LEAFS READY AND ANXIOUS FOR START

Arrive in Reading—Shea Will Likely Pitch the Opening Game.

STRONG EVERYWHERE

The Leafs called off their exhibition game billed for Rocky Mount yesterday and went direct to Reading, where they arrived last night. The International League season opens on Wednesday, and the Toronto Club will have a good day's rest in Reading before the flag falls.

Manager Duffy is satisfied with every department of his team and has Jim Shea, the former Syracuse heaver, ready to pitch the first game. Shea is further advanced than any of the pitchers.

Reports from the spring canter to get in shape have the Leafs billed as clouters, in spite of the fact that they did not do any great fence-busting thru the tall sticks in the sunny south. A look over the roster shows good hitting ability and probably it only needs the real stuff to set them swinging the willow with the muscle behind it.

Toronto fans are satisfied with the line-up. Whiteman, Riley and Spencer look like a real good outfield. All three men are good hitters and seasoned fielders. Riley is the former Binghamton player and a high-class man.

The infield is the best in years. Eddie Onslow at first is the kingpin first-sacker of the league, and a lot better than many who are holding down the same job in higher company. At second Gonzales has the call, but Andy Anderson is crowding him and may land the job any day. If the Cuban falters in any drive Manager Duffy has Andy groomed and champing at the bit to slip into the gallop.

The short field is covered by O'Rourke, last year with Binghamton. This Irish gentleman is a fighter of the highest water, a good reliable hitter and a cog that rounds out a very smooth working machine. Over at third our old friend Lena Blackburne is on duty. Blackburne was the idol of all local fans just a short while ago, and his welcome back to the Leafs will be warm and appreciated. Lena is no Babe Ruth with the club, but he is a right smart fielder and a hustling ball player who sees that the rest of the team are working in harmony and giving the club every ounce under their uniforms. Truly, Lena is a big asset, and Manager Duffy is lucky to have him around.

Behind the bat Sandberg is chief again. Sandy is a good reliable receiver and will likely do the bulk of the work this year. Beatty and another will be carried to help him out for some time. The pitching staff is the unknown quantity. Heck, Peterson and Bader are seasoned men. Bader is the former Buffalo pitcher, but is slow rounding to form. The rest are mostly youngsters and Duffy will not stop until he has five reliable twirlers. He is working the wires right now for two good men. The recruits may come thru, but this is no time to sit back and wait.

Taking them all in all the Leafs look good. They should go a long way and the hunt for the rag from the first game should be warm and interesting. The fans are watching Duffy and his men, and the early games will have more than the usual interest.

Nothing has been done about Harry Thompson. The Leafs can have him, but if Thompson's arm is gone he would not be much use. President McCaffery will go carefully into the matter before he parts with his good money. Thompson right would be a big help, but a lame arm would make a bad bargain.

The release of Pitcher Jos. F. Conlin to the Reading Club of the International League was announced yesterday by the Brooklyn Nationals.

Blossom Seeley, comedienne, yesterday in Chicago, filed suit for divorce against Rube Marquard, southpaw pitcher of the Brooklyn National League Club, charging desertion. They were married in 1913, when Marquard was pitching for the New York Giants.

The release of E. H. (Slim) Love, left-handed pitcher to the San Francisco Club of the Pacific Coast League, was announced last night by Manager Jennings of the Detroit American League Club.

GIANTS AND CUBS SCORE FIRST WINS

Young's Stick Work Won for New York—Maranville's Bad Day.

At St. Louis, Mo.—(National.)—St. Louis used five pitchers in an attempt to stop Chicago yesterday afternoon, finally losing 9 to 6 in the twelfth inning, when, with two out and two on bases, Vaughn singled, scoring Paskert, and Flack doubled to deep centre, counting Deal and Vaughn.

Hornsby made the first home run of the season here in the second inning, driving the ball into the right field pavilion. In the seventh inning he hit to the edge of the pavilion on the right and when the ball bounded back to Flack, Hornsby was caught going to third.

The St. Louis players protested, claiming that the ball had landed in the seats and bounded out. Umpire Emslie called on Klem to decide, and the latter decided that the ball had not cleared the railing and called Hornsby out. The score:

		R.	H.	E.
Chicago	4 1 0 0 0 0 1 0 0 0 0 3	9	13	1
St. Louis	0 1 0 0 0 5 0 0 0 0 0—6	1	4	3

Batteries — Vaughn and Killefer; Schupp, Goodwin, May, Tuero, Jacobs and Clemons, Dilhoefer.

