SOME POLITICAL STRAWS

Which Show That the Wind Blows in the Conservative Direction.

Bishop Dowling's Introduction of the Candidates—Betting Favors Carscallen More Than Ever—Sons of England Going in Opposition to Mr. Gibson—St. Thomas' Church Rectorship—General News Notes

Hamilton, Feb. 23.—(Special.)—At St. Mary's festival last night, Bishop Dowling introduced the Mayor as a regular attendant for years. The next speaker was Hon. J. M. Gibson, and His Lordship introduced him as the man they saw only once in four years.

Since Ald. Carscallen made his great speech of yesterday, the betting is that his majority will be 700, instead of 500.

There is no doubt that the sturdy S.O.E. will go Conservative at the elections, as will also its celebrated band. A great canvasser tackled the band yesterday and promised one member to "secure a job" if he voted Gibson, but he was quickly sent about his business. The S.O.E. here influence probably 500 votes.

A prominent trades and labor man said to-night that the bulk of the city labor vote would go Conservative. The treatment given by the Hardy Government to their repeated petitions for a secret ballot, factory act and prison labor legislation left them no other course.

St. Thomas' Church Rectorship.

St. Thomas' Church vestry last night passed a resolution exonerating Rector H. G. Miller from all blame for the existing troubles in the church. The reverend gentleman's immediate resignation was accepted and his salary paid up to Easter. The vestry will hold a meeting next month to extend a call to his successor. While Rev. F. DuMoulin is favored by some members, The World last night had it from a prominent Anglican official that the Bishop had promised the rectorship to Rev. Canon Clark of Ancaster.

Hunters for San Jose Scale.

Government Inspector W. Orr is in town to-day arranging for the expedition of his 30 hunters for the San Jose scale in the Niagara district. The force will be composed of experienced fruit growers, who will turn their magnifying glasses on orchards planted less than five years and on districts known to have been fed by infected nurseries of the United States. Asked as to the expense of the summer's investigation, Mr. Orr remarked: "I consider that we shall be well rid of the pest if it costs $50,000."

General Notes.

The Canadian Club to foster Canadian sentiment will take up the study of Canadian history and literature and discuss matters affecting the welfare of the Dominion.

The S.S. Christian Endeavor societies of Wentworth County, representing a membership of 2000, gather in convention at Knox Church to-morrow afternoon and evening. President Rev. J. F. Barker will preside.

R. H. Howard & Co. sell Mount Clemens Sprudel Water, which cures dyspepsia. 4

Arrested for Theft.

Harry Harrison, a young colored man, who says he is employed on a Pullman car running between Montreal and Vancouver, was arrested last night by Detective Black on a charge of stealing $27 from Rose Leroy, 23 Emily-street. Part of the money alleged to have been stolen was recovered.

Dyspepsia and Indigestion—C. W. Snow & Co., Syracuse, N. Y., writes: "Please send us ten gross of Pills. We are selling more of Parmalee's Pills than any other pill we keep. They have a great reputation for the cure of Dyspepsia and Liver Complaint." Mr. Charles A. Smith, Lindsay, writes: "Parmalee's Pills are an excellent medicine. My sister has been troubled with severe headache, but these pills have cured her." ed

Well-Known Baptist Minister Dead.

Philadelphia, Feb. 23.—Rev. Thomas Roslyng Howlett, a well-known Baptist minister, died at his home here last night. Mr. Howlett was born in England 71 years ago.

STARVATION AT SANTIAGO DE CUBA

Fourteen Thousand People Said to be Without Food—The Death Rate is Appalling.

Santiago de Cuba, Feb. 23.—While the United States cruiser Montgomery was at Matanzas recently a board of officers was appointed to enquire into the condition of the people of the province. There are 14,000 people absolutely without food and clothing within the city limits.

These 14,000 are the laboring people, who have been driven into the cities from their country homes, which have been destroyed by the operations of the war. Most of them are women and children, and they are all emaciated, sick and almost beyond relief unless they can have the benefit of regular treatment in the hospitals. As it is, they are dying in the streets for want of food.

According to statistics gathered from the best official sources, the number of deaths in the Province of Matanzas from starvation is 59,000, and the number of starving people at present in the province is estimated at 98,000, out of a total population of 253,616 in December, 1897. The number of starving people is rapidly increasing.

