THREE STRAIGHT GAMES

A POOR CONTEST—RESULTS IN THE STARS AGAIN LOSING.

Racing at Sheepshead Bay—Hamilton Wins a Game From Utica—All the Western Clubs Successful—Cricket and Other Games Set for To-Day.

The Toronto and Syracuse Star clubs played baseball yesterday. They were first and second respectively in the record of the International League. They played a poor game. Toronto made the most base hits and the most errors and won the match. The fielding of the Stars was superior to that of their opponents, but they could not hit so hard and their pitching was no better. As for the battery work, Humphries was hardly used, his hands being terribly cut up, and in the ninth innings he was forced to call in Darling from left field. It went against the grit to surrender a position he had so nobly upheld from the beginning of the series, but the spiking of his foot by a player running to the plate settled it and he had to capitulate. Darling only had the last half of the innings to work, but he did it in a worthy manner. It was a critical point, too, considering that the visitors needed but one run to win, had two runs in and a man at first base before he assumed the position. But fortune favored the brave and the next three men went out on a fly to right, on a force, and a grounder to the pitcher. Taylor for the Stars caught without error, although Devine's pitching was quite as erratic as that of Veach. From beginning to end there was absolutely no brilliant work and, therefore, a description of the game is unnecessary.

Fair Balls.

If Toronto is to win the pennant few people realize what has to be overcome. But we have the team that can surmount all difficulties.

Gen. Ritley and Col. Kerr, who are guests of Mr. Simon Hamburger, occupied seats in the directors' box at the baseball match yesterday.

The games will be called to-day at 10 a.m. and 4 p.m. Davis will probably pitch for Toronto in the morning and Emslie in the afternoon.

The Hams lost two to Utica and Toronto won [illegible] three straight. The Times' prophecy was that Toronto would probably lose two to the Stars and that the Hams would win three straight. 'Twas the other way on.

A game will be played on the Toronto B. B. grounds on Saturday afternoon between the Civil Service and the Dry Goods clubs of the Commercial League. Mr. Maddocks will umpire. The game will be called at 2 p.m. sharp.

E. C. West having been released for no known reason, Otis Tilden, a little fellow with a bumptious name, essayed the task of umpiring the Toronto-Syracuse game yesterday. He did his best. West, without doubt, was the best umpire that has appeared in this city.

Ald. Piper invited the Syracuse team, along with President Campbell and Director Forey, to visit the Zoo yesterday morning. Accordingly Mr. Felcher had hacks at their disposal, and the Exhibition Grounds and other points of interest were taken in by the visiting team.

The Board of Directors of the American Baseball Association to-day investigated the charges against Tony Mullane, pitcher for the Cincinnatis. The board rendered an unanimous verdict of not guilty and a resolution was adopted requesting the Cincinnatis to compel the Enquirer to prove its allegations in court or recover damages for the publication.

Cricket Matches To-Day.

The Toronto Club plays the following team against the Hamilton Club in Hamilton to-day: A. C. Allan, A. G. Brown, M. Boyd, H. J. Bethune, T. Dixon, W. W. Jones, G. G. S. Lindsey, G. W. Marsh, D. W. Saunders, W. W. Vickers, W. R. Wilson. Play will be commenced at 10 a.m. sharp. On Saturday the Toronto men will muster at Buffalo and have a trial of conclusions with the Bisons. The following will compose the Toronto team: A. G. Brown, A. Burke, A. H. Collins, T. Dixon, W. W. Jones, G. G. S. Lindsey, G. W. Marsh, C. N. Shanly, W. W. Vickers, A. Winslow and G. W. Saunders. The newly-organized Rosedale Club has arranged for a match to-day with the Toronto Club on the Bloor-street ground. Much interest centres in this match since the calibre of the newly-fledged club has been a debatable question, no matches putting the organization on its metal.

The Toronto colts visit Port Hope with the best intentions in the world, but perhaps Trinity College School has higher intentions and the requisite power to back them up.

The following will represent the Peninsular Cricket Club on Dominion Day in their match with the Lambton Cricket Club, on the grounds of the Peninsular Club. Wicket will be pitched at 10 o'clock: C. H. De Gruchy, J. W. Treen, J. F. Alanson, G. H. Stroud, F. S. Treen, C. E. McIntosh, J. Hopkins, T. C. Treen, F. H. Henning, S. Hopkins and another.

Racing at Sheepshead Bay.

NEW YORK, June 30.—This was the closing day of the spring meeting at Sheepshead Bay. First race, ¾ mile—Joe Cotton won, Cyclops second, Pontiac third; time 1.27¼. Second race, 1¼ miles—Unrest won, Tolu second, Grenadier third; time 1.56. Third race, ¾ mile—Tremont won, Lady Primrose second, Islett third; time 1.15. Fourth race, 1½ miles—Dead heat between The Bard and Dewdrop; time 2.09¾. The Bard had a walk over in the run off. Fifth race, ¾ mile—Bonnie S. won, Commander second, Lizzie Mac third; time 1.29¾. Sixth race, 1½ miles—Tom Martin won, Tecumseh second, Greenfield third; time 2.09¾. Seventh race, 1 mile—Frankie B. won, Swift second, Ascender third; time 1.42.

