The society combines Colonial and Continental work with its foreign work in such a way that statistics of the last are not easily gathered from the report.

There are in Asia 17 dioceses of the Church

of England, and in 11 of these there are missionaries either entirely supported or assisted by the society. The largest and most important are naturally in India, but the present year has witnessed the commencement of work in Korea. In 11 out of the 15 dioceses in Africa also there are missionaries of the society, and here too the largest work is in Cape Colony. Of the 13 dioceses in Australia and Tasmania, there are but 4 that receive any assistance, and these furnish no report. New Zealand and the Pacific furnish 8 dioceses, but the only missionaries are in Honolulu and Norfolk and Fiji Islands. In North America there are 20 dioceses, of which 1 each in New Brunswick, Quebec, Montreal, Nova Scotia, Newfoundland, Caledonia, New Westminster and Algoma, and 3 in Rupert's Land receives assistance from the society's funds. Of the 10 dioceses in the West Indies and South America, 7 (Guiana and 6 in the West Indies) have missionaries of the society. The only regular diocese in Europe is that of Gibraltar, but there are numerous chaplaincies.