In the city of Matanzas alone there have been about 11,000 deaths during the past year, and the number is increasing daily. The death rate at present averages 46 per day.

SPAIN WILL NOT SELL CUBA.

All Politicians in the Old Country are United on That Question.

Madrid, Feb. 23.—As the question of the purchase of Cuba is again being pushed in Washington, it may be of use to state, on the highest authority, that Spain will never, no matter what Government is in power, consider any such suggestion or any compromise in Cuba beyond the broad measure of autonomy drafted by the Liberal Government. This is an absolute, irrevocable decision. People who suggest anything else are only wasting time and arousing unfounded hopes.

Effervescent Draughts.

There are many effervescent draughts, but there is one particularly which commands attention and respect for its excellence wherever it is introduced. In a recent issue La Revue Medicale says: "Abbey's Effervescent Salt is prepared to meet the requirements of the times. An effervescent draught is acknowledged by the Medical Profession as one of the most agreeable and effective vehicles whereby to administer medical agents; especially as the carbonic acid gas, generated during its administration, is in itself a sedative and is particularly soothing to a sensitive stomach."

Bear in mind always that a teaspoonful of Abbey's Effervescent Salt, taken every morning before breakfast, will keep you in excellent health and spirits. Sold by all druggists at 60 cents a large bottle. Trial size 25 cents.

To-night at Association Hall.

Sir Squire Bancroft, whom the Toronto public will have the pleasure of hearing this evening in a series of readings in Association Hall, has rendered signal service to the modern stage, by introducing an atmosphere of culture and refinement, which it is not too much to say were foreign to it when he first assumed the management of the old Byron Theatre in London. And Sir Squire had not the advantage of the dramatic school either in his early beginnings. He was a born actor. When a child he delighted in dramatic declamation. His chief toy was a miniature theatre. He read and acted Shakespeare in secret. He was stage-struck before he could walk across the floor. It was in him to be an actor. He felt this so strongly that in the year 1861 he ran away from his home in London, and presented himself, a youth of 19, to a manager of a theatre in Birmingham. This was the beginning of his career. He had had no technical training. He felt the force of character through all his being. He appropriated the sentiments, the attitude, the personality and set them forth, verily believing in their verisimilitude. And once his versatility and genius became known the world was willing to recognize in the stage-struck boy an actor molded after nature's own pattern. Sir Squire is already assured of a large audience of our most cultured people when he makes his initial bow at Association Hall this evening. The plan at Nordheimers will close promptly at 5 p.m. A few good places can still be had.

The Plancon Concert.

A large and fashionable audience is assured for to-night's concert in Massey Hall. The advance sale has been heavy, yet a few good seats remain, and early application is advisable. The program is of the highest order, and the advertising columns show that a rare treat is in store for those who attend.

An Evening With Browning.

The Browning Club of the Unitarian Church, under the leadership of Rev. O. B. Hawes, the pastor, is doing splendid work, and has entered upon the second session of its winter's term. Last night a most thoughtful and inspiring paper upon "Browning's Optimism and Its Justincation" was contributed by Mr. Hawes; afterwards an interesting discussion upon Browning's Messianic idea as it appears in the fine poem, Saul, took place, many of the members taking part. Bishop Blangram, his theories and their effect upon his life, were also discussed very profitably. Other contributions to the evening's program were a piano solo, Liszt's "Song of Love," played by Mr. Douglas Bertram, and the reading of Karshish, the Arab Physician's Epistle," by Mr. Hawes. On March 9 a paper upon Browning's power as a dramatist will prove very attractive.

MR. FOY AND THE RETAILERS

The Conservative Candidate Heartily Endorses Their Platform.

Enthusiasm at High Pressure in St. George's Hall Last Evening—Stirring Speeches in Support of the Liberal-Conservative Candidate for South Toronto—Prelude of Victory.

Right in the heart of St. John's Ward Conservative Candidate J. J. Foy, Q.C., had a huge, enthusiastic and orderly endorsement last night. The oaken floor of St. George's Hall did not suffice to hold a gathering wonderfully representative of all the races, creeds and colors found in Toronto. The men who danked Chairman Kappele to right and left bore to this additional testimony. Wonderful was the ardor of the crowd and it reached a climax when Mr. Foy came out unequivocally in favor of the platform of the Retail Merchants' Association.

