VIA MONTREAL AND TROY LINE.

NEW YORK, April 16—6½, P. M.

HARRISBURG, April 16.—The Forrest Divorce bill has just been defeated finally in the Senate. —Nays, 18; Ayes, 15.

Mr. Edmond Moore, a respectable citizen of Newport, R. I., left the Astor House on the 9th inst. to go to Orange County, New Jersey, and has not been heard of since. A reward of $5,000 has been offered for his discovery.

The Cholera has appeared again in Donville, and 13 deaths have occurred among the negroes.

Another fight again occurred amongst the Philadelphia Firemen last night; large guns and pistols were used in the street; a small boy was shot in the arm and hand, which will require amputation.

The Steam Propeller *San Jacinto* was launched at the Naval Yard this morning; she went off in fine style.

NEW YORK, April 17—6½, P. M.

There is no news stirring of importance. This afternoon, up to a late hour, there was no intelligence of the arrival of the *America*.

Mr. Hackett, Member of Congress for Georgia, has just received accounts from Savannah, was sufficiently well to ride out on horseback.

The correspondent of the *Express*, who is supposed to be senior Editor, writing from Washington, says, the Nicaragua Treaty is not yet signed; the British Minister is not in good health, which is the cause of the delay.

A letter from the British Minister is before the Committee on Commerce, offering to surrender the reciprocal navigation of the St. Lawrence, on conditions that Congress will reciprocate with the Canadians as to certain enumerated articles. This was sent. I understand, to the Secretary of State, in reply to a letter from the Committee on Commerce.

QUEBEC.—Wintry as ever.—Thermometer at Zero. Barometer 29.82.—Wind W.

The vessel reported at Grosse Isle yesterday proves to be the *Montreal*, McMaster, 19th March, from Liverpool, with a general cargo. She has been reported yet, but I learn that her Captain thinks the *John Bull* off Bic last Sunday, and is the only vessel he reports. The *Montreal*, it is said, has been ashore at the Traverse, and received damage. She got into port this morning between 8 and 9 o'clock. There are three vessels reported hand: names not known.

THREE RIVERS.—Beautiful morning, but cold.

MONTREAL.—Fine morning.—Thermometer at 7. Barometer 30.20.

CORNWALL.—Clear and fine.

KINGSTON.—Fine morning, but cold.

TORONTO.—Cold, but clear and fine.

H. P. M.—*Quebec Morning Chronicle Office.*—The mail has just received the following from Captain McMaster, of the ship *Montreal*:—Fell in with the *John Bull* above Anticosti, and continued in company with her a day; on Sunday signalized the *Bull* reported that he had none. On the morning of that day it began to snow and blow—the *John Bull* hauled in towards Bic; saw no other vessel in the river. In coming through the Traverse struck at 4 o'clock. P. M., on Monday—ship leaking a little—lost the bower-anchor at the port trying to escape the ice this morning. 5, P. M.—The *Montreal* leaks so badly, that it is expected she will have to be discharged and go into dock for repairs. She is making 15 inches of water per hour lying at the wharf. The report of other vessels being at hand is said to be unfounded. The *John Bull* is the only vessel that was seen by the *Montreal*.

APRIL 18—8, A. M.

QUEBEC.—Beautiful morning—appearance of a warm day; wind West. Ther. 31°, Bar. 29.87; and frost last night.

THREE RIVERS.—Fine morning; ice still fast in the lake, and is reported to be firm also at Sorel.

MONTREAL.—Fine clear morning, wind N. E., Ther. 24°, Bar. 31.25; sharp frost last night.

CORNWALL.—Beautiful and clear.

BROCKVILLE.—Fine and cool; wind light from the East.

KINGSTON.—Fine and warm.

TORONTO.—Fine clear sky, bright sun, but cold, piercing wind.

Colonel Snowden, of the Philadelphia Mint, has furnished the Press with the following statements and receipts of California Gold: Total received at the Philadelphia and New Orleans Mints at the present time, $13,625,000.

WASHINGTON, April 18.—Congress has made an appropriation of $21,000 to the Philadelphia Mint, to make such additions in the several departments of melting, refining, and issuing, as will increase its capability for coining The loss of two boat *Hercules* was blown up at South-West Pass, on Thursday, and, and to relate, the Engineer and five of the deck hands were killed. The boat was a total wreck.

BOSTON, April 17.—The execution of Pearson has been fixed for the 26th July.

DR SHAW ON CONSUMPTION.

There is, perhaps, no disease, with which our country is so freely visited, carries off annually so many victims, as that fatal destroyer of the human race, Consumption—and that an amount of suffering might be saved the human family if they would but avail themselves in season of the wonderful cures which nature has provided for her children, and which science has reduced to such a form as to be within the reach of all. Far be it from us to tamper with those who are suffering with this painful disease. In offering you a remedy, we do not ask you to rely upon the representation of those who might be actuated by selfish and mercenary motives, but we give you the deliberate testimony of some of the most respectable physicians, that Wistar's Balsam of Wild Cherry has established for itself a reputation that cannot be assailed. Dr. Wm. A. Shaw of Washington, N. C., writes under date of May 1, 1848, as follows:—

"I have heard of many cases of decided beneficial effects from its use, especially in Asthma, and Chronic Cough of a tuberculous character. I have used the Wild Cherry a great deal in practice, and with marked good results in those cases of great nervous mobility, and irritability, to which delicate patients are subject. I have no doubt it is the best remedy which the effects of Prussic acid may be had in a sedative on the constitution without danger to the patient. Every one knows the reputation of the Turpentine and Balsam combination in protracted coughs. The combination of these principles in Wistar's Balsam of Wild Cherry is ingenious and judicious.

Medicines are justly distrustful of Patent Medicines in general, but candor must discriminate between contemptible nostrums and humbugs, and those medicines which have stood a century, and in many well attested cases, cure to-day.

Ask for the genuine unless signed I. BUTTS on the wrapper. For Sale in Montreal by WM. LYMAN & Co., and JOHN CARTER & Co. Saint Paul Street; also, by ALFRED SAUCE, Notre Dame Street, and S. J. LYMAN, Place d'Armes. 84
