A HARD FIGHT

IT has been a hard fight. All winter long the combined forces of the weather and "La Grippe" have been exerted to destroy Health. The Constitution, weakened by resistance, repels with less and less vigor each attack of the enemy. But the supreme struggle is yet to come. The enemy holds in reserve the March Winds with which to deal the final blow. The cry comes up for Reinforcements. Send for Scott's Emulsion of Cod Liver Oil and Hypophosphites of Lime and Soda. Wonderful how such reinforcement does increase the resisting power, heal the lungs, cure the cough and restore to health. **Use now**

Stock Exchange Weak and Quiet—Horses Phenomenally Low—Other Trade Notes.

WEDNESDAY EVENING, March 12.

Business was again inactive on the stock exchange to-day, fresh operations being generally checked by the high value of money. The tone was dull, but the actual transactions in most stocks were so small that values were scarcely tested. Except Ontario, which advanced ¼, and Standard, which increased ⅛, the tendency of bank stocks was downward. Montreal was ¼ lower, Commerce and Dominion each ¼ lower. Buyers of Dominion xd conceded a advance and 100 shares changed hands at 225. Consumers' Gas was ¼ weaker, but there was no enquiry for shares. Northwest Land Company took a jump of ¾ and half-a-dozen shares were sold at 81½. Buyers of Commerce, who have been bidding 165¾ for some days without securing any quotable value from sellers, managed to secure 7 shares at their bid. Union is still enquired for at ⅝ higher offer. Canada Landed Credit was quoted at 120, but there was no speculation. A decline of ⅜ on London & Canada had the effect of reviving this stock and 194 shares sold at 130¾. At the afternoon board 194 shares were sold, making the total transactions of the day 519 shares. Ontario was ¼ higher, with sales of 5 at 120. There was considerable activity in Commerce, which was held ¼ higher, 163 shares changing hands. There was nothing doing in miscellaneous or loan stocks, with the exception of 81 of Consumers' Gas at 176¾. Freehold (new) is wanted at 147.

THE STREET MARKET.

The continued wet weather has played "hob" with the grain market, less than 1000 bushels all told having been marketed during the past two days. To-day's offerings were confined to two or three loads of barley and a couple of loads of oats. There was no wheat or peas marketed. Quotations are:

Wheat—White fall standard 87c, red winter 83c to 84c, spring 81c, goose 65c.

Barley—37c to 41c.

Oats—About 300 bushels brought in and with steady demand prices are firmer at 31½c to 32c.

Peas—Selling at 54c to 56c.

Dressed Hogs—Three wagon loads of heavy were marketed to-day and brought $5.25 to $5.60. Nearly all the slaughtering has been done for the season, and it is not expected many more will come forward. Choice butchers' light are worth $5.75 to $6.

Hay—There was only one load on sale and as no purchasers put in an appearance prices declined to $10 and $12. The market has been unsteady all week, swinging almost every alternate day from $13.50 down to $12, with a corresponding rise the next 24 hours. Clover is worth $7 to $9.

Straw—Steady at $6 to $7.50.

CHOICE ROLL BUTTER IS SCARCE, AND quotations might be marked up one to two cents. Tub butter in about the same position as last week, with good more plentiful. Eggs are 10c. but scarcely steady at that. Onions are scarce and in good demand. Consignments of above solicited. We have in stock choice butter in rolls, pails, crocks and tubs; strictly fresh eggs; fine to finest cheese. Evaporated and dried apples. Canadian and American lard, for which we solicit your orders. J. F. YOUNG & CO., successors to Young, Andrews & Co., produce and commission merchants, 74 Front-street east, Toronto.

THE STREET MARKET.

Business was dull and prices unchanged. A notable feature of the display was the liberal offerings of poultry, the marketings to-day being fairly equal to the marketings of the past seven days combined. Prices towards noon became a shade easier. Good turkeys could be purchased at 12c to 14c, geese 9c to 11c, and chickens from 60c to 90c per pair. Lamb was offered in fair quantities at 8½c to 11c, veal 8c to 10c, and beef 5½c to 6c by the carcase, with prime hindquarters held at 6½ to 7c. Butter in pound rolls sold as low as 18c to 20c, but the choicest grades still command 22c to 24c. Eggs are firm at 17c per dozen. Potatoes 65c to 75c. There are very few apples on sale and the fruit is firmer at $2.25 to $3 for Baldwins, Snows and other standard shippers.

AMONG THE PRODUCE MEN.

Business is slack and sales are slow. Dealers are in a quandary as to how to get rid of their accumulated stocks of the poorer grades of roll butter. Good and medium grades are coming forward liberally; choice dairy is still worth 17c to 18c and large rolls from 14c to 16c. Eggs are firm at 15c to 16c. The demand for cheese is merely fairly active at the advanced prices of last week. 10½c to 11c. Other produce exhibits no variation from previous quotations.

