QUEBEC BOUT LASTED 6 ROUNDS.

Harry Snelling Knocked Out Mike Murphy Before Big Crowd.

Quebec, Dec. 3.—In the presence of about 1500 spectators, at the Little River Park last evening, Harry Snelling knocked Mike Murphy out in the sixth round.

The bout was to be 15 rounds, with an additional five rounds, and the competitors were to continue the bout until finished.

J. Powers of St. John, N.B., made a very successful referee.

Boxing in Great Britain.

"Boxing is well conducted in England," said an American just home from the British Isles. "Clubs must comply with the law, which is strict in regard to having plenty of exits in case of fire or panic.

"Good shows are given to which the admission is from 12 to 37½ cents our money for the best seats. The bouts begin early, and last often until after midnight, the clubs giving their patrons the full worth of their money. The bouts are ten rounds or over.

"The style of boxing is slow as compared with that seen in this country. The English boxer takes his time waiting for a knockout blow, and sometimes three or four rounds will go without a blow being struck.

"When the men enter the ring the referee introduces the fighters, first announcing the man's name, then reading off his record. Then the seconds are introduced, and finally the timekeepers. The same process is gone thru on the other side of the ring. Then the referee steps outside the ring, where he sits on a chair during the bout. He calls to the men to break, and they are soon disqualified and sent from the ring if they refuse to obey instructions.

"On the opposite side of the ring from the referee is an umpire, who acts as a sort of assistant referee, looking out for any infractions of the rules on his side of the ring.

"When a man is knocked down his opponent is sent to the corner and not allowed to stand over him waiting for a chance to knock him down again as soon as he gets to his feet. This is in accordance with a strict interpretation of the Queensberry rules, and is in marked contrast with competitions in this country."

Coming California Fights.

San Francisco, Dec. 3.—Before Philadelphia Jack O'Brien left for the East, he came to an understanding with Monte Levy, whereby the Hayes Valley Club is to handle a bout between him and Tommy Ryan during the spring months.

Young Corbett changed his headquarters from the Palace Hotel to Beach Tavern to-day, altho his regular training will not be started until Trainer Harry Tuthill arrives. Corbett let slip the remark that he expects to be in training for two months, but declined to tell his plans when pressed. The remark is taken to mean that another match is in sight if he beats Hanlon. Who the opponent could be is a mystery, unless it be Jimmy Britt, and he could hardly make ready in time. Hanlon also departed for Croll's, which will be his home for the next three weeks. He has not the task on hand that faces Young Corbett, being naturally lighter, but his work will be carefully and painstaking.

Finish Fight in Brooklyn.

New York, Dec. 3.—Within a stone's throw of police headquarters, in Brooklyn, a fight to a finish between two men was decided. "Tom" Driscoll of Brooklyn and "Joe" Mullins of Pittsburg were the principals. Before the ninth round was over, the latter lay prostrate on the floor of the ring beaten.

It was one of the most brutal and bloody contests seen in private since such things have become common. Altho Driscoll was the victor, he was so severely cut up and battered that it is likely he will be laid up. Mullins will be confined to his bed for several days.

Skin-tight gloves were used in the contest, which was witnessed by about 50 men. The cheers of the crowd were enough to wake the residents in East New York, but the blue-coated guardians of the law, just a block or so away, never heard a thing. From the very start the fight was bitter and blood producing.

Sporting Notes.

At South Bethlehem, Pa., on Monday night, Jack Sullivan of Bridgeport, beat Pat Mahoney in six rounds. Sullivan defeated Jack Roach in Toronto three years ago.

Bob Armstrong has been engaged to train Jack Munroe for his bout with Al. Lumkin, which will be put on in January before a Boston club.

Com. J. T. Smedley is having trouble in finding a Detroit man who will buy the racing stable, which is a part of the estate of the late W. M. Warren of that city. Unless purchasers are found soon in Detroit, the racing stable may be sold to a New Orleans syndicate.

Arthur Irwin certainly has a good corps of pitchers in Quinn, McGeehan, Currie, Mills and Wolfe, but he is running for more. Philadelphia Sporting Life.

The annual meeting of the Eastern League will be held in New York city on Dec. 8.

The Concord Club has signed Catcher Chancer Elliott and Outfielder Daly of Kingston and Pitcher Fred Hickey of Toronto.

Joe Gans and Sam Langford were matched on Wednesday for the world's light-weight championship. The backer of Langford made a side issue of $500, and it was decided that the fight shall take place in Boston Dec. 8.

