SIR THOMAS MAY RACE AGAIN

Paospects for Another America's Cup Race Next Season — New Measurement Rules

NEW YORK, July 7.—There is some prospect for another American cup race next season, with Sir Thomas Lipton again a challenger, according to reports in yachting circles. When Sir Thomas was in the country last year he expressed a desire for another try at the trophy, but only on condition that the races would be sailed under the new measurement rules, which practically precludes sending a "racing machine" type of boat to the line. He was told that if he would defer his challenge a year in order that the new rule receive a thorough test, the New York Yacht Club would be in a position to pursue the matter. It is now stated that the yachting season, young as it is, has gone far to prove the contention that yachts can be constructed with great speed without the loss of staunchness and safety in heavy weather and that the performances of such boats as the schooner Queen, the sloop Effort, and other boats constructed under the new measurement rule, are evidence of the fact. According to report intimation has already been given Sir Thomas that a challenge under the new rule would be accepted.

GHINOOK WON THE FIRST RACE

The first of the series of five salmon boat races for the Dunn-Rothwell trophy was sailed on Saturday afternoon under the auspices of the Westfield Outing Association and was won by the Chinook, owned by Church Bros., which has thus justified the hopes of her owners, who had her designed by professionals.

The course was a triangular one of eight miles. Twelve boats started, and all cleared away nicely except the Sans Souci, which was fouled by the Florence. No protest flag was raised, however. The starting gun was somewhat late, the signal not being given until 3.45 p. m. The boats starting and the owners' names are as follows:

No.	Boats.	Owners.
1	Mona,	John Frodsham.
2	Gladys,	W. S. McDonald.
5	Arrah Wanna,	Donald S. Fisher.
6	Rosamund,	G. McA. Blizzard.
7	Lolita E.,	H. K. Clawson.
8	Chinook,	Church Bros.
9	Kennwood,	W. Watson Allen.
10	Leola,	J. Willard Smith.
11	Thistle,	Geo. M. Robertson.
12	Lalla Rookh,	Geo. L. Warwick.
15	Sans Souci,	K. Creighton.
16	Florence,	Ralph Belyea.

A large number of the Westfield summer colony, who assembled to see the race, were delighted with the scene presented by the sail studded river. The boats were nicely bunched on the run to the first buoy, which was rounded at 3.48 p. m. by the Gladys, the other boats following her closely. The run up river was a good one, a breeze sending the boats along well. Passing the wharf on the run up the Chinook took the lead from the Mona amidst cheers from the crowds on the bleachers.

The second buoy was rounded first by the Chinook, which was closely followed by the Mona and Gladys. The Chinook held her lead to the finishing line, crossing at 4.58.10 p'clock.

The first eight boats finishing were as follows, their time also being given:

No.	Name.	Owner.	H.	M.	S.
8	Chinook,	Church Bros.	4	58	10
1	Mona,	John Frodsham.	4	59	10
2	Gladys,	W. S. McDonald	5	1	..
5	Arrah Wanda,	D. S. Fisher	5	4	40
10	Leola,	J. W. Smith	5	4	30
7	Lolita E.,	H. K. Clawson	5	5	18
12	Lalla Rookh,	G. L. Warwick	5	6	25
11	Thistle,	G. M. Robertson	5	8	..

Cheers from the people on the wharf greeted the leading boats as they crossed the finishing line. Much interest was taken in the race, which was one of the most interesting that has been sailed by the Westfield salmon boats. The best time for the run was 1 hr., 13 m. and 40 sec., which is considered very fast.

The Westfield Outing Association intend having four more races for the cup, the boat doing the best in the series to win it. Competition between the boats was keen yesterday and in the following races much excitement will be expected.

The officers of the day were: W. C. Rothwell, Wm. Howard and Jimmie Doody. They started in a gasoline launch to follow the boats on the course, but were deluged in the vicinity of the first buoy, only reaching the wharf shortly before the finish of the race.

ST. JOSEPHS BACK TO THIRD PLACE

There were two exciting Inter-Society League games of ball on the Shamrock grounds Saturday afternoon and evening. In the afternoon before a small crowd it took twelve innings for the St. Rose's to defeat the F. M. A.'s., and in the evening, after three innings of excellent baseball the St. Joseph's team went up in the air and they had a narrow escape from being shut out by St. Peter's in a six inning contest. As it was they were defeated by a 12 to 1 score, and drop down to third position in the league race.

While the afternoon game was a long drawn out one it was full of errors and hard hitting on both sides. The F. M. A. team had 14 errors and the St. Rose's 9.

St. Josephs 1. St. Peters 12.

There were in the vicinity of 800 persons on the ground in the evening to watch the game between the St. Joseph's and St. Peter's. There was plenty of rooting from the fans and the play was as good as could be wished for for three innings. George was in the box for St. Joseph's and for the three innings only one single was made off him, but the balloon went up in the fourth, when McGuiggan and Long made errors one after the other. George also aided in the error making, and St. Peter's landed on him for four hits, which with the errors netted six runs. McGuiggan went in the box in the fifth inning. He gave a base on balls, Creagan made a bad throw and a stolen base and a single gave St. Peter's still another run.

In the last inning two bases on balls two wild pitches, an error, a two-bagger and a single netted five more runs for St. Peters.

Howe was in the box for St. Peters and was only found for five scattered hits, three of these being made by Simpson. The St. Josephs were held down without a score until the last inning, when Simpson singled to left; a wild pitch put him on second; he stole third and the dropping of an easy fly by Charlie McCormick allowed him to score. Had it not been for the error the last year's champions would have received a shut-out.

Small injured his ankle in the first inning, but was able to continue playing after a short rest.

Rev. J. F. Floyd, pastor of Coburg street Christian church, preached the first of his series of sermons on union between the Christian and Baptist churches last evening to a fair congregation. Basing his remarks on John 17 chap. 20, 21 verses, Pastor Floyd showed that union is desirable because it is the will of the Heavenly Father, because the primitive churches had one faith, one Lord and were one body, and because it is sinful to indulge in the sectarian spirit. Following this Mr. Floyd brought out the advantages of union enumerating the new basis for better work, economy of union and the fact that the world will accept Christ more readily when divisions are brought down, as the chief benefits to be derived. In concluding Mr. Floyd said the union to be desired was one of spirit and practise.
