SEMI-READY TRADE MARK

You can come here and be just as critical as you please.

The more you know about good clothes—the closer you compare ours with the best you ever bought from a "custom-tailor," the better we'll like it.

Our prices are their own exponents—they don't represent any bad debt losses.

"Semi-ready" is the product of one of the finest clothing designers in America.

His services come high, but he has under him an equipment that multiplies the results of his efforts in hundreds where a "custom-tailor's" designer has only tens to show for his time.

Finished and delivered the day it's ordered.
$20, $18, $15, $12, $10 per suit or overcoat.

For Final Lawn Bowling Match.

Considerable interest is being taken by the bowlers of Toronto in the annual winding-up match, which has been fixed for Saturday next. A meeting of the representatives of the various city clubs has been called for Thursday at 4 p.m. at Mr. W. A. Cameron's office, 25 Toronto-street, for the purpose of completing the arrangements for this game. The names of all skips who will undertake to get up rinks for the occasion will be submitted at that meeting. The draw will then be made and will be published in the Friday morning papers. It is expected that, the weather proving favorable, this will be the largest match of the kind ever held in Canada.

LAST DAY OF HUNT RACES

Chilly Weather But a Large Attendance and Keen Contests.

SEAGRAM'S K.C.B. DIES ON THE TRACK

Carruthers & Shields the Biggest Winning Owners, With H. McCarron, Jr., Second.

Snow actually fell on the closing day of the Country and Hunt Club's fall meeting at Woodbine Park. The weather was cold, though relieved at times by a bright sunshine. The attendance was large, and the track good, notwithstanding the untoward weather conditions, the crowd being a splendid tribute to the management of the races.

Four favorites and three outsiders landed the money. Looram, Bon Ino and Guilder were the first choices to go down, two of them finishing second, and Bon Ino broke down to stay outside the money. Violent was the longest shot to land, 15 to 1.

Everyone went down to beat the last day, and the money just poured into the ring.

Carruthers & Shields claimed and secured Advance Guard out of the five furlongs selling race for $1200.

There was a sensational incident just before the open handicap started. K.C.B. was ridden down to the judges' paddock to get excused from the race on account of sickness, and on returning dropped dead from an acute kidney trouble.

Ten faced Starter Ware in the first race. Beguile and Ninety-Cents were the laggards when the flag fell. Looram was the first to show, and then Nicholas came up, only to die away on the stretch, where Sister Alice took command and won by a length and a half from Looram, who was a neck ahead of Athy. Sister Alice got away well, and was always within striking distance.

Len again took the flag in the second race. Allenna made the running, and then fell back into the bunch, Statira taking the lead, which she held until the last furlong, when Left Bower, who had been running easily, went into the van and won handily by three lengths from Allenna, who finished a length ahead of Carlooo. Statira was fourth, half a length away, and then came Ice Drop and the others, making a long tail. Advance Guard and Daryl never had a chance, and The Wren was left, the start being very bad. Allenna was full of running at the finish.

The public would have nothing but Mr. Seagram's Bon Ino for the third race, but after running second the greater part of the journey, she tired badly towards the end and was passed by Maritana II. and Toddy Ladie. Violent, who was much the best at the weights, took up the running on the back stretch, and, never being headed, won in capital style by two lengths, half a length separating second and third. Bon Ino was three lengths from Toddy Ladie, was fourth.

Higbie at last proved the good thing in the steeplechase. He virtually ran as he pleased, and won in the same way, although Jim Lisle led for a distance on sufferance. Dinmont ran a good race, and finished third, some distance behind Jim Lisle, who has 30 lengths the worst of Higbie.

A delay in the betting was caused by K.C.B. dropping dead before the fifth race, but when the seven starters got going in good order at the first attempt, Compensation showed the way, followed by Topmast, who, after lying always well up, came away in the last furlong and won by two lengths from Compensation, who was a head ahead of Branch, with Tipgallant third.

Eight contested the sixth race, with Guilder the favorite at 8 to 5. Jessie Jarbo got away in front in a poor start, was never headed, and finished first a length in front of Guilder, who had five lengths the best of Wenlock, with Sir Blaze a length off, fourth.

Six ponies went away in a straggling start with Black Jim in front, where he remained to the head of the stretch, when Creta, the favorite, took the lead and while the ponies—Ennomia, 108 (Harshberger), 8 to 2 and even, 1, by three lengths; Prince of Tally Ho third, 10 lengths ahead of the others, who were strung out lengths apart. This race was won in rather fast time.

The Money Distributed.

The money given at the meeting amounted to $15,150, divided in days as follows: First day, $2750; second, $1850; third, $2350; fourth, $2350; fifth, $1800; sixes, $2000; seventh, $2050. Besides the money, Mr. G. W. Beardmore gave a cup valued at $150, won by Mr. Lothar Reinhardt, jr.; the club gave a Military Cup, value not given, won by Dr. Campbell. Walker & Son gave a cup, value $300, won by Dr. Smith; the club gave the D'Alton McCarthy Cup, value not given, won by Mr. E. Craven, and the club gave the Imperial Plate, value $100, won by Mr. Joseph Duggan. The entry fees so far as an outsider can make them up from the program amounted to $3735, which, not including the cups, would make the Hunt Club's responsibility for the money $11,415, an amount almost covered by the sum received for the betting privileges alone. The money was won as follows, the value of the cups being included where stated in the program; that is, in the case of Mr. L. Reinhardt $150, Dr. A. Smith $300, and Mr. J. Duggan $100.

Opening Day at Windsor.

Windsor, Sept. 30.—A crowd of fair proportions braved the winter breezes to attend the opening of the fall meeting here this afternoon, and it proved a pleasant day for the majority, including pensorry day for the majority, including pensorry clients. Only one favorite finished in front, and that did not occur until the last race, when Forehand piloted Corialis to victory in a furious drive through the stretch, with Brulare and Harshberger up second.

It was a great day for Harshberger, who has been facetiously dubbed the Tod Sloan of the west, as he had six mounts and was only outside of the money once, winning three races, landing one second money, and finishing third in another race. Alice Farley was herself again, landing the first race without an effort, after being backed from 10 to 6 to 1. The summaries:

First race, all ages, 6 furlongs—Alice Farley, 100 (Henson), 6 to 1, 1, by two lengths; Quinnatic, 107 (E. Ross), 7 to 2, 2; Lizzie A., 107 (Castro), 30 to 1, 3. Time 1.15½. Legrange, Hieway, Iris and Santelo also ran.

Second race, selling, 3-year-olds; 1 1-16 miles—Imp, 128 (P. Clay), 4 to 2, 1; Charentus, 106 (Jenkins), 8 to 5, 2. Time 2.07¾.

Fifth race, 5 furlongs, selling—Dunblane, 102 (Wilson), 7 to 2 and even, 1; Star Chime, 105 (Bullman), 8 to 5 and 7 to 10, 2; Eileen Daly, 109 (Dupee), 12 to 1 and 5 to 1, 3. Time 1.02 3-5. Vendig, Maldonia, Peaceful, Manitoba, Erwin, Elnus, Wax Taper and Jugglery also ran.

Sixth race, 1⅛ miles, selling—Hardly, 103 (Jenkins), 2 to 1 and 4 to 5, 1; Maximo Gomez, 105 (O'Leary), 2 to 1 and 4 to 5, 2; Our Nellie, 94 (R. Lewis), 3 to 1 and 4 to 5, 3. Time 1.55 1-5. Pins, Veracious, American Maid, Sensational also ran.
