THEIR LAUREATION DAY.

TRINITY MEN RECEIVE THE DEGREES THEY STROVE FOR.

A Full List of Graduates and Prizemen —The Time-Honored Gallery in Full Force—St. Hilda's Sends Able Representatives of the Fair Sex in College Gown, Cap and Hood.

Yesterday was an important day in Trinity University, for it was the occasion of the annual convocation. The Convocation Hall was all too small for the crowds who gathered to see the laureation which was to reward many months of hard and patient labor. Needless to say, the gallery was out in full force and enlivened proceedings with its running fire of songs, jokes and comments. Led by a gallant young divinity student, it was in evidence throughout the whole of the proceedings, and served up a choice collection of college songs, new and old. Only once was "Ta-ra-ra, etc," inflicted and then it was when a list of nearly 150 matriculants was being read. A detachment of lady students and graduates from St. Hilda's occupied front seats, correct in college gown, cap and hood, while it was but too evident that the same two or three hoods were being handed around the graduates before they ascended the platform and knelt before the Chancellor.

At 4 p.m. the procession of university authorities, graduates and friends entered the hall and passed up the aisle to the platform. Among those in the procession were: The Hon. G. W. Allan, chancellor; the Rev. Provost Body, vice-chancellor; the Rev. Prof. Jones, registrar; Rev. Dean Rigby, Rev. Prof. Clark, Rev. Prof. Symonds, the Lord Bishop of Toronto, Ven. Archdeacon Dixon, Rev. A. Lloyd, head master Trinity College School; Chief Justice Hagarty, Mr. Justice Osler, Mr. Goldwin Smith, Rev. Rural Dean Mackenzie, Brantford. In the hall were also Miss Patteson, lady principal St. Hilda's College; Miss Greet, lady principal Bishop Strachan School; Mrs. Cornwall, lady principal Bishop Bethune School, Oshawa.

Latin Prayers and Frivolous Students.

The sonorous Latin prayers were soon over, the gentlemen of the gallery adding a grave "amen." The Convocation then read and passed the supplicants for the various degrees. The reading was inaudible and was dry work for the audience. "Let's take a drink," said the gallery. Then came the conferring of degrees. First came the Licentiates of Theology, Messrs. Walter Creswick and Robert Orr. Then came the B.A.'s in the following order: C. S. MacInnes, F. G. Wallbridge, Miss C. Laing, A. F. R. Martin, D. L. McCarthy, Miss E. M. Mairs, C. W. Hedley, A. W. Mackenzie, J. N. Hunter, J. P. E. Patterson, A. W. H. Francis, Frank Du Moulin, S. F. Sloane. Nervously blushing or coolly self-possessed, the graduates strode to the front, were presented in a Latin speech to the Chancellor, knelt before him, received his hand in token of admission to the rights and privileges of the university, and receiving their "sheepskin" from the registrar marched back again. It was a trying ordeal at times; the gallery was vociferous; the lady students, whose collegiate paraphernalia were immaculate, could criticize the tents in the gowns, that told of by-gone frays, and the bold hero of the football field could be seen to quail at times. "He wasn't happy till he got it," shouted a gallery wit as a fortunate one clutched his parchment and started for the rear. "Annie Rooney" was revived for the benefit of the two lady graduates as they were summoned to the front.

Cheers for the Honored Ones.

The candidates for the degree of Mus. Bach. were admitted as follows: Miss B. Smith, Miss E. Whitfield, Miss C. A. Chaplin, W. Parkham, Miss H. Preston, Albert Whipp, Miss A. M. M. Graham, W. C. Tregarthen.

Messrs. F. C. Snider, W. T. J. Lee and A. J. J. Thibaudeau were admitted to the degree of B.C.L.

Messrs. A. J. Gammack, Rev. G. H. P. Grout, Rev. G. F. Hibbard, J. H. MacGill, E. V. Stevenson, C. B. B. Wright were admitted to the degree of M.A., and heartily cheered by the student spectators. Hearty cheers greeted W. A. H. Oronhyatekha, as he stepped off the platform with his degree of M.D.C.M. attained; his companion was R. E. Cooper. Rev. T. B. Angell was made a B.D. and Rev. Dr. Langtry became a D.C.L. ad eundem gradum.