Jack McClelland of Pittsburg will be the next opponent of Tommy Mowatt, the fighting conductor of Chicago, who defeated Kid Broad. They will come together in a 10-round bout before the Southern A.C. of New Orleans, on or about Dec. 14. McClelland is also matched to meet Charley Neary before the Milwaukee A.C.

George Dixon, who recently secured a decision over Pedlar Palmer in England, has been matched to fight Joe Bowker, the English bantam-weight champion, in a 20-round bout before the National Sporting Club of London, Jan. 25. Bowker defeated Al Fellows of Chicago in nine rounds before the N.S.C. on the same night Dixon beat Palmer.

International Lacrosse League.

Vancouver, Dec. 3.—Efforts are being made to have Seattle, Everett and Whatcom admitted to the British Columbia Lacrosse League, which now numbers three teams—Victoria, Vancouver and New Westminster. Last year Everett had a notion that she would like a team in the league, and some correspondence ensued on the matter. However, when the annual meeting of the league was held this spring, Everett's application was not forthcoming, but from the casual conversation with the different delegates it was gathered that they were not averse to seeing the Smoky City playing lacrosse.

Swimming.

The third of the Central Y.M.C.A swimming contests proved a great success, all the events being keenly contested, the team race and polo match furnishing special excitement. The results were:

50-yard swim, 1st heat—D. Allen, 1 min. 14 5 secs.; B. Jones, 1 min. 3 2-5 secs.; A. J. Hardy, 34 3-5 secs.

Final, 75-yard swim—A. J. Hardy, 55 4-5 secs.

Long plunge—Lazier, 39 feet 10 in.; 1; A. J. Hardy, 39 feet, 2; Wm. Simpson, 37 feet 11 in., 3.

Swim on back, 100 feet, 1st heat—Wm. McLeod, 35 secs.; D. McGillicuddy, 35 2-3 secs.; F. Sheridan, 36 secs.

Final—D. McGillicuddy, 28 4-5 secs.

The team race was won by A. J. Hardy's team by nearly 100 feet.

Water polo—Hardy's team defeated Geo. Corson's by 5 goals to 4.

Gossip of the Turf.

The Kingston Ice Trotting Association has decided to hold its winter meeting Feb. 10, 11, 12 next.

The Washington meeting will end on Saturday with the Maximum Stakes at three miles as the feature. This event has $1500 added.

The mile handicap at Oakland on Monday was one of the main attractions. Roar Dinmonde, favorite, led for a time, but at the half-mile pole began to drop back. Fossil assumed command, and, after shaking off Claude, won easily from Divina, which came up in time to beat Claude a neck.

Cardiam, Wolseley, Monastic and Ben Chance were the winning favorites at New Orleans yesterday. The stewards have not concluded their investigation of the condition of the mare Patrice, which started in the sixth race on Wednesday. Enough has been learned, however, to warrant either the trainer or the foreman of the stable being ruled off. That the mare was doped is admitted by her owner, and the only thing that remains before official action is taken is to place the responsibility.

Riley Grannan, the plunger, who is said to be on his feet again, has opened a pool room in New Orleans in connection with George Rose, Parson Davies and Benny Falk, and on Wednesday Grannan started a poolroom war. There are six rooms operated in New Orleans by local people and an agreement has existed for years not to bunch the odds. Grannan refused to enter the agreement, and began boosting the prices. Horses that came in at even money were raised to 3 and 4 to 1. The play was heavy and both sides say they will fight it out. The local people call Grannan an interloper, while Grannan says he will either put them out of business or go broke.

Four Canadian owned horses were carded to start at Bennings yesterday. J. A. Cassan's Margaret Kent was scratched from the first race, in which J. E. Seagram's Irish Witch also ran. The Kirkfield Stables' Burdette ran second in the third at 20 to 1, Seagram's Scotch Plume running unplaced in the same race.

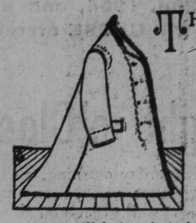
Football Kicks.

The Broadviews play indoor baseball at the West End Y.M.C.A. on Saturday afternoon, starting at 2.30 o'clock.

The Toronto Carpet Company football team will play the Lorne's football team Saturday afternoon on the Varsity lawn. The players are requested to be on hand at 2.30 o'clock, rain or shine.

