VOTED A BILLION WITHOUT DISCUSSION

LONDON, Aug. 3.—(Canadian Press Cable.)—When the guillotine fell on outstanding votes of the supply in the House of Commons tonight, sums amounting to 240,000,000 pounds sterling had been voted without discussion.

CONTROL BILL IS KILLED BY GOVERNMENT

New Licensing Act Passes the House After An All-Night Session.

TURN DOWN LOCAL OPTION

Proposal of Bishop of London Received Scant Consideration.

LONDON, Aug. 3.—The new licensing bill, which finally passed the House of Commons today after an all-night sitting and was sent to the House of Lords, where it is not likely to be amended further, removes many restrictions imposed by the defence of the realm act during the war and partially restores pre-war facilities for retailing liquor.

One important concession which the bill makes to London night life is that supper drinks may be ordered with food up to midnight in hotels and restaurants and up to 11:30 p.m. in licensed saloons and clubs, instead of 10 p.m., as heretofore. The bill also permits distillers to revert to the pre-war alcoholic strength of their beverages.

Few Changes Made.

A few changes were made by the House in the original bill, including the hours of sale in the provinces, which are fixed definitely at eight, instead of a maximum of eight and a minimum of seven, as originally proposed. Sunday opening is fixed definitely at five hours, instead of a maximum of five. On Saturday evening public houses can be open between 7 and 10 o'clock.

The House rejected the proposal to restore the pre-war facilities afforded the "bona fide" traveler even on Sundays. The bill, however, enables a man to purchase liquor at any time at a hotel, where he is residing.

It is expected the bill will become operative in September, when London's new hours of opening will be from 11:30 a.m. to 3 p.m. and from 5:30 p.m. to 11 p.m. instead of, as now, from 12 to 2:30 and 6 to 10.

Attempts to limit the Carlisle and other control schemes to two years were defeated, the attorney-general in behalf of the Government assuring the House that the Carlisle control scheme is merely a temporary experiment.

Killed the Bill.

The new Government bill has killed the liquor popular control bill, recently introduced by the Bishop of London, which proposed to establish the principle of local option and to make the people decide by a poll whether no change, state purchase or abolition of licenses was desired. The bishop's bill, of which Lord Astor was one of the principal backers, was negatived in the House of Commons on the second reading.

Lord Birkenhead, lord chancellor, attacked it.

"That sobriety which depends upon compulsion," he exclaimed, "as no value at all; it is tyranny and was always resented as tyranny."

TOWNSHIP TO ASK GABY FOR HYDRO POWER

Officials Have Had Very Little Encouragement So Far.

ST. THOMAS, Aug. 3.—Chief Engineer F. A. Gaby of the Hydro-Electric Power Commission does not encourage the farmers of Yarmouth that hydro power will be theirs as soon as the yeoman would wish. Mr. Gaby informs the township council that owing to the number of applications under consideration Yarmouth's petition will not be investigated for a time yet. The council has called the attention of Mr. Gaby to the fact that Yarmouth was the first of a number of municipalities to ask for a supply, and their case should have preference to those coming later.

Mr. Gaby will again be asked to fix a day to come to the neighborhood.

Autos Collide.

The auto of Archibald Macpherson, merchant, and that of a McLaughlin touring car came together at the corner of Wellington and Elgin streets today, and the former car had a wheel and windshield broken. Mr. Macpherson's little daughter was hit by flying glass, but her injuries are not serious. The McLaughlin car was not much damaged.

Arrested For Theft.

Charles Moles, Toronto, is locked up on a charge of theft from parties at the Western Hotel last night. Mr. Hill, a boarder at the Western Hotel, charges the accused with stealing a ring, a brooch, and two kewpie dolls. Detective McCully located the young man on Ross street and took him in charge. He will come up tomorrow.

Death of Mrs. W. Moore.

Mrs. Eliza Moore, wife of William Moore, died last evening at her residence, 34 Devonshire place, after an illness of some months. She is survived by her husband and daughter, Miss Kathleen, at home; William E. Moore, Detroit, and Frederick Moore, Welland, are sons. Edward Young, Newmarket, and John Young, Detroit, are brothers.

Drove Past a Car.

Driving past a standing street car cost a local autoist $10 and costs this morning.

The Sons and Daughters of Old Albion will hold their picnic and usual enjoyable outing at Port Stanley on Wednesday next.

HARVESTERS' SPECIALS.

WINNIPEG, Aug. 3.—The first harvest special bringing farm hands to Western Canada, will leave St. John, N. B., on Thursday, arriving here Sunday next, it was announced today by Ralph G. MacNeill, acting general passenger agent of the Canadian Pacific Railway. A second train from New Brunswick will leave for the West on August 6. The first train from Quebec and Eastern Ontario will leave on August 8, and the second train from those districts on August 17. Western Ontario trains will leave August 10 and August 22. British Columbia harvesters set out for the prairies on August 13.

