NEW TRACK GETS THE CROWD FREE ADMISSIONS IN SIGHT

Turf War Goes Merrily On at New Orleans and Both Clubs Suffer.

New Orleans, Feb. 13.—The prestige of the Western Jockey Club, the controlling turf organization in the south and west, was badly shattered here on Saturday. The success attending the opening of the Panama track was marked, despite the adverse weather conditions, and the American Turf Association was safely launched as a power in the racing field.

The new track attracted the largest crowd. It had 14 books on the line in the ring, four less than the Crescent City track, which meant $400 less in revenue than the latter received. As the rumor was broadcast, however, that some of the bookmakers at the old course were men with bank accounts furnished by the association, it is likely that the financial results from the ring were the same.

There is no question that many of the attendants at the new grounds were attracted there thru the novelty attached to a new racing plant. Many old racegoers who have been seen regularly at the old courses on Saturdays were in evidence.

The day's sport passed off pleasantly, and for a new venture ran smoothly. Curly Brown acted as starter. His work with the barrier was good, considering the difficulties under which he labored.

The racing at both tracks demonstrated most forcibly a most important fact—that two tracks cannot race here in opposition without a great financial loss to the clubs concerned. The racegoing community of this city is not large enough to support two courses racing at the same time. If they continue to clash both will lose money.

The fight between the two clubs has been most beneficial to owners and turfmen generally. To secure the best horses for each place the managements of the clubs raised purses, and gave other extra inducements for support from the owners.

Now comes the favors to the racegoers. Bunches of complimentary tickets for each place have been printed and can be obtained for the asking. It is the idea of the managers of both tracks to have a big crowd daily at the grounds in order to hold the bookmakers. The gate receipts from now on will be at least two-thirds less than heretofore.

It seems that, from reports floating around town to-night, the Crescent City track management has a source of revenue from which the Panama people have yet to hear. This wealth will come from the out-o-town pool room patronage.

For years the pool rooms thruout the country have taken races at the former place, and they did not desert it in the hour of its need. They took these results in preference to the Panama track. A few places in the odds against the horses at both tracks, but in the majority of cases only the Crescent City track was handicapped.

Storm at Hot Springs.

Hot Springs, Feb. 13.—Owing to the stormy weather and the frosted condition of the course at Oaklawn Park there was no races here this afternoon. The managers of Oaklawn Park believe that they will be able to begin their races to-morrow. The entries for to-day's races are to stand as the official entries for the events to-morrow.

Norfolk Richmond Goes to Hamilton

Frock Suits.

The Frock Suit gives the designer a finer opportunity to show his ability than any other suit excepting the Dress Suit.

Our enormous output permits us paying salaries which induce the best designers in America to enter our employ. The average merchant tailor cannot do so.

The ideal Frock Coat is the Semi-ready Frock Coat. It is close fitting at the waist, long, medium with collar, and lapel slightly convexed to end of roll.

The coat is large and easy at chest, broad shoulders tapering to the waist, shaped naturally over the hips and the beautiful bell skirt completes the perfection in design.

CORNWALL 2, BROCKVILLE 1 FAST FEDERAL LEAGUE GAME

Canadian Soo Beat Pittsburg—O.H.A. Games Decided in Closing Rounds.

Cornwall, Feb. 13.—(Special.)—Fully 1200 people saw Cornwall's young hockey team defeat the much-lauded Brockville aggregation of puchchasers here to-night by 2 to 1, in one of the fastest and cleanest matches of the Federal League series. The Brockvilles came down confident of victory. They had vanquished the Ottawas since Cornwall made them travel their fastest pace in the town where Pink Pills are manufactured, and had made a respectable showing against the famous Wanderers of Montreal. They claimed to have vastly improved in form and Cornwall money was picked up even as a cinch. The Brockvilles came down on a special train with 100 rooters and did not arrive at the rink until after 9 p.m. Then came an unfortunate tangle over officials. Thomas Hodge of the Wanderers of Montreal, who had been agreed upon as referee, was unable to be present and Mr. Belleghem of the Ontario Bank, Cornwall, was appointed in his stead. The visitors did not like this at first, but his decisions were so fair that they congratulated him after the match. Their only kick was over the ruling off of Sheriff, who played football with the puck after he had lost his stick and was sent to the penalty ward for a rest. The only other men ruled off were McCourt of Cornwall and McDonald of Brockville, for cross-checking, all in the second half. Each team had a full complement of players when any scoring was done. Cornwall had the better of the play in the first half, and Mallette scored the only goal. Brockville made many desperate atempts in the second period, during which each team scored, the goals being credited to Lannon and Smith respectively. The pace in the last half was chain lightning and both teams did a lot of fast passing and rushes. Cornwall's combination, however was the winning factor. The teams and officials were:

Brockville (1): Goal, Kerr; point, McPoud; cover point, McRobie; forwards, Dobie, Sheriff, Lannon.

Cornwall (2): Goal, Hunter; point, C. McDonald; cover point, G. McDonald; forwards, Mallette, Montgomery, McCourt.

Umpires, E. J. Peters, J. Murphy; timers, Mr. Gilhooly, W. Fitzgibbons; referee, B. J. Belleghem.

