### Game Season Opens.

The season for big game hunting opens today and it will be surprising if moose is not on sale in the country market by Saturday. All indications point to a particularly successful season for hunters, and it is anticipated that the records of previous years will be broken. Many Americans and foreign sportsmen have made hunting plans and others are making inquiries for dates, guides, etc.

Mrs. Stanley Brant, Deseronto, Ont., writes:—"My little boy, Stanley, 1½ years old took the Summer Complaint and got so bad as to pass blood.
