ON HIS LAST TRAMP.

John Snyder Believes He is Near the End of His Long Journey.

MILLGROVE, Ind., Oct. 29.—John Snyder, the man who walks because he cannot stop, after an incessant tramp night and day for nearly three years, is dying. He has aged wonderfully in the last six months, and although he still goes on walking in the well beaten path about his house, it is with tottering step and face which gives evidence of great suffering. It is believed he cannot live many days, and he himself now thinks he is near the end of his journey. His strange affliction, which no physician has yet been able to understand, has proved both a curse and a blessing to him and his family. Prior to it there was a constant struggle to keep the wolf from the door, but since, along with the train of his sorrows and woes, it has brought him fame and fortune, and he is now said to be well off in this world's goods.

He Had Nerve.

JOLIET, Ill., Oct. 29.—One of the most desperate attempts at suicide ever made at Joliet prison was successfully carried out last night by the noted burglar and habitual criminal, "Bat" Sheat, who was serving his fourth term from Chicago, a twenty years' sentence. Fastening his suspenders to the top of his iron bunk or bedstead, he lay down upon his bed and choked himself to death by the weight of his body, his neck resting in a loop made by the suspenders. Sheat has been a desperate criminal in Chicago for twenty years past.

The World's New Office is now at 12 Melinda-street.

Sam Hughes Speaking Out.

From The Lindsay Warder.

We venture the assertion [anent the Carfional's visit to Toronto] that the senior bishop of the Anglican Church, the senior clergymen of the Methodist, the Presbyterian or the Baptist churches in Canada have again and again entered Toronto, and no Government Ministers, officials or flunkeys, have bowed the knee in homage! Let us take a case nearer home. Here is Rev. M. L. Pearson, Superintendent of the Methodist Church for this district. He presides over far more people than does the Roman Catholic bishop of Peterboro. Yet when the bishop visited Lindsay, Protestants, or so-called Protestants, cringed, fawned, figuratively licked and bobbered that gentleman. Do they ever do homage to Mr. Pearson? Why the whole idea is absurd.

Again, the Anglican bishop of Toronto occasionally visits Lindsay. Do Roman Catholics vie with Protestants in doing homage to him? No! It is never dreamed of. And why? Simply, Protestant dignitaries would not receive it; and further, it is foreign to true Protestantism.

Don't

let that cold of yours run on. You think it is a light thing. But it may run into catarrh. Or into pneumonia. Or consumption.

Catarrh is disgusting. Pneumonia is dangerous. Consumption is death itself.

The breathing apparatus must be kept healthy and clear of all obstructions and offensive matter. Otherwise there is trouble ahead.

All the diseases of these parts, head, nose, throat, bronchial tubes and lungs, can be delightfully and effectively cured by the use of Boschee's German Syrup. If you don't know this already, thousands and thousands of people can tell you. They have been cured by it, and "know how it is, themselves." Bottle only 75 cents. Ask any druggist. 135

Commercial Union Not Up,

From The Stratford Herald.

One of the convictions to which he gave expression was on Commercial Union, which the agitators are bent upon forcing before the commissioners if possible. That is a question, however, that the commission can have no earthly power to deal with, for it is one, as The Globe and Mail have pointed out with tiresome reiteration, between Canada and the States only. It is not a fit subject for British interference, yet these papers pretend that the Commercial Union scheme ought to be taken in hand by a commission of six, in which Canada has only one representative. It is evident that this is a dishonest pretension and that the real aim of these organs is to confuse and muddle the commission in every way possible.