In the final game in the Intermediate Inter-College Association Football League, between Arts and Meds, which was played on Tuesday, the referee reported that the score was a tie, but that the Meds had been given a penalty kick just as time was up, from which a goal had been scored. The Protest Committee decided that time could not be extended to take a penalty kick, and consequently the game was declared a draw. The two teams will play off on the Varsity campus on Saturday at 2.30.

The Chesterfield



THE FABRICS used in Semi-ready Chesterfields are Cheviots and Vicunas—in fact any overcoating material which is modest in design and colors.

The collar will be of velvet, the roll faced with same cloth, and the length of the coat will bring it below the knee.

The sleeves are plain and finished with stitching to match edge. The pockets have flaps to go in or out.

The Semi-ready Chesterfield is a splendid example of good tailoring—its shape is permanent because needle-moulded.

O.H.A. CONVENTION TO BE AN INTERESTING SESSION

Many Candidates Will Seek Election To-Morrow, When Hockey Men Gather.

To-morrow will be an eventful day in hockey circles. The annual convention of the O.H.A. will be held in the Temple Building and the election of officers promises to be very interesting. The presidency of course falls to John Ross Robertson, the father and staunch promoter of the game. He has done a great deal towards developing the game into a clean, manly sport, and the honor is certainly due him. H. A. Nelson is first vice by acclamation; A. H. Beaton, declining the nomination, there will be a contest for second vice between D. L. Darroch of Collingwood and J. W. Chowen of Stratford. Both these gentlemen are well known in the hockey world and either one would be creditable to the position. The race for the secretaryship will be the most exciting contest. Four good men are in the field and it will be good guessing to choose the lucky one before the ballots are counted. Two Toronto men, Dr. W. G. Wood and W. A. Hewitt, "Bill" Hanley of Midland and Ramsey Villiers of Cornwall are the candidates. All are stalwart hockey enthusiasts and they certainly make a fine card to choose from. The treasurer is to be elected by acclamation. He is A. W. McPherson of Peterboro, E. R. Dromgole of Galt having dropped out of the race for the executive, the following candidates are left in the field: J. A. Nesbitt, Smith's Falls; E. Gus Porter, Belleville; E. B. Fisk, Iroquois; E. H. Wilson, Markham; Duff Adams, Paris; D. L. Darroch, Collingwood; J. W. Chowen, Stratford; E. D. Jamieson, Barrie; J. Blain, Owen Sound; Fred Waghorn, Marlboros; W. H. Lamont and Dr. Sinclair of Woodstock. There are also several amendments to the constitution and rules to be dealt with, so that a very busy session will ensue when the convention opens at 11 a.m. to-morrow.

Opening at Pittsburg.

Pittsburg, Dec. 3.—The Pittsburg hockey season opened at Duquesne Gardens with a league match between the Bankers last year's champions, and the Pittsburg Athletic Club, and the latter won by a score of 6 goals to 1 before an immense crowd. It was a lively fast match, and the spectators, who are becoming educated in the game, displayed great enthusiasm. Bert Russell was referee.

In the P.A.C. team were the following Canadians: Charles Ross, James McLaughlin, Alwyne M. Kent, Archie Graham and Jack Roberts, all from Ottawa, and other players were Dr. Phynister and L. L. Campbell.

Dick Wilson, ex-captain of Queens; Hamilton, from Ottawa, and Kingston, and McCarron, from Quebec, were on the losing team.

Both teams appeared in new uniforms, P.A.C. in maroon and white, with the usual P.A.C. emblem, and the Bankers all blue, with the letter B in white.

The O.H.A. Meeting.

The O. H. A. meeting takes place in the Temple Building on Saturday morning at 10 o'clock. The meeting will open at that hour. The secretary and treasurer will be on hand at 9 o'clock to receive fees and issue credentials. At noon or shortly after the members of the association will lunch with the president, Mr. Ross Robertson, in the banquet hall of the Temple Building. Delegates are requested to attend at 9 o'clock on Saturday morning, so that there may be no delay in the opening of the annual meeting.

Bankers of Woodstock.

Woodstock, Dec. 3.—The Woodstock Bankers Hockey Club organized last evening and appointed the following officers: Hon. president, His Worship Mayor White; patrons, Messrs. McKee, Raymond, Wand, McMahon and Crossley; Managing Committee, Messrs. Tylor, Hersee and Richardson; secretary-treasurer, T. K. McCallum.

The Bankers had a very successful season last year, and expect to have a speedy team. They will heartily support the Western Bank League if formed.

