TOWN AND COUNTRY.

REGULAR meeting of Town Council on Monday evening.

Dolls, sleighs, rocking, horses, albums, plated ware, easels &c., at the Post Office Book Store.

WE are indebted to the Stratford papers for the synopsis of the County Council proceedings which appears in this issue.

THE celebrated "Pike County Ballads," by Col. John Hay, have been published in book form by the Toronto News Company. Price 10 cents.

LOST.—A number of school books were lost by a pupil of the High School on Wednesday evening. The finder will oblige by leaving them at this office.

ADVICE TO YOUNG MEN.—If you want to look nice, and be well dressed, at the smallest possible expense, go the popular Clothing House, No. 3, Main st. Listowel. JOHN RIGGS, Proprietor—42.

SCHOOL REPORT.—The report of the Principal of the Listowel Public School shows the total number of pupils on register for January to be 409; average attendance for the month, 331, being nearly 81 per cent.

ANNIVERSARY services were held in the M. E. Church in this town on Sunday last, and on Monday evening a very successful tea-meeting was held in the church, at which Rev. Mr. Hilts of Kincardine, delivered an interesting lecture on the Sons of Japheth.

CIVIC HONORS.—Thomas Collins, Esq., editor and proprietor of the *Marquette Review*, is the first mayor elect of Portage la Prairie, that place having recently "attained its majority." Mr. Collins is a cousin of Mr. A. J. Collins of this town.

AUCTION SALES.—The effects of the late Rev. H. Bartlett will be sold by auction to day (Friday) at Martin's block; sale to take place at one p. m. On Tuesday next an extensive stock sale will take place on the farm of Mr. Geo. Climie, half a mile west of the town. For particulars, see advertisement in another column.

CHRIST CHURCH.—The congregation of this church have been deprived of a minister by the death of Rev. Mr. Bartlett. A new appointment will no doubt be made at an early day. Until such takes place, the pulpit will be supplied from London; services will therefore be held at the usual hours on Sunday next and succeeding Sundays.

AN effort is being made to obtain Alexander Clyde's release, the sentence of six months in the Central Prison for assaulting his wife being thought too severe, and liable to impair his health if carried out. He is upwards of sixty years of age. Petitions are about to be forwarded to the Governor-General, praying that His Excellency will exercise his clemency in Clyde's behalf.

THE County Council have appointed Mr. Wm. Hess High School Trustee for Listowel. Mr. Hess will no doubt make a good trustee, as he is capable of taking an intelligent view of matters appertaining to education generally; and as a representative of the German element in the district, his appointment will doubtless be of special interest to that class.

ACCOUNTS.—I still have a few accounts which have not yet been called for. My friends will please excuse me, but I must have money. On account of being alone my capital is not sufficiently large to carry on the business I am doing without the aid of amounts due me on book accounts, and those who have not already paid their bill will please make an effort to do so in a short time, and by so doing greatly oblige the undersigned.
3c. JOHN RIGGS.

PANORAMA.—The management of Knox Church Sabbath School have arranged for an exhibition of Thomas & Company's panoramic scenes in the town hall on Wednesday evening next, 9th inst. NORTH PERTH COUNTY L. O. L.—The annual meeting of the Loyal Orange Lodge of North Perth was held at Graham's hall, Elma Centre, on Tuesday last, 1st inst. It was the largest meeting of the County Lodge ever held, there being upwards of sixty delegates present. The election of officers for the ensuing year resulted as follows: Bro. JOHN RIGGS, Proprietor.—42.

