SUCCESSFUL HORSE SALE
31 AVERAGED $140 A HEAD

Buyers at Grand's From All Over Canada and Mr. Seagram Seemed Well Pleased.

The sale of thorobreds, the property of Mr. Joseph E. Seagram, M. P., at Grand's Repository yesterday was in every way a complete success. There was an unusually large attendance of buyers from all over Canada, and about the only gentlemen not thoroly satisfied were those coming from a long distance expecting to pick up a few lots at low prices. Mr. Delbridge of Fort Portage and Mr. Anderson of Indian Head were two of these. The former wanted a car load and secured none, while the latter only picked up two. The class of horses was better than usual and prices were correspondingly better. Mr. Seagram seemed well pleased, tho, as everyone knows, he loses money on these sales, but the requirement of the room in his training establishment at Waterloo makes the annual disposal an absolute necessity.

W. Harland Smith was in splendid form on the block, and in many instances by his inimitable persuasion added several five spots to the value of the animals.

The 31 thorobreds offered brought an average of $140 per head, and both Mr. Seagram and Mr. Smith are to be congratulated on the success of the sale. Colchester and Elche went at the top prices. Besides the 31, two of Mason Bros. were knocked down. Summary of sale:

Good Racing at Exhibition Track.

The Toronto Gentleman's Driving Club held one of their speeding matinees on the Exhibition race track yesterday afternoon. It was good racing, tho the weather was very cold, and the attendance small. In the first race, Wm. Robinson's pacer, King Dan, outfooted the balance of his field and won handily. The balance of the horses had a merry time fighting it out for the place. The second race was won quite easily by J. H. Lock's trotter, Uncle Sim, and, it being from a standing start, he had somewhat the best of it, as he gets away very rapidly. The matched race proved very interesting, as both the horses were non-winners in the first race. Prince Michael won the first heat, but he tired in the next two, and Harry J., ably driven by James Nesbitt (Toronto's Mr. Geers), won the last two and the race. Following are the results:

First race—
Wm. Robinson's (pacer) King Dan. 1 1 1
Tim O'Rourke's (pacer) Little Sandy 2 2 2
R. J. McBride's (trotter) Sir Robert 4 3 2
Wm. Gleason's (pacer) Prince Michael 3 4 4
R. J. Patterson's (pacer) Harry J. 5 5 3
Time—1.16, 1.16, 1.17.

Second race, all trotters, standing start—
J. H. Lock's Uncle Sim. 1 1 1
Sam McBride's Darkness 2 2 2
John Dunn's Duke 3 3 3
Time—1.26, 1.25, 1.24½.

Matched race, pacers—
R. J. Patterson's Harry J. 2 1 1
Wm. Gleason's Prince Michael 1 2 2
Time—1.20, 1.20, 1.24.

Judge—Harry Snow. Time—John Clinkscomer. Starter—Sam McBride.

A race meeting will be held on Christmas Day.

Basketball.

Smith's team showed a clever combination and this, coupled with Jack Nichols' skilful work, defeated Marriott's team last night in the Central Y. M. C. A. intermediate series. Nichols scored five baskets. The teams were:

Smith's team (19)—Smith, centre; Nichols, Craig, forwards; Cherry, Ralph, defence.

Marriott's team (14)—Marriott, centre; Evans, Hughes, forwards; Johnstone, Kelly, defence.

In the Business Boys' League, Dale's team beat Walker's 5 to 3, and now lead by 4 won to 1 lost.

Sandy Ferguson of Boston is on his way to San Francisco, where he has been matched to meet Jack Johnson, the crack negro heavyweight next month.

Hamilton and the Racing Map.

Hamilton, Nov. 18.—The annual meeting of the Hamilton Jockey Club, which was to have been held on Monday, will be held to-morrow afternoon in the office of the secretary. The meeting will be an important one, as the future of the club will be decided. Some of the members, it is said, are in favor of throwing up the sponge and disbanding, in view of the fact that no open dates are left for the club again next season. No meeting was held last spring, as the O.J.C. extended its meet and took Hamilton's dates. The new management of the Kenilworth track at Buffalo have claimed the dates right after the close of the Toronto races. If Hamilton holds a meet it will have to fight Buffalo, and that is the question that will be settled to-morrow. Many of the members favor a three or four day meet, immediately following Toronto. The club is in good shape financially.

Around the Ring.

