O. J. C. SPRING HANDICAPS.

SATISFACTORY ENTRIES FOR THE EVENTS THAT CLOSED MONDAY.

Ætna Football Club—The Toronto Lacrosse Club—Schedule of the Manufacturers' Baseball League—Hanlan, Teemer et al.

The entries for the three events to be run at the May meeting of the Ontario Jockey club, which closed on the 5th instant, are more than up to the average, and give promise of a good day's sport both on the 22d and 24th of next month at Woodbine.

The Cash Handicap, 1½ mile, top weight 130 lbs., has in it Rica, Saltpetre, George L., Mandamus, Comique, Carrie Stewart, Blanton, and the province breds Brait, Inspector and Trustee. There are four distinguished American strangers in this list, Rica and Saltpetre, who ran last year in the tricolor of Mr. Kelso (A. J. Cassatt), Comique, a winner last season, and Carrie Stewart. Brait was looked upon as the best 3-year-old of the province breds in 1885, and is also a stranger to Toronto audiences.

The Railway Steeplechase Handicap, 2½ miles, top weight 168 lbs., has secured the splendid entry of seventeen: being Sir Edward (Mr. Kelso), Kisber and Beechmore (Ottawa), Wild Rose, Shamrock, Mandamus, Pawnbroker, Spectacle, Lucy Lightfoot, Inspector, The Laird, Athlete, Willie W., Williams, Lennox, Chandos and Leiex. The last named famous racehorse is the property of Mr. Forbes, and was once a terror on the flat. If trained to jump the old gelding should be able to give a good account of himself. Kisber is by Billet, the sire of Miss Woodford. There is plenty of material for a magnificent field, and no doubt the majority of these nominated will sport silk on the Queen's birthday and negotiate the figure of eight, which constitutes the attractive steeplechase course of the O. J. C. May we be there to see!

The Dominion Handicap has closed with one short of a dozen in it, including Easter, Trustee, Sir Charles, Inspire, Pawnbroker Aunt Alice, Duke of Wellington, Bonnie Duke, Willie W., Roddy Pringle and Curtolima.

The Ætna Football Club (Association.)

At the annual meeting of the Ætna Association Football club at the Rossin house Monday evening officers were elected as follows: Honorary president, Mark H. Irish; president, H. O'Hara; first vice-president, J. Bickell; second vice-president, H. Haldane; secretary, W. Bickell; treasurer, K. Perry; captain of senior team, W. Young; captain of junior team, B. Walker; committee, C. Lounder, J. Sinclair, J. McBrine and C. F. Beswick. An attendance of upwards of sixty testified to the strength of the club numerically. Of the various senior city clubs in the Central association the Ætnas were the latest to join. Last year they displayed a faculty for making brilliant dashes and played with an amount of pluck and skill that, but for lack of weight, would have brought them out near or at the top. Their playing ranks during the winter have been largely recruited and this season they intend to give a good account of themselves. They practise on the Jarvis street grounds three evenings and one morning weekly.

The T. L. C. Meeting To-Night.

The discussion expected to-night at the annual meeting of the Toronto lacrosse club at the Rossin house with reference to existing relations between the club and the Toronto Amateur Athletic Grounds company promises to reveal a lively nigger behind the stump. Almost to a unit, the younger, and more active members of the club affirm that certain of their fellow members, who are also connected with this Grounds company, have not since the company's inception, in their dual capacity, acted in the club's best interests. In this opinion they say they are backed by sufficient of the older heads to give their sentiments weight. On the other hand the members, whose motives are questioned affirm that they have, calling into play more experience than their younger brethren, acted for the club's good, and assert that they will prove the wisdom of their course. The "club party," as the "colts" are pleased to call themselves, are determined that their views on the question shall be heard, and not, as they claim has been done in all previous discussions as to the respective claims of the club and company, hushed up. A full attendance at the Rossin house to-night is particularly requested.

The Manufacturers' Baseball League.