Ardent Addresses.

The first speaker was Mr. C. M. Macdonald, and he was followed by a prominent Hebrew citizen, Mr. A. D. Benjamin, and by two honored citizens with complexions of a swarthier hue, Mr. David Smith and Ald. Hubbard. The latter was in exceptionally fine fettle, and refuted the arguments of Mr. Rogers' supporters that the latter was given three-fourths of his public contracts for furniture supplies by public tender. Only Reformers, he claimed, were asked to tender. The Laurier quartet went through the country singing the Government's praises. Nero fiddled while Rome burned. [Laughter.] Concluding a convincing address, the speaker thanked God that he lived in a country where no man was known by his creed, race or color. Of that he was a living example, and so it would be with Mr. Foy.

Mr. Foy's Capital Speech.

The candidate was received uproariously, and in the course of a splendid presentation explained why it was he had not replied before Tuesday night to the communication from the Retail Merchants' Association. He had overlooked the fact in the heat of the campaign that their meeting was to be held that night, and knew nothing of it until he read yesterday morning papers. He had immediately sent word that he would support their bill to impose a turnover business tax. [Sensation.] I did not think even that it went far enough," he added, amid renewed applause. He would apply the principle of protection to department stores as to commerce, preventing them by some means from crushing out smaller competitors. [Applause.] Hon. Mr. Harcourt had said that "Hardyism" meant performance, and "Whitneyism" promise. The curtain would go down on Mr. Hardy's performance March 1, and Mr. Whitney would lead the people out of twenty-six years of wilderness to a land of promise. [Prolonged applause.]

All Heartily Cheered.

"The people like a little humbugging," said Mr. E. B. Osler, M.P., who followed, "and that's why Hardy has been there so long."

Mr. O. A. Howland met with a generous reception, and so did the remaining speakers, Messrs. George A. Maston, T. D. Craig, M.P., and Mr. E. F. Clarke, M.P., all of whom made decided hits, and the meeting closed with the National Anthem and cheers for the candidate.

MESSRS. MARTER AND CRAWFORD

Heartily Endorsed by a Large and Enthusiastic Meeting in Douglas Hall Last Evening.

Douglas' Hall, Blor and Bathurst-streets, was crowded to the doors last night with enthusiastic supporters of Mr. Crawford and Mr. G. F. Marter. The heartiest unanimity of sentiment prevailed, and to Mr. Marter and Mr. Crawford was extended the heartiest cordiality. Mr. W. D. McPherson presided.

Mr. George F. Marter said he had spent the day in canvassing, and he had been surprised at the cordial reception he had everywhere received. He had not met a dozen persons on Yonge-street, where his work lay, who had not promised to vote for him. He had met many who had opposed him before who would support him this time, and not one who had supported him before who was going to ——— him now.

Mr. Thomas Crawford said that everywhere there were indications of a Conservative victory in the province. The latest charge against the speaker was that he was at the head of a great Chicago corporation that wanted to get hold of the Cattle Market. There was no truth in the statement. He favored the city retaining control of its franchises.

WEST TORONTO CAMPAIGN

Another Enthusiastic Meeting Endorses the Candidature of Mr. Thomas Crawford—Stirring Speeches.

Forrester's Hall, Dufferin and Bloor-streets, held an enthusiastic gathering of supporters of Mr. Thomas Crawford last evening. Mr. John Laxton occupied the hair, and with him on the platform were: Thomas Crawford, ex-M.L.A., E. F. Clarke, M.P., Mr. Christian, William Kelley, John Fawcett, Mr. McGee, John Brown, C. McDonald, John Fauids, Ald. Bowman, R. W. Prittie and W. H. Church.

Mr. Christian said he supported Mr. Crawford four years ago, and had not been disappointed, and if any constituency had an honest representative it was West Toronto. [Applause].

Mr. Crawford, who was received with repeated rounds of applause, said he was proud to know that neither Conservatives, Liberals nor Independents had ever charged him with neglecting his duty as their representative.

The last speaker was Alex. Asher, one of many Reformers who are supporting Mr. Crawford. He said he was going to vote against the Hardy Government, which he denounced in unmeasured terms as corrupt.