Harry Gilmore calls Bob Fitzsimmons to defeat Carter.

At San Francisco on Tuesday Kenilworth ran a most indifferent race in the handicap and Albula won as she pleased.

At the Chicago Athletic Club Saturday night Billy Stift will meet Mike Schreck of Cincinnati. This will be a lively bout.

The Marster Stables' War Paint was backed first and third at Latonia yesterday and the many Toronto players just split even.

Joe Walcott's next effort will be with Joe Gans. The two men will meet on Dec. 5, unless there is some unforeseen slip before that time.

The Ambion Golf Club has issued a circular to the members asking them to be present at a complimentary dinner to be given Mr. A. W. Austin at 6 o'clock on Saturday, Nov. 28, at the club house.

Dr. Wyman Audrus of Miles City, Mont., was in the city yesterday, on his way back home from a visit to his mother at Oshawa, Ont. Dr. Andrus is an old International League player, having been the second baseman and captain of the Hamilton team in that league in 1887.

The news comes from 'Frisco that Fitz is already down to weight—168—for his battle with Gardner, which is scheduled for Nov. 25. It is remarkable how Fitz has brought himself down. A few months ago he weighed nearly 200 pounds. When he "interviewed" Joe Grim at Philadelphia a week or two ago, he weighed over 180. He has come down quick, but has not lost any strength.

One reason for the superiority of the Anheuser-Busch brews is, they contain *no corn*, an ingredient that cheapens the cost of brewing and injures the quality of the beer. The mark of purity—

FINAL GAME AT M'MASTER JUNIORS 24, SENIORS 1

S.P.S. Beat Victoria 14 to 6 in Mulock Cup Series—Rugby and Association Notes.

The final game in the inter-year Rugby series at McMaster University was played yesterday, the juniors winning from the seniors by 24 points to 1. The score is hardly an indication of the game, which was closely contested. The result is that '05 win the championship. At half-time the score stood 12 to 0.

Score: '05—First half—Try (Munro), 5; rouge (Blackadar), 1; try (Peine), 5; Goal (M. S. McArthur), 1. Second half—Try (Gray), 5; dead ball (J. B. McArthur), 1; try (Peine), 5; goal (M. S. McArthur), 1. Total, 24.

'04—Second half—Touch-in-goal (Lalley), 1.

The teams were:

'05 (24)—Full-back, Wright; halves Peine, J. B. McArthur (captain), Munro; quarter, M. S. McArthur; wings, Cranston, McGregor, Viens, Jordan, Gray, Weir; centre, Fitch.

'04 (1)—Full-back, Blackadar; halves, Lalley (captain), Vail, Bingham; quarter, Baker; centre, Poapst; wings, Coutts, Borrowman, Mabee, Harkness, Mibell, McDonald.

Referee—C. New.

Umpire—Buzzer Gray.

The other games in the series resulted as follows: Seniors 16, Freshmen 0; Juniors 21, Sophomores 1. The matches were played under Burnside rules. McMaster students are a unit in favor of the new regulations.

Queen's Beat King Edwards.

The Queen's Hotel succeeded in defeating the King Edward in a game of Association football at Bayside Park yesterday afternoon by two goals to one. The game was very fast and abounded in brilliant plays, despite the high wind which blew during the game. Mackay, Hardy and Frieiman played exceptionally well for the winners, who lined up as follows: Goal, Downey; backs, Brandon, Long; halves, T. Mendora (capt.), Scheppler, Brown; right wing, B. Friedman, Mackey; centre, Nicholson; left wing, Hardy and Snell.

Referee—S. C. Wilson.

Dents Beat Victoria.

The Mulock Cup game yesterday between the Dentals and Victorias resulted in a victory for the former by 14 points to 6. French, who played with the Dents, was protested on the ground of being ineligible for the series. Laffin was the best forward gainer for the winners.

Football Notes.

The Carlisle Indians' football campaign this fall will net a profit of nearly $15,000.

The final game in the Toronto Intermediate Football League between the Broadviews and the Cookville will be played on Saturday next at Diamond Park, West King-street.

From Ottawa despatch says: At a meeting of the Rough Riders Rugby Club held Tuesday night, it was decided that they would not meet Varsity or McGill on Nov. 28, owing to the lateness of the season. The club has disbanded for the year.

