MUST DROP A PLAYER; OTTAWA READY TO GRAB

Mummery Brings Arena Team Up Over the Player Limit —Gossip.

The sport writer of The Ottawa Citizen says:

"Now that Harry Mummery has reported to the Toronto Hockey Club, Manager Charlie Querrie will be called upon to surrender one of his players to the Ottawa Club. The Torontos now have ten first-class puck chasers on their payroll, and must reduce to nine immediately. Speculation is still rife as to which of their stars they will turn over to Ottawa. Unfortunately Ken Randall is in some personal difficulty at Toronto, and this may prevent Querrie from reducing his squad for a few days, but as soon as Randall straightens things out, Toronto will let someone come to the capital. Corbett Denneny and Harry Cameron both say they wish to play here, but it is doubtful if the Queen City Club will let either of these top notch performers out. It is whispered that the Ottawas would like to land Alf Skinner or Jack Adams, Coach Carroll said last night that he did not know which of the blue shirts would be turned loose. Querrie has made it plain, however, that the ax will not fall on Randall.

Manager Dick Carroll of the Toronto Arena Hockey Club announced last night that he had released Lieut. Fred McCulloch, M.C., who was given a trial as a goal tender for the blues. Carroll declared that there was no disgrace for McCulloch in the matter, as he had shown up very well in practices. The club could not carry two net minders, however, because of the player limit, and the preference had been shown to Lindsay, the Renfrew veteran, because of the latter's lengthy experiehce in professional hockey. McCulloch bade farewell to the Toronto Club at Ottawa.

Selkirk's hockey team once more leads the senior Manitoba Hockey League, for in a nip-and-tuck battle with Argos, they came out on top by 7 goals to 6 and won extra credit for it because of being down at half time, with the short end of a four to two score.

"Spunk" Sparrow and Ab. Jewell of the Argos, and Morrison, Oliver and Anderson of Selkirk shone continuously. The attendance showed the development of interest in senior hockey in Winnipeg, the total gate being over $1100, with the spectators numbering close to 2500.

ARENAS AT MONTREAL TONIGHT.

With big Harry Mummery back on the defence, the Arenas should give George Kennedy's Canadiens a rousing contest down in Montreal tonight. Win or lose, tonight, the scramble here on Tuesday night with the Ottawa Senators is bound to be a game worth going far to see. If Canadiens beat Arenas tonight at Montreal, the Ottawa crowd want the game to keep up with the parade.

TIGERS V. DENTALS TONIGHT.

Hamilton Tigers and Dentals meet tonight at the Arena. The line-up:

New Hamburg, Jan. 10.—The locals won out in the intermediate O.H.A. game here tonight by a score of 7 to 6. The first period was all Stratford, 3 to 0. The second period was 5 to 3 in their favor. The New Hamburg team then buckled in and won out. Bowman and Fred Otto played cleverly for New Hamburg. The line-up:

ST. MICHAEL'S UNABLE TO STOP U.T.S. TEAM

Dunk Munro's Boys Put Over Easy Win in the Opening Fixture.

University Schools will be hard to stop in the prep college junior O.H.A. group. The first game of this tidy little organization was staged at the Arena yesterday afternoon and U.T.S. romped home easy winners from St. Michael's College. The final score was 14 to 4.

U.T.S. are very strong. They have the same rattling good defence in Joe Sullivan, Munro and Rowell, and have Frank Sullivan and Jeffreys of last season's forward line to steady up things up front. Greey started at left wing, and Kearns and Waddington were the subs.

Of course Dunk Munro is the big factor. He rushed in his old-time style and was hard to stop. Munro is a star of the first order. Sullivan and Jeffreys combined well, and just a little more drilling at the passing game will make a sweet team out of the U.T.S. squad.

St. Miques have only three of last year's regulars left. They are O'Connor, on the defence, and little Rocques at centre, and Cronan at left. Rocques is a game little kid and will check anybody. He was busy as a hornet yesterday. O'Connor was the pick of the losers. His work was finished at all stages, and he should have a good season. The rest of the boys were nervous and lack the polish. They will improve with each game. James was weak on shots in close.

U.T.S. led at the end of the first period, 4 to 1. Their margin was 10 to 2 after the second round, and the final 14 to 4. Jeffreys collected five goals for the winners, Dunk Munro and Sullivan four each and Kearns the other one. H. Munro and Halloran got a goal each for the Saints and Rocques grabbed two.