COUNTY AND SUBURBAN

Toronto Junction, Feb. 23.—(Special.)—A service of song by the Carlton-street Methodist Church choir was given in the Annette-street Methodist Church last night. Rev. James Allen, M.A., gave an address and quartets were rendered by Mrs. S. Massie and Miss Ella Ronan and Mr. Victor Hutchinson and Mr. J. H. Wilson.

There was a poor attendance at the phrenological lecture and minstrel entertainment in Kilburn Hall to-night. The proceeds are to go to the poor of the town.

The Grand Trunk Railway yard at York is considerably blockaded at present with large numbers of freight trains waiting to proceed on their way to the east. The lack of engines is the cause of the delay.

North Toronto.

There was lost on Yonge-street on Wednesday morning between Mason-avenue and Bedford Park P. O. a letter and postcard addressed to S. C. Wood and G. F. Wood, Bedford Park P. O.

Mims' Hotel, Davisville, was the objective point on Tuesday night of one of the jolliest sleighing parties that ever came over the hills. About 24 of the employes of S. F. McKinnon & Co., travelers and house staff, journeyed thither, took possession and proceeded to enjoy themselves. A splendid supper was partaken of and an enjoyable program rendered by exclusively home talent. The return journey was commenced about 1 o'clock.

The final entertainment of the St. Clement's Literary and Musical Society was given at the Town Hall Tuesday night to a large assemblage. The program was a fitting culmination to the many pleasant evenings during the winter provided by the organization. Rev. T. W. Powell presided, and in addition to the play "Sunset" and the Trinity Banjo Club the following also presented pleasing vocal and elocutionary items: Messrs. Waddington, Boulden, Durand, Hall, Mrs. Mackenzie, Mrs. Waddington and the Misses McKinley, Judd, Morson and Impie.

The Bible class and teachers of the Merton-street Mission were provided with a pleasant sleigh ride to Newtonbrook last evening.

Mr. John Richardson, with Hon. S. C. Biggs and Dr. Hutchinson, addressed a gathering of Reformers at the Masonic Hall last night.

The band carnival on Tuesday night was more than equal to the success anticipated. Few if any of such events held in the rink have drawn a larger crowd, and a good balance will be handed over to the band fund. The efforts of Mr. J. Sanderson in introducing the international drill were highly appreciated and received much applause. Mr. Ed Forrester with the family of brownies also proved a taking card with their specialty act. The costumes were many and exceptionally novel.

Thomas Savage, the 18-year-old son of Mr. John Savage and nepoew of Reeve Messrs. J. H. Hay, died suddenly on Monday afternoon. Deceased felt somewhat unwell and was seen by a medical man early in the day. No danger, however, was anticipated. About four in the afternoon the young man was seized with a fit that ended fatality in a very short time. The funeral took place yesterday afternoon to Richmond Hill Cemetery. Rev. J. A. Grant conducted the service.

Thornhill.

Preparations on a large scale are being made to giv eMr. J. W. St. John a good reception on Friday night. Mr. J. W. Moyes also intends being present, and will hold a joint meeting in the Victoria Hall.

The Farmers' Loan Company.

The Advisory Committee representing the shareholders and creditors of the Farmers' Loan Company held their first meeting in the office of the Toronto General Trusts Company yesterday. The tenders for the first block of mortgages were discussed and deemed not satisfactory. Some recommendations regarding the disposal of the mortgages were adopted and will be presented to the Master-in-Ordinary to-morrow morning. Mr. Mulock's offer, also, was considered in its various relations, but no action was taken pending the report of the solicitors as to the liability of the directors. In addition, the affairs of the company were discussed in a general way. The meeting was altogether harmonious, Mr. Langmuir stated that there would be no more meetings of shareholders or creditors called unless something very startling happened.

Damage Through Overflow.

The hearing of John McArthur's suit against the Township of York for $200 on account of alleged damages sustained by the overflow of Silver Creek, was concluded before Judge McDougall yesterday, and judgment was reserved. The damage, it was claimed, resulted through the disrepair of a culvert. F. C. Jarvis for the plaintiff and Bull & Werrett for the township.

THE GOLDEN KLONDIKE.

An Enormous Rush of Gold Seekers Going In.

Some Sound Advice From One Who Has Made the Trip and Knows Something of the Hardships the Gold Seekers Must Undergo.

