Tea merchants of Kioto and Osaka have resolved to rebuild a temple burned down at the former place last year. It was erected 700 years ago by Maiker, a priest, who introduced the tea plant into China.

—Old and young, male and female, find a sure cure for all nervous affections in Dr. E. C. West's Nerve and Brain Treatment. A cure guaranteed.

Of little account: the customer who refuses to make big bills.

A beautiful range of fall scarfs at 50c, good value at 75c. A line of fine Cardigan jackets, suitable for office wear, not too heavy, got up superior to anything shown in Toronto, at a very moderate price; also a line of very heavy jackets at reasonable figures. Better Than Gold.

A good name, good health, a good companion and a bottle of Hagyard's Yellow Oil are among the first requisites for human happiness. Yellow Oil cures rheumatism, sprains, lameness, bruises, burns, frost bites, croup, sore throat and all pain and inflammation.

Mrs. Eleanor P. Long of Philadelphia has left the sum of $200,000 to establish a home for orphans in that city. The preference is to be given to the daughters of union soldiers and firemen.

Orin Catlin, 49 Pearl street, Buffalo, N. Y., says: I tried various remedies for the piles but found no relief until I used Dr. Thomas' Eclectric Oil, which entirely cured me after a few applications.

Rheumatism.

This painful disease that so often cripples for life, arises from poison circulating in the blood, and often from an excess of acid. Inflammation is developed in the muscles, ligaments and joints, by colds, damp clothing, etc., Liniments are serviceable to relieve, among many, Hagyard's Yellow Oil is preferable. To eradicate the rheumatic poison from the system, nothing can surpass Burdock Blood Bitters.

Mrs. Charles Turner, a widow of Liverpool, has given the munificent sum of $200,000 for the erection of a home for incurables in that city, and will liberally endow it.

Never Neglect It.

If you suffer from a cough, never neglect it, it is no trifling matter, and might lead to a speedily fatal disease of the lungs. Hagyard's Pectoral Balsam will allay all irritation of the mucous membrane by its soothing healing power; it cures bronchites, asthma, and all throat and lung complaints.

An old bachelor leaving his boarding-house for a week's journey, after taking leave of his landlady, stepped up to a salt mackerel on the table, shook him by the tail, and said: "Good-by, old fellow, I will see you when I return."

A Fact.

If you suffer from chronic disease and have little faith in advertised remedies and have sought vainly for a cure. Consult your druggist, or address T Milburn & Co., Toronto, for proof positive regarding the merits of the Burdock Blood Bitters, the Great Regulating Blood purifying Tonic that acts on the liver, kidneys, stomach, bowels and skin.

We have received a private letter from a conceited scribe written in his usual happy "vein."

Orpha M. Hodge, Battle Creek, Mich, writes: I upset a teakettle of boiling water on my hand. I at once applied Dr. Thomas' Eclectric Oil, and the effect was so immediately allay the pain. I was cured in three days.

Best of All.

Our vigorous and changable climate, and our mode of life induces frequent colds, that often lead to Coughs, Bronchitis and other lung troubles that are liable to end in Consumptien. The best and most pleasant remedy known for these difficulties is Hagyard's Pectoral Balsam, to be obtained by any druggist.

A large aerolite fell near Pinos Altos, New Mexico, last week, crushing several trees. A Mexican who saw it reported to his local paper that a part of the moon had fallen.

Mrs B M Gifford, of Port Rowan, was for many years a sufferer with Liver Complaint, and a serious complication of diseases. In a recent letter she says that she has only taken two bottles of Burkock Blood Bitters, and has nearly recovered her health, and authorizes us to use her name in advertising to suffering humanity.

There is a story of a young man who was once invited to dine with an old gentleman of rather sudden temper. The diningroom was on the second floor, and the principal dish was a fine ham. When the old gentleman undertook to carve it he found the knife rather dull, and, in a sudden passion, flung it down stairs after the servant who had just brought it. Whereupon the young gentleman seized the ham, and, with admirable dexterity hurled it after the knife. "What on earth do you mean?" asked the old gentleman, as soon as he could speak. "I beg your pardon," was the cool reply, "I thought you were going to dine down stairs."