Lacrosse Points.

The championship match here next Saturday promises to be one of intense interest. The Montreal Club, last year's champions, are said to be in great form, notwithstanding their recent defeat by the Shamrocks, which is accounted for by the ground being wet and very slippery and over confidence. On the other hand the Torontos have not been beaten this year, and now stand at the top of the list, with Montreal and Ontario next. The home club are practising hard and will put a strong team in the field, and all lovers of lacrosse will be amply repaid by a visit to the ground. The club has made arrangements to give the baseball returns from Hamilton in the ground. The Toronto team will be selected from the following: S. Martin, J. Garvin, W. H. Hubbell, W. Bonnell, J. Drynan, G. Sewell, R. L. Coulson, F. Dixon, J. McDonald, R. Eckardt, W. Irving, G. McHenry and A. M. Stowe, with Mr. John Massey as field captain.

The Irish lacrosse team, on their visit to Toronto, will be the guests of the Toronto Lacrosse Club, and will be treated as hospitably as possible, several entertainments being given in their honor. They will be captained by Mr. Hugh Kelly, Under-Sheriff of Co. Donegal, Ireland. Eight members of the team played against the Canadians on their visit in July, 1883.

The New York Lacrosse Club play in St. Paul, Minn., on July 5 and in Toronto on July 8. The club will be the guests of the Toronto Lacrosse Club.

On the 10th inst. the Torontos and Ontarios meet to do battle at Rosedale, when, owing to the recent draw, and the keen rivalry existing between the clubs, a match of more than ordinary interest is expected.

The three principal Canadian Indian lacrosse teams—the St. Regis, Cornwall and Caughnawagas—commenced a series of lacrosse games at St. George (Staten Island), yesterday. The Caughnawagas and Cornwalls played the first game, which resulted in favor of the Cornwalls by two goals to one. The second game was between the St. Regis and Cornwalls, resulting in the St. Regis men winning by two goals to one.

General Notes.

The race for the Great Midland Foal Plate for two-year-olds at Four Oaks Park, Eng., yesterday, was won by J. H. Houlkworth's bay colt, T. Valentine's St. Helen and Mr. Abington's bay colt Bender ran a dead heat for second place.

The race for the Northumberland Plate at Newcastle yesterday was won by R. Vyner's chestnut filly Stonéclink, W. I'Anson's bay colt Selby second, and W. Stevenson's chestnut filly Nightcap third.

Mr. J. E. Simons of Philadelphia, while in the city last week, purchased from the Terra Cotta Kennels the fawn and white greyhound pup "Mentor" by Champion Memnon, ex. Stealing Away, as he was of the opinion that the Canadian greyhound stock was superior to that of our American cousins. The little fellow is to be shipped early next week.

New Catholic Dioceses.

From the Montreal Star, June 28.

It was stated on reliable ecclesiastical authority this morning that two new Roman Catholic Dioceses were about to be formed in Canada. The first one is to comprise a part of that of Kingston and it would have the Bishop of Kingston as suffragan. The bishop's seat is to be Cornwall. The other diocese is to be formed from a part of that of Montreal. The Archbishop of Montreal is to be its suffragan and its episcopal seat will be Hull.

A Booming Dry Goods Store.

Everything is on the boom at the Waterloo House, 278 Yonge-street. Always busy, always crowded, and no wonder, when the people are all the time getting bargains.—this is what every one wants. About three years ago the Waterloo House opened out under the present management, and no dry goods house has made more headway, gained a larger custom, or made itself more popular than this house. Mr. McKendry keeps on hand always a large stock of first-class goods, sells at low prices, and with an efficient and obliging staff of salesmen Mr. McKendy makes the Waterloo House a thorough success. x

A Fashionable Tailor.

It's very essential in these times for business men to be well dressed, and the question is, where to get "*Suited?*" It's easily answered by going to 103½ Yonge-street, where Sexsmith & Son will show an immense assortment of fashionable goods to choose from, made up in the latest fashion, and at the most reasonable price. x

A Popular Restaurant.

The Knights of Pythias have accepted the tender of "Betts,' the Popular Restaurateur, to feed 2000 in number for the 13th, 14th and 15th of July, during their demonstration in Toronto. This means about 6000 meals per day. Betts can do it, and invites 2000 visitors to come along also, or any other time. Always ready. x

Gents' Furnishings.

The great summer sale at Rogers', 346 Yonge-street, is now in progress. A finer selection of "gents furnishings" cannot be seen in the city, and buyers are bound to get bargains. x
