THE Howick bonus by law granting $12,500 to the Toronto, Grey & Bruce Railway, was voted upon on Saturday last, and carried by a majority of 75. A bonus of $5,000 from the township of East Wawanosh was voted on and declared on Tuesday.

AN OLD SAYING.—It is cheaper to pay the shoemaker than the doctor. Keep the feet dry and warm, especially at this season of the year. The best place to get a supply of good substantial Boots and Shoes is at John Riggs' store, No. 3, Main st., Listowel.—42.

GRAIN.—The grain market has taken a rise during the past few days. As high as $1.08 has been paid for fall wheat on the Listowel market this week. This is a good figure, and farmers are as safe in disposing of their grain now as in holding for more.

Special at Roy & McDonald's—Ladies' mantles, misses and dolmans, ready made and made to order, in first class style, excellent fit guaranteed, by Mrs. Leslie and Miss Reid. Goods sold in the house cut and fitted free of charge.—41.

MASONIC BALL.—Bernard Lodge of this town are making preparations for their annual assembly, which will be held sometime next month probably on New Year's eve. The assembly this year is expected to eclipse in brilliancy any of its predecessors.

REV. J. LAUTENSCHLAGER, minister of the Lutherian church, has recently removed to Listowel from Walkerton. He will have charge of the Lutherian German bodies in Listowel and Wallace. Services are held every alternate Sunday in the town hall at 11 a. m.

HYMENAL.—Our young townsman, Mr. G. T. Kidd, of the California fruit store, has crossed the matrimonial Rubicon, taking for his life-partner Miss Jennie Wilson, a young lady to whose musical talents our citizens have upon many occasions been indebted. We wish the couple all happiness.

SOME heartless scamp has been robbing "Dr." Bright. It is said that the thief actually stole the bedclothes while the "Dr." was beneath them. The constables have been scouring the neighborhood, but we have not learned that they have captured the daring burglar. The "Dr." is in great tribulation over his loss.

IMPLEMENTS.—The Listowel Foundry has now in stock ready for use one large Pitts Power; also Straw cutters for power and hand working, Root cutters, 4 ho. Pitt's powers, etc. A large stock of the famous Listowel I. X. L. general purpose, and Yankee broad furrow plows, with hard steel boards, preparing for spring.—42c.

COLD.—The weather during the past week has been unusually cold for the season of the year. On Saturday and Sunday night last the thermometer was down to zero. The "cold wave" was also accompanied by a driving snow storm. Some of those who profess to know say that we have not had such cold weather in November for the past thirty-five years.

SOMETHING NEW AND OLD.—New goods for the winter wear, consisting of dress goods, shawls, mantles, overcoats, boots, hosiery, furs, robes, ladies', gents', misses' and children's fur caps, clouds, mufflers, and a thousand and one other things, all of which will be sold at a small advance on cost, at the old reliable store, No. 3, Main st., Listowel.

JOHN RIGGS, Proprietor.—42.

THE entertainments given by Elder Hawkins and his troupe of colored singers in the town hall on Monday and Tuesday evenings were well patronized by our townspeople. Plantation melodies formed the principal part of the programme, and these were rendered in excellent style by the company, all of whom possess good voices. Mr. Davidson has an exceptionally fine bass voice, which was alone worth the price of admission to hear. The Elder narrated many incidents of slave life in the South in the intervals during the repetition of the plantation melodies.

MESSRS. WOODS have had their bus rejuvenated by our boss bus builder, Mr. Wm. Little. The metamorphosis is so complete that everything about it looks brand new except the driver, who wears the same genial face, and is just as obliging as ever, even though he is "stuck up"—on the top of an elegant turnout. "Billy" is evidently a "stayer," and we are sure the wish of the public whom he has so long accommodated is, that he may long continue at his post.

OYSTER SUPPER.—On Monday evening last D. B. Dingman, Esq., entertained a number of his friends with an oyster supper at the American hotel. Some thirty or forty guests were present, whose appreciation of mine host Meckes's style of serving up the bivalves can perhaps be "better imagined than described." After the oyster spread had disappeared, the remainder of the evening was given over to the god of oratory, who evidently was in his most propitiatory mood, indulging his disciples to efforts grandiloquent. The supper, as may be inferred, was a great success.

BUSINESS.—The frequent falls of snow during the past week have made the sleighing good, and the farming community are evidently taking advantage of it to get their produce to market. On Friday and Saturday last, and every day this week, Listowel's thoroughfares have been literally crowded with farmers teams. Wood, grain, pork and other products of the farm are being marketed in large quantities, and find ready sale. Our merchants and business men generally are feeling the benefit of the "revival," and no doubt wish that it may continue.

THE Ontario Legislature will assemble on Thursday, January 13th. The member for North Perth mustn't forget his "corkscrew."

PALMERSTON expects to have the P. D. Division of the Grand Trunk open to that town by Wednesday next, weather permitting. The ballasting between Listowel and Palmerston is about finished. On the W. & G. B. division the rails have been laid some distance above Holstein, and it is expected that Durham will be reached in a few days. The arrival of winter has put a stop to ballasting, and it is not probable that the road north of Palmerston will be ballasted until spring. However, we believe it is the intention of the company, to put the crossings in good condition and run over the road during the winter without being ballasted.

