FOR THE RELAY RACE.

The Time Draws Near and the District Chairmen are in Line—The Riders in Training.

As the time draws near for the relay race, the excitement and interest increases. Reports and enquiries are pouring in on every mail, and one and all say that it will be the greatest thing in the cycling line that has ever taken place in America. Mr. Howarth, who is in charge of district No. 3 reports that the road there have all been raked free from stones by the boys, and that they intend to hold a trial towards the end of the week.

T. S. Wilson, who is in charge of district No 14, reports that he has already selected his riders, who are the fastest men in the district. George Clarke and T. Enright will ride from St. Marys to St. Ives, and C. McKay and George Dormer will carry the message from St. Ives to Huston Hotel. A very good idea for chairmen of the different districts is to correspond with the chairmen of the districts where their relay starts and finishes and arrange where the best places are to finish. Below is a list of the chairmen of the different districts. It will be noticed that on the north, or Cleveland route, the districts are all even numbers and the south, or World route, are all odd numbers:

District No. 1—A. N. Garrett, World office, Toronto.

District No. 3—T. Howarth, Oakville.

District No. 5—A. R. McFarlane, c/o Skerrit & Vernon, Hamilton.

District No. 7—C. Parker, Brantford.

District No. 9—F. Hyde, Woodstock.

District No. 11—W. Montgomery, Woodstock.

District No. 13—R. Kirkpatrick, City Engineer's Office, London, Ont.

District No. 15—J. D. Meekisin, Strathroy, Ont.

District No. 17—G. A. Mayhew, Thamesville, Ont.

District No. 2—E. Scythes, 169 Yonge-street, Tononto.

District No. 4—A. G. Buckham, Brampton, Ont.

District No. 6—J. H. Jackson, Georgetown, Ont.

District No. 8—Jos. Cequignot, Guelph.

District No. 10—E. Sieisch, Baden.

District No. 12—C. L. Weish, Stratford.

District No 14—R. S. Wilson, St. Marys.

District No. 16—W. Abbott, 312 Dundas-street, London.

Chairmen are requested to send in the names of their riders as soon as possible. The relay takes place on Saturday, June 26.

BICYCLE BRIEFS.

The Calumet cyclists will have their weekly club run to-night, leaving Sir John's Monument, Queen's Park, at 8 o'clock.

The members of the Central Y.M.C.A. Bicycle Club invite all wheelmen to unite with them this evening in a special city run en route to the garden party at the grounds on Bloor-street. The wheelmen will leave the Y.M.C.A. Building at 7.30.

The Tourists are working hard to make their moonlight a success. This evening they are having an illuminated parade, leaving the club rooms at 8.30. The route will be as follows: From the club rooms on Alexander-street, to Yonge, north on Yonge to Bloor, then south on Yonge to King, to Simcoe, to Queen, to Bathurst, to College, to Carlton, to Parliament, to Queen, to Jarvis, and return to club.

LACROSSE POINTS.

At Mount Forest yesterday the match in the Northwestern District between the Lornes and the Dufferin II. of Orangeville resulted in a victory for the Lornes by 7 to 2. W. McIntyre of Orangeville was the referee.

The West End Y.M.C.A. Lacrosse team defeated the Crescents on the latter's ground yesterday by 3 to 2. The winning team were: Goal, C. Hunter; point, Linden; cover, Brown; defence, Scott, Woodward, Perry; centre, W. Hunter; home, Quinn, Johnston, Baron; outside, Squires; inside, W. Tart (captain).

The Richmond Hill Lacrosse Club would like to arrange a game for Jubilee Day with some city team, Elms II. or Garnets preferred. Expenses allowed. R. W. Hall, secretary.

The Torontos had a genuine hard practice last night, the entire team being out, after which each individual member, under the direction of Trainer Warwick, did a mile on the track. The two last matches have been of invaluable use to the Toronto team, in developing the weak as well as the strong points of the game. Nolan has found his proper place at inside home, as his play against the Shamrocks developed.

The Tecumsehs turned out two full teams yesterday afternoon to practice for their match with the Nationals on Saturday. McGibbons was out, and is a pretty stick handler. He will fill the vacancy made by Patterson nicely. The team combination is of the best, especially in the home field. They introduced a new idea of attack, lining out across the field and passing the ball to one another, on the run, something after the style of combination used on a rough field. If they make a success of this play, the Indians will be hard to beat.

The Greyhound Football Club are open for challenges for July 1; average age 15 years, Hamilton, St. Catharines, Oshawa, Brampton preferred. Address J. E. Howell, 228 Lippincott-street.
