Tragedy at Rama.

A Mother and Two Children Burned to Death.

A Daughter Fatally Injured in Escaping to a Neighbor's House.

Orillia, Ont., Feb. 22.—On Sunday night, about 12 o'clock, fire broke out in the dwelling of James Arthurs, a settler in the township of Rama, about twenty miles from here. Mr. Arthurs was awakened by the cries of his son James in the attic. He endeavored to rescue the young man, but was forced to desist, with his left arm and head badly burned.

Mrs. Arthurs ran out of the house, but returned for her 9-year-old son Archie. She and Archie, as well as James, were burned to a crisp.

Agnes, the 18-year-old daughter, who slept in an adjoining room, attempted to escape through the kitchen door, but was driven back by the flames, and broke her way out through a window. She then ran 300 yards in her bare feet through a blinding snowstorm, to arouse a neighbor, Mr. McFayden. She was terribly burned, and cannot live long. Two other children—a son and daughter—were absent from home at the time.

WESTERN ONTARIO.

The Sarnia Ranching Company is applying for incorporation.

Philip A. Errett, of the Chatham Banner staff, leaves for St. Thomas, where he has accepted a good position.

Mrs. David Savage, Alvinston, is still in a very weak condition, and her case is regarded as extremely critical.

Chatham is threatened with a flood as soon as the ice-jam, which has formed a few miles above the city, gives away.

T. J. Robbins, of Cottam, is being prosecuted at Essex by Humane Officer McEwan for driving a horse that was dying of starvation.

Letters said to have contained $300 were taken by the masked men who held up the Oil Springs mail carrier on the evening of Feb. 17.

The 100-acre farm owned by Dr. McKelvey, of Brussels, known as the Bateman property, west of Ethel, has been sold to a Mr. Earl, of Mornington, for $5,000.

Mrs. Grant, aged 73 years, died very suddenly of heart disease Thursday evening at the home of her son, E. J. Patnode, in Wheatley. Deceased had been in apparent good health, and was taking a drink of warm water when she suddenly expired.

Mr. Robert Manson, of Ayr, fell from the Canadian Pacific express, due from Detroit, Thursday, half-way between Ayr and Drumbo, while it was running at forty miles an hour, and sustained nothing more serious than a dislocated shoulder and a severe shaking-up.

Archibald McTavish, one of North Dunwich's oldest settlers, died on Feb. 18, in his 82nd year. Deceased, with his parents and brothers, emigrated from Argyleshire, Scotland, to Canada, in 1842, and moved on the farm on which he died when North Dorchester was then a complete wilderness.

A very sad event happened at Blenheim on Thursday. After 59 years of married life together, Francis Powell and his wife died within three hours of each other. They had both been very sick for some time past. Early in the morning the old gentleman died, aged 89, and within three hours this faithful wife passed away, aged 86. They were well and favorably known in the community.

While six or eight farmers, with their teams, were cutting ice on the lake at Belle River, on Friday, having secured their loads, and just preparing to leave, the ice gave way, two teams and their loads being submerged in the lake. With immediate assistance they were taken out with a good drenching only. On their way off the ice one team broke through the second time and was also rescued.

On Wednesday at the residence of her son, D. McPherson, on the old homestead, con. 11, East Nissouri, Isabella, relict of the late John McPherson, passed away, aged 91 years. Over 60 years ago, the deceased, with her husband, came to Canada, and settled first in Glengarry, thence moving to the farm where she died. The children surviving are D. McPherson and Alexander, of East Nissouri; John, in Nebraska; Mrs. Grant, in Iowa; Mrs. Cameron, London; Mrs. M. McKay, Bryanston; Mrs. Morrison, Thamesford, and Mrs. Gordon, North Oxford.

RECEIVED A LEGACY

That Is Richer and More Valuable Than Millions in Gold.

Mrs. Peter O'Brien of Smith's Falls, Discovers the Value of Dodd's Kidney Pills—They Are the Only Cure for Kidney Disease.

Smith's Falls, Feb. 21.—Mrs. Peter O'Brien residing on Merrick street, in this town, has fallen heir to a legacy that is infinitely more valuable than millions of dollars. She has come into possession of knowledge that will make the remaining years of her life bright with happiness and good health. She has discovered that Dodd's Kidney Pills are an infallible cure for Kidney Disease.

Mrs. O'Brien is well-known and very popular in Smith's Falls. Her many friends know that her sufferings from Kidney Disease were very severe. In spite of all the medicines she used, no relief could be obtained, till she tried Dodd's Kidney Pills. Three boxes of this grand remedy cured her.

Dodd's Kidney Pills have cured hundreds of persons of Bright's Disease, Diabetes, Dropsy, Lumbago, Rheumatism, Gout, Gravel, Urinary and Bladder Diseases, Blood Impurities and Diseases of Women, in this town.

It is a remarkable fact that Dodd's Kidney Pills have cured every person who have used them. No matter how bad the case might be, Dodd's Kidney Pills cured it.

Several people in town who were given up to die of Bright's Disease and Diabetes have been rescued by Dodd's Kidney Pills. No other medicine known to man has cured either of these diseases. No wonder, then, that Dodd's Kidney Pills are used in every household in the district.

