PURIFY THE BLOOD.

MOFFAT'S

VEGETABLE LIFE PILLS AND PHŒNIX BITTERS

The high and envied celebrity which these pre-eminent Medicines have acquired for their invariable efficacy in all the diseases which they profess to cure, has rendered the usual practice of puffing not only unnecessary, but unworthy of them. They are known by their fruits; their good works testify for them, and they thrive not by the faith of the credulous.

IN ALL CASES

of ASTHMA, ACUTE and CHRONIC RHEUMATISM, AFFECTIONS of the BLADDER and KIDNEYS

BILIOUS FEVERS & LIVER COMPLAINTS.—In the south and west, where these diseases prevail, they will be found invaluable. Planters, farmers, and others, who once use these Medicines, will never afterwards be without them.

BILIOUS CHOLIC, and SEROUS Looseness, BILES, COSTIVENESS, **COLDS & COUGHS,** *CHOLIC,* CONSUMPTION. Used with great success in this disease.

CORRUPT HUMORS, DROPSIES,

DYSPEPSIA. No person with this distressing disease, should delay using these medicines immediately.

ERUPTIONS of the Skin, ERYSIPELAS, FLATULENCY,

FEVER and AGUE. For this scourge of the western country these medicines will be found a safe, speedy, and certain remedy. Other medicines leave the system subject to a return of the disease—a cure by these medicines is permanent—TRY THEM, BE SATISFIED, AND BE CURED.

FOULNESS of COMPLEXION,

GENERAL DEBILITY,

GOUT, GIDDINESS, GRAVEL HEADACHES, of every kind, INWARD FEVER, INFLAMMATORY RHEUMATISM, IMPURE BLOOD, JAUNDICE, LOSS of APPETITE,

RIVER COMPLAINTS,

LEPROSY, LOOSENESS,

MERCURIAL DISEASES.—Never fails to eradicate entirely all the effects of Mercury infinitely sooner than the most powerful preparation of Sarsaparilla.

NIGHT SWEATS, NERVOUS DEBILITY, NERVOUS COMPLAINTS of all kinds, ORGANIC AFFECTIONS, PALPITATION of the HEART, PAINTER'S CHOLIC,

PILES. The original proprietor of these medicines was cured of Piles of 35 years standing by the use of these Life Medicines alone.

PAINS in the head, side, back, limbs, joints and organs.

RHEUMATISM. These afflicted with this terrible disease, will be sure of relief by the Life Medicines.

RUSH of BLOOD to the HEAD, *SCURVY, SALTRHEUM, SWELLINGS,*

SCROFULA, or **KING'S EVIL,** in its worst forms, *ULCERS, of every description*

WORMS, of all kinds, are effectually expelled by these Medicines. Parents will do well to administer them whenever their existence is suspected. Relief will be certain.

THE LIFE PILLS AND PHŒNIX BITTERS PURIFY THE BLOOD,

And thus remove all disease from the system.

A single trial will place the LIFE PILLS and PHŒNIX BITTERS beyond the reach of competition in the estimation of every patient.

The genuine of these medicines are now put up in white wrappers and labels, together with a pamphlet, called "Moffat's Good Samaritan," containing the directions, &c, on which is a drawing of Broadway from Wall street to our Office, by which strangers visiting the city can very easily find us. The wrappers and Samaritans are copyrighted, therefore those who procure them with white wrappers can be assured that they are genuine. Be careful, and do not buy those with *yellow* wrappers; but if you do, be satisfied that they come direct from us, or dont touch them.

PROSPECTUS OF THE NORTH AMERICAN.

THE progressive development of the physical and mental resources, and capabilities of an extensive and fertile country, inhabited by an industrious people, whose aspirations are constantly being elevated with their own and the general advancement of the human race, puts it out of the power of *The North American* to offer to the public a definite programme which shall at once include and limit the whole range of subjects, of which the journal may, in future, become the advocate.

The great questions now before the Country—will be thoroughly examined and discussed in all their bearings. The suggestions of national and traditionary prejudices on the one side, and the promptings of passion, or blind enthusiasm on the other, will be alike disregarded. That course which, upon a careful review of the whole, appears to be the best adapted to ensure the prosperity of Canada, and the lasting happiness of its people, will be unhesitatingly and energetically pursued.

The interests of agriculture, commerce, and education, demand, and will receive the first attention; and of general measures, which will find in *The North American* a steady and consistent advocate, may be enumerated: retrenchment in the public expenditure—the repeal of the law under which the Clergy Reserve revenues are distributed, and their reversion to the public—the abolition of the Rectories—an elective government in all its branches—the election by the people, of district officers—simplification of the laws—reform in the judiciary system—an extended and uniform franchise—reform in the representation, on the basis of population—introduction of the ballot—abolition of the law of primogeniture—amendment of the jury law—repeal of the usury laws—equalization of assessment—revision of the pension list and the pensioning system—the repression of monopolies, &c., &c.

Under existing circumstances, the necessity for a new Metropolitan Journal, alike free from Executive influence, and Sectarian peculiarities, to advocate these and other progressive reforms with consistency, and in a spirit of candour, uncontaminated by faction, and superior to local and personal influence cannot be doubted.

No expense or exertion will be spared to obtain the earliest and fullest local, provincial, and foreign news; the proceedings of the legislature, law and police courts, public bodies and meetings, will be ragularly and faithfully reported by short-hand reporters.

Arrangements are in progress for securing correspondence from London, New York, Washington, Montreal, the Eastern Provinces, and California.

TERMS of Subscription: THREE DOLLARS per annum when paid in advance;—FOUR DOLLARS if not so paid.

A Weekly Edition, On a large sheet, will be published as soon as a sufficient number of subscribers shall be obtained, at TWO DOLLARS per annum in advance; TWO-AND-A-HALF DOLLARS if not so paid.