DEATH OF REV. H. BARTLETT.—It is with feelings of sadness that we chronicle the death of the Rev. Henry Bartlett, incumbent of Christ Church, Listowel. To those who were aware of his critical condition during the previous week, the announcement may not have been altogether unexpected; but his removal from the midst of an active ministry, and at a time when both his age and vigor gave promise of many more years of usefulness in his exalted calling, is naturally felt to be very sudden as well very sad. While making preparations for Christmas and the extra duties devolving upon him at that season, Mr. Bartlett contracted a severe cold, which led to inflammation of the lungs. A chronic affection of the spine also asserted itself, which superinduced inflammation of the brain. Against this combination of diseases medical skill proved unavailing, and on Thursday night of last week, after an illness of about four weeks, his spirit was summoned from its earthly tabernacle into the presence of its Maker. The deceased was the son of the late Captain Joseph Bartlett, of the parish of St. Helens, England. He was born on the 14th September, 1840, and was in his 41st year at the time of his death. Shortly after coming to Canada, at which time we understand he was about eighteen years of age, he entered the ministry of the Wesleyan church, in which he performed circuit duty for about three years. Having resolved to return to the church of his parents, he took a theological course at Hellmuth College, London, and in 1867 was ordained a minister of the Church of England. His first parish included Princeton and Drumbo, in the County of Oxford, at both of which places he succeeded, almost solely through his own exertions, in erecting commodious and ornate brick churches. In order to raise the necessary funds for the erection of the latter edifice, he visited the mother land, where his undertaking elicited a liberal response. In 1874 Mr. Bartlett's sphere of labor was changed to the village of Blenheim, in Kent County, where he remained until last Easter. At a vestry meeting of Christ Church, Listowel, it was decided to offer the incumbency of this parish to Mr. Bartlett, which he accepted. Although but a short time spared to conduct the ministrations of this parish, his superior abilities and untiring energy have been fruitful in a large measure. As a worker in this vineyard, none could be found more active; and both in the pulpit and on the platform he attested more than ordinary talent. His death, while apparently in the prime of life, has caused deep sorrow to his parishioners, and is no doubt deeply regretted throughout his very large circle of acquaintances. The funeral obsequies took place on Sunday last, and were conducted by the Masonic Order, of which the deceased was an exalted member, being a member of the "Supreme Grand Council of the 33rd Degree." Rev. E. Newman, of London, read the burial service in the church. The church had been draped out of respect for the departed, and the services were very solemn and impressive. The funeral cortege was the largest ever witnessed in this neighborhood, nearly the entire community, in addition to the Masonic lodges of Listowel and Palmerston, joining in the last sad rites. The impressive funeral service of the Masonic order was conducted at the grave by Rev. J. W. Bell, M. A., Chaplain. Very affecting and appropriate sermons were preached in Christ Church both morning and evening by Rev. Mr. Newman, from the following texts: John ix. 4, "The night cometh, when no man can work;" and, Genesis xlviii, 21, "Behold, I die." The deceased leaves an orphan child, who is too young to realize the great loss which he has sustained.

ELMA.

SOIREE.—A soiree and entertainment is announced to be held in connection with Trinity Church, 12th con., Elma, on Thursday evening next, 10th inst., at which refreshments, music, addresses, etc., will be provided. Rev'ds. J. E. Croly, John Kay, Jas. Stinson and the pastor, Mr. Caswell, will take part.

NEWRY STATION.

FESTIVAL AND LECTURE.—The Baptists of this place held a fruit festival on Monday evening the 31st ult. Prof. McLaurin, of Woodstock, preached morning and evening on Sunday, and after the fruit was disposed of on Monday evening gave a lecture on "India and the Indians." His experience as a missionary for nine years among the Hindoos gave him ample knowledge of his subject. His description of India, its climate, seasons, trees, fruits and flowers; its animals, wild and domestic; and the Indians, their morals, dress, houses, furniture, and trades, was a treat such as the Newry people are not accustomed to. The lecture was interspersed with humorous anecdotes, and one real "tiger story" of the Prof's own experience, that gave it a relish beyond the majority of lectures. The proceeds, amounting to fifty-six dollars, will, we believe, be applied to mission work.

ECONOMY. — Our Deputy Reeve has, after two years' hard work, succeeded in reducing the auditors' pay by two dollars. If he keeps on at this rate he will soon be able, not only to make up for the forty dollars lost by the falling of the bridge that he was supposed to have inspected, but also pay off a good part of our debt. Some people are now wondering if he will return the four dollars per annum that he received for the same work, above what he now thinks it worth.—COM.

CARTHAGE.

EXAMINATION.—The following are the names of the pupils attending the Carthage public school who succeeded in obtaining 50 per cent. of the total number of marks at the last monthly examination: 5th class—Robert Gamble, Thos. Givney, W. J. Johnston, John Armstrong. 4th class—Martha Brown, Alice Brown. Senior 3rd—R. Harvey, Alex. Armstrong. Junior 3rd—Minnie Glenn, Rebecca Allanby, C. Gibson, M. Allanby, S. E. Moore, A. J. Moore, M. Schneider, J. Robinson.

SOIREE.—The annual soiree in connection with the North Mornington Church is announced for the 15th inst. The names of a number of talented gentlemen are on the bills. Music will be provided by the Newry church choir.

REVIVAL SERVICES.—Successful revival services are being conducted in the new C. M. Church here by the pastor, Rev. H. Berry, assisted by clergymen from neighboring circuits and local talent.

CHEESE MEETING.—A cheese meeting was held in the Orange hall here on the evening of the 26th, to transact business relating to the coming season. Owing to the inclemency of the weather, the paucity of the audience rendered an adjournment necessary, and the adjourned meeting was held on the evening of the 31st inst. Mr. Moore, the genial proprietor of the Carthage cheese factory and grist and saw mills, intends doing a flourishing business during the coming season, and the entire community unite in wishing him every success.—COM.

