Curling District Cup And Tankard ❖ Rowing Arnst and Durnan ❖ Racing On the Ice at Montreal

NOTE AND COMMENT

It is now no longer little Lakeview. They followed up good form in the single rink and tankard group competitions by landing No. 1 District Cup in a close finish with Queen City, and most people are glad to see the honors go round.

Now there only remain the competitions for the Ontario Tankard and governor-general's prize to wind up the business curling for the year, and, weather permitting, the contest will be called for next week.

The Tankard groups have all been decided except Lindsay and the Granites, and they have elected to meet the afternoon prior to the opening of the finals.

Close followers of curling will tell you that the winners of No. 1 will this year land the tankard. Of the eight left all are well known in the finals except the Maple Leafs of Scarboro, and it's just possible that the clubs may run into heavy going. Then look out for Ellesmere!

Hamilton Thistles, who had the winning habit in the 90's, are back again, tho Paris or Dundas represented group two generally in recent years.

Umpire Bob Emslie of St. Thomas, one of the best known officials, keeps in condition these days wi' besom and stane, and he's still plenty young enough to play with the boys. Yesterday at the Colts' bonspiel at Stratford Bob skipped a rink from the home town, but lost, and there was no hooting or pop bottles.

It was a bad day for the baseball curlers. Your old friend Chub Collins and his Dundas rink were enough down to kill Dr. Bertram's majority, and give group number six final to the Hamilton Thistles.

Cornwall, the home of lacrosse, requires new lacrosse grounds. For years the old town has been struggling hard under unfavorable conditions, in not having suitable grounds. The citizens are rallying to the aid of the executive and are requesting the merchants of the Factory Town to assist them by donations for their Tombola, that is to be given in the local music hall, from April 12 to 19. In a circular letter sent out to friends of the club, it is pointed out that this little town, owing to its small population, has been struggling manfully for years against Montreal, Toronto, Ottawa and other large centres, and has had the greatest difficulty in financing the team, hence the necessity of appealing for assistance.

The mystery is clearing about the condition of the runners. Last Monday we displayed Tom Longboat's victory over the Washington relay of fast soldiers, tho it was the intention in alleged wise quarters to keep the Indian stock down. Indeed warped stable information was to the effect that it was a forlorn hope for Tom.

"It's a shame to have me run," "I'm all in," "Don't bet on me," came to hand in fine Onondagan characters, which were duly translated and given to an anxious public, including the betting men.

Yesterday the question was put to Alfred Shrubb in New York: "Shall I wire your English friends in Toronto that you are fit, and to go ahead and bet on you?" "No, no," he replied, and was quite emphatic in the matter.

"What do you mean by 'No, no,'" and he made it plain that he would rather that his friends use their own judgment as to the betting. This has all the air of genuineness.

Shrubb showed considerable anxiety as to who would be Longboat's advisers the night of the race, and was particular about knowing if Tom Flanagan was to be one of them.

Shrubb may win to-morrow or Longboat may win, and it looks an impossible task to properly forecast the result of a Marathon that promises to be stubbornly contested by two great athletes, each in good condition.

Cadets Defeat Queen's III.

KINGSTON, Feb. 3.—Queens III. and Cadets II. met to-night in the second game of the Junior Intercollegiate series. Queens went in with a lead of four goals from the previous game. The ice was in good condition, but the crowd was very poor. The teams lined-up as follows:

Queens (10): Goal, Mills; point, Elliott; cover, Calvin; rover, Forgie; centre, Anglin; right, Graveller; left, Clowm.

Cadets (11): Goal, Hanson; point, Read; cover, Green; rover, Goodell; centre, Baker; right, Archibald; left, White.

Referee, A. V. Dobson, Queens. The first half was very ragged, neither team showing good form. Play was fast in spots, but very erratic. Half-time score, Queens 5, Cadets 3. Second half was faster and better hockey was played. The full time score, Cadets 11, Queens 10.

Marmora 10, Sterling 9.

MARMORA, Feb. 3.—A fast and very exciting game of hockey was played here to-night between Stirling and Marmora in district No. 3 of the Trent Valley Hockey League, resulting in a victory for Marmora 19 goals to 9

C. Co. Q.O.R. Beat Body Guards.

C Co., Q.O.R., had no difficulty in defeating the Body Guards last night by the score of 21—2, in their Garrison League game. The playing of Walsh at short was one of the many features of the game, while W. Cadman's hitting was terrific. The Queen's Own have but one more game to win and the Currie Cup will leave its resting place and land in the Q.O.R.'s showcase. Score:

C Co., Q.O.R. ..... 3 2 2 1 0 6 1 6 *—21
Body Guards ..... 0 0 0 0 1 0 0 0 1—2

Lakeviews Win District Cup No. 1 Beat Queen City in Final By Two

Hamilton Thistles Beat Dundas, While Harriston Put Out Mount Forest in Tankard Croup Finals.