In the rush towards the golden fields of the Klondike there are thousands who are ill-fitted to stand the strain of hardship and exposure which are inseparable from that trip. Illness, disease and death is almost certain to claim many of the ill-prepared adventurers. The following letter from one who has undergone the hardships of the trip will prove interesting to those who intend going into the desolate but gold-laden north:

Skaguay, Dec. 12th, 1897.

Dear Sirs,—My object in writing this letter is to give a word of advice to those who contemplate going to the Yukon gold fields. For ten years I have followed the occupation of prospecting, timber estimating and mining, and the hardships and privations which one has to undergo are enough to wreck the strongest constitution. In the spring of 1897 I was stricken with pleurisy, as the result of exposure. I recovered from this, but it left behind the seeds of disease which manifested themselves in the form of heart and kidney troubles. I managed to reach Vancouver, but did not have much hopes of recovering. I was advised, however, to give Dr. Williams' Pink Pills a trial and at first purchased but two boxes. Before these were gone I found beyond a doubt that they were helping me, and then continued use "put me on my feet again," to use a common expression. I then engaged to go to the Yukon Country, and only those who have made the trip to Dawson City can form even the faintest conception of the hardships that have to be borne in making the trip. Before starting I added to my outfit two dozen boxes of Dr. Williams' Pink Pills, and I can honestly say no part of my outfit proved of such invaluable service to me, and I would strongly urge every man who goes in to take a supply with him, as he will find the need of such a tonic and upbuilder of the system on many occasions. I went in and returned to this place by the Dalton Trail, which consists of 350 miles of old Indian trail, starting at Pyramid Harbor. In going over the trail one has at times to wade through mud more than a foot deep and ford streams waist-deep in ice-cold waters. When I started for the Yukon my weight was only 149 pounds, and I now weigh 169 pounds, thanks to Dr. Williams' Pink Pills.

I am soon starting for another trip to Dawson by the same route. This time, however, the traveling will be on snowshoes, and you may depend upon it Dr. Williams' Pink Pills will again form part of my outfit.

I write this letter for the two-fold purpose of letting you know what your medicine has done for me and urging those who go in to take a supply with them. Every man, whether he is sick or well, who undertakes the trip to the Yukon will require something to brace him and keep his constitution sound in that country. I may say that my home is at Copper Cliff, Ont., where my wife now resides.

Yours very truly,
John Piche.

EAST TORONTO LIBERALS.

A large meeting in the interests of Mr. Charles Caldwell, Liberal candidate for East Toronto, was held last night in Dingman's Hall, Mr. Daniel Kelly presiding. Mr. J. H. Mackenzie and Mr. A. McCallum, having addressed the meeting, Mr. Caldwell made a brief speech. Ald. Frankland said he believed in putting business men into office, not lawyers, doctors or any professional men. Mr. Frankland Duffy spoke strongly against departmental stores, and Mr. Charles March confined his remarks to the workingmen. The other speakers were Messrs. J. H. Metcalfe and Alex Findlayson, all of whom were loud in their praise of Mr. Charles Caldwell and the Hardy Government.

No Quorum at Association Hall.

Quite a concourse of electors was to have assembled last night in Association Hall to hear more about that "Victory Platform" and also listen to arguments showing that the motto "It Is Time for a Change" was merely a sign of the Opposition and not a sign of the times. A Tory orginator in a meeting to be held in the interests of the South Toronto Reform candidate, Mr. W. B. Rogers, but at 8.15 the hall bore the aspect of a sheet of Langleyfoot when a few stray flies have stuck their unsuspecting footgear onto the subtle surface, and as Mr. Rogers didn't turn up, and as a great many others followed his example, the audience said "Carried" when Mr. J. S. Willison appeared on the platform and remarked that, owing to an error of advertising, the result of which was such a very meagre attendance, he thought the meeting might very well be adjourned.

Alleged Shoplifting.

Mrs. Sarah Anger, who lives at Thornbury, was arrested by Detective Harrison yesterday afternoon on a charge of shoplifting at Eaton's. The specific case on which the arrest was made is the alleged theft of a candle stick, but a number of other articles, also alleged to have been stolen from the store, were afterwards brought to Police Headquarters from a house on Bond-street. Mrs. Anger is a woman of most respectable appearance and has influential friends in the city, who visited the police station in her behalf soon after the arrest. They protested her innocence and a little unpleasantness with the authorities ensued.
