### A Bervie Farmer Sadder But Wiser—Burglary at Wyoming—The Missing Hamilton Girl Accounted For.

**BRANT.**

John Sears, the brute who beat his wife and child recovering from typhoid fever, and who was arraigned at the Brantford Police Court, was given two months in jail.

A. Johnson was fined $3 for assault at Brantford in July last. He skipped out without paying, but came back, was nabbed and sent to jail for a month.

Mr. Mackenzie, Q.C., of Brantford, was at Osgoode Hall Wednesday, applying for a writ of habeas corpus in the case of Thomas G. Fearman, now lying in Brant jail on a conviction of selling liquor without a license. It appears that the warrant upon which Fearman was arreasted was signed by only one justice of the peace. After he had been in custody for some time another signature was secured. Objection was taken to the conviction on this ground, and Chief Justice Galt granted the application for a writ. Fearman is the man who gave first information regarding the Hyslop murder, claiming and receiving the reward offered for such information. It was to him, at his house in Middleport, that Young first told his story.

**BRUCE.**

Rev. J. McAlister writes: Rev. J. Charlton, of Port Elgin, has been greatly afflicted, and for some time his life was despaired of; but I am glad to report that he is now improving, and hopes are entertained of his recovery.

A farmer living near Bervie is at present lamenting the loss of $14, having been relieved of the same by gamblers in connection with the circus held in Kincardine recently.

**ELGIN.**

The postmastership of St. Thomas is not to be filled just yet.

A class-leaders' convention will be held in the Methodist Church, Aylmer, Oct. 19. Sermons, 10 to 12 a.m., and 2 to 5 p.m.

The several boot and shoe dealers of Aylmer have agreed to close their places of business every evening at 8 o'clock sharp.

The Public School Board of Port Stanley have re-engaged R. C. McRoberts as principal for 1893, this being for the sixth year, and also Miss Annie Bowes for assistant for 1893 at an advance of $25 in salary.

A reception was held the other night in the Presbyterian Church, Port Stanley, to welcome the new pastor, Rev. Mr. Black, and his wife. A large number were present and a pleasant time spent. A social tea was held, addresses were delivered by Revs. R. D. Hamilton, J. A. Macdonald, Black and Nixon, and music was rendered by the choir.

**ESSEX.**

The inland revenue collections at Windsor for September amounted to $33,980 24.

The barns of Francis Moran, near Tecumseh, were destroyed by fire Wednesday morning. The season's crop was also destroyed. The fire caught from the engine of a steam thrashing machine.

At Windsor Wednesday afternoon as a laborer named Myles was engaged in digging a sewer at the gas house the dirt caved in on him. It was an hour and a half before he was dug out and he is now very low. The city ambulance was called out and he was taken home.

**HURON.**

James Mitchell, Seaforth, made at his factory last week over 600 barrels.

A meeting of the Guelph Conference missionary committee will be held in the Methodist Church, Blyth, Oct. 18, commencing at 9 a.m. Sermons on missions will be preached on Sunday, Oct. 16, in the morning by Rev. John Scott, M.A., president of the conference; in the evening by Rev. Andrew Cunningham, secretary of the conference; and also at Jackson's at 2:30 p.m., by Rev. A. Cunningham. The anniversary meeting will be held on Monday evening, commencing at 7:30 o'clock. Addresses will be delivered by Rev. W. S. Griffin, D.D., Rev. J. W. Holmes and W. E. Towler, M.D. Collections in aid of missions will be taken at all the services.

**LAMBTON.**

Early Thursday morning the Commercial Hotel, Wyoming, was broken into and the contents of the till, amounting to about $8, were taken and also the till carried away. The Petrolea police ran a suspicious character in who gave his name as Tom Henderson, from Port Huron. On being searched by Chief Jackson the missing money, a bottle of whisky and one of brandy were found on him, also a two-ounce bottle of chloroform. The chief sent for McParland, the hotel proprietor, and he identified most of the goods. Henderson afterwards confessed to breaking into the hotel and told where he threw the till. He had on two undercoats and two overcoats. He will be arraigned before the mayor.

The G. T. R. passenger station at Alvinston will be erected on the Lovell property opposite Lorne street. A water tank will be located at this point and supplied with water from the river, where an engine and all the latest appliances will be used to force water up into the tank through a large pipe. An offer has been made to the council, giving them the power to tap this pipe at each street, when, by extending the pipes through the town, with hydrants at certain intervals, the place would have a most effective waterworks system for fire purposes. After the pipes and hydrants had been placed in position the only expense would be $1 an hour when being used in the event of a fire.—[Glencoe Transcript.

**MIDDLESEX.**

The disappearance of Mary Ann Robinson, daughter of Mrs. Armes, Hamilton, has been satisfactorily explained. The girl eloped with Wm. Armes, of Barton township, and they drove out to Dundas, where they put up at Collins' hotel. Armes asked Ed. Collins if anyone came inquiring about the horse and rig to say that they were not there. Collins came to the conclusion from this and other remarks that the outfit was stolen, so he had the bridegroom arrested. He was lodged in jail, when he proved conclusively that he had borrowed the horse from his brother in Barton township, and that he only desired to put the girl's relatives off the track. He was accordingly acquitted, and the young couple drove on to Dorchester. It is stated that they were married before leaving Dundas. The girl is only 16 years of age.