The Manufacturers' baseball league held a meeting last evening at Milligan's cigar store, and decided that seven clubs should form section No. 1 of the league. The following schedule, on the principle of two games with each other, was resolved upon:

The league is well put together and the schedule cannot fail to prove satisfactory.

Hanlan, Teemer, et al.

Yesterday Hanlan received a couple of telegrams from W. E. Harding, Richard K. Fox's representative. The first offered to back Hanlan against Teemer or any other oarsman in America for $1000 a side. The second was relative to Richard K Fox's proposed regatta. Teemer has expressed his willingness to row if the regatta be held in August. Hanlan says he is willing to row if the regatta is held before July 15, after which date he hopes to sail for England. As to the proposed match with Teemer, Hanlan is willing to row him and will add his own money to make the race more interesting, but he insists that the dates must be early in the season in order to enable him to cross the Atlantic. To this effect he has both telegraphed and written Mr. Harding. If Hanlan would take The World's advice he would ignore the man Fox and his deputy, Harding, and conduct his own business as John L. Sullivan, Chas. Mitchell and other sporting men have resolved to do. It is too bad that such a man should control the recreations of the people. Anyway, there is little chance of Teemer agreeing to row for a thousand a side, and all Mr. Fox will get is the advertising, on which his soul is bent.

General Notes.

The Montreal Gazette says Hosmer can beat Joe Laing.

On April 6, at Minneapolis, a six days' wrestling tournament will commence, open to the world. The prizes offered amount to $4000.

Serad, last year's pitcher for the Buffalos, has been signed by Utica.

Manager Bancroft of the Rochesters' gets $2000 and the score card privileges.

Both sections of the Manufacturers' baseball league will meet to-morrow evening over Milligans' cigar store.

The sporting men of Ottawa are excited over the sudden disappearance of a local lacrosse player with $65 belonging to another man.

Jack Dempsey posted a forfeit of $1000 to fight Joe Ellingsworth for $5000, London prize ring rules to govern. The backers of Ellingsworth cannot raise that amount.

Duncan C. Ross is anxious to meet Buffalo Bill in a mounted sword contest. Buffalo Bill, however, says he has all the hippodrome he wants in his Wild West show.

Sam Bittle arrived in town from Ottawa yesterday prepared to make a match with Harry Gilmore to fight to a finish before June 15 for $500 a side. The men will meet to-day to sign articles.

Wm. McMahon's stable of runners at Parkville, L.I., was burned out on Sunday. Revs, 3 yrs., by Mortemer—Squeeze'em, by Lexington, bought at Pierre Lorillard's sale for $3400, perished in her stall.

Syracuse Courier: The average batting and fielding of the Stars is .275 8 11 and .859, and the average batting and fielding of the Oswegos .275 4-11 and .885. The average fielding and batting of the Torontos is .276 and .820.

The Granite curling club had a couple of hours' curling on Monday night. This is later than ever recorded before. On April 4, thirty years ago, a match was played on the bay at Hamilton, but it was even then considered unusually late.

It is stated that a member of the Ottawa Lacrosse club intends to charge the Capital club with professionalism at the approaching meeting of the Canadian Lacrosse association. It is claimed that the members of the Capital are at present engaged under contract.

H. M. Johnson, winner of the recent Sheffield Shrovetide handicap, has returned to New York and will shortly issue a challenge for a two or three hundred yard race, open to all America. He was much disgusted with his treatment by the roughs of Sheffield.

The Detroit correspondent of the Philadelphia Sporting Life hits the whole nail on the head when he says "players are held to strict accountability for 'misunderstanding' regarding contracts. There should be some method of holding managers." There should be the latter and the players should form a union.

The Shamrock Lacrosse club held its annual meeting Monday night, when J. Cloran was elected president. A meeting of the new executive committee will be held in a few days to make arrangements for the season's work. A special meeting of the Montreal juniors was also held Monday night J. M. Woods was elected delegate to the National amateur lacrosse association.

