A PIONEER GONE.—There died at Asheville, N. C., on Saturday, March 29th, Mrs Rebecca Clegg, relict of Jas Clegg. Deceased was born in Kent county, Ont., March 20, 1819. She was among the earliest settlers of Huron, and for many years was a resident of Goderich. The remains were taken to Detroit, Mich., and interred in Elmwood cemetery, the burial place of the family.

NORA CLENCH.—The following item was omitted last week: This talented violinist gave an entertainment in the Grand Opera House on Thursday evening of last week to a fair audience. Her appearance captivated the audience from the start, and her performance was exceptionally brilliant. The support was light when compared with the brilliancy of Miss Clench's execution. The entertainment was under the management of Mr S. R. Robb, of the Stratford *Herald* staff.

A BEAUTIFUL CANADIAN STORY.—*The Graphic*, Chicago's popular illustrated weekly, is publishing a beautiful story of Canadian life, by Mrs Mary Hartwell Catherwood, author of the famous "Romance of Dollard," the "Story of Tonty" and other charming chapters of Canadian history and tradition. THE GRAPHIC story is entitled the "Children of Ha-Ha Bay," the scene being laid successively near St. Alexis, Chicoutimi and Tadoussac. Marie, a fair orphan girl; her grandfather, a hermit, at Chicoutimi; Ignace, a brave young forester, and Justine, his sister, are the well-drawn characters in this, the best of Mrs Catherwood's shorter stories. The three issues containing this beautiful sketch, (finely illustrated by Mr A. B. Davies), may be obtained of most newsdealers or they will be mailed by the publishers on receipt of 30 cents.

THE COSGROVES.—The entertainment given by the Cosgrove Family on Monday evening last was a musical treat, and those who were not present missed a unique exhibition of musical skill. John Cosgrove is a whole show in himself so far as acquaintance with musical instruments in concerned, and the other members of the family are little short of his versatility. The singing of Miss Ada Cosgrove was fully appreciated and several times during the evening she was vociferously recalled. Little Mabel Ross caught the audience with her exhibitions of "Gillie Callam," "Shean Trews," and "Irish Washerwoman," and time and again had to face the audience on encores. Should the Cosgroves come this way again we have every reason to believe a good audience would turn out to hear and see their clever manipulation of the almost endless variety of musical instruments which they play.

Mr and Mrs Brayley left on Saturday to visit the former's relatives in Norfolk county.

Mr Jos. Williams expect to have his ventilated barrel factory in operation in about ten days.

Mr R. J. K. Gore, of this town, has secured a patent for his catarrh remedy, Brugmansia. Mr Gore claims to have a good article, and, with a view to letting the public become acquainted with its merits is placing it in the hands of druggists all over the country.

The manager of the Grand Opera House has secured the Hardie Von Leer Co'y for one night, Friday, June 6th, in their splendid military melo-drama, "On the Frontier." They have a large company and carry their special scenery, and will prove a treat to lovers of the drama. Look for their street parade.

AT LUCKNOW.—The Junior Hurons, of this town, went to Lucknow on Monday to play a lacrosse match with the Lucknows for the championship of Huron and Bruce. The match resulted in favor of Goderich by six goals to two. The trophy for which they played, a beautiful silver cup, was presented to the winners at a lacrosse concert in the evening and is now on exhibition in Mr R. R. Sallows' window. Some of the Goderich players also competed successfully in the races. Mr W. Sharkey took first prize in the free-to-all one-hundred-yard race and in the lacrosse players' one-hundred-yard race, and Mr D. Nicholson took third in the same races.

26TH OF MAY RACES.—The races held on Polley's Race Track on Monday were well-attended, and passed off highly satisfactorily. Following is the result in the 2:35 trot:

Miller's Grey Toby.....	1	1	1
Thompson's Baldwin.....	2	2	2
G. Whitely's Dufferin.....	3	3	3

In the three-minute trot the result was as follows:

Dr Whitely's Daisy.....	1	1	1
Roach's Tommy O.....	2	2	2
Sillip's Mare.....	3	3	3

The broncho race attracted considerable attention and resulted in Murney's broncho taking first place, the Clinton one second and Skylark third.

A SUDDEN BEREAVEMENT.—A lamentable accident happened early Saturday morning last on the G. T. R track a little west of Toronto. Mr H. James Heale, formerly of Goderich, who had been conducting a grocery business at West Toronto Junction, was walking on the track and was struck by the *Globe* train and killed instantly. The remains were brought to Goderich by the 7.35 p.m. train on Monday, and were interred in Maitland cemetery the following afternoon. The deceased was only 26 years of and was a most exemplary young man, and was well liked by all who knew him. His parents have the sympathy of all in their sudden bereavement.

