# WOODBINE FAVORITES FAIL

## Picktime Only First Choice to Finish in Front on O.J.C.'s Ninth Day.

## EDGEFIELD, 20—1, BARNACLE, 10—1

**Daryl, 4 to 1, Beat Woolgatherer—St. Juvenal, 4 to 1, Wheeler B, 5 to 1, Procession, 8 to 1, Won.**

Six favorites were beaten at Woodbine Park on the ninth day, Picktime being the only first choice to score. Barnacle, 10 to 1, St. Juvenal, 4 to 1, Daryl, 4 to 1, Wheeler B., 5 to 1, Procession, 8 to 1, and Edgefield, 20 to 1, were the other winners. The day opened and closed with longshots, and both had some support. Stable money was behind the others, while Picktime's victory was the only severe blow to all the layers.

Of the beaten favorites, Gold Cure, Springbrook and Faraniass finished outside the money, while Judge, Woolgatherer and Decoration ran second.

The fields were large, except in the handicap. The track was fast, but the best time was made thru the field, Daryl negotiating the two miles in 4.36, the best time by four seconds over the course.

Barnacle soon took the lead in the opening event, and never was headed. Perceutum and Pearlfinder raced for the place. Gold Cure and Pearlfinder were strongly supported to win, and Fairy Tale, Lady Berkeley, Percentum and Maru for second and third.

It was a poor finish in the second, St. Juvenal beating the favorite just as easy as Judge did Blue Darter. Seagram's pair ran disappointingly.

Picktime carried the coin in the third and landed it cleverly. Lady Essex bumped Grand Lodge twice, and was disqualified, Munro escaping for slashing Wilson with the whip. Elcho was placed third, where he was played to finish. Golden way was backed to show.

John Ruskin fell and Arius lost his rider early in the steeplechase. King Top was making the running, when Holman fell off. Zolo was lengths behind, and the two were left to battle for the honor. Daryl took command the last round, and easily outfocted the favorite up the stretch. Ruskin was played for a good thing. Arius had considerable support, while Woolgatherer, Gallagher up, had the public backing. Daryl was steadily supported first and second.

The handicap had a straggling finish, the outsider winning easily. The other three had all more backing than Wheeler B.

Procession raced ahead all the way in the sixth, and just stayed long enough to land a bunch for the stable at long odds. Cherubim rushed up at the wire past Far Rockaway, a head for the place. On the Quiet being only a half length away. Lapidus was scratched, and Jockey Daly was greatly disappointed in not landing the favorite.

The last race of the day was the best, five of them finishing noses apart, and the judges had a task placing the horses. A wild tip made Faraniass the favorite, and it was pounded thruout the play. The a tough proposition, the public tried hard to solve it, with the result all in favor of the books.

The conditions for four races closing tomorrow, to be run Friday, are:

**Next Monday at Detroit.**

Detroit, June 2.—Next Monday the racing season will open in this vicinity, and a long stretch Detroiters will be given another treat of the thorobred sport. The International Derby, to be decided next Monday at Grosse Pointe, will attract a fine class of horses, judging by the applications for stable room received from owners that have nominated. Rightful, Reservation, Fore and Aft, Judge Himes, Careful, Tancred, Claude and others include the pick of the 3-year-olds of the West, and nearly everyone expected to start has won one or more stake events this year: Reservation's latest victory was at Cincinnati on Saturday; Rightful ran third in the rich Preakness and Judge Himes' performance was a winning one in the Hawthorne Handicap, which was worth $8000 to the winner. The probable Derby field follows:

Say "NO" Emphatically

If you ask for a Grandas Cigar and the dealer offers you another "just the same as Grandas" refuse it. There are no other "just the same." Those that are "just as good" are double the price. Those that are "the same price" are not half so good.

THAT'S THE WHOLE STORY.

If Manana is not ON the box Grandas is not IN the box.

The time was 1.48 2-5. Talpa was next to the longest shot in the race, and won by two and a half lengths. Neither McChesney nor Lucien Appleby appeared to be in condition for such heavy going as the track offered to-day. Weather cool and threatening. Summaries:

**At the Fair Grounds.**

St. Louis, June 2.—The races at the Fair Grounds to-day were only ordinary. The track towards the outer rail was fairly good, but from the centre to the inner rail it was a veritable quagmire. In the third race Imboden beat J. W. O'Neill, the odds-on favorite, very unexpectedly. O'Neill led the field by eight lengths into the stretch, but the rider exercised poor judgment in clinging to the inner rail, where the track was sticky, while Imboden cut across the track to the outer rail and won by half a length. **Eshcrin's Latonia Oaks.**

She was favorite in the betting at 3 to 5, and was the only horse played in the race by the big betors. After the first half, the race was just a gallop for her. Jockey Hyams was taken at the post in the third race, and received a fracture of the shoulder. He was on Senor, who was left at the post. Summary:
