...SOCIETY...

"What was, indeed, one of the most elaborate and delightful social functions of the entire season occurred at the auditorium on Tuesday evening, when Mr. H. K. Wilkes and Mrs. George McKeough entertained at a charming eventide "At Home."

The hall presented a rich and attractive appearance. The decorations included delicate drapes of dainty tapestry, graced with an intertwining of fragrant flowers and foliage, and unique and striking streamers of international emblems. Handsome jardinieres and stately palms served to complete a picture alike alluring and artistic. The buffet adjoining the entrance was glowing with soft pink lights, and in the centre stood a mound of fine pink mums in a tall, cut-glass vase.

The two hostesses were assisted by their charming daughters, Miss Edith Holmes and Miss Mary McKeough, two of the Maple City's fairest and most lovable debutantes. The arduous and exacting nature of such a large and elaborate function wrought no ennui on these delightful entertainers; on contraire, they were as bright and spontaneous at the last lingering handshake as at the introductory greeting. Mrs. Holmes' dress was beautiful black spangled lace over white taffeta and she wore an exquisite amythist necklace. Mrs. McKeough was gowned in dainty white organdie over white taffeta and wore lovely cairngorm necklace. Miss Miss Edith Holmes was attired in white India silk and lace gown, and Miss Mary McKeough in sun-pleated gown of white silk chiffon over white taffeta.

Zickel's fine Detroit orchestra was in attendance, and, to the mystic melodies of its music, the youth and beauty enjoyed the delightful dancing.

Among the many pretty debutantes present were: Miss Evelyn Jarvis, of Galt, who wore a dainty sun-pleated dress of white de chene; Miss McLaren, of Ottawa, lovely cream lace gown; Miss Battisby, beautiful white net with sea green spangles over white taffeta; Miss Bell, black lace over white taffeta; Miss McPhillips, of Windsor, white silk; Miss Paterson, white India silk; Miss Phillimore, white silk; Miss Marion Gemmill, sun-pleated dress of white silk.

One of the prettiest little social events of the season was the informal tea given Thursday afternoon by Miss Aggie Phillimore, one of this season's charming debutantes. The afternoon was given in honor of the many visitors in the city. Those who were present were: Miss Mary McKeough and her guest, Miss McLaren, Miss Clara Steele, of Brockville, Miss Edith Holmes and her guest, Miss Evelyn Jarvis, and Misses Marion Gemmill, B. Brackin, Susie Taylor, Amy Boles, Neta Wilson, Dot Atkinson, Beatrice Ermatinger, Mildred Northwood, Fanny Campbell, Margaret Ball and Alice Greening.

The guests arrived at four, and enjoyed an hour of seven-hand euchre, after which a delightful tea was served. The magnificent home looked very pretty, with its decorations of yellow and white. Miss Phillimore made a very pleasant hostess.

Mrs. George Heyward and Mrs. A. F. Falls entertained this season's debutantes and the younger girls of the city, to an afternoon tea, to-day. Amongst the debutantes present were—Miss Mary McKeough, Miss Edith Holmes, Miss Nan Battisby, Miss Helen Thomas, Miss Jessie Paterson, Miss Marion Gemmill, Miss Aggie Phillimore, Miss Neta Wilson, Miss Fanny Campbell, Miss Evelyn Jarvis, of Galt. The ladies who assisted at the tea were Mrs. Will Richards, Miss McNabb, Miss Marion Fleming, Miss Pauline Rose, Miss Kate Mercer and Miss Verna Heyward. The decorations were very dainty, the colors used being pink and white, and included the flowers of the season.

Mrs. Greening gives an "At Home" on Tuesday evening, December 1st, at her residence, Wellington Place. Dancing will be the feature of the evening. Mrs. Greening is considered one of the best entertainers in Maple City society.

The Misses Edmondson, Head street, gave an evening whist party on Wednesday night to Miss Mabel Stone and Frank Phelps, who are soon to be married. There was a large crowd of young people present, and a very enjoyable time was spent.

Mr. Donald Douglas gave a very pleasant bachelor dinner to his many gentleman friends at the residence of Miss Kingston, Princess street, on Friday last. It was a farewell dinner from the ranks of bachelorhood and the dinner was given as a farewell to his bachelor days.

Mr. and Mrs. Greening gave a dinner to their many friends last evening, in honor of the anniversary of their wedding day. A very pleasant time was enjoyed by every one present.

The Misses Campbell Victor avenue, entertained yesterday evening to a five o'clock tea. This was a very pretty social event, and it was thoroughly enjoyed by the many guests.

Miss Beatrice Ermatinger, Stanley avenue, delighted a few of her friends last evening to a pleasant little card party.

Mrs. William E. McKeough gave an enjoyable and petite function on Monday afternoon last, about eighteen being present. Seven hand euchre prevailed.

Mrs. S. Stephenson gave a very pretty five o'clock tea yesterday afternoon. The Misses Stephenson also gave a very small five o'clock tea Thursday evening.

Miss Dora Turnbull, Baxter street, entertained quite a number of friends at her home last evening. An exceedingly pleasant time was spent at progressive pedro and dancing.

On Tuesday Mrs. J. C. Pritchard entertained in honor of Mrs. Rapin's guests, Miss Robinson, of Orillia, and Miss Steele, Brockville.

