McEachern and Maya Only a Lap Behind the Leaders at New York.

New York, Dec. 7.—The Toronto rider and his partner keep up the killing pace in the 6-days' bicycle race and are still only a lap behind the leaders. But for an accident to the Canadian's pedal, whereby he lost two laps, the pair would now lead, But seven of the original teams are left to grind out the balance of the race, and it is not certain that all of these will survive the finish.

R.C.Y.C. PROGRAM FOR 1900

Sailing Committee Meet and Draw Up the Racing Schedule for Next Year.

LOCAL SKIFF REGATTA ON MAY 24.

No Talk of the Canada's Cup, But Genesee and Beaver May Meet Again.

A well-attended meeting of the Royal Canadian Yacht Club Sailing Committee was held last night at the club house, with Chairman F. M. Gray in the chair, and these members present: Messrs C. A. B. Brown, H. D. L. Gordon, E. Macrae, F. J. Campbell, J. S. McMurray, H. Ricarde-Seavers, J. Rutherford and Secretary J. Foote. The meeting was called for the purpose of arranging the club's program for next season, and to discuss the suggestion for a new class, to be known as the 16-foot skiff class. This motion is put afloat by a number of the members, but does not mean a division in the R. C. Y. C., as the class will be controlled by the club. Mr. W. H. Parsons, who is one of the oldest members and has been on the Sailing Committee for years, retired from the committee owing to business. Mr. Parsons will be greatly missed on the committee, as his advice has always been considered valuable by the other committeemen. The program arranged is a good one. It commences on May 24 and winds up on Sept. 8:

—R. C. Y. C. Sailing Program for 1900.—

May 24—Local skiff regatta and dingey races.

May 26—Twenty-five-foot class and dingey races.

June 9—First-class (Lorne Cup), 35 and 30-foot classes.

June 16—Club cruise to Niagara.

June 23—Twenty-five-foot class and dingey races.

June 30—Cruise to Hamilton, first-class.

July 2—Queen's Cup for yachts over 30 feet, up to and including 40-foot class.

July 7—Club cruise to Oakville.

July 14—First-class (Lansdowne Cup), 35 and 30-foot classes.

July 21—Twenty-five-foot class and dingey races.

Between July 21 and Aug. 11—L. Y. R. A.

Aug. 11—Twenty-five-foot and dingey races.

Aug. 25—Thirty-five and 30-foot classes.

Sept. 1—Dingey races.

Sept. 8—Prince of Wales' Cup for all classes.

Sept. 8—Club cruise to Oakville.

Though the outside races come under the jurisdiction of the Sailing Committee, the Canada's Cup contest for next year was not mentioned, perhaps due to the fact that Commander Jarvis was absent. Mr. Jarvis wants to have another brush with the Genesee, still believing that the R. C. Y. C.'s Beaver can turn the trick.
