About two inches of snow fell at Newcastle, N. B., on Monday last.

The net debt of Canada has decreased during September $18,700,000.

Owing to the great amount of space occupied by our account of the Provincial Exhibition, we are obliged to leave out much valuable and interesting matter.

The Montreal horse exchange are shipping a number of French-Canadian horses to the Island of Martinique, in an endeavor to open up a trade in the West Indies.

The revenue of the Dominion to Sept. 30th aggregated $9,828,000, and the expenditure $5,972,000, showing a surplus of $3,856,000, a half a million more than for the same period last year.

It is said that the Halifax Cotton Factory has been disposed of to a syndicate at 30 cents on the dollar. Quite a lot of stock has been sold by shareholders during the past month at 20 cents and 25 cents.

The race between Hanlan and Teemer, at East Liverpool, on the 2nd inst., was won easily by the latter. The race was for $1,000, a mile scull down stream. The steamer containing the judges could not be kept up.

His Lordship, the coadjutor Bishop of Charlottetown, administered confirmation at Sturgeon on Monday forenoon, at Montague Bridge on Monday afternoon, and at St. Theresa's, Cardigan Road on Tuesday morning.

A London despatch of the 5th inst., says: Fires have been quenched in all the Scotch iron furnaces which do not belong to the masters combination which manufacture iron for private purposes. The lockout will reduce the market supply to 20,000 tons weekly.

The annual meeting of the Teachers' Institute took place on Thursday. A beautiful oil-painting of the late T. A. LePage was hung upon the walls of the association, and a like portrait of late Superintendent Montgomery was ordered to be purchased. The concert on Friday evening was a most enjoyable affair, Mr. McNally's solo, "The death of Nelson," bringing down the house.

Sir John Macdonald, Sir John Thompson, Hon. C. H. Tupper and Dr. Weldon, M. P. addressed about three thousand people at a political picnic near Halifax on Wednesday last. On Friday evening they addressed a meeting in St. John, where they were joined by Hon. Mr. Foster. There were about five thousand persons present at the meeting. The ministers and other speakers at both meetings made rousing speeches on the great political questions of the day, and the greatest enthusiasm prevailed.

The tobacco business of Hickey and Nicholson will not undergo any change on account of the death of Mr. Hickey, notice of which will be found in this paper. It will be conducted by Mr. Nicholson, under the same firm name as before, the deceased partner's interests being transferred to his heirs. We have been informed by the junior partner that Mr. Hickey some time previous to his death desired that the estate should not be wound up, as that would throw out of work the employes, some of whom had been with him for a long time. He therefore made an arrangement by which the business should be continued as above stated.

According to announcement, the Balmoral Concert Company gave a concert in the Lyceum, in this city, on Friday evening last. The hall was crowded to its utmost capacity with an intelligent and highly appreciative audience. Every part of the entertainment was excellently rendered. The choir singing was grand beyond praise. The solos of Madame Stewart and Miss Mainds were of the highest order and were heartily encored. The singing of Messrs. Bruce and MacDavid were equally good. Indeed it would be difficult to imagine anything superior to their rendition of Scotch music. The humorous recitals of Mr. R. J. Patrick brought down the house, and the violin performances of Mr. D'Alouise were inimitable. The concert was a rare treat.

The funeral of the late Captain Michael Hickey took place on Sunday afternoon last from St Dunstan's Cathedral. The funeral service was conducted by Rev Father McElmeel. After the services the procession reformed. Although the weather was disagreeable the funeral was one of the largest ever seen in Charlottetown. The firemen attended in a body, and the coffin was carried on a hose carriage drawn by the members of Sisby Co., of which deceased was Captain. Following is the order of the procession:

Citizens Band.
Salvage Corps.
Hook and Ladder Company.
Tremont Reel Company.
Rollo Reel Company.
Fire Wardens.
Coffin on Carriage, drawn by Members Sisby Reel Company.
Mourners.
Factory Employes.
South End Boating Club.
Citizens.

The Pall-bearers were Messrs. P. Blake, W. H. Aitken, J. D. McLeod, Benjamin Rogers, John McQuillan and W. H. Bate. Each of the factory employes wore a crape badge on his left arm and walked as a progress.