Play in District Cup No. 1 was brought to a conclusion yesterday afternoon, Lakeview winning the final game from Queen City by two shots. In the morning, at Queen City, Lakeview put out the Caledonians, the Howard rink being unable to "get" the ice, while, at the Granite Rink, Queen City finished 4 up on Brampton, tho the Excelsiors seemed the pick of the fancy.

Lakeview elected to curl Queen City on the latter's ice, tho Umpire R. B. Rice would have provided a neutral sheet. The Harrison-street curlers started to make a runaway race, and it was not till about half-way that Walker secured his bearings. Then it was anyone's game, and when the last stone was played Robertson was 8 up and Drummond 6 down, giving Lakeview the cup by a majority of two shots. Scores:

SYDNEY, N.S.W., Feb. 3.—Bill Lang to-day defeated Bill Squires for the heavyweight championship of Australia. The contest lasted for 17 rounds. Lang was defeated by Burns in Melbourne last September.

St. Simons' Juniors Win.

In the Anglican Hockey League, junior series St. Simons defeated St. Cyprians last night by a score of 11 to 6. At the start it looked as tho the teams were very evenly matched, for whenever St. Simons found the nets their opponents came back a few minutes later, until the score stood 3-all. Then the winners got together and added three more, making the score at half-time 6 to 3. St. Simons' forward division was very fast, and kept Robertson busy in goal. The west enders had a good attacking line, but the winners' defence broke their combination. St. Simons' defence players both made rushes which resulted in tallies. In the second half St. Cyprians added three goals, while their opponents put the puck inside the counting line five times. The line-up:

St. Simons (11)—Goal, Coe; point, Statham; cover, Davidson; rover, Parsons; centre, Mills; right wing, Burkart; left wing, Brown.

St. Cyprians (6)—Goal, Robertson; point, Price; cover, Rawlinson; rover, Sues; centre, Mumford; right wing, Isaac; left wing, Adair.

Montreal Defeat Victorias.

MONTREAL, Feb. 3.—(Special.)—Montreal defeated Victorias to-night in an Interprovincial game by 10 to 9, and the game was played under protest, owing to Montreal playing White, who is not a registered player. White relieved Sargent just before half-time, when Sargent and Campbell met in ahead-on collision, the former not being able to continue.

In the second half Montreal withdrew White and submitted Glass, but the game was still played under protest. The score was tied five times. The teams:

Montreal (10)—Goal, Finnie; point, Borland; cover, Lynch; rover, Macpherson; centre, Eveleigh; right wing, Sargent; left wing, Chipchase.

Victoria (9)—Goal, Robinson; point, Kennedy; cover, Campbell; rover, Bowie; centre, Hale; right wing, Payan; left wing, Gilbert.

Referees—R. Percival and B. Burland.

Port Colborne 10, Port Dalhousie 8.

PORT COLBORNE, Feb. 3.—In a postponed scheduled game of the O.H.A. Intermediates, Port Colborne won from Port Dalhousie by 7 to 2. It was a very slow and featureless game.

Port Colborne (7): Goal, Wilson; point, Knoll; cover-point, Hemwick; rover, Irwin; centre, Gilchrist; left wing, O'Brien; right wing, Stanley.

Port Dalhousie (2): Goal, May; point, York; cover-point, Scott; rover, Bulman; centre, Coons; left wing, Rooney; right wing, Miles.

Referee—Waghorne.

U.C.C. 11, St. Michaels 10.

In one of the best contested Junior O.H.A. games seen here in some time, U.C.C. defeated St. Michaels yesterday afternoon at Mutual-street by a score of 11 to 10. The winners had a lead at the half 6 to 3.

On the play St. Michaels should have won, but a few accidents cropped up, McKenzie slashing Buckart over the head after the latter had hit him. Buckart received a big cut in the scalp and was forced to retire, while McKenzie was ruled off for the rest of the game, or 23 minutes in all, St. Michaels having to play one man short for that period. The teams:

U.C.C. (11): Goal, Galleher; point, Oughton; cover, Caldwell; rover, Carruthers; centre, Pontbriand; right, Gouinlock; left, Burkart.

St. Michaels (10): Goal, McCarthy; point, Sedley; cover, McKenzie; rover, Bellisle; centre, LeRue; right, Kerby; left, Dopp.