A BEAR STORY.—On Monday last, Mr. Fred. Beck, while passing through the woods, about four miles from Beck's mills, township of Elma, had a lively encounter with a monster bear. The set-to at first took the form of a wrestle of that kind known in sporting parlance as catch-as-catch-can. After sundry embraces and falls Mr. Beck managed to get free far enough to secure a club, with which weapon he soon rendered Bruin *hors de combat*, and continued the belaboring until the brute was despatched. The size of the bear and the fierceness of the attack may be judged when it is stated the prematurely roused hybernator weighed 380 lbs. Fred came off unscated, saving the shredded condition of his breeches.—*Stratford Herald.*

A lad named Jos. Martin, about 15 years old, while visiting at his brother's farm near St. Mary's on Monday, was killed by a straw stack falling upon him.

A Great Chicago Enterprise.

The Laboratory for the manufacture of Electric Bitters is one of Chicago's greatest enterprises, giving employment to a large number of hands. The extensive sale already attained for this wonderful remedy is astonishing. Wherever once introduced and becomes known, it is almost impossible to supply the demand, because of their true merit—curing where all others fail—and at a reasonable price (forty cents). *Reg.* Sold by J. H. Michener.

A young man by the name of Sloggette has been prospecting in the neighborhood of Millbank with a view of establishing a cheese factory. He has met with good encouragement, and preparations will be made forthwith to begin the building as soon as spring opens.

An Indian's three greatest desires were thus expressed; first, he wished for all the tobacco in the world, secondly for all the rum in the world, and when asked what his third wish would be, he replied "he would take a little more rum." Now if we wish to banish the most troublesome diseases in the quickest possible time our chief wish would be for Hagyard's Yellow Oil. It is a perfect panacea curing by external and internal use all inflammation, pain, and soreness, Rheumatism, Stiff Joints, Deafness, Colds, Kidney Complaints, Burns, Frost Bites and Flesh Wounds of every variety. For sale by all dealers.

The Head masters of the Walkerton and Kincardine High Schools get salaries of $1,200 and $1,000 respectively, those of their assistants being $550 and $500. Kinkardine has a second assistant at $450. The Head master of the Walkerton Public School gets $750, and of the Kincardine Public School $800.

The Post Office Book Store is the place to get your X-mas presents, cheap and good. C. HACKING & Co.

Holloway's Ointment and Pills—Sudden changes of temperature sorely try all persons prone to rheumatism, sciatica, tic doloreux, and many maladies scarcely less painful, though of shorter duration. On the first attack of stiffness or suffering in any muscle, joint, or nerve, recourse should immediately be had to fomenting the seat of disease with hot brine and rubbing in this remarkable Ointment, which will assuage the uneasiness of the part, subdue inflammation, and reduce the swelling. The Pills simultaneously taken, will rectify constitutional disturbances and renew the strength. No remedy heretofore discovered has proved so effective as the Ointment and Pills for removing gouty, rheumatic, and scrofulous attacks, which afflict all ages, and are commonly called hereditary.

DUFFERIN APPOINTMENTS.—His Honor the Lieutenant-Governor has been pleased to make the following appointments:—Thomas Bowles, of the township of Albion, Esq., to be Sheriff in and for the county of Dufferin. John P. McMillan, of the town of Orangeville, Esq., Barrister-at-law, to be Clerk of the Peace in and for the County of Dufferin. John McLaren, of the town of Mount Forest, Esq., to be Clerk of the County Court in and for the County of Dufferin. John P. McMillan, Clerk of the Peace of the County of Dufferin, and William McKim, Registrar of the said County, Esq., to be Commissioners, *per dedimus potestatem* in and for the said County of Dufferin.

Put it to Proof.

At a time when the community is flooded with so many unworthy devices and concoctions, it is refreshing to find one that is beneficial and pure. So conscious are the proprietors of DR. KING'S NEW DISCOVERY for Consumption, of the worth of their remedy, that they offer all who desire a trial bottle *free of charge*. This certainly would be disastrous to them did not the remedy possess the remarkable curative qualities claimed. DR. KING'S NEW DISCOVERY for Consumption will positively cure Asthma, Bronchites, Stubborn Coughs, Colds, Phthisic, Quinsy, Hoarseness, Croup, or other affection of the lungs. As you value your existence give this wonderful remedy a trial. By calling at J. H. Michener's Drug store you can get a trial bottle *free of cost*, or a regular size bottle for $1.00.
