Learn Dressmaking IN TWO WEEKS

Have you commenced your spring and summer sewing? Are you interested in Dressmaking, either professionally or for your own family sewing? Have you broken away from the old way of depending on patterns.

Please pardon so many questions, but each one means something to you.

We have a wonderfully complete systems in dressmaking—15 in all. These lessons will be of lasting benefit to you. They will throw new light on the subject, and instead of being tedious and tiresome you will find dressmaking one of the most interesting of all your diversions. It will no longer be a "duty," but a pleasure to make a dress, and your dresses will have a fit such as few women can accomplish.

We teach you how to cut, fit, and put together everything in the fashion books, from the plainest shirtwaist to the most elaborate toilette. We furnish everything to work with except tape measure, scissors, tracer and pencil.

Why spend months at a shop where you will learn nothing but how to sew on hooks and eyes, overcast, etc., and then, after you are through, what did you learn about cutting? Absolutely nothing, for you will know no more about cutting after being there a year than you did the first day you went there.

Charge for full course is only $10, to be paid when through, if satisfied, including one of the most perfect fitting systems in use, which we give free. We have taught over 2,000 ladies in this way within the past five years, and all recommend it very highly. No pay in advance.

We will teach at Chatham from June 28th to July 11th. Hours from 8.30 to 5. All wishing to learn, or for full particulars, be sure to see us a tthe Garner Hotel, on Wednesday, June 27th, between 10 and 5 o'clock.

RETURNED HOME

Fred Sheldon and Harry Massey saw Some fine Country in the North-West

Fred Sheldon and Harry Massey have returned from the west, where they have been for the past three months. They arrived in the city yesterday.

Mr. Sheldon, speaking to The Planet this morning, said they saw some very fine country and cities while they were away, but, after all, there was no place like Chatham. "Of all the cities and towns we were in out west," said Fred, "none outside of Winnipeg could compare with Chatham. Winnipeg is the only city or town that can boast of a paved street between here and Calgary. When we left the streets of Calgary were covered with mud a foot deep."

The boys had a good time while they were in the west, and made a couple of good strokes of business. On their return they called on Dan. Robertson and Gray Mitchell in Winnipeg. Mr. Robertson has a good position with a wholesale jewelry firm, and Mr. Mitchell is a salesman in the largest grocery store in Winnipeg. Although he has barely started, Gray's sales a week ago Saturday were the largest of any clerk in the store.

Mort Sheldon is still in Calgary, where he he is engaged in the real estate business.

THE GENERAL ASSEMBLY

Rev. A. H. MacGillivray, pastor of the First Presbyterian church, will leave on Wednesday to attend the general assembly of Presbyterian pastors to be held in London during the latter portion of the week.

This meeting will be one of very great importance and many questions of great interest to Presbyterians will be discussed. One of the principal features of the assembly will be the discussion relative to church union.

Rev. Mr. MacGillivray will be accompanied by Mrs. MacGillivray, who will visit London friends during the week-end. While at the assembly Mr. MacGillivray is going to make an effort to secure a western minister to preach in the First Church here next Sunday.

WOOD--BOULTON

A very quiet wedding took place at the First Presbyterian Parsonage on Saturday evening, when Miss Boulton, daughter of Richard Boulton, Head St., was united in marriage to Fred Wood, a Head St. grocer. Their many friends join in congratulations.

THE POLICE COURT

Many Cases Come Up Before Judge Houston And Some Interesting Evidence Is Offered

Burrill, the South African soldier, was given 30 months for desertion of his wife and family. The Judge took into consideration the fact that he had served in South Africa, and dealt leniently with him. This fact shortened his sentence six months, otherwise he would have got three years. Burrill when he was caught was about to marry a girl in Detroit. He has plenty of money and refused to walk to the gaol. He paid for a cab to take him from the Police Station to the gaol. The Judge gave him a severe lecture.

Worts, Guy and Mrs. Marriott were allowed to go on suspended sentence with the understanding that they got out of town just as rapidly as possible. They said they would go.

Nelson Parker was tried on two charges, and was remanded for a week for argument and sentence.

In the case of Pizer vs. Stevens, it was announced that Stevens had decided to accept the offer of settlement, and with this understanding he was allowed out on suspended sentence. He paid into Court $119.75. Out of this Pizer receives $50 and the amount of his doctor bill, the rest pays for the cost of the Court.

The three men who were charged with preventing Officer Tom Groves from performing his duty were sent up for trial.

SPORT

LACROSSE

The Chippewas leave Chatham on the 4.30 car for Wallaceburg to-day. They play the home team at 6.00 p. m. and, as both teams are in excellent condition, a fast and exciting game is expected. In all probability the Chippewas will line up in the order named: Chrysler, Farby, Bounsall, McCosh, Craddock, Boyd, Munro, Mayes or Slagg, Martin, Stringer, Suntry, Sheldrick.

The Secretary of the Tecumsehs to-day received a letter from the Detroit lacrosse team stating that they could not see their way clear to play a match with the Chatham boys this week, as they were scheduled to play Windsor on Saturday next and were saving their strength for the game.

The letter further stated that the Detroit club would be open for a game at Detroit in about two weeks time and a match will most likely be arranged to take place the week after next.

More than one best?

When you ask your grocer to send you the best flour, he sends you—*his* best. When you know the best flour and order by the name, the choice is not left to the grocer. Many grocers handle

Royal Household Flour

as their leader. They have found it the safest flour to recommend because its results are sure and its purity is unquestioned. If your grocer's best is not Royal Household, insist on his getting it for you. The benefit will be mutual.