TOWN COUNCIL.—A special meeting of the town council was held on Thursday evening of last week, 22nd inst. The following members were present:—Mayor Butler and councillors Cantelon, Campion, Naftel, Pridham, Dunlop and Nicholson. The mayor stated that the meeting had been called to transact general business, to consider the subject of declaring the deputy-reeve's seat vacant and to take steps towards procuring some necessary pipe and electric light wire. A petition with thirteen signatures, asking that the electric light in the British Exchange Hotel be kept burning until 12 o'clock on special occasions every fortnight during the summer, was referred to the waterworks and electric light committee. Moved by Naftel, seconded by Campion, that the seat of Abraham Smith, deputy-reeve, be declared vacant and that a new election be ordered, in consequence of his being absent from the meetings of the council for over three months. Carried. The council then adjourned.

GARROW THE MAN.

His Majority Still Rolling up in West Huron.

Strong Encouragement all Along the Line.

Every Meeting Improves His Position.

Garrow's Figures Will Reach High Water Mark.

Brains Will Tell, and Intelligence Will Lead.

The Race and Creed Cry Will Die the Death June 5th.

The popularity of Mr Garrow continues to increase as the day of election draws nigh. At every point visited by him so far, a favorable impression has been made and the honesty and intelligence with which he places his views before the electors has gained him hosts of friends all along the line. The meetings have been uniformly well attended, and the best of order has thus far prevailed. Meetings have been held as follows during the past week:

St. Augustine.

On Thursday evening of last week a well attended meeting was held at the schoolhouse, the chair being occupied by Mr Edw. McGuire. The speakers in the Reform interest were Mr Garrow and Mr McGillicuddy. The former dealt more particularly with the Separate School question, and the latter took up the financial legislation of the Mowat Administration. As usual the Opposition was unrepresented. The meeting closed with cheers for Mowat, Garrow and the Queen. West Wawanosh will speak out for Garrow with no uncertain sound on June 5.

Hoover's Schoolhouse.

There was an excellent turn-out at this place on Friday evening in Mr Garrow's interest. A number of ladies graced the meeting with their presence. The chair was occupied by Mr Thomas Brown, and the audience was addressed by Messrs Garrow and Manning. The best of order prevailed. Again the Opposition failed to connect, but kept to the hide-away policy. East Wawanosh will on June 5 roll up a taller majority for Mowat's candidate than ever before.

Belgrave.

The gathering here on Saturday night was a fine one, and was presided over by Mr Finlay Anderson, the popular deputy-reeve of East Wawanosh. Mr Garrow (the candidate) and Mr A. H. Manning, of Clinton, delivered addresses which were of a high order, and were much appreciated by the large audience, amongst whom were several ladies. This is another corner of East Wawanosh where the ballot-box will speak good and strong for Garrow.

Londesboro.

The meeting here on Tuesday evening in the interest of Mr Garrow was largely attended. The chair was occupied by Mr Braithwaite, and the meeting was addressed by Mr Garrow and Mr John McMillan, M.P. The best of order prevailed throughout, and the meeting was most enthusiastically in favor of Reform. Hullett will roll up a big vote for Garrow and Mowat.

Blyth.

The Hall of Industry was well filled at the meeting in favor of Mr Garrow on Wednesday evening last. Dr Sloan filled the chair in a most acceptable manner. The speakers were Mr Garrow, who delivered a most convincing address, Mr Larke, of Oshawa, who spoke in favor of Mr Roberts; and Mr Manning, of Clinton, closed the meeting for Mr Garrow, in an able and vigorous speech, thoroughly exposing the peculiar tactics of Mr Larke. Blyth will give a majority for Garrow.

Smith's Hill

There was a meeting at Smith's Hill on Wednesday evening called in the Conservative interest. Mr Roberts and Dr Holmes advocated the Tory cause, and Reform was ably sustained by Mr Blair, who although a new man on the political stump made an excellent record. The meeting closed with cheers for the Queen and the candidates.

The Nomination.

The nomination was held in the court-room, Goderich, at 1 p.m., on Thursday by James Dickson, returning officer. Jas. T. Garrow was nominated in the Reform interest by ex-Reeve William Young, of Colborne, seconded by ex-Reeve William Mallough, of Ashfield. J. M. Roberts, the Conservative nominee was moved by Reeve Beck, of Colborne, seconded by township clerk Patton, of Goderich township. Each of the candidates presented his views to the electors, the address of Mr Garrow being particularly effective.

Sale of Bankrupt Stock.

The great sale of the bankrupt stock of groceries, crockery and glassware of the estate of I. N. Cassidy in now going on, and the sale will continue for a few days only. Big bargains will be offered, as the whole stock must be sold at once. This is a nice new stock; don't miss this chance. Remember the place in McLean's new block, Market Square, Goderich.
J. W. BRODERICK.