THE HORSE MARKET.

Quietness but faintly expresses the condition of the horse market. Sales at Grand's have not been so slow nor prices so low for years. Not a foreign buyer has put in an appearance at the big March sale this week and the demand is slim and altogether of a local character. Of 60 horses offered to-day but 45 were sold. General purpose animals averaged $85 to $110, and draught $100 to $135. Representative sales were: Bay gelding weighing 1280 lbs., $125; gray mare, 2200 lbs., $110; bay gelding, 1300 lbs., $119, bay mare, 1200 lbs., $120; pair bay mares, good blocky team weighing 2550 lbs., $215.

OSWEGO BARLEY MARKET.

OSWEGO, N.Y., March 12, 11 a.m.—Barley quiet. No 2 Canada held at 53; No. 2 ex. Canada 55. No shipments

Oswego, N.Y., March 12, 1 p.m.—Barley quiet. No. 2 Canada held at 53. No. 2 ex. Canada 55.

LIVERPOOL MARKETS.

LIVERPOOL, March 12.—Wheat quiet, demand poor; holders offer moderately. Corn quiet, demand poor. Spring wheat, 7s 3¼d; red winter, 7s; No. 1 Cal., 7s 3½d to 7s 3d. Corn, 3s 6½d. Peas, 5s 3d. Pork, 63s 6d. Lard, 32s 9d. Bacon, long clear, heavy, 29s 6d, and light 30s; short clear, 29s 6d. Tallow, 24s 6d. Cheese, 54s.

BEERBOHM'S REPORT.

LONDON, March 12.—Floating cargoes—Wheat slow; corn rather easier. Cargoes on passage—Wheat and corn, very few bids in market. Mark Lane—English wheat very little demand; American corn turn easier, and Danube quiet; English flour, few buyers in market. French country markets steady. Liverpool—Spot wheat and corn slow; corn 3s 6½d, ¼d cheaper.

NEW YORK MARKETS.

Trade Notes.

Some movement is announced in the purchase of export cattle, a large number of winter fed stock having during the past week been bought from farmers for May and June delivery at 4¾c to 5¼c per lb., an advance of ⅝c over last spring. Local distillers have during the past few days made good sales of the cattle in their stables. L. Coffee & Co. syndicated 5½c on 400 head from a Northwest firm; Sheridan & Thompson sold their stable of 400 head at 5¼c for steers and 4¾c for bulls, and Mr. Hearn sold his lot of 400 to Lewis Delorme, Montreal, at 5⅝ for steers and 4½ for bulls. Messrs. Dunn, Linness, Frankland and others will ship their own cattle.

The stock of Daniel McKenzie, general merchant, Sarnia, who recently became insane, was sold by the General Trust Company yesterday to Knox, Morgan & Co. at 56 cents on the dollar. The stock was invoiced at $19,481.83.

Business Embarrassments.

The creditors of John Fox, boots and shoes and clothing, Orillia, met in the office of E. R. C. Clarkson to-day and considered an offer of 60 cents on the dollar, secured at three, six and nine months. The offer was recommended for acceptance.

I. B. Durocher of the Richelieu Hotel, Montreal, assigned yesterday afternoon. His liabilities are given at $76,757, the chief items being: Miss Durocher $10,500, Beaujeu estate $16,000, Mignault estate $9000, Jacques Cartier Bank $4500, Ville Marie Bank $4500, Hochelaga Bank $1506.

No offer having been made by Minaker & Bros., Cobourg, who recently assigned, their stock, amounting to $17,787.72, will be sold. The liabilities are $21,700.

Ex-Mayor Cormier of Aylmer, Quebec, has assigned with liabilities of $30,000. He has been carried by the banks for some time past. The assignment was made on the demand of the Ontario Government for non-payment of timber dues.

A meeting of the creditors of James Muir of Paris was held here to-day, when an offer of 75 cents on the dollar, secured at 3, 5, 9 and 12 months, was made and will probably be accepted. The liabilities are $14,000 with assets of $14,400. Mr. Muir has only been in business one year, having previously acted as traveler for Ogilvie, Alexander & Anderson.

The creditors of John Hethrington, grocer of Trenton, met at Charles Langley's office to-day, when a statement was presented showing liabilities of $2900 and assets $500 less. An offer of 85 cents was made but refused and the creditors adjourned for a week to allow the insolvent to increase his offer.

A commercial traveler who has just returned from the northern country told The World to-day that affairs are unusually dull north of Wingham and many failures and compromises may be looked for in the near future.