Hockey in Penetang.

Penetanguishene, Dec. 3.—At a meeting held at the Canada House here for the purpose of organizing a hockey club, the following officers were elected: D. Davids, M.L.A., president; W. H. Hewson, vice-president; E. H. Hewson, secretary; D. Charlebois, treasurer; G. E. Wright manager; T. Smythe, captain; committee, Geo. Gendron, J. F. Beck, H. H. Ormsby, J. Martin, J. McLaughlin and W. J. O'Connell, chairman.

Hockey at the Beaches.

A meeting will be held in the Balmy Beach clubhouse to-night at 8.30 o'clock, to arrange for hockey this coming season. All the boys, young and old, of Kew and Balmy Beaches are asked to attend.

After the Puck.

Dr. Wright turned out with the Marlboros at their practice last night.

Monroe was a week behind Toronto in starting practice, and it was only last night that Montreal and Victoria teams worked out, at the Arena. The Shamrocks do not expect to be on the ice until Monday.

Phillips denies the story that he is to return to Montreal. He is taking a commercial college course here, having paid his fees up to April, and yesterday interviewed President Robertson in regard to his permit to play with the Marlboros.

Mr. Parkin, manager of the Lindsay Hockey Club, has resigned the position, on account of his time being taken up with private business. Mr. Cameron has been appointed manager in his place.

The Varsity Hockey Club had another good practice at Mutual-street Rink last evening. Nearly all the old players were out, and some new ones, who certainly showed up in fine form. Manager Chown has the task to pick a winning team from, and the collegians should follow the footsteps of their Rugby team, and land the intermediate championship cup. Herbert, Pardoe, McIntyre, Beck and Smith were among those out last evening.

Athletics at the West End Y.M.C.A.

The Gymnasium Committee of the West End Y.M.C.A. have reorganized the group athletics which were so successfully conducted last season. The work will comprise a series of indoor athletics, and the contests will be held on every other Wednesday nights until about the middle of March. Two or three events will be run off each night, for each team.

The men in the gymnasium class are divided into four teams with W. E. Todgham, John Valentine, George Johnson and James Stevenson as captains. With the following team colors: Light blue, purple, white and red. The color runners will fly in the gymnasium showing the standing of the teams. It is not a handicap affair, but every man helps his team in the final count. A certain number of points is given to each man, according to his time or accomplishment, and the total points of all the men gives the team standing, no man can get less than 5 points, however, poor his showing.

The men are entering the contest very enthusiastically. Todgham by his persistency in getting his men to take their work right from the beginning, has set the pace at the start and spins his well ahead of the other teams, but the other captains say things will be doing before many nights pass.

The score stands as follows: Light Blues 2075, Reds 1689, Purples 1477, Whites 1366.

The Attendance Was 12,000.

Some complaint was made at sufficient details of the baseball game between directors and bondholders were not given in the short report yesterday. For instance, they would like to know who did the batting, the clever fielding, etc., on one side and on the other. What pitchers were put to the woods, and so on. A return from the gate receipts, which gives the official attendance as 12,000, a statement that will be verified by the auditors' report.

Sunlight Baseball League.

The Sunlight Baseball League will hold their first annual concert to-night at Diggman's Hall. A good array of talent has been secured, and the success of the league's first venture along this line is assured. The presentation of the Fleming Trophy to the champion Strathconas will bring a first-class program to a close.

SPRINGHILL STRIKE.

Springhill Mines, N.S., Dec. 3,—General Manager J. R. Cowans of the Cumberland Railway and Coal Co., has given out a statement over his signature in regard to the strike of the miners of No. 22 chute, No. 2 slope, at the above collieries. He asserts that the men went out without any notice or the chance given to Manager Harmon to investigate. It was a matter of dispute between themselves, he says, at the tremendous loss of the company. The strike is the result of a difference in the pay of three sets of miners. One set earns $6.05 per day each man, another $5.55½ and another $5.80. The fight is between the larger wage earners and the rest of the miners. The larger ones refuse to share their earnings by making an equal division of wages earned, as had been done heretofore. The rule has been to drive the boards off the chutes by measurements and draw the pillars by what is known as the "run of the chute."

