Editorial Notes, &c.

ACKNOWLEDGEMENTS of monies only extends to the 22nd inst. Will give others next week.

AVONDALE.—Calmly but deeply the work of grace has been proceeding here in connection with special services. Many of the youth with some heads of families, have given their hearts to God.

Rev. George Harrison, of River Philip, has been ill for several weeks. It will be gratifying to his numerous friends to know that he is recovering, though still far from strong.

BAIE VERTE.—Special services on this Circuit have thus far resulted in good. A fine field for usefulness and well supplied,—at least this is the grateful expression of its people.

THE New York *Advocate* copies a portion of Dr. Richey's admirable sermon on *The Name Jesus*; which we published at Christmas. The *Advocate* has added 8000 subscribers to its lists this year.

BOOKS.—We have sent Libraries to several S. Schools recently, and in every instance we have intelligence of great satisfaction both as to prices and quality. We are very glad of this, for we *are sure* we can do as well for our Sunday Schools as any in the trade.

NOTICE.—The next meeting of the Evangelical Alliance, will be held in the Rooms of the Y. M. C. Association, on Monday, Feb. 2, at four o'clock. Rev. G. M. Grant will read a paper: "Suggestions as to Practical Work for the Evangelical Alliance in Halifax."

FROM BERMUDA, by steamer of last Saturday, we learn that all the Brethren were quite well. There is nothing special. Mr. Smith issued a Pastoral to his people at the commencement of the year, which is admirable in spirit and matter and must result in good.

GOOD.—Some Brethren have a fine habit in writing us. They enclose their orders, marriages, &c. &c. on separate slips of Paper. This is a great saving of time to the Office. Will others make a *note* to do so when they *send* a note?

The following is from "The Bradford National Opinion," U. S.:—

"On Tuesday evening the friends of the Rev. Mr. & Mrs. J. M'C. Fulton assembled at the parsonage, filling the house to overflowing. After an hour or so spent in social chat, singing, &c., Mr. & Mrs. Fulton were invited into the dining room, and there upon the table was a silver Tea Set, consisting of six pieces, which Mr. C. H. Harding presented to them from their parishioners and friends. The "boys" rolled in a barrel of flour, and other presents were made. Mr. Fulton was taken by surprise in the character and value of the gifts and although protesting that he could not do his best at making a speech on the occasion, succeeded in expressing himself in a very happy manner."

NEWS IN BRIEF.

NOVA SCOTIA.—A correspondent of the Amherst *Gazette* says Hon. Judge Johnson was "received back again into the bosom of the Church" before his death in England, "having died in the faith of the Holy Catholic Church."——J. B. Messrs. R. Boak & Son's brigt. *Mirella* Captain Smith, which sailed from this port on the 21st Dec., has arrived at Falmouth Jamaica dismasted. She experienced a heavy gale in which her deckload had to be swept overboard. The second mate, John Brown, aged 28, of Halifax, married; James Connors, able seamen aged 22, of Halifax, and Christopher Jorgensen of Norway, were washed overboard and drowned.—*Rep*

The *Eastern Chronicle* learns that a census of Westville was carefully taken a few weeks ago, showing the population of the villiage to be 2404. There were 260 buildings in the place exclusive of the house at Drummond and Black Diamond Collieries. It is needless to say that Westville is still growing in size and population, and steps should be taken by the people to secure a proper town organization as soon as possible."

RIVER JOHN.—A fire broke out on Saturday evening, Jan. 24th, in the store of John McKenzie, Esq. A large number of persons hastening to the spot as soon as the alarm was given, the flames were in short time extiguished; not however, tuntil considerable damage had been done both to store and goods.

ST. JOHN, N. B., August 11, 1869.

MR. JAMES I. FELLOWS.

DEAR SIR: I consider it my duty to inform you of the great benefit I have received from the use of your Compound Syrup of Hypophosphites. I have been, for the last nine years, a great sufferer from Bronchitis and Asthma, at times so ill that for weeks I could neither lie down or take any nourishment of consequence, and during the time suffering intensely. I have had at different the advice of twenty-two physicians.

* * * * * *

The least exposure to either damp or draught was sure to result in a severe attack of my disease. Finding no relief from all the medicine I had taken, I concluded to try your Compound Syrup of Hypophosites, and have great reason to thank God for the result. I have, in all, taken twelve bottles, and now I feel as strong and well as ever I felt in my life, and for the last year have not had one moment's sickness, and neither does dampness or draught have the least effect upon me. Were I to write on the subject for hours, I could not say enough in praise of your invaluable Compound Syrup of Hypophosites, or give an adequate idea of my sufferings.

You are at liberty to make what use you please of this letter, because I hope its publicity may be the means of benefitting other sufferers as much as it has me.

I remain, yours, respectfully,
MRS. HIPWELL, Exmouth St.

Many persons suffer with sick headache and nervous headache, usually induced by costiveness, indigestion, &c. Such persons will find relief if not cure by keeping the bowels open with small doses of *Parson's Purgative Pills.*

Have you inflammatory sore throat, stiff stiff joints, or lameness from any cause whatever? Have you rheumatic or other pains in any part of the body? If so, use *Johnson's Anodyne Liniment*, internally and exterally.

Nov. 30th, 1873, Mr. John M. Foster, of Halifax aged 66 years.

Bro. Foster was retiring and unobtrusive in spirit and demeanor, but earnest and decided in Christian life and character. For many years he was a useful and consistent member of the Methodist Church at Nictaux. His sickness was short and his death unexpected. He died in great peace. Often during his brief but severe illness, he expressed a wish to join with departed friends. An hour before death, looking up with a radiant smile, he said, "Let me go, I am going."

"They gather at the river where bright angel feet have stood,
With the crystal tide forever flowing by the throne of God."