Referee—E. J. Livingstone.

North Bay 14, Huntsville 1.

NORTH BAY, Feb. 3.—(Special.)—North Bay hockey team sustained their unbroken string of victories this season by defeating Huntsville Victorias 14 to 1 to-night. Thomas, right wing for the visitors, was taken very sick in the first half and forced to leave the ice for the game.

Referee, A. Reid, Huntsville.

Players for North Bay: Workman, Loughrin, Boland, Wilson, Bunyan, Cooper, McDonald.

Huntsville—Kendrick, Dulmay, Beaudway, Robinson, Thomas, Pym, Davie.

Durham 12, Walkerton 2.

DURHAM, Feb. 3.—A Northern League hockey match was played to-night between Walkerton and Durham, which resulted in favor of Durham by a score of 12 to 2. The score at half time was Durham 5, Walkerton 1. The game was the fastest played on Durham ice this season and Referee Moncrief, who gave good satisfaction, had his work cut out for him, there being 23 men penalized for minor offences. Durham played better hockey and were the faster team. The majority of the goals were scored by Lavelle and Begley, the fast wing men, who deserve credit, as they were up against the strongest defence they have met this season. The line-up was as follows:

Walkerton (2): Goal, Clark; point, Anderson; cover-point, Wettlauffer; rover, Goetz; centre, Mason; right wing, Struthers; left wing, Olgrieves.

Durham (12): Goal, Laidlaw; point, Wilson; cover-point, Cowan; rover, Cameron; centre, Livingstone; right wing, Lavelle; left wing, Begley.

T.A.A.C. THE WINNERS OVER O.H.A. CHAMPIONS

Score Was 6 to 5—Montreal Defeat Victorias—Galt Pros. Here To-Night.

In a game that was nip-and-tuck from whistle to whistle, with no dull moments in between, T.A.A.C. defeated the 14th Regiment team of Kingston in a senior O.H.A. game at T.A.A.C. rink last night by score of 6 to 5, altho at the interval Kingston led 4 to 3.

The only disappointing feature of the night was the attendance, the game not being as largely attended as it should, in fact it was one of the poorest senior O. H. A. crowds seen here in some time, but if T. A. A. C. keep up their creditable showing of last night the management will have no cause to worry so far as the financial end is concerned.

The small rink no doubt handicapped the soldiers, they being content to play only three forwards on the line, till T. A. A. C. made it 6 to 4 early in the second half, and altho after this they bombarded T. A. A. C. goal, only a loner were they able to get when there was only ten minutes to play.

The star of the night and who undoubtedly won the game for T.A.A.C. was Cochrane at goal, he playing a phenomenal game, especially in the second half, he stopping five shots to Saunders' one and on a half dozen occasions used excellent judgment in management and blocking the shot, when the opposing forward had only Cochrane to beat.

Close, hard checking prevailed thru out the contest, while many a bump and slash was handed out, and altho T. A. A. C. were the lighter team, their great back-checking wore down the heavier visitors, Richardson in particular being all in the finish.

For T.A.A.C. Allen was the star, while McArthur and Kidd played the defence game to perfection, ably aided by Cochrane. McGiffin also did good work, as did Davidson and Cosgrave, altho the team were very fortunate in not suffering when their players were penalized once, McArthur and Kidd being off together. Richardson and Davidson for Kingston were the best, but the soldiers were outlucked. The teams:

T. A. A. C. (6)—Goal, Cochrane; point, McArthur; cover, Kidd; rover, Allen; centre, Davidson; left, McGiffin; right, Cosgrave.

Kingston (5)—Goal, Saunders; point, Powell; cover, Vanhorn; rover, Crawford; centre, Bernier; left, Richardson; right, Davidson.

Referee—Hal Clark.

The Summary.

Heads Apart After Five Miles Col. Taylor Defeats Bay Billy

Splendid Distance Contest on the Ice at Montreal—Deveras, Favorite, Finishes Second to Last.

MONTREAL, Feb. 3.—(Special.)—Despite the small fields at Delorimier Park this afternoon the racing was decidedly keen and interesting, especially in the 5-mile race, which was the second of the kind during the present meeting. In this race there were six starters, Deveras, Waunita, Bay Billy, Col. Taylor, R and R and the grey trotter, Conduct, that holds the world's record for five miles on ice, 12.20¾. Bay Billy won at this distance last week, and Deveras showed a lot of class in the same race. It was the feature event of to-day as far as speculation is concerned, as each horse had a legion of supporters. Deveras sold at even money against the field, in the majority of the pools, but when they were sold out the tickets read Deveras $10, Waunita $4, Bay Billy $3, Col. Taylor $2 and the field, which included R. and R. and Conduct, $2.