The general manager looks upon this strike as a breach of faith in consideration of the fact that the lodge had given a promise some years ago not to strike unless all other means to gain their demands had been exhausted, and not then till they had advised him of their intention. That the demands of the strikers are unjust, J. R. Cowans also declares. He said: "Measurement in pillars as demanded by the men is impracticable, especially in pitching seams where pressure has to be contended with. Further, miners working on the 'run of the chute' will load all the total miner, but if paid by measurement there is no inducement to do so, and coal is consequently lost to the company and royalty on some measurement, so that the demand is unreasonable and unjust, and cannot be entertained."

Women Against Smoot.

Washington, Dec. 3.—A union of women's clubs with headquarters in Washington was formed here to-day to wage warfare to secure the expulsion of Senator Reed Smoot of Utah from the United States Senate. The formation of the union was the result of a conference called by Mrs. Frederick Schoff of Philadelphia, the president of the National Congress of Mothers. A half dozen other national organizations was represented at the meeting. Mrs. Lucia Blount was elected president of the local union, whose name is to be the Union of Women's Clubs.

Another Yankee Failure.

New York, Dec. 3.—The firm of D. P. Cruikshank and Company, importers and commission merchants, filed a petition in bankruptcy to-day, showing liabilities of $348,395, and assets of $195,298. Alexander T. Mason was appointed receiver, with a bond of $70,000.

FATHER FULHAM MAY DIE.

Ottawa, Dec. 3.—It is now said that Rev. Father Fulham, prefect of discipline at the Ottawa University, who was injured in jumping from the burning building yesterday morning, will die. The priest's spine was hurt, and he is now paralyzed from the waist downwards.

No trace has been found of Miss Davis, the domestic, who is thought to have been burned.

FIRE CONCERNED POPE.

Rome, Dec. 3.—The Pope was most concerned at the receipt of the news of the destruction by fire yesterday of the Roman Catholic University at Ottawa. He instructed Monsignor Sbaretti, the apostolic delegate in Canada, to send a detailed report of the disaster, and will decide on the best measures to be taken to repair the damage done. The news caused great excitement at the Canadian college here, as the rector and students have many friends at the Ottawa University.

STRUCK BY A TRAIN.

Rochester, N.Y., Dec. 3.—William Jacobs, 26 years old, and Mary Agnes Barry, 16 years old, both of this city, were struck by a New York Central flyer this afternoon, while attempting to drive across the track, and were thrown 20 feet. The buggy was completely demolished. The man had both legs broken and was injured internally, dying this evening at the Homeopathic Hospital. The girl's body is a mass of bruises and she is suffering from shock.

Jaw Broken—Foot Crushed.

As John Everett was pulling a truck load of trunks on the way to the Canadian Transfer Company's office in the Union station, the handle of the truck broke, and he fell to the station platform, striking his jaw heavily and grinding his left ear on the concrete. He suffered considerably. At the Emergency Hospital it was found that his jaw bone was broken.

John McConnell, living at 237 Farley-avenue, was working in the factory of John Inglis & Son, when he dropped a heavy bar of iron on his foot, crushing it badly. He was taken to the General Hospital.

Protest Doesn't Count.

New York, Dec. 3.—A meeting was held in Cooper Union to-night to protest against the provision in the immigration law which excludes aliens from disbelief in government, and under which John Turner, the London, Eng., organizer, has been threatened with deportation, unless the United States Supreme Court declares the law unconstitutional.

William Bell Missing.

William Bell, carpenter, who lived at 12 Whitesides-place, is missing. He has been working at the Western Cattle Market. He has not been seen since Saturday.

George Hamilton, 132 Curzon-street, was arrested yesterday by P. C. Lougheed for theft of some bags from Farmer Adam Beamish. He recovered his possessions in a West Queen-street produce store, and has gone home without making a complaint.

Daniel McDonald, who shot himself last Saturday, is getting on nicely, and the doctors at St. Michael's Hospital have hopes for his recovery.

YORK COUNTY AND SUBURBS

Michael Naughton of Vaughan Elected President of Centre York Liberals Yesterday.

THE MEETING WAS A GOOD ONE

Toronto Junction Council Will Let Lumber Yard Stay—Weston and Local Option.

Richmond Hill, Dec. 3.—In the Masonic Hall in this village this afternoon, Centre York Liberals met and discussed ways and means for the advancement of the party to which they claim allegiance. It was the first gathering under the new dispensation by which the historic Riding of East York had passed from the arena, to be succeeded by the new creation, embracing the Townships of Markham, Scarboro, Vaughan, Etobicoke and the Village of Weston. By reason of the change in county boundaries, many stalwarts present on former occasions were absent, but their places were supplied by the others, and the two elements blended harmoniously together. Among those present were: John Richardson, M.L.A., A. Campbell, M.P., N. W. Rowell, Dr. McLean, R. J. Corson, Anthony Forster, Jonathan Slater, J. B. Gould, David Synott, J. C. Clark, T. F. McMahon, W. A. Noble, David James, William Clark, James Perrin, William Douglas, Walter Scott, James Lev, R. A. Grant, Henry Harper, Isaac Chapman, Fred Ash, James Casey, Alex. Russell and many others.

