ESTABLISHED 1885

The President, James Goldie, Esq., in moving the adoption of the report on the business of 1892, said: I have much pleasure in drawing your attention to the fact that this Company has verified, in a marked degree, every expectation set forth in the original prospectus when organized in 1885.

Up to the present time the insurers with this Company have made a saving, when compared with the current exacted rates, of \$91,001.20. And in addition thereto bonus dividends have been declared to contributing members amounting to \$21,522.72.

Besides achieving such results, we now also have, over all liabilities, including a re-insurance reserve based on the Government standard of 50 per cent, a cash surplus of 150 per cent, to the amount of risk in force.

Such results emphasize more strongly than any words I could add the very gratifying position this Company has attained. I, therefore, with this concise statement of facts, have much pleasure in moving the adoption of the report.

The report was adopted and the retiring Directors unanimously re-elected. The Board of Directors are now constituted as follows: James Goldie, Guelph, pres.; W. H. Howland, Toronto, vice-pres.; H. N. Bell, Toronto; Wm. Bell, Guelph; Hugh McCulloch, Galt; S. Neelon, St. Catharines; George Pattinson, Preston; W. H. Story, Acton; J. L. Spink, Toronto; A. Watts, Brantford; W. Wilson, Toronto.

**JAMES GOLDIE, Pres. W. H. HOWLAND, Vice-Pres. T. WALMSLEY, Treas. HUGH SCOTT, Man. Dir.**

**DRAPER'S IMPROVED****GLOBE VALVE**

Patented

Constructed to prevent Seals or Grains of Dirt being Caught between faces at point of closing.

When the projection on valve enters the seat orifice, of which it is a easy fit, only clean fluid rushes past. Seals, etc., are pushed back and the faces meet with nothing between to injure them. Send for prices and particulars to
