It should have 129 with a large waiting list. A fine chance is offered to the older boys of the numerous cadet corps to learn how to shoot a big gun. Men with actual experience will show you how to do it. A week of real shooting in the summer at Petewawa, on the Ottawa River follows the dummy training in the armoury. Come down and have a look at the guns and you can tell better whether you wish to join or not.

"IT'S GREAT TO FEEL SO FINE," HE SAYS

Moncton Man Overcomes Troubles of Six Years by Taking Tanlac.

"Well, sir, it's great to be feeling so fine again, and eating three good meals every day after I was just about down and out," said Lea Poirier, 137 Wesley street, Moncton, N. B., well-known employe of the Atlantic Underwear Mills, in relating his experience with Tanlac recently.

"I was in a bad way for I had been through a lot of trouble during the past six years. My back was weak and lame and ached just about all the time, night and day. At times the pains were so bad I couldn't stand straight, and it was all I could do to stay on the job. My stomach caused me all sorts of trouble and my appetite was so near gone I had about reached the point where I didn't want to eat. Nothing tasted good and gas bloated me up so bad that I felt miserable all the time. I was weak and run down and felt unfit for anything.

"One of the boys at the plant recommended Tanlac to me and by the time I finished my third bottle I did not need any more for I couldn't tell I had ever been sick a day in my life. I was eating like a farm hand: my back had stopped hurting and I simply felt fine. That was some time ago, and from then until now I have been in as good health as anybody. There is no guessing or thinking about it. Tanlac will do the work, that's all there is to it."

Tanlac is sold in St. John by Ross Drug Co. and F. W. Munro under the personal direction of a special Tanlac representative.—Advt.