The teams:

University Schools (14): Goal, Joe Sullivan; defence, Munro and Rowell; centre, F. Sullivan; right, Jeffreys; left, Greey; subs., Kearns and Waddington.

St. Michael's College (4): Goal, James; defence, O'Connor and H. Munroe; centre, Rocques; right, Halloran; left, Cronin; subs, Servias and Beaudoin.

Referee—Sergt. Willard Box.

BEACHES SENIORS TIE; HALF HOUR OVERTIME

At Ravina Rink last night the crowd had its money's worth when Excelsiors and Goodyears tied, 3 to 3, after 30 minutes overtime. St. Francis beat Pathfinders 5 to 2. Both games were in the senior series of the Toronto Beaches League, western section.

DAVISVILLE WINNERS IN OPENING FIXTURE

The Military Hospital League was opened at the Arena yesterday, when Davisville defeated Brant Hospital, Burlington, in overtime, 3 to 2. The returned men played remarkably good hockey and it was a real tussle from the drop of the hat. Both sides were a little shy on condition, but when the patients get in shape they will put up a sterling article. Fred Waghorne was referee.

CLOSE GAME AT KINGSTON.

Kingston, Jan. 10.—The junior O.H.A. game here tonight resulted in favor of Kingston, who defeated Queens by 3 to 2. Each team scored one in the first period, and neither scored in second. Kingston tallied two in the third period to Queens' one. Line-up:

Kingston (3)—Goal, O'Connell; defence, McLaughlin, Baker; centre, Hardy; wings, Ruben, Brown.

Queens (2)—Goal, H. Nichol; defence, Campbell, McKelvey; centre, Robinson; wings, Nichol, Hamill.

Referee—Van Horne.

BELLEVILLE BEAT BOWMANVILLE.

Belleville, Jan. 10.—At the arena here tonight an interesting junior O.H.A. hockey game was played between the Belleville and Bowmanville teams. It was a good exhibition of this sport and resulted in a win for Belleville by a score of 6 to 5. Lou Marsh was referee. The line-up of the teams was as follows:

Belleville (6): Goal, Hulin; defence, Weir, Beach; centre, Swayne; wines, Hagerman, A. Holloway; subs., W. Holloway and Coon.

Bowmanville (5): Goal, Redden; defence, Benson, Grant; centre, Piper; wings, Purdy, Williams; subs, Kelly and Avery.

Govern Trap Shooting In Canada and the U. S.

New York, Jan. 10.—After a meeting held here today, it was announced that the Interstate Trap Shooting Association would be known in the future as the American Trapshooting Association, which will have jurisdiction over all trapshooting tournaments in this country and Canada.

For nearly a quarter of a century all of the principal shoots at live birds and clay targets, including the Grand American Handicap, were arranged and governed by the Interstate Association, which, under the management of Elmer E. Shaner, had its headquarters in Pittsburg. The American Trapshooting Association has established its headquarters at 460 Fourth avenue, this city, and Storey McLinn has been appointed manager-secretary, in place of Mr. Shaner, who retired.

In future all the Canadian tournaments will be privileged and assisted by contributions from the American Trapshooting Association, which will retain the 2old tournament policy of registration. The Grand American Handicap, at clay targets, will take place next August at the South Shore Country Club, Chicago.

Guelph, Ont., Jan. 10.—Arrangements are being made by the local curlers for the playing of the Ontario Tankard games for this district, which will take place on Tuesday, Jan. 21. Five clubs will be represented, with two rinks each—Milton, Brampton, Fergus and the Royal City and Union Clubs of Guelph. The District Cup games will be played a week later at Galt.

PARKDALE AND HIGH PARK TIED.

Parkdale entertained one rink in the open on Thursday night for High Park when R. Tuthill defeated R. E. Dallyn by 11 to 4, and this margin of seven just counter-balanced the margin secured by the three High Park rinks at home, the result of the four-rink game thus being a tie.

Alexandra Y. C. Members Will Try to Save Clubhouse

Commodore McDowell of the Alexandra Yacht Club asks the members to accompany him to Ward's Island this morning at 9.30 on the Geary from John street to do what they can towards salvaging their club house that has been undermined by the ice, wind and waves. The 60-mile wind yesterday nearly cleared the bay of ice. The building is 48 x 60, valued at $5000, and is covered by insurance. The club's trophies, piano and many personal effects of the members are stored in the place.

