THE LEGISLATURE.

[*Special Telegram to the Daily Tribune.*]

TO-DAY'S PROCEEDINGS.

FREDERICTON, April 2.

A very large attendance at the City Hall to hear the concert of the Cathedral Choir of St. John last night. The Sacred part was very well rendered. Many of the singers are suffering from severe colds.

Wedderburn, from Committee on Law Bills, reported in favor of changing time of holding County Court of King's.

Ryan introduced a Bill to establish common field in Hillsboro, Albert County, and Lindsay a Bill to authorize the Mechanics Institute of Woodstock to dispose of certain property.

Wedderburn presented a petition from John Berryman and thirteen hundred others, and two other petitions less numerously signed, in favor of passing the Liquor Bill.

House is now in committee on Wedderburn's Bill to incorporate St. John Industrial School. The Bill is being opposed by Surveyor General, Landry and Adams.

There is a strong delegation here to defeat the St. John Liquor Bill, and active efforts will be made to defeat it. The length and respectability of the petitions will command the attention of the House.

From Ottawa.

(*Special to the Tribune.*)

OTTAWA, April 2.

Lord Lisgar, in consequence of private reasons, has asked to be released from duty and will take leave immediately after close of Session He has already secured passage in steamer. He will be succeeded temporarily by Earl Dufferin formerly Sir Frederick Blackwood, K. C. B., at present member of the Imperial Cabinet as Chancellor of Duchy of Lancaster. He was born in 1826 and married in 1862 to Mrs. Hamilton of County Down Ireland. Has an excellent reputation for political and literary ability.

Weather here is fine but travelling has been impeded for some days.

Stupendous frauds are coming to light in the collection of Government taxes in New York city during 1867 and '68. In case a whiskey distillery paid $26,000 when there should have been paid $1,227,940. Some seven hundred persons are implicated and their cases are undergoing investigation.

The public debt was reduced over fifteen millions in March.

The Western section of New York State is threatened with serious freshets.

BERLIN, April 1.

The German Charge De Affaires at Paris notified the French Minister of Foreign Affairs of Prince Bismarck's regret at the failure of Thiers to induce the Assembly to ratify Postal Convention before adjournment.

Bismarck has returned to Berlin.

NEW YORK, April 2.

Yesterday afternoon at Carbondale, Penn., a gale broke the trestlework of a coal breaker, carrying down a number of men and boys. The timbers ignited and several boys are reported to have perished, besides two men fatally injured.

Runner of Citizens Bank, New Orleans, was robbed yesterday of $67,000. No arrests.

Professor Morse was alive at 11p. m.

Connecticut election indicates re-election of Governor Jewell, Republican, by 250 to 500 majority, and Legislature more strongly Republican than last year.

Several indictments have been found by U. S. Government against parties in New York alleged to have defrauded the revenue of large amounts causing much excitement.

The officers of Portland Division, No. 7, Sons of Temperance, were duly installed in office on Monday evening, April 1st, by the Deputy Grand Worthy Patriarch, Jacob R. Pidgeon. The Division is in a flourishing condition. There have been initiated during the past quarter 52 male members. The financial condition of the Division is good, as shown by the Treasurer's report. They have invested in the Temperance Hall and deposited in the Savings Bank $691. The present quarter bids fair to equal if not excel the past quarter in initiations. With the Rev. Howard Sprague as Worthy Patriarch and Thomas Dale, Esq., as P. W. P., and the other officers in keeping with the above named gentlemen Portland Division must soon attain her former proud position.