Barbarous Surgical Operation

For the Cure of Piles

Is not only intensely painful, dangerous to life and very expensive, but in the light of modern medical research, and since the discovery of the Pyramid Pile Cure, wholly unnecessary. If you have any doubt on this point kindly read the following letter from one who knows that the claims regarding the merits of the Pyramid Pile Cure are borne out by facts.

"For a long time I suffered with blind piles. They gave me so much pain and uneasiness that they almost disqualified me for doing anything. I saw an ad. in the Atlanta Journal of Pyramid Pile Cure and ordered a 50 cent box. I used them and they gave me relief, that encouraged me and I bought another 50 cent box and they cured me. Oh how glad that I am well again!"

"The Pyramids cured me and I am satisfied they will cure anybody else who is suffering as I was, if they will use them."

"You may use this in any way you see proper, if my experience will encourage any sufferer to use your Pyramids I shall be glad." H. K. Hicks, Calhoun, Ga.

The Pyramid Pile Cure is sold by druggists for 50 cents a package, and its merit is so well known that the sales exceed those of all similar remedies combined.

Write Pyramid Drug Co., Marshall, Mich., for their little book on the causes and cure of piles, which is sent free for the asking.

THANKS THE GRAND TRUNK.

The Grand Trunk Railway System are in receipt from the Canadian Committee of arrangements in connection with the Fifth Congress of the Chambers of Commerce of the Empire, that was held in Montreal last August, a copy of the resolution adopted by the Canadian Committee of Arrangements at meeting held 13th of November, 1903.

Accompanying this resolution was a personal letter to Mr. Chas. M. Hays, 2nd Vice-President and General Manager, from Mr. Arthur J. Hodgson, Chairman of the Committee, which reads as follows:

Montreal, November 13th, 1903.

CHAS. M. HAYS, Esq.,
Second Vice-President and General Manager,
Grand Trunk Railway System
City.

Dear Sir:

It affords me much pleasure to communicate herewith a resolution adopted by my committee this forenoon, conveying to your Company an expression of its gratitude for the tour over the Grand Trunk Railway System, which by the courtesy of its Management, was provided for the oversea delegates to the Fifth Congress.

Thanking you personally for having from the first inception of the project of a free tour for the oversea delegates, given the idea the most hearty reception.

I remain, Dear Sir,
Yours faithfully,
ARTHUR J. HODGSON,
Chairman.

The resolution reads:

Resolution Adopted by the Canadian Committee of Arrangements at Meeting held 13th November, 1903.

Resolved—That the Canadian Committee of Arrangements tenders to the Grand Trunk Railway Company its most sincere thanks for the hearty manner with which it met the Committee's request, that the oversea delegates to the Fifth Congress of Chambers of Commerce of the Empire should, with the object of giving them some idea of the extent, resources and beauties of this country, be tendered a complimentary tour over its lines.

That the size and sumptuous appointment of the special train provided for the Grand Trunk Railway Company for the conveyance of the party of 225 delegates was a revelation to them, and that the comfort and convenience of travelling thereon and the high speed maintained were greatly appreciated.

That the Committee gratefully recalls the Company's kindness in sending with the party a number of its chief officers who in their official car dispensed each day most welcome hospitality to the delegates and their ladies, and who moreover endeared themselves to every member of the party by their constant and unwearing personal attention to their wants and comforts.

That the trip from Montreal to Niagara, with the visits paid en route to Kingston, Toronto and Hamilton, and the glimpses afforded of the River St. Lawrence and Lake Ontario, was much enjoyed by the Delegates, affording as it did opportunity to form a just appreciation of the cities in that section of the country and its River and Great Lake scenery, while the sojourn at Niagara Falls was a delight to all.

That the journey through the beautiful Dundas Valley, the visits to the cities of London, Windsor and Sarnia, with the trip under the river through the St. Clair Tunnel, were much appreciated by the party, while the boat trip through the lovely scenery of the Muskoka Lakes, taken in perfect weather, concluded a most enjoyable week.

That the Committee specially thanks the Grand Trunk Railway Company for the series of beautifully illustrated and tastefully bound guide books of the route that were presented to each member of the party, and it assures the Company that these are greatly treasured by all who received them.

That the committee of Arrangements is convinced that the circumstance that with the assistance of the Dominion Government and by the kindness of the Railway and Inland Steamboat Companies, it was able to tender to the oversea delegates these extended tours through Canada, added largely to the success which has attended the holding of the Fifth Congress in this City, and it is most gratifying to know that these tours have resulted in impressing the delegates most favorably with the great resources of this country, the vast opportunities it affords for the investment of capital, and its superior advantages as a home for surplus population of the motherland.

That the committee has been gratified to learn that the knowledge of the resources and beauties of our country thus obtained by the delegates will be widely disseminated by them through the various parts of the Empire from which they came, for it is the intention of many of the delegates to communicate to the members of their respective Chambers and to other audiences, by illustrated lectures and other means, the information they have gathered during their visit to Canada.

That the committee records its belief that the tours throughout Canada have fulfilled in the highest degree the hope in which they were planned, that in addition to affording much enjoyment to the oversea delegates to the Congress, they would result in great and lasting good to our country, and that the Railway and Steamboat Companies who gave the transportation privileges deserve and enjoy the gratitude of all Canadians for their wise generosity in this connection.

Secretary.