Mr. Douglas' Old Joe, winner of this year's Liverpool Grand National, started for the race at 25 to 1 against to win and 4 to 1 against for a place. In the race no less than eleven of the twenty-three competitors came to grief, these unfortunate animals being Frigate, Sinbad, Conscript, Limekiln, Fontenoy, Belmont, Roquefort, Liberator, Redpath, Jolly Sir John, and Savoyard. The time was 9 minutes 14 3-5 seconds, all but the fraction, better than the time made by Roquefort, last year's winner. Kirby, the rider of Savoyard, was seriously hurt.

Forecasts of the probabilities of the International baseball league all place Toronto well up and Hamilton away down. The World's opinion is that both Canadian clubs will stand well in the table at the end, but we must be pardoned for expressing the opinion that Toronto can get away with all of them. It is true it is only winter talk, but then Manager Humphrey has come out at the top before, and being a level-headed kind of a fellow we think he can repeat. Anyhow, neither Hamilton nor Toronto will be far down and you can bet on it.

At the meeting of the Western Ontario amateur baseball league at Stratford on Monday it was decided that each club should play a series of two home and home games. It is expected that St. Thomas and Seaforth will be also admitted to the league. Representatives of the Olive baseball club of London arrived about four o'clock—too late. Their application, was referred to the judiciary committee, as was also that of Petrolea, Seaforth and St. Thomas. Each club will have the privilege of appointing two umpires to be agreed upon by all clubs in the league. The salary of umpires was fixed at $5 and expenses per game. A meeting of the Judiciary committee will be held shortly, when dates and other arrangements in reference to games will be made. Home clubs are to guarantee visiting clubs $20 or 40 per cent. of gate receipts. Ladies are to be admitted free throughout the season.

Montreal Gazette: There is one thing which we would like some of the delegates from Montreal to bring up when they attend the N.A.L.A. convention next week, and that is to institute an inquiry into the reason for some of the crack lacrosse players being suddenly drafted into teams desirous of either gaining or keeping championship honors. This business has been going on about as long as it will stand, and if the association are desirous of watching the interests of the game they will put a stop to it. Change of residence of one player can be understood, but when it comes to half a team suddenly changing places, why, the least that can be said of it is that it is peculiar. There is no need of our mentioning a name as there are cases too numerous to mention known to every one taking a deep interest in the game as the delegates are supposed to. Probably no one will move for fear of having his own corns stamped on.

Hot and dry skin, frequent chills and fever, burning patches upon the skin, scanty dark colored water which contains sand or mucous, indicate that the system has been attacked by extreme kidney disorder, which can only be cured by Warner's safe cure.

A Lot for the New Central Fire Hall.

Acting Chairman Boustead reported yesterday to the property committee that the purchase for a central fire hall of a lot on Lombard street had been practically effected. The purchase of a second lot had been necessitated by the inadequacy of the original piece of land. The new lot had a frontage double that of the other and was valued at a higher sum per foot. The city solicitor was instructed to close the sale. D. Roberts was appointed architect for the building. He will be asked to submit plans to the sub-committee at an early date.

A recommendation from the city commissioner that $728 worth of repairs be effected on the police court buildings was adopted. It was recommended that the school board be requested to grant the use of an acre of land adjoining the Jesse Ketchum school for the purpose of enlarging the Jesse Ketchum park; the city to give up possession when called on by the board so to do.

Contracts for improving the water works offices were awarded as follows: Carpenter work, John Shanklin, $950; painting, McCready, Norwich, $200; mason work, W. Page, $275; plumbing, Bennett & Wright, $32; plastering, W. Rundle, $239. It was decided to ask authority to purchase 500 shade trees for city parks.

A Wreck Raised and Put Afloat.

CLEVELAND, O., Oct. 30th, 1885.—From the time I was 18 years of age, I was almost a confirmed invalid with liver and kidney trouble. Confined to my bed three weeks out of four. Face covered with a dirty eruption. Never expected to get well. Have taken fifty-three bottles of Warner's safe cure. Can do my work, marketing, walking any distance without fatigue. Warner's safe cure saved my life, for I was a complete wreck.—Mrs. Louisa DeMooy.
