P. E. ISLAND.—At the election in Belfast P. E. I., on Monday, Hon. Mr. Duncan was again defeated, and Hon. Benjamin Davies, Chairman of the Railway board was elected. The vote stood:—Davies, 747; Duncan 429, majority for Davies, 303. Hon. W. W. Sullivan, Solicitor General, has resigned in consequence of a disagreement with his colleagues in regard to the Railway Bill. The following resolution has passed the House of Assembly: "Resolved—That a Bill be introduced to give effect to the articles of the Treaty of Washington, 1871, in so far as the same relate to this Island, with a *provision* in said Bill that it shall not go into operation until a Proclamation be published in the "Royal Gazette" by the Governor in Council, declaring it to be the law of the Colony."

WRECK OF A PASSENGER SHIP AT ST PAUL'S.—The following despatch was received on Tuesday at the Marine & Fisheries Department from Mr. D. J. McNeil, Superintendent of the humane establishment on St. Paul's Island.

"ST. PAUL'S ISLAND,
"June 25, 6 42 p. m.

"The ship 'Adalia,' of London, Captain Thomas Sanderson, burthen, nine hundred tons, and bound for Quebec with a general cargo and one hundred and twenty passengers, ran ashore on the south side of the Island in a dense fog on the morning of the twenty fourth inst. Passengers all safe. Ship in danger and full of water."

The national revenue of the Dominion from the 1st of April to the 8th of June was £13,495,150, against $12,442,564 in the same period of last year. In the same time the expenditure was £12,752,985 against £13,238,246 last year. The balances in hand on June 8th amounted to £10,165,203, against £5,592,491 at the corresponding date last year.

RAILWAY ACCIDENT.—Yesterday afternoon when the train from Pictou for Halifax was about a mile East of Truro, the rails spread and the locomotive ran on the sleepers, tearing up the track for a considerable distance. The train had to be left there and the passengers, after about two hours delay, were brought to the city by special train.

FATAL ACCIDENT.—On Sunday afternoon, 23rd ult., William H. Chandler, 30 years of age, and a native af Windsor, N. S. fell from the mast of the "Aura," lying off Blackwell's Island, N. Y. and was so severely injured that death ensued three hours subsequently. The body was removed to the Morgue and Coroner Schirms notified.

THE ALABAMA TREATY.—The board of Arbitration met on Friday last, when its final decision was put on record respecting claims for indirect damages, and likewise the demand of Great Britian for a protracted adjournment of tribunal. The next meeting will take place on the 15th July, by which time Lold Tenterden will be able to have the argument on part of Great Britain put in printed form. Count Schopis, President of the Board, congratulated the arbitrators on the wisdom and perseverance displayed in their deliberations. The brief official report of the proceedings of the Board furnished to the press, reveals nothing which has not been anticipated by full statements made in Parliament.

There has been a frightful earthquake in Japan, by which five hundred persons lost their lives. It lasted a considerable time and the shocks were so severe that the population were unable to walk, but crawled about on their hands and knees.

CAUTION.

JOHN KILLAM, SENR., of Yarmouth is General Agent for the Maritime Provinces for the standard portrait of John Wesley, published by F. A. Goodwin & Co., of Boston, and the only correct one in the United States. An engraving is advertised in which the natural expression of calmness, peace, benignity and power is left out, and a sad expression left instead.

The publisher of this engraving is quoting the names of the eminent men of our church, and the commendations of the church papers, first given to us on the original, to sell their imitation.

It is an act of plagiarism that is outrageously dishonest.
