SHAMROCK'S EASY VICTORY OVER TORONTO.

Every avenue of access to the new Toronto Lacrosse Athletic grounds at North Rosedale was thronged with large numbers of people between 2.30 and 3.30 yesterday afternoon, up hill and down dale and across the great iron structure of the Scottish and Manitoba Land Company over the second ravine, to witness the struggle for supremacy between the historic rivals, the Shamrocks and Torontos. Without doubt no more popular game can be looked for the year round than the contest between the green and the blue. So that after a few preliminaries had been arranged, the chief difficulty being the selection of a referee, both teams unanimously agreeing upon Mr. Thomas Mitchell, a veteran of Toronto, when both clubs' representatives lined up at 3.50, in mid-field, an expectant audience of 3000 had their patience screwed up to the last thread.

A glance at the names of the Toronto team showed an all-round sound lot of players. Sam Martin, Joe Irving, Jimmy Garvin, Fred Dixon—Toronto should be able to do everything with these old reliables. And Dud Sewell, but he didn't pan out. Not because he is not a worthy exponent of the great national sport, but he seems to be a back member. Where was Pete Knowles, who has been the hero of the grand stand and the club house in the opening games of the Toronto twelve? Joseph Tait, M. L. A., a thorough critic of lacrosse, would have very much liked to see Knowles in Sewell's place, but a general opinion was that Knowles should have had Langley's position on the field. This seemed to be the only grumble against the Toronto representatives.

A visit to the Shamrock dressing room showed as fine a lot of young athletes as ever came up for the Shamrock Lacrosse Club. Captain Polan was proud of his men, and enthusiastic were they all over the fine new grounds of the Toronto club. Their first appearance here for two years, the best of feeling prevailed for their brothers-in-crose, the Torontos. Most of the Shamrocks have been seen here before. Not by any means were they veterans, however, excepting Duggan—the balance of the team were mainly Junior Shamrocks from that team of 1889. O'Meara, who held his end up well, made his first appearance here.

Praise for Old Torontos.

Everything in praise may be said of nearly all the old Toronto players.

The play of Fred Dixon was the feature of the game, and Warbrick for the colts should come in for special mention.

The Shamrocks' home combined their play so well, however, throughout the match that the Toronto defence could not withstand it. After the first game, when appearances indicated a triumph for Toronto, nothing was heard at the Shamrock pav. but a hope that, however the match would end, either Shamrock or Toronto would come out head at the finish of the series.

The teams lined up:

TORONTOS.		SHAMROCKS.
Joseph Irving	Goal	McKenna
J. S. Martin	Point	Murray
James S. Garvin	Cover point	Bark
Paul Carmichael	Defence	Dwyer
J. McConaghy		Duggan

J. E. Sewell	Outside home	Tansey
J. Warbrick	Inside	Tucker
W. E. Rundle	Captain	M. J. Polan

Referee—Mr. Thomas Mitchell.

Opening Game.

The first game started with the face-off between Kelly and Langley. Kelly got the ball and sent to Neville, who lost to Dixon. Dixon had a good chance and missed. The ball then went to Toronto's goal and Tansey missed after good play on the part of Shamrock team. Paul Carmichael saved and sent to the Shamrocks' goal and Dixon and Gale sent in a hot after shot, but could not score. The play was transferred to Toronto's goal and kept Martin and "Baldy" busy, but they were there at the right time. Tansey, Tucker and O'Meara played a splendid home game and passed from one to the other very quickly. The game after this was the fastest played on the new grounds and was scored by Warbrick for Toronto in 25 minutes.

Now Shamrocks Begin to Score.

The second game started at 4.30. The play was very fast all through this game and the ball traveled up and down the field. Some of the old players on the Toronto team did not show up to their last year's form at critical times. The game was scored by Tansey for Shamrocks in 5 minutes.

The third game started with the Shamrocks, as usual, getting the ball at the face-off. After some good play at both ends the ball went to the Toronto goal, when Irving made a grand stand run and sent it to the other end. The play was furious, and after repeated attacks on the Shamrock goal by Dixon and some beautiful runs and catches by Kelly and Hinton for the Shamrocks, the ball was put through by Tansey in the short time of 8 min.

And Still They Score.

In the fourth game the Torontos made a change in the team by putting S. Martin in goal and Irving on outside home, as Tansey appeared to have too easy a thing. At the face-off Toronto got the ball and sent well down the field, but it was immediately returned. Gale made a grand run down the field and shot on goal, but it was no avail and was sent to Toronto goal. Boyd saved and sent down to the other end, where Dixon claimed foul and a face-off took place. It was sent down again, when Hinton and Tansey made a brilliant play. Sewell made a mistake in throwing short to Dixon and the ball went back to Toronto goal, Tansey and Tucker making repeated attacks. Garvin was always in his place, but the game seemed bound to go against the Torontos; Tansey finally scored. Time 30 minutes.

The fifth game started at 25 minutes past 5, Toronto getting the ball sent it well upon the Shamrocks' goal, but Dwyer and Murray always saved and transferred to the Toronto end. The game was put in by O'Meara after some hot play in 4 minutes.

The sixth game started at 20 minutes to 6. The Shamrocks getting the ball at the face sent it to Toronto goal, but Irving was on deck and sent to Shamrock citadel, where the players and spectators thought the Torontos should score, but Neville made a grand run down field and O'Meara scored the game for Shamrock, completing the match. Time 4 minutes.

The C.L.A. Executive Meets To-Day.

A meeting of the Canadian Lacrosse Association Committee on Appeals will be held this morning in the Rossin House, when the following complaints will be adjudicated upon:

Niagara v. Stratford for playing ineligible men; Olympics of Milton v. Toronto Junction for playing ineligible men, also for abusive language and maltreating a player on the field.

