Results of Tests at Indian Head.

Below we are able to give the results of uniform tests of different varieties of field crops at the Indian Head experimental farm. A study of this table in connection with that of the Brandon farm yield published two weeks ago should prove interesting and instructive.

WHEAT. UNIFORM TEST.

Sown May 6.

	Days to mature.	Bu. lbs. per acre.	
Marquis B	135	32	
Colorado	135	25	20
Preston A	130	25	20
Bishop	130	23	20
Pringle's Champlain	135	23	
Percy A	130	21	40
Huron	130	21	
Stanley A	132	19	40
Chelsea	132	19	20
Harrison Bearded	137	19	
Riga	127	17	40
