CURATIVE - FLUID.

A preparation that appeals to man's common sense.

NOT like the great majority of remedies, "Because they cured Mrs. Jones they ought to cure Mrs. Smith."

HERE you have CAUSE and EFFECT. Catarrh, Bronchitis, Erysipelas, Indigestion, Blotchy Faces, etc., are due to an excess of acid. The "Curative Fluid" being a combination of Potasses neutralizes that acid, removing the cause that produces disease.

For sale by all Druggists or W. Y. Brunton.

JOHN T. STEPHENSON.

Bad Blood is the prime cause of nearly all Skin Diseases, such as Boils, Pimples, Blotches, Eczema or Salt Rheum, Erysipelas, Shingles, Scaly Tetter, Rashes, Sores and Itching Eruptions. Before they can be cured the blood must be purified. Take the best blood purifier—Burdock Blood Bitters, and these diseases must depart, for they cannot exist if the blood be kept pure. A beautiful
