They have been in Chentu, where the rebellion was serious.

As Quickly as Water Dissolves Sugar

About the Time It Takes for a Stuart's Dyspepsia Tablet to Work on the Food and Bring Relief.

TRIAL PACKAGE SENT FREE.

There is no long wait between the time you take a Stuart's Dyspepsia Tablet and the feeling of relief it will bring to an overloaded stomach. It gets busy in a jiffy and quickly sets things to rights in that tired and disordered stomach. It goes right at the work of digesting the food it finds lodged there, and in no time at all has things on the move—the gases cease forming, the breath is sweetened, the coating on the tongue disappears and you are no longer conscious that you even have a stomach.

That is one of the chief recommendations for Stuart's Dyspepsia Tablets—that they don't take forever to accomplish the purpose for which you need them. It is just as if you put an extra stomach or two to work when yours needed help. You can't continually overload your stomach and expect it to always smile. It is going to get rebellious and sulky after awhile and refuse to go on being driven to do double work. You must rest it occasionally—not by starving and thereby weakening yourself physically—but by using a Stuart's Dyspepsia Tablet to do the work of digesting your food.

These tablets contain all the active elements of the natural stomach juices, and will alone and unaided digest food just the same as the gastric juices. And nothing could be more harmless than these tablets. They do not affect the system in any way—do not cure any ailment except as they digest food. Use them freely.

Stuart's Dyspepsia Tablets are sold by all druggists everywhere. Price, 50 cents per box. A trial package will be sent if you will write F. A. Stuart Company, 160 Stuart building, Marshall, Mich.

T POGRAPHICAL MAP OF CITY'S SYSTEMS

Board of Works Will Likely Put $2,000 Aside for the Purpose.

The board of works will likely place $2,000 in the estimates for that committee this year to be expended in making a topographical map of the city.

"It will require much time to complete the survey," said Mr. Wright. "Levels of the whole city will have to be prepared, and this cannot be done in a day or two.

"At the present time we have no such map. It is my intention, if the grant is made for the work, to have drawings showing the location of every sewer, every water main, and every gas main in the city. This will enable us to lay sewers in the future much more cheaply than at present, because we can avoid any possibility of obstructing the work. The map will show us the most advantageous way of getting rid of the storm water. When the ratepayers have this definite information, they will readily see the necessity of storm water sewers. London is well situated to get rid of the storm water at a comparatively small cost, when other cities are considered. It will take nearly all summer to make the necessary drawings, etc., and by next fall the council will be in a position to lay out a portion of the city to commence the construction of the sewer. It will be an impossibility to put down roads in many sections of London until there is a storm water sewer."

MONTREAL WELCOMES SCOTTISH CURLERS

Visitors Arrive From Quebec and Were Given Big Reception This Morning.

[Canadian Press.]

Montreal, Jan. 10.—The visiting Scottish curlers arrived here from Quebec this morning. They were met at the Windsor street station by a large delegation of Montreal curlers, all the various clubs being represented. They were at once escorted to the Windsor Hotel, where they are to be the guests of the Montreal branch of the Royal Caledonian Curling Club during their stay here until Tuesday next.

After breakfast the visitors were taken to the city hall, where they were taken in charge by the mayor and the controllers, who had organized a reception and entertainment for them for the remainder of the morning.

The Scotsmen and their hosts were driven round the city, taking in its principal points of interest, such as LaFontaine Park, Mount Royal Drive and Summit, and the Park Slide. Toboggans were in readiness at the latter place, and the visitors were able to enjoy this sport under the best of conditions, the weather being bright and cold and windless.

After this the party proceeded to the Montreal Technical School, where luncheon was served. After it Mayor Guerin then formally delivered an address of welcome to the curlers.

This afternoon the Scotsmen were the guests of Heather and St. Andrew's Curling Clubs, and friendly games will be played until 7 o'clock this evening, when four rinks will be entertained at a smoker at the former rink, and four rinks to a dinner in the St. Regis by the St. Andrew's curlers.