At New York—The New York Nationals won their first game of the season here yesterday, defeating Philadelphia in a closely contested game by a score of 2 to 1. Young, who had failed to make a hit up to yesterday, drove in both of New York's runs. Barnes, who was knocked out of the box in the opening game here last Thursday, pitched a steady game, and turned back the Philadelphia batsmen whenever he was in real danger. The score:

		R.	H.	E.
Philadelphia	0 0 0 0 0 0 1 0 0	1	7	0
New York	0 0 1 0 1 0 0 0 x	2	5	1

Batteries — Causey and Tragesser, Withrow; Barnes and Gonzales, McCarty.

At Brooklyn, N.Y.—Timely hitting behind loose fielding by Boston gave Brooklyn their second victory of the series. Maranville's shortstop playing was particularly bad, two of his errors being responsible for three of the runs. A wild throw by O'Neill let in the fourth. Grimes not only pitched steady ball, but his hitting also featured. He made two doubles, a single and a sacrifice in four trips to the plate. The score:

		R.	H.	E.
Boston	0 1 0 0 0 1 0 0 0	2	8	5
Brooklyn	0 3 0 0 0 1 0 0 x	4	9	1

RED SOX CELEBRATE WITH DOUBLE WIN

Yankees Are the Victims—Babe Ruth Gathers a Few Hits.

At Boston—(American)—Boston took morning and afternoon Patriots' Day games from New York, 6 to 0, and 8 to 3, respectively. Hoyt yielded but five hits in the morning, while Mogridge was hit hard in the third and sixth innings. In the afternoon Mays, pitching his first game of the season, and against his old mates, was not so good as Bush, who allowed but four hits until the ninth, when the Yanks got three singles and a run. McNally made half of the six hits gathered off Mays in seven innings and later added another. Ruth appeared here in other than Red Sox uniform for the first time. He made a single and a double in the morning and a single in the afternoon game. Scores:

Boston .....0 1 0 0 0 1 2 4 x—8 10 3

Batteries—Mays, Shore, Collins and Ruel; Bush and Devine.

At Cleveland—Cleveland defeated Detroit 7 to 6, winning in the ninth inning on Nunamaker's single and steal and O'Neill's double. Nunamaker, who was the third first baseman used by Cleveland, doubled with the bases filled in the 7th, tying the score. Oldham pitched brilliantly until the seventh when he lost his control. All of Detroit's runs except the last were the result of errors. The scores: R. H. E.

Cleveland .....0 0 0 1 0 0 5 0 1—7 11 3

GREEK RUNNER WINS AMERICAN MARATHON

Finished Strong in Front to Defeat Field of Sixty, From Ashland to Boston.

Boston, April 19.—The American Marathon race from Ashland to Boston was won today by Peter Trivoulidas of New York, who proved the fleetest of a field of sixty runners. The winner is a Greek subject, and will apply for citizenship papers Thursday, it is understood. The race was the official test for election of the United States representatives at the Olympiad.

Trivoulidas' time, eight minutes slower than the record, but fast considering a partly adverse wind, was two hours 29 minutes 31 seconds.

Second to the sturdy Greek was Arthur V. Roth of the Dorchester Club, Boston, who won the race in 1916. Last year's winner, Carl W. A. Linder, of Quincy, was third; William Wick, also of Quincy, who was second to Linder a year ago, was fourth, and Edwin H. White of Holy Cross Lyceum, New York, was fifth.

Trivoulidas ran a heady race today. While James Henigan, New England ten-mile champion, was setting a fairly stiff pace over the first half of the course, the Greek runner lay behind, conserving his strength. With the race half run, the steep Newton Hills forced Henigan to drop out and sent others back, and Trivoulidas steadily worked thru the field. He was running second to Roth at Lake street, six miles out, and at Massachusetts avenue, Boston, he passed his rival. He finished strong.

Sixth place was won by Robert Conboy of Buffalo, N.Y.; seventh by Frank Zuna of Newark, and eighth, the last of the prize positions by Clifton Mitchell of New York. Charles Mellor of Chicago dropped out three miles from the finish.

AMATEUR BASEBALL

The Lake Shore League will hold a meeting at New Toronto on Tuesday the 20th at 8 p.m. The league has secured good grounds at stop 18½ Lake Shore road and expect to have a good year. There are several clubs wishing to join this league and any club wishing to join should have a delegate attend this meeting.

