H. CO. 48TH BEAT ENGINEERS.

In First of Semi-Finals for the Currie Cup and Championship.

H Co., 48th Highlanders, defeated the Engineers last night in the first game of the finals for the Currie Cup and the garrison championship. H Co. winning after a very exciting game. The result was not altogether unexpected after their showing on Saturday night, their success being due to the work of Adams in the box and the clean hitting of the rest of the team. York, Thwaites and W. Adams having five hits each out of six times at bat. Thwaites at first fielded his position well, having 13 put-outs. The Engineers attributed their defeat to their inability to hit Adams when men were on bases, altho they played a hard uphill game, after H Co. had secured 11 runs in the first three innings. This lead proved too much for them, and they lost the game by five runs. Weldon on second played his usual good game, having seven put-outs on second and two hits out of four times up. Baldwin behind the bat had five put-outs and hit the ball safe and hard, having a three-bagger and a two-base hit. One of the largest crowds of the season was in attendance, and they were well repaid for their trouble. To-night the Engineers must win or the cup goes to H Co. Game starts at 8.30. The score:

WORLD'S B.B. CHAMPIONSHIP.

Rules Adopted re Contests Between National and American Leagues.

Chicago, Feb. 28.—Rules and regulations governing the world's championship games between the pennant-winning teams of the National and American Leagues were given out last night by Ban Johnson, president of the American League.

The rules govern all points that have proved obstructions to such contests in the past, and have the approval of the National Commission.

The agreement as adopted by the two leagues calls for a championship pennant and an appropriate emblem in the form of a button to be given to each player of the title-winning team.

It is also specified in the general agreement that the National Commission reserves the right to nominate the series at any time when the interests of baseball demand such a step, and also to award the title to one of the contesting teams, regardless of previous performances.

The series is to consist of seven games, to be played at the end of the championship season each year. Three games will be scheduled in each of the cities of the contesting clubs, the commission determining by lot, where the other games shall be played. If it should become necessary to play a seventh game to decide the championship, the commission will determine in which city it is to be played.

The agreement also provides for two umpires for each game, one umpire coming from each of the leagues. The umpire will be subject to the orders of the National Baseball Commission.

The players of the two clubs will get 40 per cent. of the gross receipts if the first four games; 75 per cent. of this amount will go to the winner of the pennant and 25 per cent. to the loser.

The National Commission is to receive 10 per cent. of the gross receipts from all of the games, and after this amount and that paid to the players have been deducted the rest is to be divided equally between the two clubs.

Each of the clubs participating in the games is to guarantee to the National Commission that it will play all of the games called for and will not not exercise any arbitrary right to withdraw before the series shall have been completed or the championship shall have been determined.

What "Tip" Means.

The word "tip" originated in the old English coffee house. At the door of these coffee houses was a box made usually of brass with lock and key. It had engraved upon it the letters, "T. I. P." (observe the stops between the letters)—"To insure promptness." Customers, as they passed out, dropped a coin in for the waiters. Hence the word "tip."

STRATFORD 7 GOALS AHEAD BEAT ST. ANDREWS 10 TO 3

Closing Junior O.H.A. Game To-Morrow Night—Some Hockey Notes.

Stratford, Feb. 28.—The fast Stratford juniors struck the hardest proposition of the season when they met the St. Andrew's juniors of Toronto in the first game of the O.H.A. finals here to-night, but came out victorious by a score of 10 to 3. The game was fast thruout and marked with pretty play and hard checking, but never for a moment was the result in doubt, the game being Stratford's from the start to finish. The half-time score was 5 to 1, Cotton being responsible for St. Andrew's goal. Sale and Grier scored for the visitors in the second half. For the locals Killer and Davidson showed up best, their brilliant rushes being a feature. The defence played a stonewall game, while Rankin had a great deal to do. Grier, for the visitors, was undoubtedly their best man, but was outchecked by Killer and could not pass the local defence. Warden and Bronson did their work well. The attendance was about 1200, and intense enthusiasm was displayed. The game was comparatively clean, altho 21 men were penalized. Referee Waghorne was very unnecessarily strict. The line-up was as follows:

Stratford (10)—Goal, Rankin; point, Roberts; cover, Baker; rover, Killer; centre, McCallum; right, Hamilton; left, Davidson.

St. Andrew's (3)—Goal, Warden; point, Douglas; cover, Crossen; rover, Grier; centre, Cotton; right, Sale; left, Bronson.

Referee—Waghorne.

They play the second and last final in the Mutual-street rink Thursday night, and the team with the majority of goals will be the junior champions of the O.H.A.

Victoria Harbor Beaten.

Victoria Harbor, Feb. 28.—In a very fast exhibition game of hockey here to-night, Fenelon Falls defeated the Harbor by 7 goals to 6. The line-up was as follows:

Fenelon Falls (7)—Goal, Gould; point, Davey; cover, Burgess; forwards, Sanford, Deyman, Boyce and Ouellette.

Kincardine Ladies Ahead.