The Victorias put in a good hour's work at signal practice last night at Jesse Ketchum Park under the direction of Capt. Jack Gowans, and they will go on the field on Saturday against Peterboro feeling confident of defeating the champions. They will be one or two changes made in the team, J. Yeaman will be moved up to quarter and Henderson will replace him on the wing line.

It is announced by the Yale football management that Yale's net receipts from the Princeton game would amount to over $20,000. The total gate receipts reached $30,000, and out of this will have to come about $10,000 for expenses, which will leave $40,000 to be equally divided between the two universities. A Yale football official said last night that the receipts for the Princeton game exceeded those of last year 25 per cent.

Notwithstanding the cold weather last night, the Varsity team were out in full force for practice, as the members of the team recognize the fact that the game on Saturday is not an easy one, and therefore they are taking no chances of not being in the best of condition for it. There was great disappointment at the word that came from the Ottawa Rough Riders stating that they were out of the game for good, but arrangements are being made to have a challenge sent from the winners of Saturday's game to Ottawa College to play for the championship of the Canadian universities.

The World will play snap back with The News at Bayside Park this afternoon.

The Toronto Scots F. B. C., intermediate champions of Canada, will practise this evening at Riverdale Park from 7.30 to 8.30. It seems the Toronto Scots are too fast for intermediate company, as they endeavored to enter the Ontario Association and defend their title as champions, but were turned down, as one of the city teams was opposed to their admission. The Toronto Scots are not out of the running yet, however, and will be heard from before this season draws to a close. Holmes will be between the poles once more, with Parsille (the Scots star player) and Humphrey on the back division. Humphrey is well known in football circles and will give the best of them a hustle. Jack Fraser, one of Galt's best, and Humber, the star of the Winnipeg Victorias, will be on the half, with Riddick or Hoar. While the forward line will be nearly the same, Brown and Renaugh on the left with Stonston and Cook on the right, Wilcox will be seen at centre. The Scots much regret the loss of Marshall, but business prevents him from turning out. The above team will meet all comers, senior or intermediate.

Mike Morrisey, then Con Coughlin, and now Jim Casey—three Irish giants, all exploded. The last picked out old Fitz, and what he did to them was a plenty. Casey is a big young fellow, who has been working with Fitz out in California. He lasted a week in the training. Time and again he felt the might of the lanky one, until the other day Fitz let go the thing that silenced Corbett, Sharkey, Ruhlin and others, and Casey went down and out of sight. When he came to he packed his things and disappeared, and another prospective Irish champion has gone the way of Mike Morrisey and Con Coughlin.

COMMERCIAL AND JUNIOR 2 MORE LEAGUES IN LINE

15 New House Teams Asked for Membership—Officers and Circuits.

The Commercial Hockey League held a successful reorganization meeting last night at the Central Y.M.C.A. parlors. The following officers were elected for the season:

Hon. president, Bert Short; president, F. C. Baker; vice-president, H. C. Austen; secretary, B. D. Stranghan; treasurer, C. Macnamar. The league will be composed of the following teams:

Rice Lewis & Son.
Can. General Electric Co.
Gutta Percha Rubber Mfg. Co.
Canada Foundry Co.
W. R. Brock Co.
Wyld, Darling Co.

Of the old teams W. R. Johnston & Co. and H. S. Howland & Co. withdrew from the league, while the Canada Foundry Co., W. R. Brock Co., and Wyld, Darling Co. were admitted. There were 15 applications that had to be laid aside on account of the impossibility of securing covered ice to play the matches on. The league have prospects of a very successful season. Another meeting will be held Wednesday night, the 25th inst., to arrange the schedule and complete any unfinished business.

Collinson for O.H.A. Secretary.

Cornwall, Nov. 18.—The Cornwall Hockey Club will propose the name of R. W. Collison of Osgoode Hall, Toronto, for the position of secretary of the O. H. A. "Barney," as Mr. Collison is familiary known, is a hustler, has had an abundance of experience, knows the game thoroly, and, as he has lots of time to devote to the work, would fill the office with no small amount of credit should he be elected. He believes in sport for sport's sake, and is a very ardent admirer of the principles laid down by the present president of the O. H. A., who he contends has done more to elevate sport to the high standard it has attained in the O. H. A. than any other one man who has ever been before the public sporting eye. Cornwall's record in the O. H. A. should warrant Mr. Collison's candidature very careful consideration at the hands of the different clubs.