Fully 300 representative Liberals, drawn from every portion of the riding, were present. R. A. Mason, president of the East York Liberal Association, called the meeting to order at 2 p.m., and stated that, in view of the changed conditions, it was imperative that a constitution and bylaws, submitted to the occasion, be formulated, and invited discussion upon all points pertinent to the case. The members were not slow to avail themselves of the privilege, and resolutions and amendments were made in rapid succession. For nearly three hours those present wrestled with the problems submitted, and with such success that the constitution and bylaws submitted, were unanimously adopted. The election of officers resulted in the selection of Michael Naughton of Vaughan as president, with R. A. Mason, Markham, as first vice-president, and A. F. Wilson, Markham, as second vice-president. President-elect Naughton expressed his appreciation of the high honor conferred upon him, and called upon Arch. Campbell, M.P., to address the meeting. Mr. Campbell's reception was very cordial and he at once launched into a panegyric of the Laurier administration at Ottawa, contrasting the several expenditures incidentally assured the Liberals of Centre York that the Federal elections were close at hand. N. W. Rowell followed in a lengthy address. John Richardson, M.L.A., added a word of cheer, and the inaugural meeting of the Centre York Liberals was brought to a close.

Toronto Junction.

Toronto Junction, Dec. 3.—After a prosecution in the Police Court for establishing a lumber yard contrary to the town bylaw and an appeal which was dismissed in the first instance was sustained, and, after putting Mr. Batt to considerable expense in defending these cases and beating him in the courts, the Executive Committee of the Town Council to-night decided that his lumber yard can stay where it is on Dundas-street.

The Quarterly Board of Annette-street Methodist Church last night invited Rev. T. E. E. Shore to remain for a year, when his term expires. Rev. T. E. E. Shore has accepted the call to a Hamilton church, subject to the decision of the Stationing Committee and will remain at the Junction until June, 1905.

Beginning next week, Davenport Methodist Church will hold special services in the auditorium of the church, which will be addressed by Rev. W. J. Pady, Rev. T. E. E. Shore, Rev. Ed Middleton, Rev. Geo. H. Ward, Rev. R. S. Magee. A choir and orchestra will assist in the service and the special singers will include Miss Harshaw, Frank Whetter, Myres Rose, Miss McLean and the male quartet of the church.

The Shamrock's Association football team, which is a tie for the championship with the Scots in the City Leagues, will play the championship game on Saturday. The Shamrocks will play with the following: Wise, Ingoldsby, Huffy, McSonough, McGraw, Wrong, Brown, Boyd, Lynch, Centurice, King, Fawcett, Jackson and Curtin.

The ladies of the W.C.T.U. met at the residence of Mrs. J. Shultz, High Park-avenue, yesterday afternoon and listened to an address by the president, Mrs. J. Wilkinson.

Weston Council meets to-morrow night, when the bylaw for the granting of a license will be presented to the council, requesting that body not to submit the local option bylaw to the electorate. The size of this petition will likely determine the result.

An excellent concert was last night given in Davenport Methodist Church under the auspices of the choir. The Misses Florence and Mabel Ray delighted the audience with their readings, Mr. Lawrence sang "The Light of the World" and "Moua," receiving encores, and Miss Pritchard sang "Star of Bethlehem" and Mr. Maywood gave "Angel Land" and "Call Me Back." Miss Mabel Manley of Oakville rendered "The Stacatto Folks."

East Toronto.

East Toronto, Dec. 3.—A. B. Cook, who has been connected with the White House Hotel for several years, has left for Aberdeen, Scotland, to-morrow morning, in company with his uncle, Robert Purden of Peterboro. Mr. Cook expects to be absent for two months.

Robert J. Toms of Uxbridge is visiting his brother, William Toms, Danforth-avenue.

President George Davis was in the chair at the meeting of Lodge Cambridge, No. 54, S.O.E. There was a large attendance, and two candidates were initiated. The annual election of officers will be held at the next regular meeting, on Dec. 17.