Mr. W. A. Wing, Westport, writes, "I wish to inform you of the wonderful results which followed the use of Northrop & Lyman's Emulsion of Cod Liver Oil and Hyl poposphites of Lime and Soda. A cough of six months' standing had reduced me to such an extent that I was unable to work. I tried many remedies without effect; at last I used the Emulsion, and before three bottles were used I am glad to say I was restored to perfect health."

Roberts, Williams & Company of Liverpool, timber merchants and sawmill proprietors, will go into liquidation. Liabilities £180,000.

A stinging sensation in throat and palate called heartburn, and oppression at the pit of the stomach after eating, are both the offspring of dyspepsia. Alkaline salts like carbonate of soda may relieve but cannot remove the cause. A lasting remedy is to be found in Northrop & Lymans Vegetable Discovery and Dyspeptic cure. Those associate organs, the liver and bowels, benefit in common with their ally, the stomach, by the use of this benign and blood purifying remedy.

Oscar Wilde celebrated his birthday last week and received a huge box of sunflowers from a lady admirer in England. Oscar's delight was prodigious until he found he had $16 freight to pay, whereupon he declared that it was "too-too" much.

Dr. Nash, of Forest, writes: "Having used Dr J. D. Kellogg's Asthma Remedy on myself, I am happy to bear testimony to its effects. It gave immediate relief whenever used, and always a good night's rest; the cough also was greatly lessened, and the disease disappeared entirely in the course of about six weeks. I would strongly recommend it to all afflicted with this miserable disease, as I am confident it will bring immediate relief to all, and I believe a permanent cure to a large majority."

Northrop & Lyman, Toronto, Proprietors.

It is the bother of an editor's life to pass judgment on articles not quite worth publishing and a little too good to throw away —*Yonkers Gazette.* And yet which are not intrinsically worth the stamps and envelopes required to send them back to the anxious writers.

That Husband of Mine

Is three times the man he was before he began using "Wells' Health Renewer." $1. Druggists.

Alexander Dumas.

Alexandre Dumas was among the most decorated of authors. He was often twitted for the number of patents of chivalry which were lying on his secretaire and for the crosses, stars and colored ribbons artistically ranged on the chimney-piece of his study. "Why, my dear Dumas," exclaimed one of his friends, who deplored in secret the emptiness of his own buttonhole, "what do all these baubles remind you of?" "Oh! of the fable of the fox and the grapes!" retorted the author of "Monte Christo," putting his interlocutor to confusion.

Don't Die in the House.

"Rough on Rats" cleans out rats, mice, roaches, bed-bugs, flies, ants, moles, chipmunks, gophers. 15c.

Lynn, Mass., always was a good place for health, but it has become a modern Bethada since Mrs. Lydia E. Pinkham, of 233 Western avenue, made her great discovery of the Vegetable Compound, or panacea for the principal ills that afflict the fair creation. This, differs, however, from the ancient scene of marvelous cures in this important particular: The healing agent, with all its virtues, can be sent to order by express or mail all over the world.

REST AND COMFORT TO THE SUFFERING

"Brown's Household Panacea," has no equal for relieving pain, both internal and external. It cures Pain in the Side, Back or Bowels, Sore Throat, Rheumatism, Toothache, Lumbago, and any kind of a pain or ache. It will most surely quicken the Blood and Heal, as its acting power is wonderful." "Brown's Household Panacea," being acknowledged as the great Pain Reliever, and of double the strength of any other Elixir or Liniment in the world, should be in every family handy for use when wanted, "as it really is the best remedy in the world for Cramps in the Stomach, and Pains and Aches of all kinds," and is for sale by all Druggists at 25 cents a bottle