West End Y.M.C.A. Hockey.

The West End Y.M.C.A. have decided to branch out into the hockey arena this season, and a very enthusiastic meeting was held last night, and the prospects of a successful season seem very bright. West End number amongst its members a lot of fast players, who have in the past been playing with other teams, but this year they have signified their intention of turning out for the Y.M.C.A. A committee has been appointed to arrange for ice and to get the players in line, and the present indications are that junior and senior teams will both be in line.

Official O.H.A. Intelligence.

W. A. Buchanan, secretary O. H. A., sends out the following official bulletin from St. Thomas:

The annual meeting of the Ontario Hockey Association will be held in the Temple Building, Toronto, on Saturday, Dec. 5, commencing at the hour of 10 o'clock in the morning, when all the delegates are requested to be present.

Saturday, Nov. 21, is the last day for receiving amendments to the constitution.

Nominations for officers and members of the Executive will not be received after Saturday, Nov. 28.

Junior Hockey League Officers.

The Toronto Junior Hockey League held a well-attended meeting in the Y.M.C.A. parlors last night, when the following officers were elected: President, H. Harry Allen; vice-president, H. Rose; secretary-treasurer, Arthur N. Ledger, 360 Yonge-street.

The outlook for the coming season is very bright, as all the old clubs will again place teams in the league and a number of others have signified their intention of joining. The object of the league is to encourage junior hockey, as all other league players are barred from playing in the league. The age limit is 18 years.

All clubs who intend entering the league, and have not yet communicated with the secretary, are requested to do so at once. The next meeting will be held on Dec. 9.

Broadviews in Three Leagues.

The Broadview Hockey Club held its reorganization meeting last night at the club house, when it was decided to enter teams in the Toronto Junior Lacrosse Hockey League, the Toronto Junior and the Toronto Juvenile Leagues. The following officers were elected: Hon. President, D. Smith; hon. vice-president, J. Charles; president, J. Gould; vice-president, W.E. Tegtham; managers teams, Junior Lacrosse-Hockey, F. L. Summerhayes; Junior City, J. B. Gould; Juvenile, J. Treele; secretary-treasurer, F. L. Summerhayes, 202 First-avenue.

After the Puck.

The question of the hour: "Where will Hughey Anderson play?" The crack forward of last year's Port Prry team is now living at Zephyr, and it is said that Uxbridge, Stouffville and Markham clubs are after his services.—Uxbridge Journal-Post.

The Berlin Hockey Club has been asked to play the two opening games at the American Soo. The new rink has a sheet of ice 80x180 feet and can seat 4000 persons.

A despatch from Sault Ste. Marie, Mich., says: Fred E. Lake, an exceedingly clever young hockey player, arrived in the Soo this morning to realize here tournaments. He will play on the forward line of the fast team being organized in the Soo Curling Club. He has had much experience in fast hockey and is expected to play better this year than ever before.

The Wellingtons will hold their annual meeting to-morrow evening at 8 o'clock in the Mutual-street Rink. No invitations will be sent to individual members, who will be expected to accept this notice. W. A. Hewitt will be appointed manager, and Alex. Milne has consented to continue in the office of secretary for another year. All their old members are on hand to play, except Smart and Worts.

The latest rumor has it that Phillips, the Montreal man, will turn out with the Marlboros this winter, but Manager Waghorne last night disclaimed any knowledge of the coup.

Whist at Hamilton.

The Hamilton Whist Club has decided to make an annual event of its New Year's tournament, which was inaugurated so successfully last year. This year they intend to have a three days' meeting, beginning on Thursday evening, Dec. 31, and ending on Saturday evening, Jan. 2. The attendance at last year's tournament was very large, but it is expected that an increased number of players from outside places will be present this year. Last year there were no mixed pairs in attendance, but a number have signified their intention of being present this year. There will be compass games at each of the seven sessions. In addition there will be the usual open competition for fours, pairs and mixed pairs. A schedule of the games to be played and other information concerning the tournament will be ready for distribution shortly. Anyone desiring information should write to J. T. Crawford, the secretary of the Hamilton Whist and Chess Club.

ONE SOLITARY OPPONENT.

Secretary of Home Market Club, Boston, Against Reciprocity.