MISS HELTOR, teacher of the 3rd department of the Listowel Public School, having notified the Board that she did not purpose re-engaging for next year, the board has secured the services of Miss Martin for that department; salary, $275 per annum. Miss Martin's resignation last spring, caused by the "penny wise pound foolish" system of economy adopted by the Board, was generally regretted by parents having little ones under charge, her return and will no doubt give much satisfaction. It is also no doubt very satisfactory to those who have the interest of the School at heart to notice that the Board has abandoned its false economy notions, and has raised the salaries again to a scale more in keeping with the value of efficient teachers. Experience is said to be the best teacher. It would appear that the Board has gained some wisdom by its experience during the past year. At the same time the loss which the school must have sustained by the many changes in the staff during that short period cannot but be regretted, and for this the Board should be held accountable. Of course no one will regret to see the Board pursuing a wiser course, even at this late day.

HIGH SCHOOL BOARD.—A special meeting of the High School Board was held on Thursday evening, 18th inst., for the purpose of considering applications for the positions of first and second assistant teachers for the High School, and for the appointment of teachers for 1881. The following members of the Board were present: Geo. Draper, Chairman; D. D. Campbell, Sec.-Treas.; A. Austin, W. McKinney, and R. Ferguson. Applications were read from a large number of candidates for the respective positions. After carefully considering the applications, it was moved by W. McKinney, seconded by A. Austin, and resolved, that A. R. McCallum, B. A., be appointed Head Master for 1881, salary $800; Daniel Francis, 3rd assistant, salary $500; Alexander Sedgewick, second assistant, salary $400. It was moved by A. Austin, seconded by W. McKinney, and resolved, that the present caretaker be continued so long as the duties are satisfactorily discharged. The Sec.-Treas. was authorized to advertise for fifty cords of four feet wood, to be delivered at High School not later than 1st February. The Sec.-Treas. was also instructed to pay to R. Rothwell, Esq., in behalf of Mrs. A. T. Day, the sum of twenty-five dollars, balance due the late A. T. Day for salary as teacher.

BRUTAL.—On Wednesday last a little fellow about nine years of age named James Colton, was brought to town by Mr. John McLaughlin, of Maryborough, to see what could be done for him, the poor little fellow having his feet and hands badly frozen, and being literally covered with bruises, said to have been inflicted by a Mr. Thomas Markham, a neighbor of Mr. McLaughlin's, and by Markham's sister-in-law. If what Mr. McLaughlin and the boy states is correct, and we have no reason to think otherwise, as the boy's pitiful state bears them out, the little fellow has been the subject of the most brutal treatment at the hands of these parties. Little Jimmie was brought out from England last summer by Miss McPherson, and was taken by Markham, who has no children of his own. The boy's short experience at Markham's has evidently been anything but a pleasant one. According to his own story he has been poorly fed, beggarly clothed, and over-worked; and when he was not able to perform the task assigned him he was unmercifully beaten. Some of Markham's neighbors appear to have been aware of the treatment the little fellow was receiving, and have interfered in his behalf. On Wednesday morning last he was picked up in a field by a neighbor as he was trying to make his way through the snow to Mr. McLaughlin's, having been so abused at Markham's that he was seeking refuge elsewhere. When taken to Mr. McLaughlin's his feet, hands and ears were found to be badly frozen; his back and limbs were also covered with bruises, which the boy says were caused by the ill-usuage he received at Markham's, being threshed with a horsewhip and kicked in a most brutal manner. The poor little fellow was more dead than alive when he was taken to Mr. McLaughlin's, and that gentleman immediately hitched up and brought him to Listowel. Those who saw poor Jimmie as he was receiving medical attendance at Dr. Michener's drug store, had reason to believe the truth of the brutal treatment inflicted upon him. Mr. McLaughlin has determined to have Markham and his sister-in-law—the latter apparently being the most cruel of the two—prosecuted, and with that object he consulted Mr. Climie, J. P. The parties residing in Wellington, Mr. Climie referred him to a magistrate in that county. We understand that Mr. McLaughlin decided to lay the matter before Mr. Robert Hay, J. P., of Maryborough, and it is to be hoped that such brutality will be punished as it deserves.

Dr. Standish, of Georgetown, who is about to remove to Palmerston, was on Tuesday of last week entertained to a supper in that village, and presented with an address and articles of plate.

GLENALLAN.

EXCELLENT HOSTELRIES.—The hotel accommodation here is second to none. Commercial and other travellers, and the public generally, find excellent arrangements for their comfort at either of the hotels.

LOOKING UP.—Since we were favored with sleighing, business with our merchants here is gradually looking up. Mr. B. Powley offers special inducements to cash customers, as he intends to dispose of this large stock.

CONVEYANCING.—An office has recently been opened in this village by Mr. W. Watkins, conveyancer, etc., where parties requiring deeds, mortgages, etc., executed, can be accommodated with promptness and to their satisfaction.

RECOVERED.—We are glad to announce that our respected teacher, Mr. Hislop, has recovered from his recent attack of scarlet fever. Dr. McWilliams pronounced him out of danger, and on Monday the 22nd inst., he commenced his duties in school. The attendance was not very large, but we are happy to say the number is increasing daily. We also note the junior department, under the charge of Miss Gilcrist, is well attended. Scarlet fever and diptheria have been rather prevalent here, but thanks to the skilful treatment of Dr. McWilliams, we hear of no new cases.
