cincinnati at a salary of $5000 a year, a position which Mr. Boyle filled for four years. During this time he continued to write for The Commercial Gazette on political subjects, and at the end of his term he was sent by that paper to Columbus, O., as resident correspondent of the State capital, a post which he held until his appointment as Mr. McKinley's private secretary. Mr. Boyle's many friends in Toronto will be pleased to learn of his success.

THE BRIDE OF DEATH.

A Young Lady Frozen to Death on Her Way to Be Married.

WINNIPEG, Dec. 9.—The officials of the Northern Pacific Railway brought the news of a double fatality which occurred on the line 90 miles south of Winnipeg. One day last week during a blizzard a father and his daughter set out from Mallock, Minn., to Drayton in Dakota, where the daughter was to meet her affianced, and a marriage was to take place to-day. The hour when the marriage was to be solemnized arrived. The young man was anxiously looking for the bride, but she never came. The young man became anxious, and with a friend drove out in the direction from whence he expected the bride. To his great alarm he found a horse and rig owned by the father of the young girl, and on further search the bodies of the missing ones frozen stiff.

Around the City Hall.

The City Treasurer yesterday morning received $1172.46 from the Bell Telephone Company, being the first quarter's payment under the agreement by which five per cent. of the company's receipts go to the city in return for a five years' monopoly.

The contract for the extension of the Garrison Creek sewer from Ossington-avenue to Bloor-street has been signed, and work will begin in a few days. The price is about $47,000.

Mr. William Belshaw has obtained a permit to build three attached two-story and attic brick houses on the east side of Howland-avenue, just north of Bloor-street, cost $10,000 and Mrs. John Bedford for brick cellar and veneer to No. 624 Parliament-street, cost $1400, and two-story brick stable, cost $2000.

Perils of Modern Life.

Contacts with electric wires, railroad accidents, broken car and elevator cables, explosions of steam, natural gas and chemicals, poisons in adulterated food and drink, are a few; but all these dangers combined do not kill as rapidly as slow and sure Consumption. The death rate, however, from Consumption is being yearly cut down since Dr. Pierce of Buffalo, N.Y., has given to the world his celebrated "Golden Medical Discovery," a cure for Consumption and Throat and Lung troubles that lead to Consumption, if taken in time and given a fair trial. The time to cure Consumption (which is really nothing more or less than Lung-scrofula) is in the first stages. A cough generally sounds the alarm, and you should take the "Discovery" at once. There is a time when it is too late.

Toronto Church of England S. S. Association.

The regular monthly public meeting of this association, composed of teachers and scholars in the Church of England Sunday schools of this city, will be held to-morrow (Thursday) evening, Dec. 10, 1891, in Holy Trinity school house at 8 o'clock, when the Sunday school lesson for Dec. 13 will be taught by Canon Cayley, M.A., rector of St. George's Church, and a paper will be read by the Rev. John Langtry, D.C.L., rector of St. Luke's, on "Laud and the Puritans." A large attendance is confidently expected. All interested in Sunday school work are invited to be present.

Hundreds Are Visiting The Doctors

First three months free of charge. The staff of eminent physicians and surgeons are in Toronto and have permanently located at their residence, No. 272 Jarvis-street (near Gerrard). All invalids who visit these eminent doctors before Jan. 1, will receive services for the first three months free of charge. The only favor desired is a recommendation from those whom they cure. The object in pursuing this course is to become rapidly and personally acquainted with the sick and afflicted.

The doctors treat every variety of disease and deformity and will perform all surgical operations free this month, viz.: The removal of cancers, tumors, cataract, polypi, etc. All diseases of the eye, ear, throat, lungs, heart, stomach, liver, kidneys, bladder and all female difficulties arising from whatever cause, all nervous prostrations, failing vitality and diseases originating from impure blood treated with the greatest success.

Catarrh in all its various forms cured by their new method, which consists in breaking up the cold-catching tendency, to which every person suffering from catarrh is susceptible.

Invalids will please not take offence if they are rejected as incurables. The physicians will examine you thoroughly free of charge, and if incurable they will positively tell you so. Also caution you against spending more money for useless medicine.

Remember the date and go early as their offices are crowded daily. Hours from 9 a.m. to 5, and from 7 to 8 p.m. Sundays from 2 to 4 p.m. 36 147

Under the approval of the Ontario Government, the company is accepted by the High Court of Justice as a Trusts Company, and from its organization has been employed by the Court for the Investment of Court Funds. The Company acts as Executor, Administrator, Receiver, Committee of Lunatics, Guardian of Children, Assignee of Estates, Agent, etc., and as Trustee under Deeds, Wills or Court Appointments of Substitutions; also as Agent for Executors, Trustees and others, thus relieving them from onerous and disagreeable duties. It obviates the need of security for administration.

The Company invests money at best rates, in first mortgages on other securities; collects Rents, Interest, Dividends, acts as Agent in all kinds of financial business, issues and countersigns Bonds and Debentures.

Safes and Compartments, varying from the small box, for those wishing to preserve a few papers, to large safes for firms and corporations, are rented at low rates and afford ample security against loss by fire, robbery or accident. Bonds, Stocks, Deeds, Wills, Plate, Jewelry and other valuables are also stored. An examination of these vaults by the public is requested.