COLLINGWOOD LOSES AT HOME TO MIDLAND

Game Was Exciting, But Exceedingly Rough—Frequent Delays When Players Were Laid Out.

Collingwood, Jan. 9.—The Collingwood intermediates lost a most exciting game to Midland here tonight in the presence of about 2,000 fans by 9 to 6. At half time the teams were on even terms at 5 to 5. The last half was of the see-saw variety. The game became rough towards the close and was delayed frequently while men were being patched up. The teams:

Collingwood — Cook, goal; Dance, point; Hall, cover; Fryer, rover; Burns, centre; Belcher, left wing; Telfer, right wing.

Midland—Scott, goal; Levenge, point; Gould, cover; Chas, rover; Beatty, centre; Nicils, left wing; Beatty, right wing.

Referee—Van Horne, of Toronto.

WELLAND CELEBRATES NEW RINK OPENING

By Defeating Niagara Falls West Ends in Fast O. H. A. Game by Score of 4 to 2.

Welland, Jan. 9.—The West Ends, of Niagara Falls, played against Welland here tonight, and were beaten by 4 to 2. It was the first game in the new rink, which cost four thousand dollars. As St. Catharines have no rink they play their home games here. Seven Falls players and five Wellanders were penalized, and Referee Waghorne checked a good many offside plays. The score at half time was 2 to 0 in favor of Welland. The teams:

Welland—Goal, E. Cronmiller; point, H. Beattie; cover point, A. W. Harcourt; rover, A. H. Schlegel; centre, F. Best; right wing, N. Dryden; left wing, S. Mason.

SCOTCH CURLERS LEAVE QUEBEC

Close Their Visit There by Winning From Victorias—Were Nine Points to Good.

Quebec, Jan. 9.—The Scotch curlers brought their visit to a close this evening and have gone to Montreal, where they will meet the brithers of the roarin' game in a series of matches beginning tomorrow. On their two days' play in the Ancient Capital the Scotsmen lead with nine points. They pulled out ahead on Monday with four shots to the good. This morning they accumulated four more, and this afternoon in the Victoria Rink matches they added another one.

Today's events were very interesting, and the closeness of the play in nearly every match aroused great enthusiasm.

The morning games were well contested, the visitors being defeated by Quebec by four shots, but defeating Victoria by eight.

There were two very exciting games at the Victoria Rink in the evening when Skip Colley, of Victoria, and Skip Riddall, of the visitors, split even with 14 each. On the other side, there was a battle royal between Skip Harry Thomson, of Victoria, and Skip J. G. Kennie, of the visitors, the latter winning out by the lean majority of one shot. The game was not decided until the very last stone was laid down.

Not the least interesting portion of today's proceedings was the game between the Ladies' Quebec Curling Club and two rinks of the visitors. This match was played at the Quebec Rink, and was attended by a very large gallery of spectators. The ladies defeated the Scotsmen by a score of 27 to 20 in a keenly-contested game.

CLEVELAND FANS SEE GREAT GAME

When New Edinburghs, of Ottawa, Are Defeated by Cleveland Team.

Cleveland, Jan. 9.—The Cleveland team tonight defeated the New Edinburgh team of Ottawa by the score of 3 to 2 in what was one of the best exhibitions of hockey ever seen here. The game was filled with brilliant playing by both teams, but the individual honors went to Gustin of the local team, who scored two of the three goals for his team. While the game was fast, it was pretty clean hockey throughout. The teams:

New Edinburgh (2)—Goal, Benedict; point, Gerrard (captain); cover point, Atkinson; rover, Kendall; centre, Stelling Broadbent; right wing, McCrimmon; left wing, Parker.

C. C. C. (3)—Goal, Marchand; point, Winters; cover point, Baker; rover, Gustin; centre, Poland; right wing, McFarland; left wing, Irving.

Referee—F. Schweitzer. Judge of play—Jack Ryan.

[Canadian Press.]