PLENTY OF VARIETY AT BIG CARNIVAL

Ladies' Hockey, Speed Events and Fancy Costumes the Order.

The carnival staged by the 109th Regiment at the Arena last night was a huge success. A great variety of events were carded, and Major-Gen. Gunn opened the proceedings.

The big feature of the evening was the ladies' hockey match, in which Aura Lee were defeated 4 goals to 1 by the Russell Motor team. The ladies were a little shy on team play, but they made up for this by the earnestness they put into the contest. At half time Russell were ahead, 3 to 1. Miss Edith McFarlane was the star of the game. She played on the defence for the winners and handled herself as well as many men players. The teams:

Russell Motor: Goal, Ethel McFarlane; defence, Edith McFarlane, Susie McKenna; centre, Pansy Reansbottom; right, Helen McFarlane; left, Mrs. Mitchell.

Aura Lee: Goal, Olive Waddington; defence, Beulah Wilson, Hilda Ball; centre, Miss Newman; right, Myrtle Clark; left, Violet Bowers; sub., Miss Zammell.

Officials: Messrs. Marsden and Cruise. The speed event was won by Thorne, with Cody second and Cosgrove third.

Roe won the hockey players race, and Applegath was second. A nice exhibition of fancy skating was given by members of the Toronto Skating Club in costume. Prizes were given for the best dressed skaters when all in costume took to the ice.

TRIBUTE FROM BROTHER UMPS TO SILK O'LOUGHLIN

The following is a striking tribute to the late Silk O'Loughlin from George J. Moriarty, a brother American League umpire:

Silk could scarcely walk a block in any city without some friend stopping him to exchange greetings. A worth while incident illustrating his popularity happened in New York last season.

Silk was a frequenter of the Friars' Club whenever he was in New York. One night last night it was his keen pleasure to mingle and chatter with Geo. Cohan, Steve Riordan, Billy Murray, ex-Philly manager; Arthur Haughton, Hugo Fisher and the rest of that pleasant mob.

After the usual fanning bee one night, someone suggested that the party limber up with a heel-toe stunt down the Big Street. A half dozen agreed to exercise, and the party paired off in twos, Silk accompanied by Billy Murray.

Leaving the club, Steve Riordan jokingly predicted that Silk would be held up by numerous friends, and we would meet him around Forty-second street on our return.

The party had just turned into Broadway when a couple of friends anchored Silk for a gabfest. Shortly, he moved on a few paces, only to be corralled by several more friends. The merry handshake all along the street kept him as busy as clock-ticks.

Meanwhile our party pedaled about three miles down the lane, pulled a right-about-face, and started back. Sure enough, we bumped into Silk at Forty-first street, just in time to see him mitting another of his million friends.

Silk had a copyrighted manner of making friends. He was always congenial, morally perfect, and full of grit and determination.

The American League arbitrators have lost more than a brother-umpire; they have lost a brother.

NEW YORK YACHT CLUB PREPARE FOR BIG SEASON

New York, Jan. 10.—With J. Pierpont Morgan, Lieutenant Harold S. Vanderbilt and George Nichols at the helm, members of the New York Yacht Club face the big revival that is bound to come in yachting this year with great confidence. The recent election of Mr. Morgan as commodore, Lieutenant Vanderbilt as vice-commodore, and Mr. Nichols as rear-commodore, gives the club a leading trio which the members regard as without an equal in the history of the club in recent years. They look for greater and better administered activity than in any administration since that of Arthur Curtiss James.

The club is fortunate not only in its top three, but in its choice of a race committee, H. de B. Parsons, J. M. Macdonough and Frederick O. Spedden have charge of that end of the club's activities, and no better three could have been selected. It will rest largely with them to arrange the details of the annual cruise, which, undoubtedly, will be revived next August, and the annual races for the king's cups and the Astor cups, which also are expected to prove big features of the 1919 season.