The race developed into a magnificent contest and it was not until the judges' decision was announced that the winner was certain.

For four miles the horses kept close together, with R. and R. leading, Bay Billy, Waunita, Col Taylor, Deveras and Conduct following in the order named with not more than a length difference between any two. Sears moved out with Waunita entering the last half and Montgomery soon had Bay Billy in hot pursuit. They went past R. and R. easily and raced like a team to the head of the stretch when Waunita faltered, then Col. Taylor came from behind and in a grueling drive just beat Bay Billy by a head with Waunita close up, third.

Just at the present time Doris B. looks like the best ice pacer barring the Eel, for the daughter of Grattan easily won the 2.04 pace by annexing the second, third and fourth heats to-day after Davy K. had won the first. In this heat one of the hind shoes on Doris B. spread, which had the effect of checking her speed.

However, she made the other two starters, Davy K. and Black Bill, look cheap after the first heat. She won the second heat in 2.18½, just breezing thru the stretch.

The special trot went to the Stratford mare Edith, after five heats of racing, the fastest of which was the last. Edith won the first two, then Gain, a handsome stallion, owned by Mr. S. G. Camp of Oneonta, N.Y., landed two. The fifth and deciding heat was won by Edith after Gain had led to the head of the stretch. The latter broke when the pinch came and finished in front at the wire. Lent was placed last for running.

The 2.19 trot, unfinished from yesterday, was concluded to-day and found King Allen the winner. The local horse, Johnny Medium, won the opening heat to-day, thru King Allen making a break when straightened out for home, but the King easily took the sixth and last heat.

When announcing the result of this race the judges stated that they would reserve their decision in regard to the bets on the race, as they were not satisfied with the appearance of it.

The card for to-morrow consists of the free-for-all trot, 2.20 pace, and also the attempt of the Eel to lower his present world's ice record, 2.11½.

Mr. J. Ward of Toronto to-day sold the bay pacing gelding Honest Billy, 2.23¼, to Mr. Ed. Carr of Streetsville, Ont. Honest Billy has demonstrated this winter that he is a right smart pacer, by winning the fourth heat at Dufferin Park, Toronto, in 2.20¼, and also by his good races at Ottawa and here.

It is expected that the present meeting will terminate with the last race on to-morrow's program; then there will be an interval of two weeks, when the second meeting will begin. The following is the summary of to-day's events:

Whitby 10, Port Hope 8.

WHITBY, Feb. 3.—Whitby Rink was positively crowded as never before to-night to witness the Port Hope v. Whitby game. As an exhibition of clean, swift hockey, the game has never been surpassed here, Whitby won because on their own ice they are invincible. The visiting team were splendid fellows and played a beautiful game. At half-time the score was 6 to 4 in Whitby's favor, and at the close 10 to 8 in favor of the home team. The Whitby team never played better, and the game was brilliant and terrifically fast. Referee Hancock had to penalize at times, and kept the play strictly to rule. He gave the best satisfaction of any referee here this season. Two hundred Port Hope supporters, wit htwo bands, came by special train. The line-up:

Port Hope (8)—Goal, Record; point, Nixon; cover, Heyson; rover, Brown; centre, McMillan; right wing, Stevenson; left wing, Lowthian.

Whitby (10)—Goal, Wilson; point, Lavery; cover, Waugh; rover, Wilson; centre, Smith; right wing, Pacquette; left wing, Blanchard.

Galt Pros. Here To-Night.

Galt pros., who trimmed Brantford the other night, are at Mutual-street to-night, playing the local pros' a league game, and, as the locals have to win all their remaining games to be in the running, a great game may be expected. The locals need no introduction after their great exhibition Saturday night, and they can be depended upon to score a win over Buck Irving's hired help. The teams:

Galt—Goal, Mercer; point, Charlton; cover, Murphy; rover, G. Cochrane; centre, Serviss; right wing, M. Cochrane; left wing, Dougherty.

Toronto—Goal, Tyrday; point, H. Smith; cover, Doran; rover, Manson; centre, Lalonde; left wing, Ridpath; right wing, D. Smith.

Shrubb-Longboat Race.

There will be a wire from Madison Square Garden on Friday night into Massey Hall, where the story of the Longboat-Shrubb race will be read. A band concert by the 48th Highlanders will also be given. All seats are reserved. There will be no smoking, and the balcony will be for ladies and their escorts.