J. McIntyre of Lucknow, whose failure was announced a day or two ago to George Gibbons, owes $19,000 with assets of $11,000. A meeting of creditors will be held Monday when the estate will be wound up, as Mr. McIntyre has given up further efforts to struggle with fortune. Twelve years ago he was worth $15,000 or $20,000 and erected a handsome block in the town at a cost of $12,000. Not only was the place of bricks free of encumbrance, but he had a handsome surplus in the bank. His reverses of late years have, however, been numerous, and he is not now merely penniless, but his estate will not pay 30 cents on the dollar.

A meeting of the creditors of Gordon W. Tracie, gents' furnisher, 1300 Queen-street, was held at G. M. Gardner's to-day, when the estate was transferred to McLean, Shaw & Co. of whose claim we give the liabilities are $8100, with assets of $3000.

Mrs. Samuel Wilson, cigar manufacturer, Bay-street, has made an assignment with liabilities of $6000 or $7000 and assets of $500. When her husband failed in 1888 Mrs. Wilson bought the stock at 30 cents on the dollar, but has not been able to make the estate pay, the factory having been closed for months.

The estate of James Steele, gents' furnisher, Queen-street west, amounting to $3127.60, will be sold, no offer having been made. The liabilities exceed $9900.

William Stitt, driver of the delivery wagon for Charles Schmidt, 90 Queen-street west, disappeared suddenly a few days ago, and it is now discovered that he manipulated his books and is several hundred dollars short in his cash. Stitt is believed to be in Jackson, Mich.

J. T. Richardson, crockery, Queen-street west, is endeavoring to effect a compromise, and Mrs. E. Tuck, general merchant, Mount Bridges, has done so at 75c on the dollar.

Thomas Lyon, grocer, Hamilton; Ricket Bros., men's furnishings, London; W. Hodgins, grocer, Madoc, and William Ellis, shoes, Tweed, have assigned.

SOME UNPUBLISHED LETTERS.

In an Autograph Collection in Montreal We Found the Following Letter, Which We Think Will Interest Our Readers.

MONTREAL, October 30, 1889.

I have suffered over 20 years with a kind of nervous debility brought on by overwork and too little rest; the least excitement would completely upset me and make me unfit for my business. I have been under treatment by four good doctors, but they did not do me much good. I have tried all the proprietary medicines in creation, I think, which has cost me hundreds of dollars and never done me one bit of god. Being induced to try Paine's Celery Compound, I got a bottle and was surprised at the effect it had upon me. I have now taken eight bottles, and have not felt better for years. I was never as stout as I am now. I am over 60 and there is not a man in my factory who will get through more work or stand more fatigue than I do. If I feel a little overdone or too fatigued I take some of Paine's Celery Compound and go to bed early and in the morning I am fit for business.

Yours gratefully,
H. GOODRICK,
205 Fortification-lane.

In the same collection we saw many names that are well known throughout Canada. All these letters testified to the unequaled curative power of Paine's Celery Compound in nervous diseases. As a result of the many testimonials that have been published, and the perfect satisfaction this medicine always gives, more of it is sold in the Dominion than of all medicines combined. Try it yourself and see how soon it will strengthen your nerves and give that perfect health which makes life pleasant.

THIS CONSTABLE WAS FRESH.

An Incident Likely to Result in International Complications.

TACOMA, Wash., Feb. 12.—International complications are likely to grow out of an incident that has taken place here, practically involving an insult to the British flag and a possible violation of the rights of British subjects. The crew of a British vessel, the Craigend, deserted their ship, and although they were not to be paid till their return to Liverpool they brought an action in a justice's court to recover their wages. Justice of the Peace Patrick issued a writ of attachment against the vessel and a deputy constable was put in charge.

Yesterday Captain Hamilton went ashore and left Edwin Hamilton in command. Edwin Hamilton went ashore and hired a gang of men to put a lining in the ship. When he returned Deputy Constable Van Bebber, thinking the new force was to help get possession of the ship, hauled in the ladder to prevent Hamilton from coming aboard. Hamilton threw a plank from the wharf to the rail, but as he was about midway on the plank Van Bebber jerked it from its place and precipitated Hamilton into the water, injuring him so that he is confined to bed. The local officers, thinking it was too warm for them on board, took the ship's compass and chronometer and went ashore. These articles being British property were seized by the customs officer and the constable, was charged with smuggling. The British Consul at Port Townsend will investigate the matter. The case has been reported to the State Department at Washington.

Killed by an M. C. Train.

RODNEY, March 12.—Last night the mangled remains of Daniel Brodie, aged 24, were found on the Michigan Central Railway track about 1¼ miles east of this place, evidently having been run over by a train while walking upon the railway track on his way home from Bismarck. The remains were unrecognizable. The body was identified from papers found in his pocket.