MANY TOWNS MENACED BY FOREST FIRES

Spring Hill Is Centre of a Twenty-Four-Mile Blazing Area.

SPRING HILL MINES, N. S., Aug. 3.—Spring Hill is surrounded by a ring of forest fires, 24 miles in diameter. Tonight twenty distant conflagrations could be counted from the summit of Claremont Hill here. The fires extend over the hills of the Cobiquid range from Athol to Oxford Junction and a rising wind would endanger several settlements in the district. The section of country aflame and threatened is as dry as tinder.

Strenuous efforts of fire fighters of Black River and Glenville saved a school house and church at the latter place this afternoon.

MENACING TOWNS.

ST. JOHN, N. B., Aug. 3.—Three forest fires burning over a six-mile front are menacing Westfield, Nerepeis and Grand Bay. Fire along the Canadian Pacific Railway tracks between Nerepeis and Langley stations destroyed three barns belonging to Raymond Grier today. A horse and three wagons were burned. The Canadian Pacific Railway sent a gang of men from St. John to aid the tired fire fighters of the district. Later the road sent a squad of harvesters bound west, to the fire zone.

TAX RATE FOR CHATHAM MAY BE 32 MILLS

Will Not Be Any Higher, Says Statement of Committee.

CHATHAM, Aug. 3.—The preparatory work necessary for the striking of the city tax rate for 1921 has been practically complete and it is expected that the rate will not be more than 32 mills at the outside, according to a statement issued by the finance committee of the city council here this afternoon.

A special meeting of the finance committee has been called for Friday, next, for the purpose of preparing the report on the tax rate, which will be submitted at the meeting of the city council on Monday, next. The actual rate has not been divulged by the committee.

Will Be Repaired.

Government dredge No. 1 arrived in the city this morning for purposes of re-bunkering and repairing. The work in the Thames River is almost at an end and when some additional dredging is done at the mouth of the river the dredge may go to Sarnia. About twenty thousand yards of material was removed from the river channels and a navigation channel of at least sixteen feet is now available between the city and Lake St. Clair, according to a statement issued by Capt. Convey, dredge commander, this morning.

Big Paving Program.

Over fifteen miles of permanent pavement is now under construction in Kent County, according to a statement issued this morning by County Engineer W. G. McGeorfie. This includes approximately five and a half miles between Chatham and Pain Court, two miles north of Wallaceburg running towards Dresden, two miles from Dresden towards Wallaceburg, two and a quarter miles from Thamesville to Dresden, and a two and three-quarter-mile stretch on the Raleigh-Harwich townline better known to motorists as the Gravel road. With the exception of the road from Dresden, all the paving work is well under way. The cost of the entire work will amount close to six hundred thousand dollars.

The contract for the construction of the bridge over the Gregor drain on the Gravel road has been let to the George Cutter Construction Company. Arrangements have been made to commence operations on this road without delay.

Start Next Month.

The Kent Regiment will commence the drill work of the year about the middle of September, according to a statement issued by Lieut.-Col. Neil Smith, o.c. of the regiment this morning. An inspection of the city battalion will be held about the end of September by Gen. McBrien, inspector general of militia and defence.

The officers of the Kent Regiment are planning to have indoor sports interspersed with the drills and thus make the armories the centre of athletic activities throughout the winter months. They are also planning a number of dances, which will be held during the winter months.

FINANCIAL AND COMMERCIAL

TOMATOES FEATURE OF LOCAL MARKET

New Wheat Records Slight Decline—Green Corn Also Cheaper.

Tomatoes were the feature on the local market today and showed a decided decrease in prices. Blenheim dealers are flooding the market and bringing the figures down to normal. They sold at 8c to 10c a pound, a decline from 10c and 15c, and at 75c to $1 for a 15-pound basket, a decline from $1.25 to $1.50.

There was no demand for old potatoes, although they are much cheaper than the new product, which sell, although little bigger than marbless, at $2.25 to $2.50 a bushel.

Only one load of oats has been offered since last Saturday, but no change in price is quoted. Hay remains steady at $16 to $19 a load.

New wheat showed a slight change in price, dropping from $1.25 a bushel to $1.10 and $1.20, and from $2.08 per cwt to $1.83 to $2.

Green corn dropped from 25c and 30c a dozen to 20c and 25c, with an extra good supply. Beans also dropped in price from 75c and $1 to 65c and 75c for 11-quart baskets.

Peaches, plums and pears were not offered in any great quantities, and a few plums which were offered this morning advanced 10c on the basket. Quotations are now $1.25 to $1.50. Thimbleberries also advanced in price from 25c to 27c and 30c a quart retail, and from 21c and 22c to 22c and 23c wholesale. There was a very poor offering.

Corn went down grade with wheat. After opening unchanged to ¼c to ⅜c lower, the market underwent a general fall.

Oats showed no independence, starting a shade to ⅜c down and then sagging further.