The new bell for the church of All Saints, Cardigan Bridge, was blessed by His Lordship, Bishop McDonald, on Sunday last, the 5th inst. Notwithstanding the very disagreeable condition of the weather, a very fair congregation assembled in the church. About ten o'clock His Lordship the Bishop, commenced the celebration of high mass. He was assisted at the altar by the pastor, Rev. S. T. Phelan, and Rev J. G. McMillan, D. D. A most eloquent and instructive sermon was preached by Rev. Dr. McMillan. In plain language he gave a lucid exposition of the ceremony about to be witnessed and pointed out the various uses of the church bell. After mass the ceremony of blessing the bell was performed by His Lordship, assisted by the above named priests. The sponsors were: Hon. H. L. McDonald and Mrs. Capt. Joseph McDonald, and James McDonald Esq. and Mrs. McDonald. After the blessing those present had the privilege of testing the tone of the bell, and judging from its sound, when put into position, it will doubtless be heard to the utmost confines of the parish. The pastor and parishioners of All Saints have reason to congratulate themselves on the progress they have made within the last few years. They have a neat, comfortable and well finished church, with a splendid marble altar, a fine set of stations of the cross, and a splendid bell, all, they may say, paid for, besides a commodious and well arranged parochial house.

THE REGATTA.

The regatta, on Wednesday last, owing to the roughness of the water, was not the success its promoters intended. But five of the scheduled races took place, the others being rowed on Thursday. The first called was the four-oared lapstreak race in which four boats started, but two only completed the course, the others having to return, on account of rough water, when but three quarters of a mile up the course. The New Glasgow crew came in fast, and the S. E. crew three lengths behind. The S. E representatives were very unfortunate in this race, and also in the four-oared shell race rowed on Thursday. In the former their boat was almost full of water when they arrived at the starting point; and in the latter, one of their number, who was slightly indisposed when starting, gave out before the turning point was reached, and afterwards merely kept stroke with his companions. While the four-oared lapstreak race was being rowed the sailing races were started. In the class for boats over 20 ft-keel, five boats, the Harp, Grayhound, Gitana, Mabel C and Alexandria, started. The two first only completed the course, the Harp winning by about a mile. When off Rocky Point the mast of the Gitana and Mabel C went by the board, and Mr. Ledwick, who was sailing the latter boat, was struck on the head by the falling spar, and so severely injured that he is now confined to his home.

The sailing race for boats under 18 ft-keel had four starters, viz, Mary F, Puritan, Rosella and Joker. The first mentioned two only, sailed the course, the Mary F crossing the line first, half a mile in advance of the Puritan.

The next race called was the four-oared lapstreak for boys, in which three crews, two from the H. B. C., and the other from the S E. B. C., started. It was hotly contested, the S. E. crew winning with the "Roderick Dhu" second.

The fifth and last race of the day, the double-scull lapstreak, and the most interesting of the quintette, the men being evenly matched, was next started. Three boats, the "Rowena" and "Siena," representing the S. E. club, and the Forty-eight" of the Hillsborough club, started. The "Rowena" won by about five lengths, the "Siena" second, closely followed by the "Forty-eight"

On Thursday evening the four-oared shell race was rowed, the New Glasgow crew winning by three lengths over the S. E. crew, who met with the aforementioned mishap.

But one aspirant for aquatic honors, Patrick Prunty, of the H. B. C, appeared to do battle for the boys' single scull race. He was sent over the course and awarded the prize.

REV. J. C. MACLEAN.

Rev. J. C McLean, who was recently appointed to the pastorate of of St. Margaret's, and East Point, left here on Friday morning last for the scene of his labors. Before leaving the city he was the recipient of many substantial proofs of the esteem in which he was held by the parishioners of Charlottetown. Among the many presents he received might be mentioned a valuable clock from St St Joseph's Society; a lounge from the children of St. Joseph's School, and a dinner set from the ladies of St. Vincent de Paul Sewing Circle. On Wednesday evening he was waited on at the Palace and presented with the following address, accompanied by a purse containing one hundred dollars:

ADDRESS.

To Reverend J. C. McLean.

Revd. Dear Sir,—Before taking leave of you, on the eve of your departure for the important missions of St. Margaret's and East Point, we desire, on behalf of the members of St. Dunstan's Congregation, to give expression to the high esteem in which you are held by every person in this community, and to assure you of the sincere regret your appointment to those missions has occasioned in this parish.