Lucknow, Feb. 28.—The first ladies' hockey match ever played in this northern section was witnessed by a large crowd of spectators here to-night between Lucknow and Kincardine, being 7 to 3 in favor of Kincardine. The score, altho favoring Kincardine, does not indicate the game, as both teams were evenly matched and the game fast thruout. The line-up was as follows:

Lucknow (3)—Forwards, E. Thompson, Lila Taylor, M. Murchison, M. Lowe; cover point, E. Taylor; point, G. Johnston; goal, E. Moody.

Kincardine (7)—Forwards, E. Smith, H. Smith, S. Morrison, G. Tolmie; cover point, E. Hunter; point, E. Smith; goal, M. Huffman.

Referee—G. Stewart of Kincardine.

Calumet Won From Soo.

Calumet, Mich., Feb. 28.—Calumet defeated Sault Ste. Marie, Ont., last night in the International Hockey League series by a score of 6 to 3. The game was spirited thruout and full of sensational plays, the team work was lacking. Strike played remarkably fast and shot five of the local goals. The teams were:

Calumet (6)—Goal, Nicholson; point, McMillan; rover, Stuart; forwards, Mallon, Strike, Gardiner, Shields.

Canadian Soo (3)—Goal, Maltman; point, Brown; cover, Gelland; forwards, Taylor, Clifton, Collins, Ward.

Detroit Beat Amherstburg.

Detroit, Feb. 28.—Amherstburg was defeated here last night by 7 goals to 0 on soft ice.

Smith's Falls and Stanley Cup.

Ottawa, Feb. 28.—Smith's Falls has been taking time by the forelock, and in the anticipation of their defeating the Marlboros of Peterboro next Tuesday have already put in their application to the Stanley Cup trustees for a series of games for the trophy. In view of the fact that Ottawa Club has on its line-up men under the ban of the O.H.A., the action of Smith's Falls team looks like a defiance of the association. As a matter of fact, it is pretty well understood in the east that Smith's Falls, in the event of the winning the O.H.A. honors, will be given dates by the trustees, and Ottawa will assist them in securing them. Meanwhile they have to win the O. H. A. championship, and then, if they insist upon playing Peterboro over with their ineligible men on, it will be about up to the Ontario Association to suspend them and relieve them of the championship honors and the duties attendant thereon.

It is a pretty well understood fact that Smith's Falls purposes joining the Federal League next year and cutting themselves adrift from the O.H.A., but they want this year's championship to give them a chance for the Stanley Cup, with the gates and honors following in its train.

Cobourg Beat T. A. S.

Peterboro, Feb. 28.—Cobourg hockey team defeated the T. A. S. here to-night in the second game of the Trent Valley League. The final score was 4 to 2 and at half-time it was 3 to 1 for the visitors. The game was one of the best played in the Trent Valley series here this year. The home team weighed up well with the visitors, but their shooting was defective. There was little combination play, but the game was very clean. Bentley for Cobourg put up star hockey. Irving of Lindsay gave satisfaction as a referee. The teams were:

Cobourg (4)—Patten, goal; Hopper, point; Turpin, cover point; Bentley, rover; Mitchell, centre; White, right wing; Payne, left wing.

T. A. S. (2)—Clancy, goal; Meagher, point; Quigley, cover point; Deforge, rover; T. McGrath, centre; Rose, right wing; F. McGrath, left wing.

Bracebridge Beat Orillia.

Bracebridge, Feb. 28.—In an exhibition match here to-night, Bracebridge easily defeated Orillia by 10 to 4. The teams were as follows:

Bracebridge (10)—Goal, Cooper; point, Adair; cover, Stephenson; rover, Appleton; centre, McCargar; left, McLeod; right, Prebble.

Orillia (4)—Goal, Ritchie; point, McDonald; cover, Ritchie; rover, Sargent; centre, Phillips; left, Palmer; right, Marshall.

Referee Douglas Pace of Orillia gave good satisfaction, being strictly impartial. Timekeepers—Orillia, C. Palmer; Bracebridge, G. Boyer. Goal umpires—Orillia, G. Vaneeten; Bracebridge, H. Doon.

After the Puck.

In the Canoe Club Hockey League there will be two games played at Queen City Rink to-night, commencing at 7.45—F. Findlay's team v. Vice-Commodore's team, and Rear-Commodore's team v. S. Sylvester's team. The ice is in good condition, and a good turnout of the players is wanted.

The Wellington and Broadview ladies' hockey teams, whose playing made such a hit at the Markham tournament, will play an exhibition match at the Broadview Rink this evening at 8 o'clock. The I.C.B.U. will kindly note that the ladies are exchanging hours, giving them right-of-way for their I. C. B. U. night on Thursday. Another feature of the evening will be the "Rapture of Katzenjammer Kastle," in which snow forts, armies of uniformed boys, martial music and a fine display of fireworks will be brought into requisition.

The champion Broadview hockey team of the Juvenile T.L.H.L. have been successful this winter in league and practice games. They have scored the following goals against their opponents: Broadview 7, Deer Park 1; Broadview 15, Christ Church 2; Broadview 3, Deer Park