Then the Ven. A. Dixon, Archdeacon of Niagara, and the Hon. Mr. Justice Osler were admitted to the degree of D.C.L., pro honoris causa. The public orator presented these gentlemen to the Chancellor in neat Latin speeches, but though he fully exerted his oratorical faculties, he could not hold the attention of the gallery, and a pack of cards was flipped over the hall. Clubs, hearts, spades and diamonds fell over the audience in front of the chancellor and one hit on the top of a lady graduate's "mortar board."

The medals and prizes were then announced, the recipients being summoned to the front. Miss B. Smith was gold medalist in music, Miss A. Whitfield silver medalist. Mr. P. J. Illsby was gold medalist in the second examination in music. Mr. F. G. Wallbridge won the Governor-General's medal in physical and natural science, and Mr. C. S. McInnes won the prize in mental and moral philosophy and the prize for the Latin essay.

The Hon. G. W. Allan then delivered his address, touching upon the success of the past year, the question of the supplemental examinations, university extension and other questions of interest to university men.

Mr. Goldwin Smith was then called upon from the gallery, and made a graceful address. A benediction from the Bishop of Toronto closed the convocation.

High Park Entrance.

Some time ago Mr. Everett wrote the Mayor asking that no further steps should be taken regarding the street railway entrance to High Park by way of High Park-avenue till he had the privilege of more fully stating the company's side of the case to the Board of Works. This request was of course granted, but no communication concerning the affair has as yet reached the Board of Works. This is probably because Mr. Everett is at present in Cleveland, Ohio, where his employes are on strike. It is understood that the company favors the entrance by College-street.

Our Patriotic Children.

The Public School children's patriotic concert will take place on Friday, July 1, at 3 o'clock in the Mutual-street Rink. Chairman W. D. McPherson will preside. His Honor the Lieut.-Governor will be in attendance and Judge Skinner, M.P., of St. John, New Brunswick, and Dr. Montague, Hon. G. W. Ross has also been asked to speak. Eighteen hundred children will sing several patriotic selections. Mr. Warrington will sing two solos. The concert promises to be a great success and will be a very appropriate way of celebrating Dominion Day.

Their Vacation Begins.

A pleasant event was the closing exercises of the Boys' Home school, which took place yesterday morning in the schoolroom of the institution. Friends of the Home were present to address kindly words to the young lads, and the scholars gave an excellent program of readings and choruses. Twenty-four boys gave a good exhibition of wand drill. The Boys' Home has been successful during the past year, and great care has been taken by the matron and teachers in the instruction of the young boys who are inmates of the institution.

Injured by a Falling House.

Petro Varcau and Angelu Bastello, two sons of sunny Italy, were engaged at work in an excavation at 705 Queen-street west yesterday, when a portion of an adjoining house, which was being torn down, fell on them, injuring both men severely. Bastello had the muscle of his left arm torn off and Varcau had his back severely injured. Both were taken to the Hospital.

The Horse Came Out Best.

Patrick McMahon, 135 Centre-avenue, was driving along Robert-street yesterday in peace and comfort. His horse commenced to travel a little toodslow and Patrick struck him with the whip. The offended animal retaliated and struck McMahon with his great weapon of defence—his hoof. The blow was a severe one, and the driver will walk lame for some time.

Mr. John McCarthy, Toronto, writes: "I can unhesitatingly say that Northrop & Lyman's Vegetable Discovery is the *best medicine in the world*. It cured me of Heartburn that troubled me for over thirty years. During that time I tried a great many different medicines, but this wonderful medicine was the only one that took hold and rooted out the disease."

THE TRUE FACTS.

Board of Trade's Attitude Towards Mr. Wiman's Proposals.

The following letter has been sent to The Globe by the President of the Board of Trade:

Editor Globe: In your issue of to-day you state that all sorts of stories have been circulated as to the refusal of the Toronto Board of Trade to appoint Mr. Wiman as a delegate to the Associated Chambers of Commerce of the British Empire now being held in London, Eng.