Business Boys Champions.

In a rather one-sided basketball game at the Central Y.M.C.A. last night, the Business Boys defeated Chapman's team by 27 to 9. The half-time score was 12—8. Armour and Fullerton played good ball for the winners, and Tompkins, tho not scoring, was in most of the combination play. This gives the Boys the junior championship. They have gone thru the season without a defeat. Teams:

Business Boys (27)—Armour and Dale, forwards; Tompkins, centre; Hogg and Fullerton, guards.

Chapman (9)—Chapman and Burns, forwards; Greenwood, centre; Carter and Speer, guards.

Junior Arts was arrayed against the Seniors and the juniors came out on top, at 3 to 1, the score in goals being 9 to 3. Junior Arts had all the better of the play the first half and scored seven goals to three made by their opponents. The second half was a little more even, as the score indicates. Junior Arts, however, felt they had the game won and did not exert themselves to any extent. The next game will be played this afternoon between the Senior S.P.S. and Dental teams. The teams:

Junior Arts (9): Goal, Keith; point, Boyd; cover, Lambert; rover, Davidson; forwards, Fraser, Laidlaw, Sherwood.

Senior Arts (3): Goal, J. De Lury; point, Francis; cover, McLean; rover, Dowling; forwards, Ellis, Boyd and Reid.

Canadian Soo Beats Pittsburg.

Sault Ste. Marie, Ont., Feb. 13.—In the International League hockey game here to-night, the Canadian Soo won from Pittsburg by 5 to 3. The game was one of the fastest and cleanest of the season. The only man ruled off was Campbell for tripping. The feature was the great work of the Soo forward line and of Pittsburg's defence. The local forwards were very fast and played a beautiful combination. Score at end of first half: Soo 2, Pittsburg 1. The teams:

Soo (5)—Goal, Maltman; point, Brown; cover-point, Gillard; rover, Taylor; centre, Clifton; right wing, Collins; left wing, Ward.

Pittsburg (3)—Goal, Winchester; point, Spittall; cover-point, Duval; rover, Black; centre, Campbell; right wing, Kent; left wing, Roberts.

One Wind Race Off.

London, Feb. 13.—Tom Sullivan, speaking to the Canadian Press, said that the proposed match with W. A. Barry had fallen thru owing to Barry not agreeing to allow Sullivan five seconds' start and row but one lane. Sullivan added that he would prefer to row Eddie Durnan of Toronto on level terms than Barry with a start.

Asked re the decadence of professional sculling, Sullivan said the backers and public had lost confidence in the sport. Some of the best sculling races had been won by sculler who were backed to win races had not done justice to their supporters; but when men were beaten, so long as they tried honestly, they were looked upon favorably. Professional sculling is at a very low ebb at present, but Sullivan hopes for better days.

Referring to the acceptance of Durnan's challenge, Sullivan says it depends altogether upon arrangements being made to have his business carried on during his absence.

"I will let you know in a day or two," he concluded.

Flavelle Beat Winnipeg Rink in Tough American-Abell Game.

Winnipeg, Feb. 13.—(Special.)—The first day of the second week saw the finish of a number of good rinks. Hope, of Carberry, last year's grand challenge winner, was put out of challenge this morning by Thomas Lowe's Granite quartet, after a splendid game. Eade of the Civic rink, and Sutherland of the University were two local rinks to get their bumps in this competition. Vernon of Collingwood and Whalen of Fort William being the lucky ones. In the Empire games the notable feature was the defeat of Flavelle of Lindsay by Capt. McMillan of Virden, the Manitoba veteran winning out handily from the veteran easterner. Russell's kid rink had a hard time of it, but won again, and retained their unbeaten record. The unbeaten Douglas rink of the Thistles won also in this competition, defeating Johnston of the same club rather easily. Vernon won by 10 to 7, getting a big lead at the start and holding it. Flavelle played too much draw, which lost the game for him. It was a pretty game, and Captain Vernon was always on the button when any chance of getting there was open. Flavelle, with his last rock, could have tied but failed to get his stone far enough; score 8 to 12. Flavelle won in the American Abell later in the day after a tough game with Hicky of the Thistles, and the Lindsay man had one point to the good, winning with his last rock; score 11 to 10. Doig, Glenboro, succeeded in winning his game against Hughes, Montreal, in the Tetley Tea competition after an exciting finish by 11 to 12.

Scott of Toronto had no trouble in winning in the international play down from Kelly of the Medicals; score 11 to 5. Scott scored 17 points in four ends in his game in the Grand Challenge with McMillan, Virden, who piled up points in each of the eight ends. He was beaten out by three; score 17 to 14.

Toronto Man Wins.

Winnipeg, Man., Feb. 13.—(Special.)—To-night in Alfred Dolge Scott, Toronto, beat McLean Holland by 13 to 11. MLean was lying shot on last end, but Scott with his last stone drew in thru a narrow port and won the game. In the same series Flavelle, Lindsay, beat Lyall, Montreal, 9 to 8. Flavelle counted on only five ends, but had a couple of threes. Lyall got three singles to wind up with, and barely missed winning out on the last end.