Three and a half years ago, you commenced your labors amongst us, and during this short period you have discharged the duties of your sacred office with such zeal and energy that to-day we recognise in your departure the loss of a devoted pastor, a true friend and an earnest and impressive preacher. By your uniform kindness and courtesy, prudence and unassuming disposition you have endeared yourself to us all, and you can rest assured that wherever your lot may be cast we shall always cherish a loving remembrance of your pastorate in Charlottetown, and our united prayers will ever be that you may long be spared to fill the exalted position in which Providence has placed you.

Wishing you the most abundant success, and asking to be remembered in your prayers, we respectfully request you to accept the accompanying purse as a small token of our respect and esteem.

On behalf of St. Dunstan's Congregation.

His Excellency, the Governor General of Canada, is expected to visit this city on or about the 23rd inst.

The schooner Mary Jane, owned by Thomas Button, of Wallace, N. S., in ballast, was wrecked and all hands lost, off Cape Tormentine on Monday night last. She was seen from the shore, and a party of rescuers tried to reach her in one of the ice-boats, but failed to do so. They got out to her on Tuesday morning, and found one man on the wreck, but he was dead. In his pocket was a card with the words, "Franklin Simmonds, Wallace, N. S." The schooner was formerly owned by Capt. Thistle, of Souris, and was about fifty-five tons register. Two bodies were washed ashore on Tuesday morning.

Ministerial Changes.—At a meeting of the Executive council held, during last week, Hon. D. Ferguson resigned the office of Commissioner of Crown Lands and Provincial Secretary, and Hon Mr. Bentley was transferred from the Public Works to the Land Office, vacated by Hon. Mr. Ferguson. Mr. H. L. Macdonald, M. P. P. for Cardigan was appointed Commissioner of Public Works in place of Hon. Mr. Bentley. Hon. Mr. Macdonald was sworn in on Friday afternoon and entered on his duties on Monday morning. We extend to him our congratulations on his advent to office and trust he may have a long and successful career as a minister of the crown.

James R. Macdonald, Esq., Cardigan Bridge, has on the stocks, almost ready for launching, a vessel, about one hundred and fifteen feet keel, and about three hundred tons in measurement. She is a splendid model, and is to be brigantine rigged. She was built under the superintendence of Mr. Angus McDonald, of Pinquid, a veteran builder. She is to be called the Caspian. Besides this vessel Messrs. McDonald and Mustard have two other vessels—one, one a brigantine, the Christian, now at Cardigan and another schooner called the Carmine, probably also at Cardigan by this time. These last two vessels have been engaged, for the most part, in the West India trade during the past summer. Such enterprise deserves success.

Gents,—I took a severe cold, which settled in my throat and lungs and caused me to entirely lose my voice. For six weeks I suffered great pain and discomfort, and tried numerous remedies. My wife advised me to try MINARD'S LINIMENT and the effect was magical, for after only three doses and an outward application, my voice returned and I was able to speak in the army that night, a privilege I had been unable to enjoy for six weeks. These facts can be verified by numbers of people in this town.

What is a Day's Labor? One day's work for a healthy liver is to secrete three and a half pounds of bile. If the bile secretion be deficient, constipation, cessus, if profuse, biliousness and jaundice arise. Burdock Blood Bitters is the most perfect liver regulator known in medicine for preventing and curing all liver troubles.

Mining News. Mining experts note that cholera never attacks the bowels of the earth, but humanity in general find it necessary to use Dr. Fowler's Extract of Wild Strawberry for bowel complaints, dysentery, diarrhoea, etc. It is a sure cure.

An artist of still-life always expects to get his fish pieces at least on the line.

The People's Mistake. People make a sad mistake often with serious results when they neglect a constipated condition of the bowels. Knowing that Burdock Blood Bitters is an effectual cure at any stage of constipation, does not warrant us in neglecting to use it at the right time. Use it now.

When a prohibitionist goes out to paint the town he does it in water colors.

Imperial Federation will present an opportunity to extend the fame of Dr. Fowler's Extract of Wild Strawberry the unfailing remedy for cholera, cholera morbus, colic, cramps, diarrhoea, dysentery and all summer complaints, to every part of the empire. Wild Strawberry never fails.