Kidney Disease can no more gain a foothold in a family where Dodd's Kidney Pills are used than a mosquito can upset the rock of Gibraltar. Dodd's Kidney Pills are an infallible preventive against Death from Kidney Diseases.

Dodd's Kidney Pills are sold by all druggists at fifty cents a box, six boxes, $2 50, or will be sent, on receipt of price, by the Dodds Medicine Co., Limited, Toronto.

"Scenes" at Ottawa.

Their Enactment Called for a Change in 1896.

But There Is No Such Break-Down of the Government of Ontario.

Mr. Bertram, M. P. for South Toronto, in addressing a great mass meeting of the electors in the Pavilion, on Saturday night, thus effectively dealt with one "cry" of the opposition:

"But, they say, we need a change. They're not even original in that. They got it into their heads that the cry took last year, and they thought they would try it at this election. But they can't see wherein the difference lies. Why did the people want a change from the Conservative party to the Liberal party in Ottawa? There was just one reason. It didn't require a long list. What was the Queen's Government doing? They were in open rebellion against one another. We know that the generals forsook the leader of the government in the middle of the night, and in the morning they didn't appear to do their duty. And one of the leaders said in his seat in parliament that he could no longer support the leader of the Conservative party. Why? In cold blood he said he had no brains, and the leader replied that he might not have any brains, but at all events he was no traitor. Don't you think under these circumstances that it was time for a change? It was impossible to carry on the government of the country without a change. But the Conservatives do not seem to have changed their ways yet. I can tell you that I witnessed a sight in parliament the other day that would make your ears tingle if you heard it. I heard the leader of the opposition, turning round and looking right into the face of a colleague, telling him that if he was worth anything at all he would take it out of him in the courts of law. And the member referred to turned round and denounced his leader. So they are simply at sixes and sevens, the same as they were before. They cannot agree, and therefore the Conservative party seems to be in the same position as they were a year ago. So that change was absolutely necessary, otherwise the government of the country would be at a standstill. The generals of the party rebeled last year against their leader, and now the rebellion has gone right through the rank and file against the other leaders. And this is the position they are in today. That was the reason the people demanded a change. No such reason exists today in Ontario. The Liberals are united. There is no difference of opinion; they regard one another without distrust and suspicion, and I think it is a grand thing that during the 25 years the Ontario Government has been in power not one word has ever been said by one colleague against another colleague, simply because the government of the country has been carried on in a proper way. Where you find union you find strength, and where you find disunion you find weakness. Because of the unanimity and the way they pull together we feel that we would be taking tremendous risks in putting in their place men who are quarreling and backbiting as they are doing at Ottawa at the present time." (Applause.)

An Erin Township Breach of Promise Suit for $5,000.

Guelph, Ont., Feb. 22.—The breach of promise suit of Miss Jessie Ann McLaren against William Barbour has been settled by the defendant paying Miss McLaren $1,200 and all the costs of the suit. Both parties to the suit are residents of Erin township, and it was charged that after wooing and winning Miss McLaren, Barbour changed his mind, and on Dec. 1 last married a neighbor's daughter. One of his wedding presents was the writ for $5,000 damages.

"THOUGHT MY HEAD WOULD BURST."

A Fredericton Lady's Terrible Suffering.

Mrs. Geo. Doherty tells the following remarkable story of relief from suffering and restoration to health, which should

clear away all doubts as to the efficacy of Milburn's Heart and Nerve Pills from the minds of the most skeptical:

"For several years I have been a constant sufferer from nervous headache, and the pain was so intense that sometimes I was almost crazy. I really thought that my head would burst. I consulted a number of physicians, and took many remedies, but without effect. I noticed Milburn's Heart and Nerve Pills advertised, and as they seemed to suit my case, I got a box and began their use. Before taking them I was very weak and debilitated, and would sometimes wake out of my sleep with a distressed, smothering feeling, and I was frequently seized with agonizing pains in the region of the heart, and often could scarcely muster up courage to keep up the struggle for life. In this wretched condition Milburn's Heart and Nerve Pills came to the rescue, and to-day I state, with gratitude, that I am vigorous and strong, and all this improvement is due to this wonderful remedy. I fully realize that these marvellous pills are not transitory in their action, but a permanent cure, for they have toned up my nervous system, nourished my blood, and regulated the action of my heart, and restored my long lost health completely."

Do You Love Life?

Then Guard the Citadel of Your Health Against Its Lurking Enemy!

Watch the weakest spot, for there disease will make its attacks and seek an entrance. In plainer words, my friends, keep your health up to the normal standard and disease will have no power over you. If you have a cough and take cold easily, remember that cough racks your lungs every time, and irritates the thin, delicate membrane which lubricates your windpipe and bronchial tubes or air-passages, causing them to secrete too abundantly and morbidly, thus keeping up the cough—nature's way of getting rid of offending matter. Shiloh's Cure contains, put up for ready use, the same healing, soothing and invigorating extracts as those prescribed by our leading physicians. By taking Shiloh's you save yourself the expense entailed by calling in a doctor. Try this grand old medicine and see if this is not the truth.