Chick Fewster, whose skull was fractured by a pitched ball in Jacksonville, is doing fine. He has made steady improvement since the operation in Baltimore to relieve blood clot and pressure. His speech has returned, he is alert mentally and his nerve seems to be unaffected, for he is eager to get back into the game.

Miller Huggins of the Yankees said that Frank Baker came up to see him in Philadelphia, and reiterated with great emphasis that he would not play ball again. He has his children to look after, he told Huggins, and a return to the diamond was not to be thought of.

Moss Park teams will practice this week at the following places: Junior A team, Tuesday, at Flats, 6 o'clock; Juvenile team, Tuesday at Flats, 6 o'clock; Bantam team, Wednesday, Moss Park; Junior A team, Thursday, at Moss Park; Juvenile team, Friday, at Moss Park. All players desirous of having a tryout with fast teams are invited to be on hand.

This looks like a banner season for the Western City Senior League in Willowvale Park. The four teams, viz., Hillcrests, Monarchs, Moose and St. Francis have signed some of the cream of the city, and with three week's practice should be in mid-season form for the opening which takes place early next month.

Hillcrests will practice tomorrow night in Ramsden Park at 6 o'clock

---

Jesse Ketchum-Belmont juveniles will work out at 6 p.m. The following are requested to be on hand: Murray, Kendle, Derry, Barnett, McDougall, Wilson, Stockey, Gorfinkle, Shaughnessy, Peace, Worthy, Jones and any others who wish to try out.

How Mitchell Switched From Pitcher and Catcher

During the long jaunt of the Chicago Cubs from Phoenix to Kansas City this spring the men had many tanning bees, and in one of them Manager Mitchell told how he switched from being a pitcher to the job of a catcher.

"I hurt my arm while with Philadelphia, and couldn't use my curve ball any longer," said Mitchell. "I bluffed my way along for about a year, Philly finally trading me to Brooklyn. I wouldn't let them know my arm hurt, but would bluff it out by having the trainer tape my back, when really it was my arm that was bothering me.

"Finally I landed with Toronto, and I knew I was thru as a pitcher. On the spring trip I told Manager Kelley and President McCaffery that I was going to be a catcher. I was too slow to be an outfielder, but could always hit fairly well, and thought I might get by as a backstopper.

"They tried to laugh me out of it, but I insisted. So they humored me. I'd warm up the pitchers for a couple of days and then Kelley would suggest that I warm up a bit myself because they might need me on the slab.

"I stuck it out, however, repeatedly insisting I was going to be a catcher. I remember the club carried five pitchers, one of them a chap named Hickey, and each day he'd pat me on the back and say I was looking better all the time as a catcher. I'd have made the sixth pitcher if I went back to the old job, and I, of course, knew his game was to keep me away from it so he could be safe.

"They gave me a chance to catch in the first exhibition game at Preston Springs, Ont. Dick Rudolph was our pitcher that day. President McCaffrey hauled out a big cigar, got a box, placed it about 50 feet behind the plate and proceeded to enjoy the game.

"The first ball Rudolph pitched went over my head and struck McCaffrey on the knee. He leaped to his feet in disgust, yelling, 'And you think you are a catcher.'

"Toronto had two regular catchers and I didn't get another chance until about three weeks after the season started when they both got hurt. Kelly came to me and said, 'You said you were a catcher, so go in and see if you are.'

"It happened to be the seventh inning that the second catcher was hurt, and we were playing Baltimore. Polen of the Orioles, the best baserunner of the league, was on first.

"I didn't know how much time a catcher had to throw out a base stealer, but knew Polen was going down on the first ball pitched. So I hurried my throw, and got him by fully 10 feet.

"They made me catch every game for the remainder of the season after that.

"Whenever I wanted to take a rest I'd sort of suggest it to Kelly, but he'd say, 'I thought you wanted to be a catcher, and here you are tryin' to squeal out of it.'

"And I had to stick.

"That fall, it was in 1909, I was secured by the Yankees as catcher, so had made by bluff better than I had expected."

LACROSSE GOSSIP

The champion Bracebridge crew has no less than four of the Jocque family playing on the intermediate champions' outfit and all will be in the fray this summer with the rest of the boys from the north.

John Fisher School are intending to enter a team in the school boys' league. It would hardly do not to have North Toronto represented, seeing that two of the O.A.L.A. executive are resident in "No Man's Land," as some of the suburbanites have termed it since the transportation trouble sees no ending.

Secretary Dundas intends to distribute playing certificates on May 1. No teams will receive these until their fees are paid. Step lively, please.

