REPORTS AND DISASTERS.

Halifax, Dec. 15.—No word has yet been had of the schooner James W., which is now some twenty-five days out on the voyage from Prince Edward Island to Halifax with a cargo of potatoes. George Wightman, the owner of the vessel, has been in telephonic communication with ports along the eastern shore, but there has been no word of the vessel at any of the harbors, though east coast fishing vessels report having seen her some days ago.

That the lost collier Morien met her fate within sixty miles off Louisburg the night of her departure from that port with coal for Placentia is the firm opinion of shipping men at Sydney and Louisburg, according to Captain C. A. Travis of the government steamer Lady Laurier, which arrived Tuesday night, ending a fruitless three weeks' search for the missing craft.

Digby, N. S., Dec. 8.—Schr Sallie E. Ludlam, from Aple River for New Haven, arrived her last night waterlogged, with loss of boats and crew suffering from exhaustion; vessel was caught in heavy gale Friday in whihc she sprang aleak and had to run before storm.

Highland Light, Dec 10.—Tug Wyoming recovered the third barge in the bay last night (No. 783, Perth Amboy for Bangor) and brought her to Provincetown, where tug and 3 barges remain this morning.

Cutter Androscoggin brought to Provincetown last night schr Lavolta, Clinton Point for Quincy, which she picked up, as before reported.

Key West, Fla., Dec. 10.—Stmr Antaeus (Br), from Liverpool for a United States Gulf port, before reported ashore on French Reef, was floated at 8 p. m. yesterday with the assistance of salvors. She lost all anchors and cables.

Stmr Berwind, from Porto Rico, supposed for Galveston, put in here today and reported the death of the captain.

Parrsboro, Dec. 12.—The tern schr Margaret G Burgess, which was damaged in collision yesterday with tern schr Jennie S Hall, at Spencer Island, was towed to this port this afternoon and will repair here. The Margaret G. sailed from Kingsport on Tuesday with 4,000 barrels of potatoes for Havana and anchored at Spencers Island where she fouled her anchor and drifted against the Hall, which had her headgear considerably damaged. The Hall was bound from Hantsport to New York with lumber and was towed back to Hantsport today to repair damages.

Throat Was So Sore Could Hardly Speak.

Mr. Gordon Murphy, Elliott's Mills, P.E.I., writes:—"Too much praise cannot be given your valuable remedy, Dr. Wood's Norway Pine Syrup. I suffered terribly from a severe cold during the early part of last winter and found it almost impossible to get anything to relieve me. Hoarseness seemed to be continually troubling me, and my throat was so sore I could hardly speak for quite a long time. At last I was advised to try your remedy, and in a short time I got relief, and have never been troubled with a sore throat or hoarseness since. I hope others will be fortunate enough to give your remedy a trial and be convinced that it is all I say it to be."

Dr. Wood's Norway Pine Syrup is without an equal for Coughs, Colds, Sore Throat, Hoarseness, Bronchitis and all Affections of the Throat and Lungs.

Price, 25 and 50 cents a bottle, put up in a yellow wrapper, three pine trees the trade mark.

Be sure and get "Dr. Wood's."

HOUSE BURNED AT PARRSBORO.

Special to The Standard.

Parrsboro, Dec. 12.—The dwelling house of Arnon Mills, formerly the Glebe, was destroyed by fire this morning. The fire is supposed to have originated from the flue. As the house was outside the water district nothing could be done to save it, as there was no one at home but Mrs. Mills and a boy. Some of the furniture was saved in a damaged condition. There is some insurance on the house.