Boston, Nov. 18.—The doctrine of reciprocity was opposed in the report of Col. Albert Clarke, the secretary at the annual meeting of the Home Market Club, to-day. Another feature of the meeting was the non-appearance of the name of Eugene N. Foss of Boston in the list of officers. His term as director expired this year, and he was not re-elected. Mr. Foss was a candidate for congress in 1902 in the 11th District on a reciprocity platform, and was defeated at the polls. Secretary Clarke reported a net loss of 53 in membership.

With reference to political matters, Secretary Clarke held the contention that protection is responsible for trusts had received a death blow this year by the collapse of many trusts, and that protection was not responsible for the labor difficulties and market speculation, "which chiefly have brought a check to the abounding prosperity of the last five years."

On the subject of reciprocity, Col. Clarke's report says in part: "Whatever strength there was—and I think it was but little—to the agitation in this country for reciprocity with Canada must be subdued by the unmistakable preference of Canada for imperial federation."

Col. Clarke criticized the action of the Illinois Manufacturers' Association in endorsing a project in favor of reciprocity between the United States and Canada. The secretary thought that reciprocity would work to the disadvantage of farmers and fishermen and offer no benefit to manufacturers.

IN FAVOR OF CHAMBERLAIN.

Montreal Board of Trade Supports His Fiscal Policy.

Montreal, Nov. 18.—"That having followed with great interest the action of Right Hon. Joseph Chamberlain in advocating a system of tariff preference within the empire, the Montreal Board of Trade now reiterates its belief that the best interests of the empire would be served by the adoption of such changes in the fiscal policies of the several parts of the empire as would encourage preferential trade."

This resolution was unanimously adopted at a large and representative meeting of the Montreal Board of Trade held this afternoon, under the presidency of Arthur Hodgson. The resolution was moved by Robert Meighen, seconded by Senator Drummond and supported by Edgar Judge, J. B. McLean and others.

The only dissentient was A. H. Grant, who moved in amendment in favor of free trade within the empire and reciprocity with foreign countries, failing which he favored retaliation, but the amendment did not find a seconder.

The meeting ordered that a copy of the resolution be sent to Colonial Secretary Lyttelton and Mr. Chamberlain, and the gathering broke up with loud cheers for the former Colonial Secretary.

MONTREAL MILITARY SCHOOL.

Montreal, Nov. 18.—Sir Frederic Borden, Minister of Militia had a conference to-day with a delegation from the Montreal City Council regarding the building of a military school in Montreal and the removal of the military depot from St. Helen's island to the city. The civic delegation agreed that the city would contribute $25,000 towards the building of the school if it was erected within the city limits. The Minister said there was no objection to this and he thought if a suitable site for the military depot could be found in the city the government could hand over the whole of the island to the city.

Mrs. Estelle Clayton, Leader in Toronto Society,

Suffered Intensely from Pain in Back and Kidneys, with Loss of Sleep. Says She Was Completely and

Permanently Cured by Warner's Safe Cure.

MRS. CLAYTON WRITES:

"We have used WARNER'S SAFE CURE in our family for several years. My husband used it when he had backache and kidney trouble and it cured him. And I am pleased to state that I also have used it successfully. It cured a cold that settled in my back and kidneys, and which caused me intense pain. With loss of sleep my health became impaired. I took only four bottles of Safe Cure and was completely cured, and now I am as enthusiastic in its praise as my husband, and shall be pleased to recommend it to my friends.

"There are so many medicines that are worthless that it is a pleasure to find one that can be absolutely depended upon to do more than is claimed for it. "Mrs. ESTELLE CLAYTON, Secretary Club Ouvrier, 554 Adelaide-street, Toronto."

Thousands of Men and Women Have Kidney Disease and Do Not Know It Until It Has Developed Into Bladder Trouble, Rheumatism, Diabetes or Bright's Disease, Which Will Prove Fatal if Not Attended to at Once.

Kidney troubles creep into the system unawares. Before you know it, they are deep seated. Do not neglect yourself if you have any of the following symptoms: Pains in the small of the back, painful passing of urine, cloudy urine, brick dust sediment in the urine after it stands 24 hours, pains in the back of the head and neck, rheumatic pains and swellings in any part of the body, eczema, drowsiness, loss of appetite; or, if a woman, bearing-down sensation, painful periods, fainting and other so-called female troubles. These all tell you your kidneys have been diseased for several months, for outward symptoms seldom show themselves until the poison has penetrated the different organs, and the danger point has been reached.
