MONTREAL CATTLE MARKET.

Montreal, Aug. 13.—At the Montreal Stock Yards, west end market, the receipts of live stock for the week ending Aug. 11, were 1700 cattle, 2700 sheep and lambs, 2600 hogs, and 700 calves, while the offerings on the market today for sale amounted to 1350 cattle, 1500 sheep and lambs, and 500 calves.

A feature of the trade was the weaker feeling which developed in the market for cattle, and prices for steers and heifers scored a decline of 50c per cwt. as compared with a week ago, and 75c with last Wednesday, while butcher's cows and bulls were 25c to 50c lower. Choice steers in full loads sold at $10.25, and selected small lots at $10.50 per cwt.

Ontario lambs sold 50c per cwt. higher at $13.50 to $14, and Quebec lambs at $12 to $13, and sheep were also 50c per cwt. up, with sales of ewes at $8.50 to $9. The hog situation continues very strong, and prices have scored a further advance of 25c to 50c per cwt. since last Wednesday. Supplies were larger, there being over 2000 head on the two markets, but this was offset by a keen demand from packers and an active trade was done with sales of selected lots at $17.50 to $17.75, and $18 was paid for three decks of long run stock, while sows sold at $14.50 to $14.75, and stags at $11 to $11.50 per cwt. weighed off cars.

Butchers' cattle, choice, $10.25 to $10.50; do. medium, $8.75 to $9.50; do. common, $8.25 to $8.50; canners, $5 to $6.25; butchers' cattle, choice cows, $7.50 to $8; do. medium, $6.50 to $7; do. bulls, $6.50 to $8.50; milkers, choice ,each, $110 to $115; do. common and medium, each, $90 to $100; springers, $65 to $85; sheep, ewes, $8.50 to $9; bucks and culls, $5 to $6.25; lambs, $12 to $14; hogs, f.o.b. off cars, $17.50 to $18; calves, $7 to $12.

LIVE STOCK MARKET

The enormous expansion of the live stock trade in Ontario was never better illustrated than in yesterday's run at the Union Stock Yards, a record one for this season of the year and totaling nearly 5000 head.

While the trade was fairly active the heavy receipts had the effect of forcing down the prices for some classes of cattle, notably the real good cows and medium to common cattle all the way from 25c to 50c a cwt. In some cases, where the animals were too good for the stocker trade, and not good enough for the packers, the decline was said to run as high as 75c per cwt., but this was the exception, but the latter class suffered most.

Real choice heavy steers held about steady, and as stated by the buyer for one of the largest packing houses anything showing extra quality and catchy to the eye was wanted and more would have bee ntaken at the high figures for the day.

For the extra choice steers for export trade the prices as shown in the representative sales were steady with last week, some sales of $12.65, and ranging from that down to $12 per cwt. being made by three or four of the commission houses.

There was a better demand for stockers from outside points and this fact helped out the market very materially. There were numerous inquiries for this class of cattle from outside points, some from the northwest, and a better demand is looked for from now on. In short, the whole market, considering the heavy run, and over supply, was steady and the clean-up must be regarded as very satisfactory to the drovers and commission houses.

Sheep and Lambs.

There was a heavy run of lambs, and the market as anticipated and foreshadowed in last week's World, showed a decline of fully $2 from last Wednesday's prices.

Hogs.

There was a moderately heavy run of hogs, about 1300 in all, but the market was steady at from $17.25 to $17.35 fed and watered.