In correcting a mis-statement in The Brantford Expositor of yesterday, founded on a message from your office, I wired the President of the Brantford Board of Trade as follows: "Expositor's reference to action of Toronto Board of Trade in yesterday's issue is a gross mis-statement; there was no proposition to appoint Wiman without instructions. He agreed to advocate the well-known views of this Board, but even those most prepared to trust him, being suspicious, the motion was to send him the following telegram: 'Just received your message to Matthews; will you advocate preferential trade tariffs between Great Britain and her colonies to the exclusion of all foreign countries?' His reply shirked this direct question and in consequence his rejection became unanimous. 'In further explanation if you will kindly publish the enclosed correspondence, it will set at rest all misleading statements that may have been made. A copy of this correspondence was sent you on June 16, but as yet has not found a place in The Globe.

Y.M.C.A. BOARD MEETING.

Literature and Sermons for the Soldiers at Niagara Camp.

The monthly meeting of the Board of Directors of the Toronto Young Men's Christian Association was held yesterday. The president, Dr. J. J. Maclaren, occupied the chair. There was a large attendance of the directors.

The president in a few well-chosen words presented an illuminated address from the members of the board to Mr. Robert Kilgour, past president. Mr. Kilgour briefly replied, thanking the directors for this token of their confidence and appreciation of his work during his years of office.

The work carried on by the association among the volunteers at Niagara has been most successful. About 1500 letters were written by the men in the tent, and the average attendance at the gospel services was 125. The men took the deepest interest in the work and fully appreciated the privileges provided for them by the association. Thousands of sermons and religious papers were distributed among the men. An interesting meeting was held one evening for the Indians, two companies of them being at the camp. They sang hymns in their own language, and a short gospel address was interpreted to them by one of their number.

Mr. George Lees has been appointed gymnasium director, and he will leave in a few days to take up the course of athletics at the Western Secretarial Institute, Lake Geneva, Wisconsin. Mr. Lees is a well-known athlete, having been trained in the gymnasium here for the past five years, and, with the extra training now under the most experienced teachers, the association will have a most efficient instructor for next season's work.

There will doubtless be a large attendance at the garden party held under the auspices of the association this evening in the fine grounds of Mr. George A. Cox, 452 Sherbourne-street. A most attractive program will be presented, solos being given by Messrs. Sims Richards and Davies; Bertie Plant, the boy cornetist, will play a cornet solo, and Mr. K. W. Barton will play a couple of violin solos. The Y.M.C.A. orchestra will also play a number of selections. Refreshments will be provided in a spacious tent, and all that is required will be a fine evening to make it a great success.

Shakespeare's Hamlet

Once advised some strolling players not to saw the air too much with their hands. It is this same fault—too much handsawing—that is responsible for most of the gingerbread ornamentation of furniture, which all would avoid.

Walk through our art galleries of furniture and you will find no "pot-boilers." Everything is rich, artistic, tasteful—neither barren and bold of decoration nor fussily bedizzened like an old maid at a wedding.

Let your purchases be born of good judgment; so shall satisfaction abide with you. Season your appetite with visions of art. A good sideboard half furnishes a dining room, and lots of other things here will improve your opinion of this store. Easy terms of payment.

Carpets! Carpets! They are in our way.

As weather prophets, there is but one day's difference between us and the great weather prophets, they tell the day before, we the day after. We therefore call your attention to the flood of the 19th inst., when we were in the soup, swimming under difficulties as it were. We have a few hundred yards of carpets, slightly damaged, which we are selling away down below manufacturers' prices. For instance:

Brussels $1.25 for 95c per yard.
" $1 for 75c per yard.
" 85c for 65c a yard.
" 75c for 60c "
" 65c for 50c "
" 50c for 35c "
" 45c for 30c "

They have all been thoroughly dried and overhauled and put in the best order possible, and the intention now is to clear them out quickly. Some of them are superior goods both in style and designs. You can call and look them over and depend upon what we say concerning them as correct. The prices are made low enough to clear them all out, and the point with you is whether it will pay you to inspect the goods now before the plums are picked.

For instance: Mattings, oilcloths and linoleums, art squares, crumb cloths, mats and rugs at the above reductions.

A job line of fringe shades, good value at 90c and $1, selling at 60c, complete. These goods are a snap as long as they last.