New York, Jan. 10. — H. J. Kline, representing the Grand Rapids track, arrived here several hours after the stewards of the Grand Circuit had adjourned their meeting last night, and sought out President Devereaux with a bid for the usual dates at his track. He gave a good excuse for his failure to reach the meeting in time, and President Devereaux said that there would probably be no difficulty in placing Grand Rapids on the circuit. He said the dates would probably be the opening ones of the circuit, the week of July 8-13.

MARKHAM BEAT ROSCOES

Superior Condition Won For Them in Game at Toronto.

Toronto, Jan. 10. — As is frequently the case in early season games, the team which had the better condition won the game at Excelsior Rink last night between Roscoes and Markham. The local team held Markham to a 3 to 3 score at half-time, but the second half had not progressed far when the Markham representatives skated away from the Roscoes, in spite of the best efforts of the latter to follow the pace. Markham scored five times in the second period and held the Toronto team without a goal. There was really little to choose between the teams aside from condition. The line-up:

Markham—Goal, Summerfelt; point, Glenn; cover, Day; rover, Burrill; centre, Farley; right, Robb; left, Sanderson.

Roscoes—Goal, Claremont; point, Scott; cover, Speritt; rover, Rolph; centre, Thompson; right, Christie; left, Dyas.

TEHERAN'S TROUBLES

Pension for the Ex-Shah If He Agrees to Leave Persia Forever.

[Canadian Press.]

Teheran, Jan. 10.—Col. Hjalmarsen, the Swedich instructor of police, has notified the American commander of the treasury gendarmerie, Col. Drill, that he desires to take over the officers and men of the gendarmerie, except the Englishman Fisher, whose nationality debars him from re-engagement.

It is said that the Government intends to offer the ex-shah, Mohammed Ali Mirza, a pension of 40,000 tomans (about $80,000) annually, on condition that he quits Persia forever, and pensions of 20,000 tomans each to Shua-Es-Sultaneh and Salar-Ed-Dowleh, brothers of the ex-shah, on the same conditions.

A complicated situation has arisen at Tabriz, owing to Samad Khan, a partisian of the ex-shah, proclaiming himself governor of the town, which until now he has not dared to enter. The Government has appointed the ex-Minister of War Sipahdar as governor-general of Azerbaijan Province, and Sipahdar will start for Tabriz at an early date with 2,000 men.

The Russians have not interfered with Samad Khan beyond warning him to refrain from issuing proclamations in favor of the ex-shah.

BOOKMAKER DEAD.

Chicago, Jan. 10.—Marcus H. Cartwright, one of the best-known bookmakers on the American turf, is dead here of heart disease. He formerly was a butcher, but forsook his trade for racing, and was reported to have made $1,000,000. He had books open on every prominent track in the country, his hobby being to lay odds against favorites . He was 52 years old. He will be buried in Nashville, his former home.

INTERNATIONAL YACHTING.

Chicago, Jan. 10.—Preliminary steps were taken by the Chicago Yacht Club last night, which, if carried to completion, will assure the organization's return to international competition. The club plans to build at least one boat to contest for the yacht racing union trophy recently donated by Commodore Richardson, of Toledo.

The yacht will be the challenger for international honors to meet the boat to be entered by the Royal Canadian Yacht Club, of Toronto. A communication was read at the meeting from Secretary MacMurray, of the latter organiaztion, which showed eagerness to renew friendly relations with the Chicago club.

HALLOWAY'S BOAST

Likes to Connect Himself With Crimes That Have Created Sensation.

[Canadian Press.]

Seattle, Wash., Jan. 10.—Frank Holloway, who confessed in Chicago yesterday that he took part in the New Westminster bank robbery, gave the same information last October to a detective agency, which was put to some trouble to make sure that he was not telling the truth. Investigation in Oklahoma proved that Holloway had no connection with the New Westminster robbery.

The detectives learned that Holloway had a habit of boasting of committing crimes that he was not connected with in any way.