It would not be surprising to see Bill Hancock of late years with Owen Sound Greys, take an active interest in the Maitland club. "Bill" learned the game north of the C.P.R. tracks. His sidekick, Peter Hocking, may also be found with the Cottingham square gladiators.

With the double referee system in vogue, teams will require to get busy on suggestions re referees. The new rule book will shortly be going to press, and provision for this is made in the front of the book. Please hand in your suggestions forthwith.

Oxford and Cambridge Runners in Light Work

Philadelphia, April 19.—The Oxford-Cambridge runners, who will compete in the two-mile and the distance medley relay races for the college championship of the United States here next week, had their first practice today on Franklin field, the scene of the coming contests. Their work was of a light order, none of the men, under orders of their coach, Alf. Shrubb, extending himself. The British runners enjoyed a Harvard-Pennsylvania lacrosse game, watched the Pennsylvania baseball team at practice and took turns at batting out baseballs with bats presented to them by the Pennsylvanians. The athletes are quartered at the Philadelphia Cricket Club in the suburbs and when not on the cinder track will spend much time in playing golf and tennis.

JONES TELLS REASON FOR HIS FAILURE

No Visit of Old Country Team for Two Years—Soccer Notes.

Con Jones returned from the old country yesterday and ascribes his failure to get a soccer team to visit Canada this summer to two causes. The fear that the men will desert and remain here and the jealousy among the players as to who shall take the trip and who shall remain. His proposition to Newcastle United was defeated only by one vote. He tried Bradford, Glasgow and Chelsea also, but they all refused to send teams. The secretary of the Football Association told him the association could not send a team to Canada till 1922.

Football results reported yesterday:

—First Division—

Sheffield Wednesday 0, Bradford 1.

—Scottish League—

Hamilton 2, St. Mirren 1.
Midlothian 2, Falkirk 0.
Hibernians 1, Celtic 2.

All signed players of the Beaches Club are to report to the committee in Kew Gardens Wednesday evening at 6 o'clock for a friendly game.

All signed players and any new men who desire a tryout be ready to kick-off at 5.45 p.m.

A meeting of Toronto Shamrock F.C. will be held in Euclid avenue hall Wednesday evening at 8 o'clock. All members of the club are requested to attend.

PRIZES FOR OLYMPIC HOCKEY CHAMPIONS

Diploma for Winners and Gilt, Silver and Bronze Medals for the Players.

Antwerp, April 19.—The Canadians are practising in the arena here, and should be in good shape for the first game on Friday. They played an exhibition charity game among themselves Sunday in the arena, five a side, the defence beating the forwards, 9 to 6. The rink is narrow and long and is better for five a side than seven, which number must be on the ice in the Olympic competition.

Czecho-Slovaks practised on arrival from Prague, working with clumsy movements, wrist shots, and all individual play. The Americans are expected to arrive Tuesday.

The prizes are medals for the players and a diploma to the champion team, as follows:

First prize—Silver gilt Olympic medal.
Second prize—Silver Olympic medal.
Third prize—Bronze Olympic medal.

WEIR ANDERSON IS PRESIDENT AGAIN

Elect Head for Swimming Club for Third Time—Active Season.

Toronto Swimming Club held its 25th annual meeting last night at Toronto Canoe Club quarters. A very successful 1919 season was reported on, and a greater one during 1920 is looked forward to. About 75 members were present, and 18 new members added. The club showed a record of having sent 90 per cent. of its members overseas, several of them winning meritorious honor. Most of these heroes have now returned, and Toronto may look forward to a resume of her pre-war activities in aquatic sport.

Swimming fans are invited to get in touch with the club's secretary, E. Galvin, 80 St. Clarens avenue. Efforts will be made to make the club one for the novice primarily, when new swimmers will be taught all the latest strokes in swimming and the finer points of plain and fancy diving.

The officers for 1920 are: Hon. president, J. Mont. Lowndes; president, J. Weir Anderson; vice-president, H. Demery; secretary-treasurer, E. Galvin; publicity, V. C. Keachie, H. Demers; house committee, A. E. Collins, H. Coburn, H. L. Codville; racing committee, L. E. Armstrong, J. King, S. Mendelson; captain, Roy Lowndes.

It was unanimously voted that a donation from the club be sent to the Jewish relief committee.

The boys are in favor of daylight saving, and passed a resolution in favor of it.

A most important feature of this year's program in the Toronto Swimming Club schedule will be life-saving lessons to all members. In years past the club members often helped canoeists and others in danger, several drownings having been prevented.

WEST TORONTO CRICKET CLUB LIST OF FIXTURES
