GLENCAIRN WINS BY 5.39.

Yankee Yacht Beaten Easily in Fourth and Now They Are Tied for the Cup.

TO-DAY'S RACE WILL DECIDE.

A Beat to Windward and Return for the Seawanhaka Corinthian Trophy.

Montreal, Aug. 2.—The fourth of the series of races for the Seawanhaka Cup, for small boats, which was sailed on Lake St. Louis this afternoon, was won by the Canadian defender Glencairn III., sailed by Herrick Duggan, which defeated the American challenger, Constance, sailed by Clinton Crane, over a triangular course of four miles, sailed three times over.

The Glencairn finished 5 minutes 39 seconds ahead of the Constance.

The breeze was very variable, and at one time a storm broke on the lake and the rain poured down.

Duggan had evidently the advantage in to-day's race, and though he was behind a couple of seconds at the start, he quickly overhauled the Constance, and rounded the first buoy 1 minute and 50 seconds ahead. From this to the end he had the race practically won, maintaining his lead on each round of the course.

Out of the four races sailed Constance has won two and Glencairn two, so that to-morrow's race, which will be a beat to windward and return, will decide the fate of the cup. If Duggan wins it will stay in the possession of the Royal St. Lawrence Club, but if Crane wins to-morrow's race it will be returned to the Seawanhaka-Corinthian Yacht Club of New York, the original donors. Official time:

Glencairn wins by 5 min. 39 secs.

McLeod Defender Won.

The scheduled Wednesday's trial for the cup defenders was sailed yesterday afternoon and was one of the prettiest races seen on the bay this year and was won by the McLeod boat by a minute and a half. The course was twice around the bay triangle, a distance of about six miles, the orders being to sail from east to west, leaving all buoys at starboard.

The boats crossed the line so close together that there was only 3-5 of a second between them, the McLeod in the lead. They started with a northwest wind, but about quarter way to the east buoy the wind struck them from the southeast and continued to blow that way for the rest of the race. The Payne boat was the first to round by over a minute, but on the next two legs the McLeod steadily gained and when they reached the starting point was 18 seconds ahead. She lost again on the beat to windward, being 30 seconds behind when the east buoy was rounded the second time, but from there to the Island and home, McLeod picked up what she had lost and finished over a minute ahead. Great interest was taken in this race and a large number watched it from the balcony and roof of the club.

Before the Breeze.

The committee of the R.C.Y.C. are arranging for a steamer for the trial races next week.

The Canada was towed into the slip today and will be rigged up for Saturday as the spars will be ready to-day.

George Gooderham takes possession of his new yacht to-day at New York, and she will be brought here next week.

Whitman Beat Davis.

Boston, Aug. 1.—The second Longwood Cup match was played this afternoon by H. D. Whitman, the holder, and Dwight L. Davis, the challenger. Although Whitman, the favorite, won, it was a disappointing match to the great crowd of tennis enthusiasts present. Whitman defeated Davis 6—1, 6—4, 7—5.

Syracuse Beat the Hams—Worcester and Hartford Won—No Game at Montreal.

Washington 4, Toronto 1.

The Washington Senators proved a great drawing card yesterday at the Island, and 3000 paid admission to see the National Leaguers beat Toronto. The working visitors were all familiar faces, except Slagle, the sensational outfielder who had little to do, and Kittridge, who caught two innings. Freeman, McGann, Padden, Dineen, Duncan, Bonner, Atherton and O'Brien received volumes of applause in the order mentioned. The visitors batted Suthoff steadily, but just for singles. They hit and ran successfully, but only as the exhibition warranted. Willie Dineen pitched as if the game depended on keeping Cleveland at the bottom, and Toronto's hits were perfectly scattered. A base on balls to Roat and Beaumont's fly that the wind took to the screen for two bases, scored a run in the second and kept Toronto ahead until the fourth, when Freeman, Padden, Atherton, Dineen and Slagle hit and bunted safely, but for only two runs, as Roat started a fast double play that terminated the round rather suddenly. A base on balls, Dineen's bunt and Suthoff's wild throw to first scored the other two in the sixth.

Padden's clean hitting and handy work at short, O'Brien's fielding, Duncan's catching, Dineen's twirling and Dan McGann's frisky base running and coaching were the features furnished by Irwin's Soubrettes. It was a good exhibition only and as a whole secondary to the lively preliminary practice put up by the Senators.

Freeman failed to lam the ball over the fence, though entreated to by the fans every time he stepped to the plate.

The Eastern League.

At Worcester: The Farmers showed new life in the first game on the home grounds after a disastrous trip, and won easily from the Ponies. London Won Two.

London, Aug. 2.—London and Guelph played a double-header, and Lohman's men took both without much difficulty. The first game was a walk-over for London, they playing an errorless game, while Guelph gave Damoth poor support.

The second was full of ragged fielding on both sides, London doing the biggest part of the yellow playing. They bunched their hits in the first three innings, however, and, although Guelph made a garrison finish, Cooper braced up and blanked them easily in the ninth. Scores:

Tailenders Beat the Hams.