Toronto Junction and Toronto Second protested against each other and sawed off. F. S. Hewitt, who was suspended in '90 for playing with two clubs, asks to be reinstated. Barrie is supporting his claim. J. J. McCarthy's reinstatement will again come up.

The Toronto Junction-Athletic game, which was drawn and was asked by the referee to be continued, is claimed by the Junction to be a game won by default.

The Intermediate Champs Beaten at St. Kitts.

ST. CATHARINES, July 1.—An exhibition lacrosse match was played between the Athletics of Toronto, intermediate champions of the C.L.A., and the Athletics of St. Catharines here to-day. The Athletics of St. Catharines are not thoroughly organized and have several colts in their team this year, but managed to beat the Toronto team in 4 straights. The Athletics showed themselves to still be able to play a very fast game, and though at times the Toronto team made things a little close for them it was plain that they were a little too slow. About 800 people witnessed the match.

This Afternoon's Match.

The interest taken in our national game this year in Uncle Sam's domains is becoming greater each day. The various inter-collegiate matches over there are watched by thousands where a year or so ago one hundred would have been a good audience. It is quite probable that the Toronto Lacrosse Club will pay a visit this fall to some of the American cities to give the game a further boom. To-day the celebrated Philadelphia team play the Torontos in Rosedale and a good match is looked forward to. As soon as we will be able to get an international series of lacrosse matches the in terest will become unbounded, and it remains with Toronto to give our visitors a good reception to-day as a start. The Philadelphias are a purely amateur team and are some of the best players in the States. They come here at an expense of about $500, and it would be a harm done to the game if Toronto's citizens don't encourage them in their splendid effort.

Clinton Defeats Goderich.

GODERICH, Ont., July 1.—The third lacrosse match in the western district was played here to-day between Clinton and Goderich, and resulted in 4 games to 1 in favor of Clinton.

The Canadians Beaten in Kingston.

KINGSTON, July 1. — The Kingston Lacrosse Club defeated the Canadians of Toronto by the substantial score of 5 to 1. Raney for the Kingston defence and McCaig on the home materially added to the strength of the home team.

Cornwall Wasn't in It.

OTTAWA, July 1.—The Capitals easily defeated Cornwall here to-day. The Governor-General faced the ball. Within half a minute of the start Kent put through a dandy for the Capitals. This was succeeded in 2½ minutes by another for the home team by Murphy. Carleton did the needful for the Capitals in 12 minutes.

In 24 minutes Moss put through a good one for the visiting team.

After this the match simply belonged to the Capitals. Murphy put through the other two in 8 minutes each and the result was 5 to 1 in favor of the Capitals amid much rejoicing.

The defeat was undoubtedly owing to the weak field of the Cornwalls and most unusually strong defence of the Capitals.

The Navy Team Beaten at Montreal.

MONTREAL, July 1.—A thousand people attended the exhibition lacrosse match this afternoon between Montreal and the Schuylkill Navy team of Philadelphia.

The American team was composed of a splendid lot of young fellows, and their mastery of the Canadian national game was a surprise to the Montreals. Of course the home team had the best of it, but they had to work hard to win the games, and the members of the visiting team did some very pretty playing. The match resulted in favor of the Montreals by 5 games to 1.

Lacrosse at Port Hope.

PORT HOPE, July 1.—The Tecumsehs of Toronto were defeated by the Onfarios here to-day by 3 games to 1.

Lacrosse Lines.

Jimmie Garvin has not forgotten how the team played last year, and worked like a horse.

Dr. Eddy Gordon was seen on the grounds with sisters and relatives in a cab, and appears to be getting all right again.

The Winnipegs won the championship lacrosse match from the Garrys yesterday afternoon by 4 games to 3.

There were about 35 members of the Shamrock club and friends from the Metropolitan City to see their club score a victory over Toronto.

Toronto wants to have a lot of practice and make some changes in their team if they wish to win from Cornwall on the 9th. You can't do without Pete Knowles.

There ought to be another big crowd at the grounds this afternoon to see the game between the Schuylkill Navy team of Philadelphia and Toronto.

A lacrosse match was played at Norwood yesterday between the Peterboro and Norwood clubs and was won by the Norwood club by 5 goals to 1.

A lacrosse match was played at Stratford yesterday between the Stratfords and the Olympics of Milton, resulting in a tie, each club taking 2 goals.

Talk about lacrosse games, wait until Sept. 11 to see the match of the season. Only members who have been 20 years in the club will play. President Suckling, "Cheesy" Robinson, Tom Mitchell, J. Logan and others are coming out then to show the team of to-day how to play the game. The teams will be called "The Buffers" and "The Duffers." The proceeds, which should be large, will be in aid of the Infants' Home.

ONE GAME EACH.

Dukes and Varsity Quit Even for the City Championship.

About 300 persons attended each of the games at the Toronto baseball grounds yesterday morning and afternoon between the Dukes and Varsity for the city championship.

The result was a draw, as each team won a game.

The Dukes could not locate Coty to any extent in the morning and with Varsity's clean fielding the league leaders were blanked. It was a pitcher's battle, in which McGarry had very little the worst of it, although a two-bagger and a single earned a run for Varsity. The score:

The Dukes Win in the Ninth.

Varsity had all the best of the second game up to the ninth, when the whole infield seemed to go to pieces with the result that the Dukes got the two runs across the plate they wanted.

The feature of this game was Nickle's clever play at short for Varsity and Harris' work in left field for the Dukes. Sampson pitched eight innings in rare form, although a little wild. Then he asked Coty to replace him and Varsity's fielders played disgraceffully with the above result. Score:

The Nationals Were Victims at St. Thomas.