The dwelling and contents of James McRae, North Newbury, were destroyed by fire the other morning, together with $25 in money. Insurance, $450.

At a thrashing at John McKellar's, Ekfrid, Wm. Grover was engaged in cutting bands, when the board on which he was standing slipped from beneath his feet and he dropped astride of the drive belt. The belt carried him out of the barn to where the belt crossed, when he was thrown off. He had a narrow escape from serious injury, and carries a long scar on the face to remind him of his free ride.

**PERTH.**

At the Home Memorial Church at Stratford Wednesday morning, A. Webster, of the G. T. R., was joined in wedlock to Miss Clara Bell, third daughter of Mrs. M. J. Bell, Bay street. Rev. D. Deacon, M.A., officiated.

Chas. Cottie, St. Marys, had his left hand badly cut on Thursday morning. His little finger and a piece of his thumb were taken off.

The death is announced of one of Stratford's oldest and most respected citizens, in the person of Wm. Odbert, at the ripe age of 86 years and 7 months. Mr. Odbert was a native of the county of Sligo, Ireland, and when a young man was a member of the Irish constabulary force. Mr. Odbert resigned his position in the constabulary to come to Canada in 1840. He resided in Quebec until 1842, when he came to Stratford and settled on the farm now owned by his son William at Harmony. Twelve children in all were born to the deceased.

# A SUCCESSFUL FAIR.

## Westminster Agricultural Society Fall Show.

### Marked by Fine Weather, Good Exhibits and a Large Attendance—The Events in the Horse Ring—Complete Prize List.

Another year has rolled around and it has been marked by the most successful fair ever conducted by the Westminster Agricultural Society. Yesterday they held their fall show in Lambeth and it was a great day in the village. The directors were somewhat handicapped by the burning of the only hotel there last Monday morning. A temporary frame shanty served the purpose as far as the bar portion of the destroyed building was concerned. The Masonic Hall was transformed into a dining hall, and various places were used in which to provide for the horses. An old church was converted into an agricultural hall, and the other exhibits were left in the open air Horses and cattle were well represented, some fine animals being shown. The displays were all probably above the average except that of swine, there being only one pig on exhibition. Some excellent carriages, wagons and farming implements were on hand.

A crowd of about 3,000 people assembled on the exhibition grounds in the afternoon, when the carriage and roadster horses were judged in the ring. The weather was all that could be desired. There were the usual refreshment booths and fakirs. The Oneida Indian band played at intervals. The events in the horse ring resulted as follows:

# "August Flower"

Perhaps you do not believe these statements concerning Green's August Flower. Well, we can't make you. We can't force conviction into your head or medicine into your throat. We don't want to. The money is yours, and the misery is yours; and until you are willing to believe, and spend the one for the relief of the other, they will stay so. John H. Foster, 1122 Brown Street, Philadelphia, says: "My wife is a little Scotch woman, thirty years of age and of a naturally delicate disposition. For five or six years past she has been suffering from Dyspepsia. She became so bad at last that she could not sit down to a meal but she had to vomit it as soon as she had eaten it. Two bottles of your August Flower have cured her, after many doctors failed. She can now eat anything, and enjoy it; and as for Dyspepsia, she does not know that she ever had it."

Came to Canada
TO BE CURED

418 Pall Mall Street, London, Sept. 15, 1892.
To the Histogenetic Medicine Association:
GENTLEMEN,—Permit me the pleasure of humbly adding one more leaf to the wreath you so richly deserve, and as an evidence of my heartfelt gratitude, I beg to state my condition before and after receiving your treatment. You have my permission to make this testimonial public, if so disposed. Trusting that a discerning public, who are afflicted as I was, will have the scales removed from their doubting eyes, and avail themselves of the benefit your treatment will assuredly bring to them.
Am a farmer aged 25 years, and a resident of Sand Beach, Michigan, U. S.; was taken ill about the 11th of November, 1891, with a cold from exposure, and about two weeks thereafter visited Dr. ——, a well-known medical practitioner of Sand Beach, who treated me for about three months, calling my disease Pneumonia, stating that both my lungs were diseased badly. I had chills for a long time, with bloody expectoration, sluggish liver and bad digestion, bowels costive and a bad cough, also sleeplessness. Receiving no benefit from the doctor's treatment, I then visited Dr. ——, of the same place, who examined and prescribed for me, and stated I had bronchitis, with consolidation of both lungs. The treatment benefited me only for a while. I then went to Detroit and visited a doctor, a lung specialist, who prescribed for me, and said my case was hopeless and advised me to go west to a warmer climate. I steadily lost flesh, dropping from 168 pounds to 134 pounds, and I became despondent, but thanks to the Great Architect of the Universe I heard of famed success of your plan of treatment, and decided to visit your London branch, arriving here on the 18th of last month; was carefully examined by the Association's physician, who gave me so much encouragement that, having patiently and carefully followed his directions, am now almost well; eat heartily, no cough, and gained rapidly in flesh—exactly four pounds in three weeks—and the happy result costing me only $12 for the Histogenetic Medicine used. Consultations free. Myself and family are placed under obligations to the Histogenetic Medicine Association never to be forgotten. Yours truly,
ISAAC LESTER, JUN.

Medical examination and consultation at the office free. All diseases treated and cured at a later stage than by any other system. Send for free book. Outside patients treated at their homes by means of a question sheet.
