THE TORONTOS WON A GAME

Beat the Fast Hartford Team By Five Runs to Three, Altrock Pitched.

BARROW SECURES NEW PLAYERS

Rochester, Montreal and Worcester Won the Other Eastern League Games.

Toronto won from Hartford yesterday, and the faithful fans in attendance heaved a deep sigh of relief. Rochester, Montreal and Worcester were the other winners.

McFall has been traded to Brockton for Flaherty, and the release secured of Joe Dolan, the infielder, now with Philadelphia American League. Connie Mack has promised to let him go to Toronto when his regular second baseman, who is injured, gets back in the game. Louis Bruce will then be loaned to Brockton, subject to recall by Toronto at short notice. Mr. Barrow is also negotiating for the services of Shotrstop Downey of Schenectady. Record:

Worcester	42	46	.477
Brockton	34	49	.409
Buffalo	34	56	.377

Games to-day: Hartford at Toronto, Worcester at Buffalo, Providence at Rochester, Brockton at Montreal.

The Torontos Win a Game.

Toronto's losing streak was broken yesterday and the "fans" now hope for better things in the future. Hartford, with Gardner, their star twirler, on the slab, proved rather an easy proposition for the home bunch, who played the game like sure-enough pennant winners.

Turner, the new right fielder, more than made good, both at the bat and in the field. His timely single in the third helped to score the first run, and he deprived his old team-mates of a tally in the fifth by making a circus catch of a low liner, which he picked off his shoe strings, falling all over himself in doing so. Nick Altrock kept the hits well scattered and had almost perfect support.

Bonner made two fine catches, one, a single-hand stab, being decidedly sensational. A couple of hits, Carr's steal, Bonner's well-placed drive to right, his theft of second, Steelman's bad throw and a long fly gave the locals three in the eighth and the game. Schaub's error and Schock's double were responsible for the visitors's only tally. Gatins was removed from the game and fined in the third for questioning a decision at first, and was only prevented from assaulting the umpire by the intervention of Captain Bonner and Massey. The score:

CANADA'S CUP RACE TO-DAY

Invader and Cadillac Measured and Both Found Within Thirty-Five Foot Class.

STARTING GUN FIRED AT 11 A.M.

Record Crowd Expected to See the Big Yachting Contests at Chicago.

Chicago, Aug. 9.—Cadillac, the Canada's Cup defender, and Invader, the challenger, were put in dry-dock early yesterday morning and officially measured. Both were within the 35-foot class. One of the men who will sail on the Cadillac, and who was present while the measuring was taking place, asserted that the yachts were as evenly matched as could be desired, and that what slight advantage there was on either side was in favor of the Detroit boat. This same yachtsman said the crew of the Cadillac would wager that their boat would win the first race by at least five minutes.

Both boats took a final spin yesterday morning before going into dry-dock. But, as on previous occasions, there was no chance to judge of their relative merits. The Invader was the first one out, and sailed towards the south. The Cadillac went directly towards the four-mile crib. There was hardly another sail in sight while these two speedy boats were outside the harbor. Both crews took things easy, and watched the work of their rival more than that of their own boat.

Commodore Charles H. Thorne of the Chicago Yacht Club is of the opinion that the largest crowd that ever attended a fresh-water yacht race will be present Saturday when the Cadillac and Invader try conclusions. Already enough tickets for the guests' boat have been disposed of to insure a big success in that respect. Every private yacht in the harbor and those that will come from Milwaukee, Racine and Kenosha will be taxed to their fullest capacity by those who are anxious to witness the race.

The starting gun for the big race will be fired at 11 o'clock in the morning, two hours earlier than the time at which the trial races began. This means that the boats, to finish within the time limit, must cover the 21 nautical miles of the course by 4.45 o'clock.

The steamer Indiana will be the guests' boat for the first of the cup races. The Iowa was used by the Chicago Yacht Club during the trial races, but, as the Indiana is a larger boat, it was thought best to secure it for the first of the final races. She will leave the Rush-street bridge at 10.15 o'clock, and will go directly to the Chicago Yacht Club landing. At 10.45 o'clock, 15 minutes before the race starts, she will steam outside the harbor and get in a good position to watch the two boats cross the starting line. The large landing at the Columbia Yacht Club will be used Saturday by boats flying the Chicago Yacht Club colors. This privilege was accorded the members of the club organization by the officers of the Columbia.

Skipper Jarvis and Commodore Goodenham of the Invader were pleased with the results of the measurements. The old figures had credited Invader with 49.6 feet over all. Yesterday's figures gave her only 49.23 feet. The water line also was slightly decreased. Cadillac was given an exact 48 feet over all and 28 feet 2½ inches on the water line.

Queen City Yacht Club.

The Q.C.Y.C. will hold an invitation race for 16-foot class this afternoon, to compete for the Ward Cup, presented by Mr. W. E. Ward. Skiffs representing Royal Canadian Yacht Club, National Yacht and Skiff Club and Parkdale Sailing Club will take part. The race will start at 3 o'clock from in front of the club house.

Toronto Rowing Club.

The Toronto Rowing Club will hold their weekly regatta over the course this afternoon, starting at 3 o'clock. The crews will be drawn at the club house.

No Matter How Long It Takes England to Defeat the Boers

It is now an acknowledged fact that the famous "Collegian" cigars, which J. A. Thompson, tobacconist, 78 Yonge-street, retails at 5 cents straight, is superior to many so-called 10-cent brands. Try them and you will be convinced. 6