BASKETBALL

At Central Y., in the small gymnasium, Jarvis Collegiate Institute defeated Harbord Collegiate, 28-22. The star of the game was Smith of Jarvis, he leading all with 15 points. Leigh of Jarvis was the next best man, while the others played about the same. For Harbord, Torrance was the best man, with 13 points. Doughty and Duffill were about tied for second honors, tho the latter scored no points. Harbord led at half-time, 12 to 11, but the winners came from behind and won, mainly owing to the good condition of the Jarvis players. The game was handled in good style by Gord. Brasford. The line-up was as follows:

Jarvis (8)—Forwards, Leigh (7) and Smith (15); centre, Uren (2); defence, Seltzer (2), Lepper (2), Montgomery (0).

Harbord (22)—Forwards, Torrance (13), Doughty (5); centre, Canniff (4); defence, Duffill and Johnston.

Referee—Gord. Brasford. Timer—W. Snider. Scorer—R. Wessels.

Y.M.C.A. juniors play Hamilton a championship O.B.A. game on the Central floor tonight, with a preliminary exhibition between the newly-organized Central intermediates and Broadview.

NORWEGIAN EXPERT IS AFTER ENGLISH TITLE

New York, Jan. 10.—Miss Molla Bjurstedt, the Norwegian player, winner of the United States woman's championship annually since 1915, is planning to compete for the English title next summer, it was learned today. Miss Bjurstedt expects to sail for her home in Norway this spring and later will try to capture the English woman's championship in the tournament, which will be played at Wimbledon late in June. The revival of the English tennis championships is expected to attract prominent players from many nations.

ALL WANT JOBS WITH BRANTFORD BALL CLUB

Brantford, Ont., Jan. 10.—Local baseball headquarters is already deluged with applications from managers and players for the Brantford pro. team for 1919. Evidently it pays to advertise, as Del Chase, formerly of Brantford, and George Dunlop of London, both would like to manage Brantford during the ensuing season. The first thing in order is to get the league organized.

POUGHKEEPSIE MAN BUYS GOOD TROTTERS

Clarksburg, W. Va., Jan. 10.—Thos. W. Murphy of Poughkeepsie, N.Y., has purchased two well-known race horses, Lolo Watts and Sanko Stout, for $10,000 and $5000 respectively, from the local firm of Stout Bros., according to announcement published here today. Mr. Murphy will ship the horses to his New York training stables, and he plans to use both on the Grand Circuit next season.

TOMMY SCORES KO.

Cleveland, Jan. 10.—Tommy Robson of Malden, Mass., knocked out Walter Lauretic, claimant of the European welterweight championship, in the first round of a scheduled ten-round boxing contest here tonight. Frankie Clark of Philadelphia was given the newspaper decision over Battling Lahm of New York in the ten-round semi-final.

IMPORTANT SERIES OF BALL MEETINGS

Expect Radical Changes in Rules Will Be Drafted —The List.

New York, Jan. 10.—Plans have been completed for the most important series of baseball meetings in this city next week, since the firm establishment of baseball achieved with the signing of the national agreement. According to the present arrangements both major and minor leagues will be represented in a series of conferences which will be attended by every prominent club owner and league official in the United States.

These conferences, which are expected to result in a number of radical changes in the conduct of the game, will continue thru the entire week, the schedule, subject to alteration, being as follows:

Monday, Jan. 13—Informal gatherings for exchange of ideas.

Tuesday, Jan. 14—Morning, meeting of New International League; afternoon, meeting of National Association of Professional Leagues.

Wednesday, Jan. 15—Meeting of National League.

Thursday, Jan. 16—Morning, meeting of American League; afternoon, joint meeting of National and American Leagues.

Friday and Saturday, Jan. 17 and 18—Continuation of joint National and American League meeting and consultations with National Association of Professional Baseball Leagues.

The schedule of the National League will be considered at the meeting, President Heydler announced.

Minor leagues will be asked to place their grievances in proper form by an authoritative committee, before a joint meeting of the major leagues, Mr. Heydler stated. He said that several of the requests already made by minor league committees and by individual minor leagues, are in conflict. Something should be done to aid these leagues, he said, but, personally, he is in favor of retaining the draft, optional agreements and the right of the major league clubs to sign any player who is a free agent. "If we gave in to the minor leagues on all these points," Mr. Heydler declared, "where would the big league clubs procure and develop their talent?"

Mr. Heydler conferred today with Major Branch Rickey, president of the St. Louis Nationals, in regard to the managerial situation of that club. Major Rickey received his discharge from the army today.