Hamilton, Aug. 2.—(Special.)—It looked very much like a shutout for the Syracuse team of the Eastern League by the Hamiltons of the Canadian League here to-day, until the eighth when Lynch's home run brought in three runs, Lezotte doing the same trick in the ninth inning, bringing in two more and tying the score. The Hams were shut out in the 10th, Syracuse scoring the winning run with one out.

Final Game With Syracuse.

The Syracuse Stars will be the Torontos' opponents at Hanlan's Point again to-day the game being billed for 4 o'clock. To-morrow the leaders from Rochester make their appearance in Toronto and, as the locals are their nearest competitors in the race for the championship, unusual interest will be attached to the series. The Rochesters will also play on Saturday and twice on Monday (Civic Holiday) at the Island, these being the last games on the home grounds for nearly three weeks.

Shamrocks or Torontos?

If the immense sale of seats yesterday at Nordheimer's is a true indication of the aroused enthusiasm of the Toronto public over their favorites, the Toronto Lacrosse Club, for their match with the Shamrocks on Saturday at Rosedale, the attendance will be probably in the neighborhood of ten thousand people. The referee question has been settled amicably by both clubs assenting to the appointment of Mr. Chittick and J. D. Bailey of the Tecumseh L.C. as one of the umpires, the other not yet being appointed. Excellent work was done last night by the full team, and the final practice is called for to-morrow afternoon at 3.30. The plan will remain at Nordheimer's until Saturday at noon.

Ten Eyck Makes a Record.

Worcester, Aug. 2.—The second annual Quinsigamond regatta was held at Lake Quinsigamond and fully 20,000 persons saw the racing. The feature of the day was the appearance in the senior single sculls of Edward H. Ten Eyck of Worcester, who won the senior championship for the National regatta at Boston last week. Ten Eyck received a great ovation and responded by winning his race against Amos Kubick and cutting down the lake record to 9 minutes 46 3-5 seconds.

In one of the trial heats of the single sculls Charles H. Lewis of the Wachusett Boat Club, who, with Ten Eyck, won the senior doubles at the National, capsized when within a quarter of a mile of the finish. He was at the time three lengths in the lead. The summary:

Four-blade canoe race—Won by Crescent Canoe Club, Waltham; Lakeside Boat Club, Worcester, second.

Single sculls—Won by Edward Ten Eyck, Wachusett Boat Club; Amos Kublick, Springfield Boat Club, second. Time 9 minutes 46 3-5 seconds.

War canoe race—Won by Crescent Canoe Club, Waltham; Lakeside Boat Club, Worcester, second.

Eight-oared race—Won by Worcester High School crew, Wachusett Boat Club second. Time 8 minutes 27 seconds.

Britannia Gave Up the Race.

Cowes, Isle of Wight, Aug. 2.—This was the second day's racing in the regatta of the Royal Yacht Squadron, and brilliant weather prevailed. The prize competed for was £100, and the course sailed over was the Queen's Cup course. A grand start was made in a light east-southeast wind.

The yachts crossed the line in the following order: Meteor, Britannia, Bona, Satanita and Rainbow. Britannia drew ahead, but on returning from the westward Meteor led, with Bona second and Britannia close up. Meteor won. She finished the first round at 1.25.05. Bona finished at 1.55.01. Britannia gave up the race. Meteor finished in 5.40.

The remarkable victory of the Meteor over the Bona proves that she is the best racing yacht in England. English yachtsmen are beginning to feel grave doubt as to the chances of the Shamrock.

Columbia Dismasted.

Bateman's Point, R.I., Aug. 2.—The America's cup defender Columbia and Defender started today in a trial race. The Columbia went across the line on starboard tack at 11.16.09, and Defender 11.16.49. When the race had barely got well under way, with Columbia well in the lead, the Columbia's mast broke short off about 50 feet from the deck, and all her sails fell into the water. A number of tugs and despatch boats hastened to her assistance.

Shamrock Starts for America.

Greenock, Aug. 2.—Captain Hamilton of the Allan Line will navigate the cup challenger Shamrock to New York. Shamrock started from here with the flood tide, and, after adjusting her compasses, proceeded in the direction of Fairlie. Her departure was witnessed by thousands of persons lining the quays. They gave the yacht an enthusiastic send off.

Sporting Miscellany.

Wiarton and Owen Sound lacrosse teams played an exhibition game at Owen Sound yesterday. Score 5 to 4.

The Hawthorne Athletic Club of Buffalo has matched Jack O'Brien of New York and Jim Popp of Toronto to fight 20 rounds in their arena on the afternoon of Aug. 19.

Last evening's races at Tecumseh Park, London, resulted as follows: One mile novice, J. Duncan, H. Barber, A. Adair. One mile, lap—R. Ingram, Higley, Wilson. Half mile, boys 16—Gerlack, Flynn, Simons. Pursuit race, won by Higley.
